

Public Notice

The City of Houston, through its Housing and Community Development Department (HCDD), is proposing a Letter of Agreement (LOA) with Houston Public Works (HPW) to use \$2,716,369.35 in Community Development Block Grant – Disaster Recovery 2015 (CDBG-DR15) funds for the E.P. Hill Park Detention Basin Project in the Sunnyside community.

The project, located at 4800 Gloryland Drive, will create approximately 8 acre-feet of dry stormwater detention to help reduce future flood risks, improve neighborhood resilience, and support long-term recovery and revitalization efforts in a low-income area. Planned improvements will expand detention capacity, reduce localized ponding, and help maintain access for surrounding neighborhoods during heavy rainfall events.

This project advances the City's disaster recovery goals by reducing flood vulnerability and supporting continued community stability.

The public has fourteen (14) days to comment on these proposed items. The 14-day period extends from Tuesday, June 9, 2026, through Tuesday, June 23, 2026. Following the 14-day public comment period, HCDD and HPW will proceed with execution of the LOA.

For additional information on this item, contact Kenneth Brown at (346) 547-3106. Written comments can be submitted by email to Kenneth.Brown3@houstontx.gov.
