LOAN AGREEMENT (CDBG-DR 17 Transaction)

The parties to this Loan Agreement (this “Agreement”) are the **CITY OF HOUSTON, TEXAS**, a home-rule city organized under the laws of the State of Texas (“City”), **MY CONNECT COMMUNITY**, a Texas nonprofit corporation (“Borrower”), and **CONNECT SOUTH APTS, LP**, a Texas limited partnership (“Owner”). Owner's general partner is a limited liability company, of which Borrower and Connect South MM, LLC, an affiliate, are members.

Unless the context otherwise requires, the initial capitalized words shall have the meanings ascribed to them in **Schedule A** attached to this Agreement if they are not otherwise defined in the main body of this Agreement.

Borrower, City and Owner hereby agree as follows:

SECTION ONE **BACKGROUND**

A. Owner desires to develop that real property that is commonly known as 6440 Hillcroft Street, Houston, Texas, with a 77-unit multifamily mixed income housing development (“Project”). The Project will include a mix of one-, two-, and three-bedroom units, of which 70 units will be affordable to tenant households with incomes below 80 percent of area median income, or “AMI” and 7 units will be unrestricted market rate units.

B. Borrower has requested and this Agreement provides for a loan to be made from the City to the Borrower in the maximum principal amount of Eleven Million Nine Hundred Thousand and No/100 Dollars (\$11,900,000.00) (“Loan Amount”) (“City Loan” or the “City’s Loan”).

C. The City’s Loan will provide funds for the rehabilitation, reconstruction, acquisition and/or construction of replacement affordable housing that was damaged or destroyed by Hurricane Harvey, and will serve a Low and Moderate Income (“LMI”) benefit by providing

or improving residential structures to be occupied by households qualifying for LMI (“LMI Persons” or “City’s LMI Persons”).

D. Funding for the City Loan is being provided to the City pursuant to 2017 Community Development Block Grant (“CDBG”) Disaster Recovery program funds (“CDBG-DR17 Program”) awarded by the United States Department of Housing and Urban Development (“HUD”) through the Texas General Land Office (“GLO”) under the Continuing Appropriations Act, 2018 and Supplemental Appropriations for Disaster Relief Requirements Act, 2017 (Public Law 115-56) and the Further Additional Supplemental Appropriations for Disaster Relief Requirements Act, 2018 (Public Law 115-23), and the requirements published by HUD under 83 Fed. Reg. 5844 and 83 Fed. Reg. 40314, and is subject to the terms and conditions of that certain Contract Numbered 21-134-000-C788 (“2021 Subrecipient Agreement”), as may be amended from time to time (“GLO Contract”) between GLO and the City. Pursuant to the GLO Contract, the provisions of that certain City of Houston Local Action Plan – Hurricane Harvey Housing Recovery passed and approved by City Council of the City of Houston (“City Council”) by Ordinance No. 2018-518 on June 27, 2018, as amended by that certain State of Texas Plan for Disaster Recovery: Hurricane Harvey Round 1, as amended from time to time (as so amended, the “Action Plan”), Federal regulations, as published in 24 C.F.R. Part 570 (“CDBG Regulations”), the State of Texas CDBG Housing Rules, as published in 10 TAC Chapter 60; the City’s Harvey Multifamily Program Guidelines, as amended from time to time, and other related administrative rules and regulations issued by the Federal Government or State of Texas that are applicable to rental activities funded under the CDBG-DR17 Program (“Other Requirements”) are hereby included or incorporated in this Agreement and sub-agreements, as applicable. Furthermore, Borrower and Owner have been notified that the information related to the development, its

operations and its residents are covered under Chapter 552, Texas Government Code, the Texas Public Information Act, unless a valid exception exists, and Chapter 2306 of the Texas Government Code.

E. The Term of the City Loan and this Agreement shall commence on the Closing Date and shall mature on the last day of the Affordability Period (as same may be extended) ("Term"). Project Completion must occur within 24 months after the Closing Date.

F. Until Project Completion, Borrower shall have no obligation to make interest payments on the City Loan. Following Project Completion, the outstanding principal balance of the Note shall accrue interest at the rate of one percent (1%) simple interest per annum, calculated daily using a 360-day basis for the actual number of days that the principal is outstanding. Borrower shall pay an annual installment equal to the lesser of (i) one percent (1%) annually on the outstanding balance of the City Loan plus accrued unpaid interest, if any, or (ii) Available Cash Flow, as defined below. The annual interest payment or non-payment of such interest shall be accompanied by evidence acceptable to the Director documenting Net Cash Flow or absence of Net Cash Flow. Unpaid interest will accrue and will be payable from future Available Cash Flow. For purposes of this provision, "Available Cash Flow" shall mean 50% of Net Cash Flow, and "Net Cash Flow" shall mean all income and revenues actually received by Owner from the lease of the Project Units and other improvements, and all other income and revenues actually received by Owner in connection with the Project, excluding and deducting therefrom all (1) Operating Expenses, including without limitation any debt service payments related to the Senior Loan and the Subordinate Loan (but not any other subordinate loans except as provided in Item 13 below); (2) security, pet or cleaning deposits, if any; (3) payments from the Replacement Reserve or from Operating Reserves; (4) payments or reimbursements from insurers or other third parties and used

or to be used for restoration, repair or remodeling of any of the Project Units or other improvements; (5) capital contributions, grants, proceeds of any permitted sale, transfer, exchange, refinancing or other disposition or encumbrance of all or a portion of the Project; (6) condemnation proceeds and awards in place of them; (7) tax reduction or abatement proceeds; (8) loan proceeds; (9) deposits made to Operating Reserves and to the Replacement Reserves; and (10) payments of the deferred developer fee; (11) costs of residential services; (12) social services fees; (13) any tax credit adjustments, any asset management fees due to either the Tax Credit Investor or a limited partner to the extent such fee is authorized under the Approved Final Operating Budget and loans from a partner of Owner related to the Project (to the extent that repayment of such loan (a) is not secured by the Project and (b) is made for the purposes of covering assumed tax liability, tax credit shortfalls and operating deficits under the Approved Final Operating Budget for the applicable year and not for the purposes of facilitating distributions to the partners of Owner).

G. Provided that no Default then exists beyond all applicable notice and cure periods and subject to the Director's consent and the conditions of this Section, Owner may, at its option, extend the Term of the City Loan for a maximum of three (3) successive renewal periods of five (5) years each (the "Renewal Periods") by written notice to the City of Owner's desire to renew the City Loan (the "Renewal Notice") which Renewal Notice shall be given no earlier than ninety (90) days prior to the expiration of the then current Term and no later than thirty (30) days prior to the expiration of the then current Term (as it may have previously been extended). For each Renewal Period, Borrower will pay the City a fee equal to one percent (1.00%) of the then outstanding balance of the City Loan which is a good faith estimate of the additional legal fees, monitoring costs and other expenses to be incurred by the City as a result of such extension and which sum must be paid simultaneously with the giving of the Renewal Notice. The extension

option may only be exercised as to one Renewal Period at a time. (For clarity purposes, the second extension option may be exercised no earlier than ninety (90) days prior to the expiration of the first Renewal Period and will not be available if the first extension option is not exercised and the third extension option may be exercised no earlier than ninety (90) days prior to the expiration of the second Renewal Period and will not be available if the first and second extension options are not exercised.) As a condition to each such extension, the Affordability Period must be extended to cover the applicable Renewal Period, and the parties shall execute a written extension agreement and any other documentation which may be required to extend the City Loan, the Affordability Period and the Restrictive Covenants for the Renewal Period in form and substance reasonably acceptable to the City and Owner. In addition, as a further condition to the renewal, (i) Borrower shall provide the City with a title company endorsement to the City's loan policy of title insurance for such extension under Texas Title Insurance Procedural Rule P.9.b.3 (or the equivalent), and (ii) the Project must pass the inspection of the City to ensure compliance with the Minimum Property Standards as the same are revised from time to time and if necessary, the Borrower shall cause Owner and Owner shall additionally make all necessary repairs to bring the Project into compliance. If Borrower requests an extension, the City may also, as a condition of renewal, require that the Replacement Reserve Account(s) be collaterally assigned to the City, subject, however, to Senior Lender's interest in the Replacement Reserve Account(s) under the Senior Loan Documents (if applicable).

H. No payment of principal shall be payable under the City Loan during its Term except from Net Cash Flow as specified above and except in the event of Borrower's or Owner's Default of its obligations or representations and warranties that is continuing beyond the expiration of all applicable notice and cure periods under (a) this Agreement, (b) the terms of the Note, the

Collateral Note or any security or other Loan Documents securing or evidencing the City Loan, and/or (c) the City's Restrictive Covenants; provided, however, the Director, in his or her sole discretion, may waive in full or in part any requirement of this paragraph.

I. Upon the Maturity Date, if no Default has occurred that remains uncured, the amount of the City's Loan that remains unpaid, if any, shall be deemed paid. In the event a Default has occurred and is continuing beyond the expiration of all applicable notice and cure periods and the Director elects, in accordance with the terms of the Loan Documents, to accelerate payment of the Note and declare that all sums under the City Loan are immediately due and payable, the principal balance of the City Loan together with accrued but unpaid interest thereon shall become immediately due and payable.

J. Borrower's obligations to the City under this Agreement, including, but not limited to repayment of the City's Loan as evidenced by the Note, will be secured by, among other things, the Collateral Assignment (Owner Loan) in favor of the City and the Owner Loan Documents. In furtherance of the foregoing, Borrower and Owner shall execute and deliver any instruments, documents and/or agreements necessary to create or perfect the security interests referenced hereunder.

K. Borrower shall loan the proceeds of the City Loan to Owner pursuant to the Owner Loan Agreement which has been or will be approved by the Director, for the Owner Loan from Borrower to Owner. Owner shall use the proceeds of the Owner Loan for the payment of the costs to acquire and rehabilitate, reconstruct, construct or replace rental housing which shall be comprised of the Project. The Land on which the Project is located is described in Exhibit A attached to this Agreement. A purpose of the Project is to house the City's LMI Persons in

compliance with the affordability agreements set forth in this Agreement and in the Restrictive Covenants.

L. Guarantor will sign a Construction Completion Guaranty in the form set forth in the Attachments to this Agreement ("Construction Completion Guaranty") of Borrower's and Owner's requirements under this Agreement and the Construction Contract.

M. To secure the City Loan, Borrower will collaterally assign the Owner Loan and the Owner Loan Documents pursuant to the Collateral Assignment (Owner Loan) executed by Borrower in favor of the City covering the Owner Loan, the Leasehold Deed of Trust Security Agreement and Financing Statement executed by Owner covering the Project and the other Owner Loan Documents. Notwithstanding anything to the contrary in this Agreement, the Owner shall remain obligated to repay the Owner Loan to the holder thereof according to its terms and conditions until satisfied in full. To further secure the City Loan, Borrower shall execute in favor of the City a Fee Deed of Trust Security Agreement and Financing Statement covering Borrower's interest in the Project.

N. The City is obligated to comply with certain requirements with respect to reporting to GLO about the use of the Loan Proceeds and the operations and maintenance of the Project, among other matters, and this Agreement contains provisions for the Borrower and Owner to submit information to the Director on various aspects of the Project. Borrower shall, and shall cause Owner to submit, and Owner shall submit this information to the Director on the forms from time to time provided and required by the Director to be used by the Borrower and/or Owner ("Monitoring Forms"), the initial form of which is attached as **APPENDIX 5** hereto.

O. The City Loan is issued subject to the conditions and terms of this Agreement.

P. Borrower and Owner shall comply and shall cause their contractors to comply with the City's Minority, Women and Small Business Enterprise ("MWSBE") programs as set out in Chapter 15, Article V of the City's Code of Ordinances. Borrower and Owner shall make good faith efforts as described by the City's Office of Business Opportunity ("OBO") policy attached hereto as **APPENDIX 9**, to award subcontracts or supply agreements in at least 34% of the Loan Amount to MWSBEs. Borrower and Owner acknowledge that they have reviewed the requirements for good faith efforts on file with the OBO and shall comply with them.

Q. Borrower and Owner shall ensure and shall cause their contractors to ensure that all subcontracts with MWSBE subcontractors and suppliers contain the following terms:

1. "[Name of MWSBE subcontractor] shall not delegate or subcontract more than 50% of the work under this Subcontract to any other subcontractor or supplier without the express written consent of the City of Houston's OBO Director.

