Re: Community Support for the West Alabama Reconstruction Project

Dear Chairwoman Granger,

I am pleased to offer this letter supporting the Harris County Improvement District #3 (Upper Kirby Management District), the Montrose Redevelopment Authority, and the Midtown Management District in their pursuit of FY24 Community Project Funding for the reconstruction of West Alabama from Buffalo Speedway to IH-69/US-59. The reconstruction of this major east-west thoroughfare will create a safer corridor for all users, improve drainage conditions, and rehabilitate failing pavement. The improvements sought will improve the ability of individuals to access activity centers along West Alabama through Upper Kirby, Montrose, and Midtown by enhancing facilities for all types of users, including pedestrians and bicyclists.

Sincerely,
