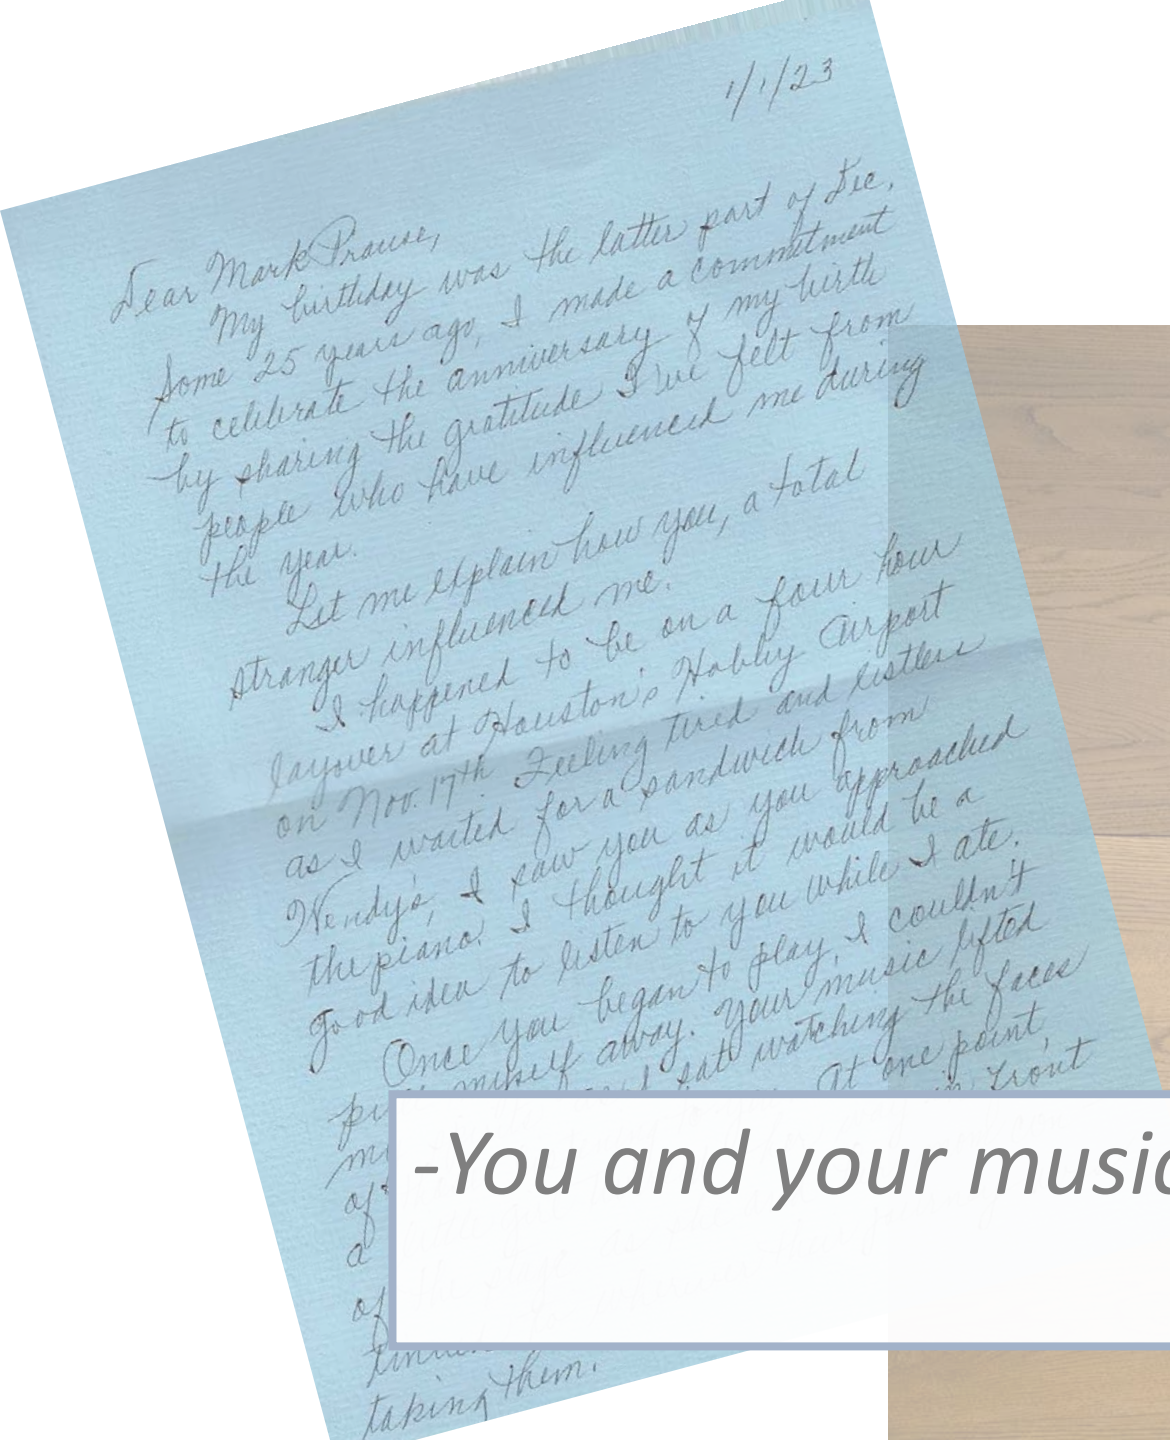
GENUINE CONNECTION



1/1/23

Dear Mark Prause,
My birthday was the latter part of Dec.
Some 25 years ago, I made a commitment
to celebrate the anniversary of my birth
by sharing the gratitude I've felt from
people who have influenced me during
the year.
Let me explain how you, a total
stranger influenced me.
I happened to be on a four hour
layover at Houston's Hobby Airport
on Nov. 17th. Feeling tired and listless
as I waited for a sandwich from
Wendy's, I saw you as you approached
the piano. I thought it would be a
good idea to listen to you while I ate.
Once you began to play, I couldn't
... myself away. Your music lifted
... sat watching the faces
... At one point,
... in front
taking them.

-You and your music were a special gift to me.

Thank you.