2. [Name of MWSBE subcontractor] shall permit representatives of the City of Houston (including without limitation the Director and City Controller), at all reasonable times, to perform (a) inspections of all places where work is to be undertaken in connection with this Subcontract, and (b) audits of the books and records of [Name of MWSBE subcontractor]. [Name of MWSBE subcontractor] shall keep such books and records available for such purpose for at least four (4) years after the completion of its performance under this Subcontract. Nothing in this provision shall affect the time for bringing a cause of action nor the applicable statute of limitations.

3. Within five (5) business days of execution of this Subcontract, the prime contractor and [Name of MWSBE Subcontractor] shall designate in writing to the Director an

agent for receiving any notice required or permitted to be given pursuant to Chapter 15 of the City's Code of Ordinances, together with the mailing address and telephone number of such agent.

4. Any controversy between the parties involving the construction or application of any terms, covenants, or conditions of this Subcontract may be submitted to the OBO Director. The OBO Director may prescribe procedures to provide dispute resolution by neutrals, in accordance with the requirements of Chapter 15 of the City's Code of Ordinances."

R. Borrower and Owner hereby agree to comply with all conditions required by the GLO as a condition of GLO's approval of the Project for fair housing and affirmatively further fair housing purposes. Additionally, Borrower and Owner shall implement the Affirmatively Furthering Fair Housing Requirements and the Authority to Use Grant Funds ("AUGF") issued in connection with the Project.

S. Borrower and Owner agree to abide by the conflict of interest provisions at 24 C.F.R. § 570.611, 2 C.F.R. § 200.317 and 2 C.F.R. §200.318 and furnish conflict of interest disclosure forms if so required by the Director.

T. If the Loan Proceeds do not cover all of the costs of the Project, Owner shall have obtained at the time of Closing a firm commitment for the funding of the remaining acquisition costs (if applicable) and the costs to repair, renovate, construct and/or reconstruct the Project (collectively, together with the Senior Loan and the Subordinate Loan, the "Other Financings"), together with the capital contributions of the Tax Credit Investor, all of which combined with the Loan Proceeds, total at least the amount required by the Approved Final Project Budget ("Final Project Budget") in form and content approved by the Director and attached hereto in the Exhibits to this Agreement. In any case, Owner shall be responsible for funding or obtaining funding for

any costs or expenses of the Work, other Project cost under the Final Project Budget or otherwise payable under this Agreement to the extent not covered by the Loan Proceeds.

U. It is the policy of the City to ensure that construction work it finances protects workers on those projects by making sure they are safe, are compensated in accordance with Applicable Law, and have access to pathways for sustainable careers in the construction industry. Borrower and Owner shall cause all contractors who work on the Project to implement the City Workforce Protection Measures in Appendix 15.

V. The replacement reserve ("Replacement Reserve") shall be no less than \$300.00 per unit annually, increasing by 3% annually, pursuant to the terms of the Senior Loan Documents, to the extent that such Replacement Reserve is required pursuant to such Senior Loan Documents, or, to the extent not so required, pursuant to Section 6.24 of this Agreement. The City shall have a subordinate security interest in the Replacement Reserve, and Borrower and Owner shall execute any instruments or other documents necessary to create or perfect such interest if required by the Director.

W. Any property management fee, asset management fee or other similar fee ("Property Management Fee") is limited to no more than five percent (5.0%) in the aggregate of the Project's gross annual income.

X. Borrower and Owner have submitted to the Director a signed Certificate regarding lobbying ("Lobbying Certificate") in the form set forth in the Appendices to this Agreement (or in the form in effect at the time the Lobbying Certificate was submitted to the Director).

1. Schedule ("Schedule") setting forth definitions.

2. Borrower and Owner, as the context requires, hereby represent and warrant, and such representations and warranties shall be deemed to be continuing representations and warranties during the entire Term of this Agreement, and so long as the City shall have any commitment or obligation to make any disbursements of the Loan Proceeds hereunder, and so long as all of or any part of the City's Loan remains unpaid and outstanding under any Loan Document (but only to the extent the City Loan has not been deemed repaid pursuant to the terms of this Agreement and/or the Note), as follows:

2.1. Ownership and Use of Land. Borrower holds or will hold either at the time of Closing or as a result thereof fee simple title in and to the Land, and Owner shall hold or will hold either at the time of Closing or as a result thereof a leasehold interest in and to the Land located in Houston, Harris County, Texas, having an address of 6440 Hillcroft Street, Houston, Harris County, Texas, and more particularly described on EXHIBIT "A", subject however, to the Permitted Encumbrances (as defined in the Deed of Trust). 2.3. Taxes and Assessments. There are no delinquent taxes, assessments, or other impositions on the Land or Project, or if there are any delinquent taxes, assessments, or other impositions on the Land or Project, same will be paid prior to or simultaneously

with Closing of the City Loan. The Land or Project has not been subject to any special (reduced) real estate appraisal, or abatement, exemption or deferral of ad valorem taxes in the five (5) years preceding the Effective Date of this Agreement, unless Owner has an effective agreement providing that another party is liable for all liability, accruing prior to Owner's acquisition of the Land or Project, for ad valorem taxes owing as a result of a change or revocation of such special (reduced) real estate appraisal, or abatement, exemption or deferral of ad valorem taxes.

2.4. Financial Capacity.

2.4.1. The financial representations made to the City by Borrower (and by Owner to Borrower or City) concerning Borrower's and Owner's financial condition are true and correct in all material respects and, upon the Closing of the City Loan and the Other Financing, Owner and Borrower have the financial capacity to carry out their obligations under this Agreement and the Loan Documents as well as under the Owner Loan and the Owner Loan Documents. If any material negative change in either Borrower's or Owner's financial condition occurs, Borrower and Owner shall report such change to the City within five (5) business days.

2.4.2. The financial representations made to the City by Borrower and by Guarantor to Borrower or the City concerning Guarantor's financial condition are true and correct and, upon the Closing of the City's Loan, Guarantor has the financial capacity to carry out its obligations under the Construction Completion Guaranty. If any material negative change in Guarantor's financial condition occurs, Borrower shall report such change to the City within five (5) business days.

2.4.3. The Borrower, Owner and Guarantor are in good standing on all outstanding loans and loan commitments with no defaults or negative collection actions on any current or previous loans that City reasonably determines would adversely impact the ability of Borrower or Guarantor to perform hereunder. Borrower and Owner have provided the City with a true and correct listing with addresses of all multifamily properties owned or managed by Borrower and/or Owner.

2.5. Authorization. All action on the part of Borrower and Owner necessary to authorize the transactions contemplated by this Agreement have been taken, and upon execution of this Agreement, this Agreement shall constitute the binding and enforceable obligation of Borrower and Owner.

2.6. Liens. As of the Closing Date, there are no existing or threatened liens against the Project (other than the lien securing the Senior Loan and the Subordinate Loan), and the Borrower and Owner do not know of any reason such liens may be filed or threatened against the Project. As of the Closing Date, all payables and liabilities to parties providing goods or services to Borrower and Owner have been paid and no payables or liabilities exist that are more than thirty (30) days outstanding.

2.7. Preliminary Project Budget Contents. The Preliminary Project Budget specifies (a) a listing of all costs necessary to (i) acquire the Land (if applicable); (ii) complete the Project; and (iii) reach a 90% occupancy level, and (b) the sources of funding which will be used to complete the Work and reach stabilized occupancy which will be enumerated on AIA documents if required by the City and shall indicate those items to be funded with Owner's equity.

2.8. Expertise. Owner has engaged or will engage prior to Closing competent persons and firms for the purpose of constructing, leasing and managing the Project.

2.9. Legal Existence. Borrower is a nonprofit corporation, duly created and validly existing and in good standing under the laws of the State of Texas. Owner is a limited partnership, duly created and validly existing and in good standing under the laws of the State of Texas.

None of the Loan Proceeds will be used to pay for damages covered by any insurance claim or any insurance policy including delayed or future payments anticipated under insurance policies. No portion of the Loan Proceeds shall be utilized to satisfy any deductible under such insurance policies.

2.11. Access. Access by vehicles to the Land for the full utilization of the improvements for their intended purposes either (a) exists over paved roadways that have been completed, dedicated to the public use and accepted by the appropriate Governmental Authority, or (b) the necessary rights-of-way for such roadways have been acquired by the appropriate Governmental Authority and all necessary steps have been taken by Borrower and/or Owner, and such Governmental Authority to assure the complete construction and installation of such roadways.

2.12. Conflict of Interest. Neither Borrower nor Owner has a conflict of interest as prohibited by 24 C.F.R. § 570.611, 2 C.F.R. § 200.317 and 2 C.F.R. § 200.318. If

SECTION THREE **CONDITIONS PRECEDENT FOR CLOSING THE CITY LOAN**

All of the conditions listed in this Section must be satisfied by the date of Closing of the City's Loan and the satisfaction of each of such conditions shall be a condition precedent to Closing of the City Loan:

3.1. Execution and Approval of Property Management Agreement. The Owner and the Property Manager shall have executed the Property Management Agreement which shall have been approved by the Director. The Property Management Agreement will be collaterally assigned to the City (subordinate, however, to the assignment to Senior Lender, and which may be collaterally assigned to Subordinate Lender as well) as additional security for the repayment and performance of the City Loan pursuant to an "Assignment of Property Management Agreement" instrument in the form set forth in the Attachments or in a form otherwise approved by the City Attorney. The Borrower or Owner shall pay the City \$5,000.00 for review of the Approved Plans, Specifications and Drawings and cost review, which fee shall not be charged by the City if the Senior Lender’s plan and cost review indicates that the City is entitled to rely on it and such review is acceptable to the City.

3.4. Approval of Construction Schedule and Drawdown Schedule. The Director shall have approved the construction schedule and drawdown schedule for the Project (collectively referred to as the “Approved Construction Schedule”).

3.5. Funding Commitments. The sum of the City Loan, commitments for the Other Financings (if any), deferred developer fee, Net Operating Income, and any equity contributions for the Project shall be in at least the amount required to acquire the Land (if applicable), complete construction of the Project and allow operation of the Project in accordance with the Approved Final Operating Budget and the Approved Final Project Budget, according to the Approved Final Plans, Specifications and Drawings and the Approved Construction Contract. 3.7. Priority of City's Restrictive Covenants. Notwithstanding anything to the contrary set forth in this Agreement or in any of the other Loan Documents, the City's Restrictive Covenants, once recorded in the Official Public Records of Real Property of Harris County, Texas shall have priority during the Affordability Period over any and all liens proposed to evidence or secure the Senior Loan and any Other Financings (including without limitation, any refinancings or refundings thereof subsequent to the Closing Date). Such priority shall be evidenced pursuant to (i) the Intercreditor Agreement (hereinafter defined) and (ii) and subordination agreements referenced in the

Intercreditor Agreement in substantially the form referenced in and attached to the Intercreditor Agreement or in a form otherwise approved by the City Attorney, filed for record in the Official Public Records of Real Property, Harris County, Texas, on the Closing Date.

3.8. Intercreditor Agreement. 3.9.2. Approved Final Project Budget and Approved Final Construction

If required by the City, the Owner, at the Owner’s expense, shall engage appropriate third party inspectors acceptable to the Director, in his or

her sole discretion, or alternatively, the City, may utilize its own internal or external inspectors (collectively, "Approved Inspectors") to verify the budgets submitted to the Director for approval under this Section, to report to the Director on the adequacy and reasonableness of the amounts set forth in such budgets to complete the Project and the Work according to the Plans, Specifications and Drawings and to verify that all draws under the Approved Final Construction Budget conform with such budget, that all labor and material for which disbursement is requested have gone into the Project in accordance with the Plans, Specifications and Drawings and that the sum of the remaining undisbursed portion of the City Loan, Other Financings (if any), and Owner equity contributions for the Project, together with amount of the deferred developer fee and estimated future Net Operating Income, is adequate to complete the Work and the Project. The Owner's agreement with any Approved Inspectors engaged by Owner shall provide that the City is entitled to rely on the Approved Inspector's Reports and that the reports shall be addressed to the City. Notwithstanding the foregoing, if Senior Lender's inspectors are acceptable to the City, such inspectors shall be deemed Approved Inspectors and the City shall rely on the inspection reports of Senior Lender's inspectors, provided that (a) the inspection reports are addressed to the City, and (b) the City is entitled to rely on the inspection reports. Unless and until the City receives adequate funds from GLO, the City shall have no obligation to Borrower or Owner under this Agreement. In the event that the funds received by the City under the CDBG-DR17 Program are insufficient to meet the City’s prior commitments, the Director may reallocate all or a portion of the funds that are budgeted for this Agreement.

