## **APPLICATION for BROWNFIELDS REDEVELOPMENT ASSISTANCE**

### **Applicant and Site Eligibility Criteria Requirements**

Property must be impacted by the presence or potential presence of a hazardous substance, pollutant, or contaminant, and located within the City of Houston or City of Houston's Extra Territorial Jurisdiction.

The following properties are ineligible for participation in the City of Houston's Brownfields Redevelopment Program:

- Superfund sites;
- Resource Conservation and Recovery Act (RCRA) permitted or Interim-status facilities; and
- Properties involved in or targeted for any federal or state enforcement action

### **Instructions for Completing Application Form**

To qualify for participation in the City of Houston's Brownfields Redevelopment Program, all applicants must complete an application. Not every qualified applicant will be able to participate in the program, due to funding constraints. Therefore, priority will be given to eligible Brownfields projects that generate the greatest potential for near-term redevelopment, new employment opportunities, protecting human health and the environment, and create the most evident community benefits.

- Only one site may be submitted per application form
- The application must be signed
- Incomplete or unsigned applications will be returned without review to the applicant
- Applicants must have legal title to the property, or written authorization from title holder to apply
- Applicants will be asked to sign a property access agreement
- All applicants must submit one copy of the application and any associated supporting documentation by email or mail to:

### **Note:**

- Contents of all applications are considered part of the public record, unless deemed otherwise by law
- A claim of confidentiality may be subject to review by the City's legal staff. The City of Houston reserves the right to reject or return confidential information.
- At the sole discretion of the City of Houston, applications containing unsubstantiated statements will be declared ineligible for consideration in the Brownfields Redevelopment Program
- Each application will be evaluated based solely upon the information provided by the applicant
- Upon approval of application, applicant is agreeing that site will be recognized as a Brownfield and agree to data published in regard to the specific site in local, state, and federal databases as public record
