SINGLE-FAMILY HOME REPAIR ELIGIBILITY PROGRAMS (SFHREP) INSURANCE, BENEFITS AND EXPENDITURES CERTIFICATION

DUPLICATION OF BENEFITS

Federal regulations require the City of Houston to conduct a duplication of benefits (DOB) analysis to ensure that (1) Homeowners do not receive more federal funds than needed and (2) CDBG-DR funds are used to meet a need the Homeowner still has after considering other funds received. Therefore, any funds you received from insurance, non-profit, and public sources for repairs to your home must be considered when the amount of your Winter Storm Uri Award is determined. If you can show that you spent some of the funds you received to repair your home, those funds will not be considered a duplication of benefits. However, if any funds that you received for the repair/reconstruction of your home were spent for other purposes, this will limit the amount of your Winter Storm Uri Award.