5.2. No Liability for Interruption of Funding. In the event that GLO or other applicable governmental agency (for whatever reason) instructs the City to cease funding of the City Loan, the City may do so without obligation to Borrower or Owner and without being liable to Borrower or Owner for any damages Borrower or Owner may incur as a result of such cessation in funding. The City shall give Borrower and Owner

written notice of such instructions promptly upon receiving such instruction, at which time, any and all of the City's obligations under this Agreement or any of the Loan Documents shall cease. 5.4. Environmental Clearance and Release of Funds. Notwithstanding any provision of this Agreement, the parties hereto agree and acknowledge that this Agreement does not constitute the City's commitment of funds or site approval, and that such commitment of funds and site approval may occur only upon satisfactory completion of the Environmental Review, and receipt by the City of a written "release of funds" authorization from HUD (Authority to Use Grant Funds, form HUD-7015.16 or successor form) in accordance with 24 C.F.R. Part 58 and Executive Order 11988 ("Authority to Use Grant Funds" or "AUGF") from the GLO and any Environmental Mitigation required therein. The parties further agree that if the City is to provide any funds to the Borrower or the Owner in connection with the Project, such disbursement is conditioned on the City's determination to proceed with, modify, or cancel the City's

Loan based on the results of a subsequent Environmental Review of the Land and the improvements thereon.

5.5. City Council Approval Required. This Agreement is subject to the approval of the City Council.

Borrower shall cause Owner, and Owner shall cause the Project and the Work to comply with the requirements of the 2010 ADA Standards (as hereafter defined) under the Americans With Disabilities Act of 1990 (42 U.S.C. § 12101 et seq.), the Architectural Barriers Act (42 U.S.C. §§ 4151-4157), Section 504 of the Rehabilitation Act of 1973 (29 U.S.C. § 794 et seq.) ("Section 504"), and regulations and guidelines

promulgated thereunder, as all of the same may be amended and supplemented from time to time, the Texas Architectural Barriers Act, Tex. Gov't. Code Ann. § 469.001 et seq. (1994) and the regulations and guidelines promulgated thereunder, and Chapter 10, subsection 60 of the Texas Administrative Code and the regulations and guidelines promulgated thereunder ("Chapter 10") as all of the same may be amended and supplemented from time to time (collectively, "Accessibility Requirements"). At least five percent (5%) of the total number of units at the Project (i.e., four (4) units), disbursed throughout the Project, shall be designated accessible in accordance with Section 504 and Chapter 10 using the 2010 ADA Standards for Accessible Design, promulgated by the United States Department of Justice, found at 28 C.F.R. § 35.151 (2013) and 36 C.F.R. Part 1191, App. B and D (2013) (the "2010 ADA Standards") as modified by HUD. In addition to the accessible units described in the preceding sentence, at least two percent (2%) of the units at the Project (i.e., two (2) units) shall meet the standards to accommodate the hearing and visually impaired in accordance with Applicable Laws (as defined herein).

6.23.5. If applicable, Borrower shall cause Owner, and Owner shall comply with CDBG Regulations at 24 C.F.R. Part 570, URA, as amended, at 49 C.F.R. § 24, and Section 104(d) of the Housing and Community Development Act of 1974, as amended, at 24 C.F.R. § 42. Borrower shall cause Owner, and Owner shall also comply with the tenant protection requirements set forth in the Protecting Tenants at Foreclosure Act of 2009, as amended and extended, ("PTAF"), as well as with any local codes or ordinances with respect to tenants' rights or tenant protection. If required by Applicable Law, Borrower shall cause Owner, and Owner shall also comply with the Multifamily Relocation Requirements ("Multifamily Relocation Requirements") in the Appendices and shall submit to the

Director copies of all documentation required by the Multifamily Relocation Requirements or relating to URA, which may include, without limitation, (i) a certification or affidavit, unless waived by the Director, affirming Owner has performed all appropriate due diligence in order to confirm compliance with the tenant protection requirements set forth herein, (ii) a Notice to Real Property Owner/Seller, (iii) Tenant Status Reports, (iv) all Notices with Tenant Acknowledgements as required by the URA and (v) other related forms described in the Multifamily Requirements. If required by Applicable Law, Borrower shall cause Owner, and Owner shall also submit to Director copies of all tenant notices and the Seller's Occupancy Certification required under PTAF with respect to the tenant protection requirements, to substantiate that such notices, if required by Applicable Law, were provided either by the foreclosing lender or by Borrower or Owner, as applicable.

6.24. Replacement Reserve and Operating Reserve. In accordance with the Senior Loan Documents, but not later than the first (1st) anniversary following Project Completion, Borrower shall cause Owner to, and Owner shall establish with Senior Lender, or to the extent not funded with the Senior Lender, a financial institution acceptable to the Director and Senior Lender in their sole and absolute discretion, and fund as an Operating Expense a "replacement reserve escrow account" ("Replacement Reserve Account") for the replacement of furniture, fixtures, and equipment used in connection with those units at the Project for which the Work has been completed and for repair of capitalized improvements, in an amount not less than the greater of (i) \$300.00 per unit annually, increased by 3% annually, or (ii) the reserve required by the Senior Lender per Unit per annum. If the Senior Lender requires a Replacement Reserve Account meeting these requirements, no additional reserve shall be required by the City.

The reserve shall be deposited in equal monthly installments on an amortized basis. (For example, if the Project had 100 Units, the monthly payment would be calculated as follows: $100 \text{ Units} \times \$300 \div 12 = \$2,500$ monthly escrow payment). In the event that the Senior Lender does not require a Replacement Reserve Account pursuant to the immediately preceding sentence, the City shall have the right to cause Owner to fund such Replacement Reserve Account, in an annual amount not less than \$300.00 per unit, increased by 3% annually, in accordance with the terms of this Paragraph 6.24. Unless a Default exists beyond the expiration of all applicable notice and cure periods, Owner shall be entitled to utilize amounts in the Replacement Reserve Account as necessary, provided that Owner shall replenish the amount withdrawn by continuing to fund deposits to the Replacement Reserve Account in accordance with the preceding sentence. Any replacement reserve amounts required under the Senior Loan Documents may be applied toward satisfaction of the Replacement Reserve Account requirements in this Agreement. If the Replacement Reserve is not required by the Senior Lender, the Director may require that the Replacement Reserve Account and all amounts held therein shall be collaterally assigned to the City (and which may be collaterally assigned to Senior Lender and Subordinate Lender as well) pursuant to a pledge and account control agreement in form and substance acceptable to the Director in his or her sole and absolute discretion. If the Replacement Reserve is required by the Senior Lender, the City shall have a second lien priority interest in the Replacement Reserve Account and the funds contained therein. On an annual basis, Borrower shall cause Owner to, and Owner shall provide the Director with an accounting of the Replacement Reserve Account. If not required by the Senior Lender or Owner's Partnership Agreement, the Director may require Owner to

establish an Operating Reserve for the Project at Project Completion on terms and conditions as approved by the Director in the Director's reasonable determination. .

6.25. Insurance Provisions in the Deed of Trust. Borrower shall cause Owner to, and Owner shall comply with all insurance requirements set out in the Senior Mortgage, the Leasehold Deed of Trust securing the City Loan and this Agreement.

6.26. Reserved.

6.27. Consulting and Developer's Fees. During the Term, without the prior written approval of the Director, no consulting or developer's fees shall be paid by Borrower or Owner, directly or indirectly out of the proceeds of the City's Loan or out of the revenue of the Project (except as provided in the Approved Final Construction Budget or the Approved Final Operating Budget).

6.28. Distributions Covenant. If the Project exceeds a debt service ratio of 1.5 to 1 on an annual (calendar year) basis, the available cash for distribution for such calendar year shall be limited to the cash available between breakeven (1:1 debt service ratio) and a 1.5 to 1 debt service ratio on the Senior Loan. Notwithstanding anything to the contrary contained in this Agreement, any distribution in excess of such amount shall entitle the Director to declare a Default hereunder subject to applicable notice and to cure periods. For example: If the debt service on the Project was \$100,000 per year and the available cash before payment of debts was \$200,000, the Project would have a debt service ratio of 2:1. \$100,000 of the cash would be used to pay debt service, \$50,000 (only) would be available for distribution and the remaining \$50,000 would be reserved by Owner and promptly invested in the capital improvement of the Project, invested in additional services for residents, or deposited in the Replacement Reserve Account or the Operating

Reserve. Cash flow in excess of a 1.5 to 1 debt service ratio shall not be available for distribution and shall be invested in the Project, invested in additional services for residents, or deposited in the Replacement Reserve Account as provided above. Borrower and Owner covenant to notify the City in writing at least ten (10) days in advance of any distribution of Project income to Borrower's or Owner's partners, shareholders or members as applicable. Cash flow from the Project shall be calculated prior to the payment of rent under the Ground Lease. For purposes of this Paragraph 6.28, "distribution" means those amounts distributed to Owner's partners as identified in the Partnership Agreement that are not a payment (or repayment) of specific amounts due to such partners. By way of example and not as a limitation, a payment to Borrower's partners for asset management fees, assumed tax liability, tax credit shortfalls, tax credit adjusters, and loan repayments shall not be deemed a distribution.

6.29. Modification Fees In the event that a modification of this Agreement or any change in any City Loan terms is required after Closing which requires the Director's or City Council's approval, Borrower shall be responsible for all costs in connection therewith together a fee of no less than \$25,000.00 with the amount of the fee to be determined at the time of request.

SECTION SEVEN **RESERVED**

SECTION EIGHT **RESERVED**

SECTION NINE **DISBURSEMENT PROCEDURES**

9.1. Disbursement Limitations The proceeds of the City Loan shall be disbursed only for eligible and approved costs of the Work, relocation costs or acquisition costs and

such other costs that (i) are included in the Approved Final Project Budget, (ii) have been approved by the Director, (iii) if for Work, are for Work that has been completed and which Work has been approved by the Director, and (iv) if for materials, are for materials purchased and stored on site and approved by the Director.

9.2. Retainage. Disbursement for the Work or other expenses under the Approved Final Construction Budget shall be subject to a ten percent (10.0%) retainage under Section 53.101, et seq. of the Texas Property Code (as it may be amended from time to time), but notwithstanding the foregoing, in no case shall retainage be released prior to thirty (30) days following completion of the Work as certified by the Architect or other person acceptable to the City. At the time of the release of the retainage, the Project is or will be as a result of the release of retainage free of all liens relating to the Project, other than liens that are bonded around. At the time of the release of the retainage, Borrower shall cause Owner and Owner shall provide the City with a down-date endorsement (T-3), final lien waivers and/or such other documentation as may be required by the Director.

9.3. Reallocation of Loan Proceeds. Any Loan Proceeds that are allocated for the Project but that are not expended for eligible costs under the Approved Final Project Budget pursuant to the terms of this Agreement shall be returned to the City for reallocation.

9.4. Reallocation of Savings and Contingencies. Borrower or Owner may, with the Director's approval, such approval not to be unreasonably withheld, (i) reallocate savings from one category of the Approved Final Construction Budget or from the contingency category of the Approved Final Construction Budget to another category of the Approved

Final Construction Budget for the Project or (ii) reallocate savings for change orders beyond the scope of the Approved Plans, Specifications, and Drawings.

9.5. Drawdown Procedure. Borrower shall not request a disbursement of the Loan Proceeds except in accordance with the Approved Construction Schedule and Approved Final Project Budget and in accordance with the provisions of this Paragraph 9.5. When a disbursement of Loan Proceeds is requested, Owner shall provide to Borrower for delivery to the Director, or Owner shall provide directly to the Director (but in no event more often than once a month and for an amount of not less than \$5,000) an application for the disbursement (in a form required by the Director) (the “Disbursement Request”) together with supporting documentation required by the Director (which shall include but not be limited to invoices and draw requests submitted by Contractor, interim lien waivers using forms provided by the GLO attached hereto as APPENDIX 13, and monthly construction progress reports on a unit by unit basis for verification by a third party inspector or a representative of the City) and evidence of required permits. In addition to the other information required by the Director, the initial disbursement request shall include a copy of all required permits necessary to commence construction. If the Director objects to an item (or the applicable portion thereof to which the Director objected) included in any Disbursement Request or if all required information has not been submitted, then the Director shall notify Owner within 10 business days of receipt of the applicable Disbursement Request of the Director’s objection and shall thereupon be relieved of any obligation to make a disbursement for that item (or portion thereof) until such time as Owner cures the objection(s) to the satisfaction of the Director. If the Disbursement Request is otherwise complete (as determined by the Director) and

provided no Default exists or event that with the passage of time or giving of notice would constitute a Default has occurred and is continuing, the City shall, within 30 calendar days following approval of Owner's request, fund the requested disbursement from the City Loan less any amounts for items to which the Director has raised an objection and that have not been cured and less any retainage; provided, however, that the City shall not be required to make a disbursement (other than the last disbursement) in an amount less than \$5,000 nor shall the City be required to make more than one disbursement per month. With each draw, the Owner shall provide a down-date endorsement (T-3) to the City Loan Title Policy together with partial lien releases from the Contractor and subcontractors for the Work performed through the date of the draw request. Notwithstanding the foregoing, the Director may waive any requirement of this Paragraph 9.5, provided each Disbursement Request complies with: (i) Section 4.4 of the Intercreditor Agreement, (ii) Section Six, Paragraphs 6.1 and 6.2 hereof, and (iii) the 2021 Subrecipient Agreement, CDBG Regulations and Other Requirements.

SECTION TEN **DEFAULT AND REMEDIES**

10.1. Default. The Director may declare a default ("Default") under this Agreement or any one or more of the Loan Documents upon the occurrence of any one or more of the following circumstances that is continuing beyond the expiration of all applicable notice and cure periods (and in all events, subject to the rights of Senior Lender under the Senior Loan Documents, Subordinate Lender under the Intercreditor Agreement, and Tax Credit Investor under Paragraph 10.3 hereof):

10.1.1. Failure to Pay.

(a) If Borrower fails to pay, when due, any portion of the indebtedness evidenced by the Note and/or this Agreement and/or secured by the Collateral Assignment (Owner Loan) and such failure continues for ten (10) days after written notice thereof from the Director to Borrower.

(b) If Owner fails to pay the Borrower when due any portion of the indebtedness evidenced by the Owner Loan and such failure continues beyond all applicable notice and cure periods contained in the Owner Loan Agreement.

10.1.2. Breach of Affordability Requirements and/or Restrictive Covenants.

If Borrower or Owner breaches (i) the Affordability Requirements in this Agreement or the parallel Affordability Requirements set forth in the Restrictive Covenants and such breach continues for thirty (30) days after written notice thereof from the City to Borrower and Owner or (ii) any other covenant, condition, representation or warranty contained in the Restrictive Covenants, and such breach continues for thirty (30) days after the City delivers written notice thereof to Borrower and Owner, and Borrower and Owner shall not have any additional cure rights hereunder.

10.1.3. Breach of Other Covenants or Conditions.

Except for the breaches of covenants or conditions covered by Section Ten, Paragraphs 10.1.1 and 10.1.2 above, if Borrower or Owner fails, refuses or neglects to perform fully and timely any obligation, or breaches any covenant or condition (including any condition prior to or subsequent to the issuance of the City Loan) under this Agreement, or under any other Loan Document, and such failure continues for thirty (30) days after written notice from the City to Borrower and Owner, or, if the failure is not susceptible to cure within said 30-day period, such greater period

of time (not to exceed sixty (60) days) as is necessary to cure such failure provided Borrower commences to cure such failure within said 30-day period and diligently works to cure such failure; provided, however that in the event that (i) any such cure periods would cause a violation to occur under Applicable Law or (ii) any breach or failure of performance of a life safety requirement, such event may be deemed and declared by the Director to be a Default hereunder without any notice or opportunity to cure..

10.1.4. Breach of Representations or Warranties. If any representation or warranty made by Borrower or Owner in its application(s) for the City Loan or in any of the Loan Documents, or this Agreement, or the Restrictive Covenants is false or misleading in any material respect, provided, however, that solely with regard to non-financial misrepresentations or warranties, Borrower and Owner shall have thirty (30) days after written notice to the Borrower and Owner from the City in which to take such action as may be necessary to cause the matter or thing represented to become true or not misleading; provided, however that in the event that any such cure periods would cause a violation to occur under Applicable Law, such event shall be deemed a Default hereunder without any notice or opportunity to cure.

10.1.5. Voluntary Actions. If Borrower, Owner or Guarantor (if any) is voluntarily adjudicated bankrupt, seeks, consents or does not contest the appointment of a receiver or trustee for itself or for all or part of its property, makes a general assignment for the benefit of creditors, does not pay its debts as they become due, or files a petition seeking relief under United States Bankruptcy Law.

10.1.6. Involuntary Actions. If a petition is filed against Borrower, Owner or Guarantor (with respect to the Guarantor, only for so long as the Construction Completion Guaranty remains in effect) under United States Bankruptcy Law or if a court of competent jurisdiction enters an order appointing a receiver or trustee for Borrower, Owner or Guarantor (with respect to the Guarantor, only for so long as the Construction Completion Guaranty remains in effect) for all or any material part of such party's property, and the order or petition is not discharged, dismissed or stayed within a period of ninety (90) days.

10.1.7. Dissolution or Liquidation. If Borrower or Owner is a partnership, limited liability company, corporation or other legal entity and dissolves, liquidates, or merges with or is consolidated into any other entity without the written approval of the Director.

10.1.8. Destruction of the Project. If the Project is demolished, destroyed or substantially damaged, and it is not restored or rebuilt in accordance with the requirements of the Loan Documents.

10.1.9. Cessation of Work. If Work on the Project ceases for ninety (90) or more consecutive days unless such cessation of Work is caused by cessation of funding under the City Loan or by an event of Force Majeure which does not extend more than ninety (90) days.

10.1.10. Failure to Obtain or Default Under Other Financing. If Borrower or Owner fails to obtain any funding of the Other Financing in the order required under the Intercreditor Agreement (if applicable) or if Owner or Borrower has been declared in default under any regulatory agreement or document evidencing or related to the Other

Financing, and such failure and/or default is not cured within ten (10) business days, or if longer, the cure period set forth in such regulatory agreement or other document but not to exceed thirty (30) days; provided, however, that any cure of the underlying default shall also constitute acceptable cure of the Default.

10.1.11. Liens and Other Encumbrances. If any mechanics', materialman's, or other similar lien or encumbrance is filed against the Project, or the fixtures, materials, machinery and equipment to be used in the Project or other collateral that secures the City Loan, and the same is not discharged (by payment, bonding, which may include payment bond furnished by contractor, or otherwise) within fifteen (15) business days following written notice thereof from the City to Borrower and Owner.

10.1.12. Change of Ownership or Management.

(a) Except as otherwise permitted by the terms of this Agreement, if all or any part of Owner's or Borrower's interest in the Project is transferred (excluding transfers of membership or partnership interests in Owner permitted pursuant to Paragraph 10.1.15 and 10.1.16), sold or assigned, voluntarily or involuntarily, or there is a change of management of the Project, at any time within the Affordability Period, such transfer of interest or change of management must first be approved in writing by the Director, which approval may be granted or withheld by the Director in the Director's reasonable determination. In the case of a transfer of Owner's interest in the Project and/or the Ground Lease, the Director's consent, if any, shall not be effective unless or until the purchaser or transferee assumes in writing all obligations and covenants of Borrower and Owner under the Loan Documents and the Ground Lease in a form acceptable to the Director and the City Attorney. Notwithstanding the foregoing or anything else

to the contrary set forth in the Loan Documents, the City acknowledges that (a) General Partner (or an affiliate thereof) and Borrower (or an affiliate thereof) each hold certain rights to acquire the Project and/or partnership interests in Owner at the end of the Tax Credit Compliance Period, as more particularly described in the Partnership Agreement (the "Option/ROFR Agreement"), and (b) such acquisitions are preapproved and require no further consent from the City; provided that (i) such transfers are structured to avoid a merger of title, the termination of the Ground Lease or the impairment or enforceability of the City's Loan and its collateral therefor, and (ii) the acquiring party assumes all obligations under this Loan Agreement and the other Loan Documents.

(b) If there is otherwise a change in control of Borrower without Director's consent, such change shall be in violation of this Agreement.

(c) If there is a change in the Property Manager without Director's consent, which consent shall not be unreasonably withheld, such change shall be in violation of this Agreement.

10.1.13. Failure to Complete. If Owner or Borrower fails to complete the Work in accordance with the Approved Plans, Specifications, and Drawings that are approved by the Director within the Approved Construction Period.

10.1.14. GLO, IRS or other Audit Findings or Exceptions. If the GLO, the Internal Revenue Service, or other federal or state agency makes a materially adverse audit finding or exception that relates to the Project, the funds provided under this Agreement, or the Other Financing, provided, however, that if the audit finding or exception is curable, there shall be no Default unless the audit finding or exception is not cured within thirty (30) days after written notice to Borrower and Owner of such finding or exception or for such greater period as shall be necessary to cure such finding or exception so long as Borrower or

Owner commences to cure such finding or exception within thirty (30) days after written notice thereof to Borrower and Owner and satisfactorily completes such cure.

10.1.15. Removal of Owner's General Partner. Notwithstanding anything to the contrary contained in this Agreement or the Loan Documents, the removal and/or replacement of Owner's general partner for cause in accordance with Owner's Partnership Agreement shall not require the consent of the City or Director, shall not constitute a Default under this Agreement or the Loan Documents or accelerate the maturity of the City Loan. The consent of the Director shall be required for the appointment of a new general partner, but if the Tax Credit Investor exercises its right to remove the Owner's general partner for cause, City will not unreasonably withhold its consent to the substitute general partner; provided however, the consent of neither the City nor the Director shall be required if the substitute general partner is an affiliate of Hudson Housing Capital LLC (the "Investor **Sponsor**"). The substitute general partner shall assume all of the rights and obligations of the removed general partner of Owner hereunder.

10.1.16. Transfer of Tax Credit Investor's Partnership Interest. Notwithstanding anything to the contrary contained in this Agreement or the Loan Documents, no consent shall be required from the City or the Director (and the same shall not be deemed a Default or an event of default under any of the Loan Documents), in connection with (a) the pledge and encumbrance of the Tax Credit Investor's limited partnership interest in Owner to or for the benefit of any financial institution that enables such Tax Credit Investor to make its capital contribution to Owner, (b) prior to payment of all installments pursuant to Section 5.01(c) of the Partnership Agreement, the transfer and/or the assignment by Tax Credit Investor of its interest in the Borrower to an entity controlled

or managed by an entity which is related to or under common control with Tax Credit Investor Sponsor, or (c) after the payment of all installments pursuant to Section 5.01(c) of the Owner's Partnership Agreement, transfer by the Tax Credit Investor of its interest in the Owner to any entity.

10.2. Temporary Non-Compliance Not a Default. Notwithstanding the foregoing or any other provision of this Agreement or any of the other Loan Documents to the contrary, neither Borrower nor Owner shall be in Default hereunder or thereunder if such Default occurs solely as a result of temporary noncompliance with Section Six, Paragraphs 6.8.1, 6.8.3 or 6.8.4, or comparable or similar provisions of this Agreement or any of the other Loan Documents, and such temporary non-compliance is caused by increases in incomes of existing tenants, provided that actions satisfactory to GLO and the City are being taken to ensure that all vacancies of the Designated Units are filled with eligible tenants until the non-compliance is corrected. Without limiting the foregoing, existing tenants of Designated Units whose financial status during the term of the lease are found to be such as to no longer qualify such tenants as City LMI Persons, must pay as rent from the date any such tenant no longer qualifies as a City LMI Person, an amount equal to the lesser of the amount payable by the tenant under state or local law or thirty (30%) percent of the family's adjusted monthly income, as re-certified annually, but in no event shall more rent be charged than is allowed under Section 42 of the Internal Revenue Code of 1986, as amended..

10.3. Right to Cure Any time there is an event or a condition described in Paragraph 10.1, above, which, with the passage of time might become a Default, if the Project has received Other Financing from low income housing tax credits, the Tax Credit Investor,

Guarantor, the Subordinate Lender and/or the Senior Lender shall have the independent and concurrent right to cure such event or condition during the same period of time as that provided to Borrower or Owner. A cure by the Tax Credit Investor the Subordinate Lender and/or the Senior Lender of any event or condition that, with the passage of time might become a Default, shall have the same effect as a cure of such event or condition by Borrower.

10.4. Owner's and Guarantor's Right to Cure Anytime there is an event or condition described in in the Loan Documents which, with the passage of time might become a Default, if the Project has received other financings from low income housing tax credits, Owner and Guarantor shall each have the independent and concurrent right to cure such event or condition during the same period of time as that provided to Borrower. A cure by Owner and/or Guarantor of any event or condition that, with the passage of time might become a Default, shall have the same effect as a cure of such event or condition by Borrower.

10.5. City's Remedies Upon the declaration of a Default by the Director and the failure by Borrower or Owner or Senior Lender, Subordinate Lender or Tax Credit Investor to cure same within a time period specified herein (if any), the Director may in his or her sole discretion: (i) terminate this Agreement; (ii) accelerate payment of the Note and declare that all sums under the City Loan are immediately due and payable; (iii) foreclose on the Project; (iv) cease funding any disbursements under the City Loan ; (v) foreclose on the Collateral Note and/or (vi) take any other action authorized or available under this Agreement, any of the Loan Documents or under Applicable Law or in equity. In the event a Default exists beyond the expiration of all applicable notice and cure

periods, if the Director so chooses this remedy, the outstanding deferred principal balance shall be immediately due and payable. Upon the occurrence and continuation beyond the expiration of all applicable notice and cure periods of any Default hereunder, the deferred principal shall bear interest at a rate of the lesser of ten percent (10%) per annum or the maximum rate of interest permitted to be contracted for by Applicable Law ("Highest Lawful Rate"). Failure of Borrower or Owner to adequately perform under this Agreement may result in penalties including the possibility of disbarment from future GLO and City projects. In the event that the City elects to stop funding the City Loan upon the occurrence and continuance of a Default beyond the expiration of all applicable notice and cure periods, the Borrower and Owner shall be obligated to continue and complete the Work at Borrower's expense.

SECTION ELEVEN
ALLOCATION OF COST SAVINGS
AND RECOVERY OF DAMAGES FROM CONTRACTOR

In the event that (i) cost savings are achieved in connection with the performance of the Work and not re-allocated in accordance with Section Nine, Paragraph 9.4 or (ii) the Contractor or any Subcontractor selected to perform the Work on the Project makes a payment of damages to Owner for delays, defective workmanship or material, or for other items related to Work on the Project and such sums are not used by Owner to correct such defective workmanship or otherwise mitigate any damages related to Work on the Project resulting from such default by the Contractor or any Subcontractor, Borrower shall immediately cause Owner to and Owner shall pay to the City a portion of such cost savings or the sum received as payment of damages, to be applied against the principal balance of the City Loan. The amount of such savings or damages to be paid to the City and applied to the City Loan shall be equal to:

- (i) (The total amount of the City Loan disbursed for Work) X (amount of cost savings realized or damages received) (The total Work cost);
- (ii) less any portion of the damages received that the Director determines are attributable to lost income from rent; and
- (iii) less any portion of the cost savings realized or damages received that are used to pay Work costs approved by the Director in accordance with the Final Budget.

Provided, however, notwithstanding anything to the contrary set forth in this Agreement, to the extent that cost savings result in reduction in eligible basis for the Project, or will not be applied to projections for additional capital costs that would be considered eligible costs for tax credit certification under the applicable rules related thereto, and such reduction results in the amount of equity being contributed to the Project by the Tax Credit Investor being reduced, the City Loan shall not be reduced by any amount of reduction in the Tax Credit Investor's equity.

SECTION EIGHTEEN
MISCELLANEOUS

18.1. Relationship of Parties. The relationship of the City to Borrower pursuant to this Agreement, the Note, and all other Loan Documents is that of lender to borrower. Neither this Agreement, the Note, nor any of the Loan Documents creates any partnership, joint venture, or other subrecipient or fiduciary relationship between City and Borrower and/or the City and Owner.

18.2. Parties in Interest. Except for the rights of the GLO specifically set forth herein, this Agreement shall not bestow any rights upon any third party, but, rather, shall bind and benefit the City, Owner and Borrower, and as applicable, benefit GLO. Neither the U.S. Government, HUD, any subcontractor or supplier, nor any other person or entity, is a party to or a third-party beneficiary of this Agreement.

18.3. Exculpation. The City shall not be liable to Borrower or Owner or responsible in any manner to any third-party in connection with this Agreement.

18.4. Non-waiver. Failure or forbearance of any party hereto to insist on the strict performance of any obligation under this Agreement or to exercise any rights or remedies accruing upon default shall not be considered a waiver of the right to insist on and to enforce, by any appropriate remedy, strict compliance with any other obligation or to exercise any right or remedy occurring as a result of any future default or failure of performance.

18.5. Modification. Any alterations, additions, or deletions to terms which are required by changes in federal or state laws and regulations shall be automatically incorporated into this Agreement and shall take effect on the effective date of the laws or regulations.

18.6. Severability. In the event that any covenant, condition or provision of this Agreement is held to be invalid by a court of competent jurisdiction, the invalidity of the invalid covenant, condition or provision shall in no way affect any other covenant, condition, or provision, provided that the respective rights and obligations of the parties contained in the valid covenants, conditions and provisions of this Agreement are not materially prejudiced.

18.7. Choice of Law. This Agreement shall be performable and enforced in Harris County, Texas, and shall be construed and interpreted in accordance with the laws of the City, the State of Texas and other Applicable Law. Venue for any disputes relating in any way to this Agreement shall lie exclusively in Harris County, Texas.

18.8. Integration. Except as may be otherwise provided in this Agreement, this Agreement, the Appendices, Attachments, and Exhibits, or the other Loan Documents and Borrower's response to the City's request for proposal embody the entire agreement between the City, Borrower, and Owner, and there are no other effective agreements, representations or warranties between all of the City, Owner and Borrower in connection with this Agreement and the other Loan Documents.

18.9. Assignability. This Agreement shall not be assignable in whole or in part by Borrower or Owner without the prior written consent of the City which consent shall be in the form of an ordinance passed by City Council.

18.10. Survival. All the terms of this Agreement (including without limitation, the conditions listed in Section Three) shall survive the execution of the Note, the Deed of Trust and Restrictive Covenants. The parties hereto expressly agree and acknowledge that the terms of this Agreement and the Restrictive Covenants shall remain in full force and effect until the expiration of the Affordability Period, notwithstanding whether the Note or the Owner Note is prepaid in accordance with its terms.

18.11. Captions. The use of captions in this Agreement is for convenience only and such captions shall not be used to define or limit the terms of this Agreement.

18.12. Applicable Law. The interpretation and application of this Agreement shall be in accordance with the laws of the City, the State of Texas and other Applicable Law.

18.13. Multiple Counterparts; Effective Date. The parties have executed this Agreement in multiple originals, each having full force and effect, as of the Effective Date.

18.14. Approval by the City or the Director. All references to “reasonable” with respect to the granting or denying of the City’s or the Director’s approval shall be deemed to be “reasonable” if the Director is acting in his or her official capacity in accordance with the City’s Charter and related ordinances.

18.15. Flood Insurance Requirements and Transfer of Property: Flood Insurance. If applicable, during the term of this Agreement, Borrower and Owner, as applicable, shall maintain flood insurance as required under the Flood Disaster Protection Act of 1973 and the National Flood Insurance Reform Act of 1994 (42 U.S.C. § 4001 et seq. and 42 U.S.C. § 5154a), as amended, in accordance with APPENDIX 2 hereto or as otherwise required by HUD, City ordinance or the Director. Provided, however, that if the Property

is located within a 100-year or 500-year floodplain or Special Flood Hazard Area designated by FEMA, Owner must maintain flood insurance on the Property for the life of the Property, in accordance with 42 U.S.C. §4012a, and this requirement shall survive the expiration or earlier termination of this Agreement. Borrower and Owner understand and acknowledge that failure to maintain the required flood insurance shall result in ineligibility for any further federal disaster relief of any kind, including but not limited to CDBG disaster recovery assistance. If the Property is sold or transferred by Owner or any subsequent transferring owner, the applicable flood insurance requirements under this Paragraph are transferred to the new Property owner. Owner or any subsequent transferring owner of the Property must notify the new owner in accordance with 42 U.S.C. § 5154a and this requirement shall survive the expiration or earlier termination of this Agreement. Owner or any subsequent transferring owner of the Property may be subject to liability if it fails to provide the notice required by 42 U.S.C. § 5154a.

18.16. Consents and Approvals. Any approval or consent required of the City or the Director under the Loan Documents is for the purposes of administering the City Loan for City's benefit only and does not constitute any type of warranty or guaranty to Borrower or Owner that the plans, specifications, contracts or items of a similar nature for which approval or consent is sought is free from error, in compliance with Applicable Law or fit for the Owner's purpose. Borrower and Owner acknowledge that neither the City nor the Director is an engineer or an architect and that Owner is required to rely on its own architect, contractors and engineers in performance and monitoring of the Work hereunder. To the extent that any condition or provision of this Agreement or any other Loan Document is subject to the approval or consent of the City or the Director and such

consent is not expressly required to be "reasonable", such consent or approval may be granted or denied within the sole and absolute discretion of the City or the Director, as applicable. In all cases, any approval or consent required by the City or Director shall not be effective unless such consent or approval is in writing.

18.17. Choice of Venue. Borrower and Owner agree that proper and exclusive venue for any dispute with respect to this Agreement shall be in the United States District Court for the Southern District of Texas or the state circuit court sitting in Harris County, Texas, and Borrower and Owner agree to waive any claim that such court does not have personal jurisdiction over it or is an inconvenient forum.

In the event that a dispute arises between Owner and any contractor or subcontractor, or between any contractor and subcontractor with respect to the Work or the Project, the Director shall have the right to require the disputing parties to conduct non-binding mediation to attempt to resolve such disputes to the extent that such mediation would not conflict with the requirements of the Payment, Performance or Maintenance Bonds. Such mediation shall occur within thirty (30) days of notice by the Director that a mediation is required. The Director may declare a default under the City Loan if any dispute referred to mediation is not resolved within sixty (60) days after submission to non-binding mediation, unless the applicable contract or subcontract is terminated. Each contract and subcontract for the construction of the Project shall contain mandatory non-binding mediation requirements in case of a dispute if mediation is required by the Director as well as the other requirements of **APPENDIX 3** hereto. Nothing contained in this Agreement is intended to require the City to be a party to or participate in any mediation proceedings.

18.19. Force Majeure or Covid-19. In the event that any party shall be delayed in or prevented from the performance of any act required under this Agreement by reason of an event of Force Majeure or Covid-19, the time for performance shall be extended by the number of days that performance was reasonably delayed by such event provided that such extension shall not be permitted if such extension results in the breach of the GLO Contract. The parties agree that the COVID-19 pandemic may have an impact on the timing of performance under this Agreement due to closures or reductions in staffing of government offices and private businesses, travel and contact restrictions and other issues beyond the control of the parties. The parties will work together in good faith to extend any such period in accordance with this Section.

18.20. Anti-Boycott of Israel. Borrower certifies that Borrower is not currently engaged in and agrees for the duration of this Agreement not to engage in the boycott of Israel as defined by Section 808.001 of the Texas Government Code.

B. POLICY REQUIREMENTS

1. **Form of Policies:** The insurance may be in one or more policies of insurance, the form of which is subject to reasonable approval by the Director. It is agreed, however, that nothing the Director does or fails to do with regard to the insurance policies shall relieve Owner from its duties to provide the required coverage hereunder and Director's actions or inactions will never be construed as waiving City rights hereunder.

3. **Insured Parties:** Each policy, except those for Workers' Compensation and Professional Liability, must name the City (and its officers, agents and employees) as additional insured parties on the original policy and all renewals or replacements during the term of this Agreement. The City's status as an additional insured under the Owner's insurance does not

extend to instances of sole negligence of the City unmixed with any fault of the Owner or general contractor.

1. Prior to commencing any Work under this Agreement, Owner shall furnish the Director with Certificates of Insurance, along with an affidavit from the Owner confirming that the Certificate accurately reflects the insurance coverage that will be available during the term of the Agreement. If requested in writing by the Director, the Owner shall furnish the City with certified copies of Owner's actual insurance policies. Failure of Owner to provide certified copies, as requested, may be deemed, in the Director's and/or City Attorney's discretion, to constitute a breach of this Agreement.

2. Notwithstanding the proof of insurance requirements set forth above, it is the intention of the parties hereto that Owner, continuously and without interruption, maintain in force the required insurance coverages set forth above. Failure of the Owner to comply with this requirement shall constitute a default of Owner under this Agreement. Owner agrees that the City shall never be argued to have waived or be estopped to assert its rights to terminate this Agreement because of any acts of omissions by the City regarding its review of insurance documents provided by the Owner, its general contractor, or any agents, employees or assigns.

II. ADDITIONAL INSURANCE REQUIREMENTS:

A. **WORKMAN'S COMPENSATION.** Owner agrees to comply with the Worker's Compensation insurance requirements set forth below.

"Services" include, without limitation, providing, hauling or delivering equipment or materials, or providing labor, transportation, or other service related to a Project. "Services" does not include activities unrelated to the Project, such as food/beverage vendors, office supply deliveries and delivery of portable toilets.

2. The Owner shall provide coverage, based on proper reporting of classification codes and payroll amounts and filing of any coverage agreements, which meets the statutory requirements of Texas Labor Code, Section 401.011 (44) for all employees of the Owner providing services on the Project, for the duration of the Project.

6. The Owner shall retain all required certificates of coverage for the duration of the Project and for one (1) year thereafter.

7. The Owner shall notify the City in writing by certified mail or personal delivery, within ten (10) days after the Owner knew or should have known, of any change that materially affects the provision of coverage of any person providing services on the Project.

9. The Owner shall contractually require each person with whom it contracts to provide services on a Project to:

- (i) provide coverage, based on proper reporting of classification codes and payroll amounts and filing of any coverage agreements, which meets the statutory requirements of Texas Labor Code, Section 401.011(44) for all of its employees providing services on the Project, for the duration of the Project;
- (ii) provide to the Owner, prior to that person beginning Work on the Project, a certificate of coverage showing that coverage is being provided for all employees of the person providing services on the Project, for the duration of the Project;
- (iii) provide to the Owner, prior to the end of the coverage period, a new certificate of coverage, if the coverage period shown on the current certificate of coverage ends during the duration of the Project;

- (iv) obtain from each other person with whom it contracts and provide to the Owner: (1) a certificate of coverage, prior to the other person beginning Work on the project; and (2) a new certificate of coverage showing extension of coverage, prior to the end of the coverage period, if the coverage period shown on the current certificate of coverage ends during the duration of the Project;
- (v) retain all required certificates of coverage on file for the duration of the Project and for one (1) year thereafter;
- (vi) notify the City in writing by certified mail or personal delivery, within ten (10) days after the person knew or should have known, of any change that materially affects the provisions of coverage of any person providing services on the Project; and
- (vii) contractually require each person with whom it contracts, to perform as required under this Subparagraph 5.1 A-G, with the certificates of coverage to be provided to the persons for whom they are providing services.

10. By signing this Agreement or providing or causing to be provided a certificate of coverage, the Owner is representing to the City that all employees of the Owner who will provide services on the Project will be covered by Workers' Compensation coverage for the duration of the Project, that the coverage will be based on proper reporting of classification codes and payroll amounts, and that all coverage agreements will be filed with the appropriate insurance carrier. Owner shall not be allowed to self-insure Workers' Compensation. Providing false or misleading information may subject the Owner to administrative penalties, criminal penalties, civil penalties, or other civil actions.

11. The Owner's failure to comply with any of these provisions is a breach of contract by the Owner which entitles the City to declare the Agreement void if the Owner does not remedy the breach within ten (10) days after receipt of notice of breach from the City.

B. FLOOD AND HAZARD INSURANCE REQUIREMENTS. Owner must comply with the flood hazard insurance requirements set forth below.

1. Flood hazard insurance is required for projects located in a Special Flood Area (or 100-year floodplain). The Owner shall apply for flood insurance on all insurable structures built under this Agreement, if applicable. A copy of the completed application must be provided to the City before commencing construction on the Project. The Owner shall obtain flood hazard insurance as soon as possible and submit a copy of the policy to the City, if applicable. FEDERAL LABOR STANDARDS PROVISIONS (HUD-4010)

Federal Labor Standards Provisions

U.S. Department of Housing
and Urban Development
Office of Labor Relations

Applicability

The Project or Program to which the construction work covered by this contract pertains is being assisted by the United States of America and the following Federal Labor Standards Provisions are included in this Contract pursuant to the provisions applicable to such Federal assistance.

A. 1. (I) **Minimum Wages.** All laborers and mechanics employed or working upon the site of the work will be paid unconditionally and not less often than once a week, and without subsequent deduction or rebate on any account (except such payroll deductions as are permitted by regulations issued by the Secretary of Labor under the Copeland Act (29 CFR Part 3), the full amount of wages and bona fide fringe benefits (or cash equivalents thereof) due at time of payment computed at rates not less than those contained in the wage determination of the Secretary of Labor which is attached hereto and made a part hereof, regardless of any contractual relationship which may be alleged to exist between the contractor and such laborers and mechanics. Contributions made or costs reasonably anticipated for bona fide fringe benefits under Section 1(b)(2) of the Davis-Bacon Act on behalf of laborers or mechanics are considered wages paid to such laborers or mechanics, subject to the provisions of 29 CFR 5.5(a)(1)(iv), also regular contributions made or costs incurred for more than a weekly period (but not less often than quarterly) under plans, funds, or programs, which cover the particular weekly period, are deemed to be constructively made or incurred during such weekly period.

Such laborers and mechanics shall be paid the appropriate wage rate and fringe benefits on the wage determination for the classification of work actually performed, without regard to skill, except as provided in 29 CFR 5.5(a)(4). Laborers or mechanics performing work in more than one classification may be compensated at the rate specified for each classification for the time actually worked therein. Provided, That the employer's payroll records accurately set forth the time spent in each classification in which work is performed. The wage determination (including any additional classification and wage rates conformed under 29 CFR 5.5(a)(1)(ii) and the Davis-Bacon poster (WH-1321) shall be posted at all times by the contractor and its subcontractors at the site of the work in a prominent and accessible place where it can be easily seen by the workers.

(II) (a) Any class of laborers or mechanics which is not listed in the wage determination and which is to be employed under the contract shall be classified in conformance with the wage determination. HUD shall approve an additional classification and wage rate and fringe benefits therefor only when the following criteria have been met:

(i) The work to be performed by the classification requested is not performed by a classification in the wage determination; and

(2) The classification is utilized in the area by the construction industry; and

(3) The proposed wage rate, including any bona fide fringe benefits, bears a reasonable relationship to the wage rates contained in the wage determination.

(b) If the contractor and the laborers and mechanics to be employed in the classification (if known), or their representatives, and HUD or its designee agree on the classification and wage rate (including the amount designated for fringe benefits where appropriate), a report of the action taken shall be sent by HUD or its designee to the Administrator of the Wage and Hour Division, Employment Standards Administration, U.S. Department of Labor, Washington, D.C. 20210. The Administrator or an authorized representative, will approve, modify, or disapprove every additional classification action within 30 days of receipt and so advise HUD or its designee or will notify HUD or its designee within the 30-day period that additional time is necessary. (Approved by the Office of Management and Budget under OMB control number 1215-0140.)

(c) In the event the contractor, the laborers or mechanics to be employed in the classification or their representatives, and HUD or its designee do not agree on the proposed classification and wage rate (including the amount designated for fringe benefits, where appropriate), HUD or its designee shall refer the questions, including the views of all interested parties and the recommendation of HUD or its designee, to the Administrator for determination.

The Administrator or an authorized representative will issue a determination within 30 days of receipt and so advise HUD or its designee or will notify HUD or its designee within the 30-day period that additional time is necessary. (Approved by the Office of Management and Budget under OMB Control Number 1215-0140.)

(d) The wage rate (including fringe benefits where appropriate) determined pursuant to subparagraphs (1)(i)(b) or (c) of this paragraph, shall be paid to all workers performing work in the classification under this contract from the first day on which work is performed in the classification.

(iii) Whenever the minimum wage rate prescribed in the contract for a class of laborers or mechanics includes a fringe benefit which is not expressed as an hourly rate, the contractor shall either pay the benefit as stated in the wage determination or shall pay another bona fide fringe benefit or an hourly cash equivalent thereof.

(iv) If the contractor does not make payments to a trustee or other third person, the contractor may consider as part

of the wages of any laborer or mechanic the amount of any costs reasonably anticipated in providing bona fide fringe benefits under a plan or program. Provided, That the Secretary of Labor has found, upon the written request of the contractor, that the applicable standards of the Davis-Bacon Act have been met. The Secretary of Labor may require the contractor to set aside in a separate account assets for the meeting of obligations under the plan or program. (Approved by the Office of Management and Budget under OMB Control Number 1215-0140.)

2. **Withholding.** HUD or its designee shall upon its own action or upon written request of an authorized representative of the Department of Labor withhold or cause to be withheld from the contractor under this contract or any other Federal contract with the same prime contractor, or any other Federally-assisted contract subject to Davis-Bacon prevailing wage requirements, which is held by the same prime contractor so much of the accrued payments or advances as may be considered necessary to pay laborers and mechanics, including apprentices, trainees and helpers, employed by the contractor or any subcontractor the full amount of wages required by the contract in the event of failure to pay any laborer or mechanic, including any apprentice, trainee or helper, employed or working on the site of the work, all or part of the wages required by the contract. HUD or its designee may, after written notice to the contractor, sponsor, applicant, or owner, take such action as may be necessary to cause the suspension of any further payment, advance, or guarantee of funds until such violations have ceased. HUD or its designee may, after written notice to the contractor, disburse such amounts withheld for and on account of the contractor or subcontractor to the respective employees to whom they are due. The Comptroller General shall make such disbursements in the case of direct Davis-Bacon Act contracts.

3. (f) **Payrolls and basic records.** Payrolls and basic records relating thereto shall be maintained by the contractor during the course of the work preserved for a period of three years thereafter for all laborers and mechanics working at the site of the work. Such records shall contain the name, address, and social security number of each such worker, his or her correct classification, hourly rates of wages paid (including rates of contributions or costs anticipated for bona fide fringe benefits or cash equivalents thereof of the types described in Section 1(b)(2)(B) of the Davis-Bacon Act), daily and weekly number of hours worked, deductions made and actual wages paid. Whenever the Secretary of Labor has found under 29 CFR 5.5 (a)(1)(iv) that the wages of any laborer or mechanic include the amount of any costs reasonably anticipated in providing benefits under a plan or program described in Section 1(b)(2)(B) of the Davis-Bacon Act, the contractor shall maintain records which show that the commitment to provide such benefits is enforceable, that the plan or program is financially responsible, and that the plan or program has been

communicated in writing to the laborers or mechanics affected, and records which show the costs anticipated or the actual cost incurred in providing such benefits. Contractors employing apprentices or trainees under approved programs shall maintain written evidence of the registration of apprenticeship programs and certification of trainee programs, the registration of the apprentices and trainees, and the ratios and wage rates prescribed in the applicable programs. (Approved by the Office of Management and Budget under OMB Control Numbers 1215-0140 and 1215-0017.)

(H) (a) The contractor shall submit weekly for each week in which any contract work is performed a copy of all payrolls to HUD or its designee if the agency is a party to the contract, but if the agency is not such a party, the contractor will submit the payrolls to the applicant sponsor, or owner, as the case may be, for transmission to HUD or its designee. The payrolls submitted shall set out accurately and completely all of the information required to be maintained under 29 CFR 5.5(a)(3)(i) except that full social security numbers and home addresses shall not be included on weekly transmittals. Instead the payrolls shall only need to include an individually identifying number for each employee (e.g., the last four digits of the employee's social security number). The required weekly payroll information may be submitted in any form desired. Optional Form WH-347 is available for this purpose from the Wage and Hour Division Web site at <http://www.dol.gov/esa/whd/forms/wh347inslr.htm> or its successor site. The prime contractor is responsible for the submission of copies of payrolls by all subcontractors. Contractors and subcontractors shall maintain the full social security number and current address of each covered worker, and shall provide them upon request to HUD or its designee if the agency is a party to the contract, but if the agency is not such a party, the contractor will submit the payrolls to the applicant sponsor, or owner, as the case may be, for transmission to HUD or its designee, the contractor, or the Wage and Hour Division of the Department of Labor for purposes of an investigation or audit of compliance with prevailing wage requirements. It is not a violation of this subparagraph for a prime contractor to require a subcontractor to provide addresses and social security numbers to the prime contractor for its own records, without weekly submission

to HUD or its designee. (Approved by the Office of Management and Budget under OMB Control Number 1215-0149.)

(b) Each payroll submitted shall be accompanied by a "Statement of Compliance," signed by the contractor or subcontractor or his or her agent who pays or supervises the payment of the persons employed under the contract and shall certify the following:

(1) That the payroll for the payroll period contains the information required to be provided under 29 CFR 5.5 (a)(3)(i), the appropriate information is being maintained under 29 CFR 5.5(a)(3)(i), and that such information is correct and complete;

(2) That each laborer or mechanic (including each helper, apprentice, and trainee) employed on the contract during the payroll period has been paid the full weekly wages earned, without rebate, either directly or indirectly, and that no deductions have been made either directly or indirectly from the full wages earned, other than permissible deductions as set forth in 29 CFR Part 3;

(3) That each laborer or mechanic has been paid not less than the applicable wage rates and fringe benefits or cash equivalents for the classification of work performed, as specified in the applicable wage determination incorporated into the contract.

(c) The weekly submission of a properly executed certification set forth on the reverse side of Optional Form WH-347 shall satisfy the requirement for submission of the "Statement of Compliance" required by subparagraph A.3.(iii)(b).

(d) The falsification of any of the above certifications may subject the contractor or subcontractor to civil or criminal prosecution under Section 1001 of Title 18 and Section 231 of Title 31 of the United States Code.

(iii) The contractor or subcontractor shall make the records required under subparagraph A.3.(i) available for inspection, copying, or transcription by authorized representatives of HUD or its designee or the Department of Labor, and shall permit such representatives to interview employees during working hours on the job. If the contractor or subcontractor fails to submit the required records or to make them available, HUD or its designee may, after written notice to the contractor, sponsor, applicant or owner, take such action as may be necessary to cause the suspension of any further payment, advance, or guarantee of funds. Furthermore, failure to submit the required records upon request or to make such records available may be grounds for debarment action pursuant to 29 CFR 5.12.

A. Apprentices and Trainees.

(i) Apprentices. Apprentices will be permitted to work at less than the predetermined rate for the work they performed when they are employed pursuant to and individually registered in a bona fide apprenticeship program registered with the U.S. Department of Labor, Employment and Training Administration, Office of Apprenticeship Training, Employer and Labor Services or with a State Apprenticeship Agency recognized by the Office, or if a person is employed in his or her first 90 days of probationary employment as an apprentice in such an apprenticeship program, who is not individually registered in the program, but who has been certified by the Office of Apprenticeship Training, Employer and Labor Services or a State Apprenticeship Agency (where appropriate) to be eligible for probationary employment as an apprentice.

The allowable ratio of apprentices to journeymen on the job site in any craft classification shall not be greater than the ratio permitted to the contractor as to the entire work force under the registered program. Any worker listed on a payroll at an apprentice wage rate, who

is not registered or otherwise employed as stated above, shall be paid not less than the applicable wage rate on the wage determination for the classification of work actually performed. In addition, any apprentice performing work on the job site in excess of the ratio permitted under the registered program shall be paid not less than the applicable wage rate on the wage determination for the work actually performed. Where a contractor is performing construction on a project in a locality other than that in which its program is registered, the ratios and wage rates (expressed in percentages of the journeyman's hourly rate) specified in the contractor's or subcontractor's registered program shall be observed. Every apprentice must be paid at not less than the rate specified in the registered program for the apprentice's level of progress, expressed as a percentage of the journeyman hourly rate specified in the applicable wage determination. Apprentices shall be paid fringe benefits in accordance with the provisions of the apprenticeship program. If the apprenticeship program does not specify fringe benefits, apprentices must be paid the full amount of fringe benefits listed on the wage determination for the applicable classification.

If the Administrator determines that a different practice prevails for the applicable apprentice classification, fringes shall be paid in accordance with that determination. In the event the Office of Apprenticeship Training, Employer and Labor Services, or a State Apprenticeship Agency recognized by the Office, withdraws approval of an apprenticeship program, the contractor will no longer be permitted to utilize apprentices at less than the applicable predetermined rate for the work performed until an acceptable program is approved.

(ii) Trainees. Except as provided in 29 CFR 5.16, trainees will not be permitted to work at less than the predetermined rate for the work performed unless they are employed pursuant to and individually registered in a program which has received prior approval, evidenced by formal certification by the U.S. Department of Labor, Employment and Training Administration. The ratio of trainees to journeymen on the job site shall not be greater than permitted under the plan approved by the Employment and Training Administration. Every trainee must be paid at not less than the rate specified in the approved program for the trainee's level of progress, expressed as a percentage of the journeyman hourly rate specified in the applicable wage determination. Trainees shall be paid fringe benefits in accordance with the provisions of the trainee program. If the trainee program does not mention fringe benefits, trainees shall be paid the full amount of fringe benefits listed on the wage determination unless the Administrator of the Wage and Hour Division determines that there is an apprenticeship program associated with the corresponding journeyman wage rate on the wage determination which provides for less than full fringe benefits for apprentices. Any employee listed on the payroll at a trainee rate who is not registered and participating in a training plan approved by

the Employment and Training Administration shall be paid not less than the applicable wage rate on the wage determination for the work actually performed. In addition, any trainee performing work on the job site in excess of the ratio permitted under the registered program shall be paid not less than the applicable wage rate on the wage determination for the work actually performed. In the event the Employment and Training Administration withdraws approval of a training program, the contractor will no longer be permitted to utilize trainees at less than the applicable predetermined rate for the work performed until an acceptable program is approved.

(iii) **Equal employment opportunity.** The utilization of apprentices, trainees and journeymen under 29 CFR Part 5 shall be in conformity with the equal employment opportunity requirements of Executive Order 11246, as amended, and 29 CFR Part 30.

5. Compliance with Copeland Act requirements. The contractor shall comply with the requirements of 29 CFR Part 3 which are incorporated by reference in this contract.

6. Subcontracts. The contractor or subcontractor will insert in any subcontracts the clauses contained in subparagraphs 1 through 11 in this paragraph A and such other clauses as HUD or its designee may by appropriate instructions require, and a copy of the applicable prevailing wage decision, and also a clause requiring the subcontractors to include these clauses in any lower tier subcontracts. The prime contractor shall be responsible for the compliance by any subcontractor or lower tier subcontractor with all the contract clauses in this paragraph.

7. Contract termination; debarment. A breach of the contract clauses in 29 CFR 5.5 may be grounds for termination of the contract and for debarment as a contractor and a subcontractor as provided in 29 CFR 5.12.

8. Compliance with Davis-Bacon and Related Act Requirements. All rulings and interpretations of the Davis-Bacon and Related Acts contained in 29 CFR Parts 1, 3, and 5 are herein incorporated by reference in this contract.

9. Disputes concerning labor standards. Disputes arising out of the labor standards provisions of this contract shall not be subject to the general disputes clause of this contract. Such disputes shall be resolved in accordance with the procedures of the Department of Labor set forth in 29 CFR Parts 5, 6, and 7. Disputes within the meaning of this clause include disputes between the contractor (or any of its subcontractors) and HUD or its designee, the U.S. Department of Labor, or the employees or their representatives.

10. (i) Certification of Eligibility. By entering into this contract the contractor certifies that neither it (nor he or she) nor any person or firm who has an interest in the contractor's firm is a person or firm ineligible to be awarded Government contracts by virtue of Section 3(a) of the Davis-Bacon Act or 29 CFR 5.12(a)(1) or to be

awarded HUD contracts or participate in HUD programs pursuant to 24 CFR Part 24.

(ii) No part of this contract shall be subcontracted to any person or firm ineligible for award of a Government contract by virtue of Section 3(a) of the Davis-Bacon Act or 29 CFR 5.12(a)(1) or to be awarded HUD contracts or participate in HUD programs pursuant to 24 CFR Part 24.

(iii) The penalty for making false statements is prescribed in the U.S. Criminal Code, 18 U.S.C. 1001. Additionally, U.S. Criminal Code, Section 1010, Title 18, U.S.C., "Federal Housing Administration transactions", provides in part: "Whoever, for the purpose of influencing in any way the action of such Administration, makes utter or publishes any statement knowing the same to be false, shall be fined not more than \$5,000 or imprisoned not more than two years, or both."

11. Complaints, Proceedings, or Testimony by Employees. No laborer or mechanic to whom the wage, salary, or other labor standards provisions of this Contract are applicable shall be discharged or in any other manner discriminated against by the Contractor or any subcontractor because such employee has filed any complaint or instituted or caused to be instituted any proceeding or has testified or is about to testify in any proceeding under or relating to the labor standards applicable under this Contract to his employer.

B. Contract Work Hours and Safety Standards Act. The provisions of this paragraph B are applicable where the amount of the prime contract exceeds \$100,000. As used in this paragraph the terms "laborers" and "mechanics" include watchmen and guards.

(1) Overtime requirements. No contractor or subcontractor contracting for any part of the contract work which may require or involve the employment of laborers or mechanics shall require or permit any such laborer or mechanic in any workweek in which the individual is employed on such work to work in excess of 40 hours in such workweek unless such laborer or mechanic receives compensation at a rate not less than one and one-half times the basic rate of pay for all hours worked in excess of 40 hours in such workweek.

(2) Violation; liability for unpaid wages; liquidated damages. In the event of any violation of the clause set forth in subparagraph (1) of this paragraph, the contractor and any subcontractor responsible therefor shall be liable for the unpaid wages. In addition, such contractor and subcontractor shall be liable to the United States (in the case of work done under contract for the District of Columbia or a territory, to such District or to such territory), for liquidated damages. CITY OF HOUSTON'S CODE OF ORDINANCE ARTICLE V. MINORITY, WOMEN, AND SMALL BUSINESS ENTERPRISES

Sec. 15-81. - Declaration of policy.

- (a) It is the policy of the city to stimulate the growth of local minority, women and small business enterprises by encouraging the full participation of these business enterprises in various phases of city contracting, as set forth in this article. The purposes and objectives of this article are:
- (1) To promote equal opportunity for participation amongst local minority, women and small business enterprises in all phases of city contracting;
 - (2) To increase the utilization of such local firms in providing certain goods and services;
 - (3) To provide opportunities to broaden and enhance local firms' ranges of capacities; and
 - (4) To increase opportunities for such local firms to serve as contractors, in addition to acting as subcontractors to others, there applicable, in an effort to remedy discriminatory practices and eliminate statistical disparities in city contracting.
- (b) This article is intended to be remedial in nature and to continue only until its purposes and objectives are achieved. At least every five years the city shall make its best efforts to initiate a review of its minority and women business enterprise program, the results of which shall be provided to city council, who shall determine, upon its receipt of recommendations and the consideration of other relevant information from the OBO director, whether there is strong statistical and anecdotal evidence of discrimination against minority and women business enterprises in city contracting warranting the continuation of a race and gender conscious minority and women business enterprise program.

Sec. 15-83. - Program elements.

- (a) Based upon a review of annual awards and purchases by affected city departments, the office of business opportunity shall each year submit a progress report to the city council. The report shall include two percentage figures that are intended to as closely as possible represent the ratio of the prior year's measured utilization and availability of local MWSBEs to do business in:

- (1) The supply of goods and nonpersonal or nonprofessional services; and
- (2) The performance of personal or professional services;

to the prior year's total local business community utilization and availability to do business in each of the two named fields of city contracting.

In addition, the report shall include percentage figures that are intended to as closely as possible represent the ratio of the prior year's measured utilization and availability of local MWSBEs to do business in construction to the prior year's total local business community utilization and availability to do business in city construction contracting. The report may also include figures and other evidence of factors prescribed in Part 26, Title 49 of the Code of Federal Regulations in the year the report is made that may affect the aforementioned ratio of utilization and availability.

- (b) Based upon the measured utilization and availability and any other relevant factors prescribed in Part 26, Title 49 of the Code of Federal Regulations and identified in the report submitted pursuant to subsection (a) above, city council shall from time to time set annual city-wide percentage goals for city contracting with MWSBEs in each of the two named categories described in subsection (a)(1) and (2) above and for contracting with MWSBEs in the construction category. The adjustment, if any, in the percentage goals shall be made during the first quarter of the fiscal year.
- (c) It is the responsibility of each city department to determine which contracts initiated by it are goal-oriented contracts and which are regulated contracts. If the determination is made that a contract is a goal-oriented contract or a regulated contract, the initiating department shall review the contract and shall determine, by reference to the MWSBE register, the number of certified MWSBEs in each of the two named categories described in subsection (a)(1) and (2), above, and for construction, the number of certified MWSBEs in the construction category. The initiating department director or his or her designee shall determine whether the contract is one to which MWSBE provisions should be applied.
 - (1) These provisions are not required to be applied in the following circumstances:

Rv1 11.2017

- a. A public or administrative emergency exists which requires the goods or services to be provided with unusual immediacy;
- b. The service or goods requested are of such a specialized, technical or unique nature as to require the city department to be able to select its contractor without application of MWSBE provisions (such as contracts for expert witnesses, certain financial advisors or technical consultants);
- c. If application of MWSBE provisions would impose an unwarranted economic burden or risk on the city or unduly delay acquisition of the goods or services, or would otherwise not be in the best interest of the city; or
- d. If the possible MWSBE participation level based on MWSBE availability would produce negligible MWSBE participation.

If one of the above-listed conditions is determined to exist, the department director shall certify that determination in writing prior to the award of the contract, specifying the conditions which lead to the determination, and submit the determination to the OBO director for review and approval.

- (2) If the contract does not fall within one of the above-listed exceptions, based upon its overall review, the initiating department shall assign an appropriate MWSBE participation level, if any, for the contract (whether goal-oriented or regulated) considering the local availability of certified MWSBEs in the contract field.

The intention of this article is to provide administrative flexibility in the application of MWSBE provisions of this Code and in the percentage participation level on a contract-by-contract basis so as not to limit access to city contracting by nonminority-owned, nonwomen-owned or established business enterprises to a greater degree than necessary to meet the city-wide annual goal and the policies and objectives of this article.

- (d) The bidding documents and the contract documents for goal-oriented contracts for which a MWSBE participation level has been established shall contain a provision detailing the purposes and objectives of the city's MWSBE ordinance and shall incorporate by reference this article and the then-current motion or ordinance establishing MWSBE annual goals. Regulated contracts which are determined to have significant subcontracting potential for which a MWSBE participation level has been established shall contain contractual provisions (and proposal provisions if submitted for proposals or for bids) requiring the contractor to meet or exceed the determined MWSBE participation level for that contract, or to establish that it has made good-faith efforts to do so, and that notwithstanding such efforts, was unable to meet or exceed the determined participation levels. The OBO director shall establish procedures defining good-faith efforts. These procedures will be reviewed and approved by the mayor and the city attorney.

(Ord. No. 2013-428, § 10(Exh. A), 5-8-2013, eff. 7-1-2013)

Sec. 15-84. - Office of business opportunity.

- (a) Applications for certification as a MWSBE and any addenda thereto shall be made on a form promulgated by the OBO director, and the requirements for certification shall be consistent with the applicable requirements set forth in subsection (b) below.
- (b) The office of business opportunity has responsibility for:
 - (1) Establishing procedures for the implementation of this article, and reviewing and approving procedures established by city departments, such procedures to be narrowly designed to attain the purposes and objectives specified herein without unduly limiting nonminority-owned or nonwoman-owned or established business enterprises. Such procedures shall be reviewed and approved by the mayor and by the city attorney prior to implementation;
 - (2) Certifying businesses as minority, small or women business enterprises and maintaining and distributing to affected city departments a current register, updated monthly, of such business (including a separate listing of such businesses whose applications for certification are pending) specifying the categories of city contracting represented by the certified MWSBEs;

Rv1 11.2017

- (3) Developing educational programs for and otherwise assisting (without offering favoritism in relation to the competitive bidding system) MWSBEs to compete effectively for city contracts;
- (4) Making recommendations to the mayor, city council and city departments to further the policies and objectives of this article, including but not limited to assisting city departments in setting contract-specific MWSBE goals;
- (5) Reviewing documentation from potential contractors and from contractors concerning good-faith efforts made to meet or exceed the participation level for contracts. The final recommendation to city council for award or for acceptance of work shall be the city department's, although the office of business opportunity may take exception;
- (6) Compiling a report of the progress of city departments, by department, in attaining the city-wide goals set by city council. This report shall be based upon MWSBE contractor and subcontractor information, to be specified by the office of business opportunity. Upon completion, the report is to be submitted quarterly to city council members, the mayor and all affected city department directors for their information;
- (7) Receiving and reviewing complaints and suggestions concerning the MWSBE program from contractors, MWSBEs and city departments; and
- (8) Without limiting the authority of the office of business opportunity to establish procedures that are consistent with the terms of this article, the office of business opportunity is specifically directed to promulgate and implement procedures as follows:
 - a. Grievance procedures for any person aggrieved by any decision of the office of business opportunity under this article. The procedures shall include notice and a hearing before an impartial hearing officer who shall be appointed by the mayor;
 - b. Mediation procedures for the resolution of disputes between contractors or bidders and MWSBE participants or potential participants with respect to any aspect of compliance with this article, including, without limitation, any assertion that a contractor, subcontractor, or MWSBE has failed to make good faith efforts to comply with this article;
 - c. Procedures to implement and enforce any sanctions provided under this article;
 - d. Procedures to ensure performance of work by MWSBEs, which procedures shall include: (i) a requirement that no more than 50 percent of their work may be subcontracted, without a specific waiver from the office of business opportunity for cause; (ii) a requirement that the minority person, small business or woman owner of a MWSBE have the necessary experience, expertise, credentials and regulatory authority to conduct the type of business for which the business is certified; (iii) a requirement that bidders and contractors make good faith efforts to meet or exceed contract MWSBE goals; and (iv) a requirement that MWSBEs accurately represent all material information required for certification and truly perform a commercially useful function;
 - e. Procedures for counting participation by MWSBEs as prime contractors, subcontractors, suppliers and joint venturers on city contracts, which procedures shall ensure that all work performed by MWSBEs is included in the computation of the progress made toward meeting the annual city-wide goals;
 - f. Procedures to ensure that this article is limited in its application to the certification of locally based MWSBEs;
 - g. Procedures to coordinate the operation of this article with other local MWSBE programs, which may include reliance upon certification procedures of other entities that are determined to be reliable and equivalent to this article;
 - h. Procedures to ensure access to necessary records of prime contractors and subcontractors on city contracts; and
 - i. Procedures for handling theft of services (wage theft) complaints of employees of city contractors and subcontractors.

Rv1 11.2017

- (c) MWSBE certification shall be valid for a period of three years from the date of certification; provided, however, all applicants certified as MWSBEs shall be subject to review on an annual basis pursuant to procedures established by the OBO director to ensure compliance with all applicable provisions of this article.
- (d) Applications for renewal of MWSBE certification shall be evaluated under the same criteria and subject to the same manner of review as original applications.
- (e) All procedures established under this section shall be reviewed and approved by the city attorney prior to implementation. A copy of all procedures hereunder shall be maintained in the office of business opportunity for inspection, and copies may be purchased at the fees prescribed by law.

(Ord. No. 2013-428, § 10(Exh. A), 5-8-2013, eff. 7-1-2013)

Before execution of any contract or issuance of any purchase order for which a MWSBE goal has been established, a bidder or potential contractor shall submit a plan setting forth how it intends to meet the contract MWSBE goal or documentation demonstrating its proof of good faith efforts to meet the contract MWSBE goal. After execution of a contract or receipt of a purchase order, the contractor shall comply with the submitted plan, unless it has received approval from the OBO director for a deviation therefrom. Approval shall not be unreasonably withheld. While it is not a requirement that a contractor meet its goal, it is required that the contractor objectively demonstrate to the office of business opportunity that it has made good faith efforts to meet the goal. To this end, the contractor shall maintain records as prescribed by the office of business opportunity demonstrating its efforts at compliance. The contractor shall be required to submit to the office of business opportunity reports of its efforts under this article in such form or manner as shall be prescribed by the OBO director.

The OBO director is also authorized to suspend any MWSBE who has failed to make good faith efforts to meet all requirements necessary for participation as a MWSBE from engaging in any contract affected by this article for a period up to, but not to exceed, five years.
- (b) In accordance with section 15-84 of this Code, the office of business opportunity shall establish procedures for the imposition of sanctions and shall ensure that no sanction is imposed without notice of the grounds being given and an opportunity for a hearing consistent with the procedures set forth in sections 15-22, 15-23, and 15-24 of this Code. (Ord. No. 2013-428, § 10(Exh. A), 5-8-2013, eff. 7-1-2013)

Sec. 15-87. - Determination of established business enterprise status.

- (a) Based upon a review of data submitted by MWSBEs or MWSBE applicants and any other information available from its files or the files of any other governmental entity, the office of business opportunity shall determine the size of each MWSBE or MWSBE applicant by determining the average of the gross receipts for the prior three years and the average number of employees for the 12 calendar months immediately preceding the review, as applicable. The calculation of size shall be based solely upon the size standards and methods of calculation identified by the U.S. Small Business Administration (SBA) including, without limitation those set forth in 13 C.F.R. part 121, subpart A, secs. 121.101 through 121.107, and sec. 121.201, any amendment or successor thereto, or any other document defining such size standards or the calculation thereof that has been fully and finally adopted by the SBA. The review shall be applicable to business entities applying for initial certification as a MWSBE or to certified MWSBEs, provided that such review may not be initiated until the applicant or certified MWSBE has established a business history of sufficient length to allow calculation of size based on the three year financial or 12 month employee data, as applicable.
- (b) Following the review described in this section, each certified MWSBE or MWSBE applicant shall be re-evaluated under this section on an annual basis based upon the size standards and methods of calculation

Failure to timely and completely comply with any such request will authorize the imposition of sanctions under section 15-86 of this Code, or denial of certification in the case of a MWSBE applicant.
- (d) Following the review authorized by subsection (a) of this section, the office of business opportunity shall classify each MWSBE or MWSBE applicant whose size meets or exceeds the size standard identified by the SBA for that class of enterprise as an established business enterprise. The classification shall be effective as of the date of mailing of the notice provided in section 15-88 of this Code.

(Ord. No. 2013-428, § 10(Exh. A), 5-8-2013, eff. 7-1-2013)

Sec. 15-88. - Notice, appeal and waiver.

- (b) Each notice shall inform the affected MWSBE or MWSBE applicant of the following matters: (1) That the MWSBE or MWSBE applicant has been classified as an established business enterprise;
- (2) That the classification is effective as of the date of mailing of the notice;
- (3) That the MWSBE or MWSBE applicant may appeal the classification or seek a waiver of the classification pursuant to the procedures established under this section;
- (4) That the provisions of section 15-89 of this chapter shall become enforceable with respect to any certified MWSBE one year following the notice of classification, unless the decision is reversed or a waiver is granted and the classification is withdrawn prior to the expiration of the one-year period; and
- (5) That any MWSBE applicant deemed ineligible for certification based upon its classification as an established business enterprise shall remain ineligible for certification unless and until any withdrawal of the classification as an established business enterprise is granted pursuant to an appeal or a request for waiver conducted under this section.
- (c) In order to appeal a classification as an established business enterprise, a MWSBE or MWSBE applicant must submit to the OBO director a written notice of appeal no later than 60 days following the date of mailing of the notice of classification. The sole basis for an appeal shall be that the office of business opportunity has incorrectly calculated the size of the business according to SBA standards based upon incorrect information or error in computation. The notice of appeal shall be accompanied by any documentation necessary to demonstrate the asserted error. If the OBO director finds that an error or errors were made in calculating the size of the business and that any such error resulted in an incorrect classification as an established business enterprise, the classification shall be withdrawn and the business promptly notified of the withdrawal. If the OBO director finds that no error was made, or that any error would not materially alter the classification, he shall notify the business that the classification is not altered, by certified mail, return receipt requested. The business may within ten days of the date of mailing of the notice submit to the OBO director a written request for a hearing, which hearing shall be conducted under the procedures set forth in subsections (e) through (g) of this section.
- (d) In order to seek a waiver of a classification as an established business enterprise, a MWSBE or MWSBE applicant must submit to the OBO director a written request for a hearing no later than 60 days following the date of mailing of the notice of classification. The written request shall include documentary evidence, including but not limited to financial statements and tax records, relevant to the following criteria:

- (1) Profitability of the enterprise;
 - (2) Sales of the enterprise, including a demonstration that 55 percent or more of the enterprise's sales, within the period utilized by the office of business opportunity in its classification determination, are not related to city contracts;
 - (3) Ability of the MWSBE or MWSBE applicant to obtain bonding, if the enterprise acts as a prime contractor or in a category in which obtaining bonding is required; and
 - (4) Positive comparison of the enterprise's business and financial profile with those of non-MWSBE firms in the same business category based on an objective industry standard.
- (e) The OBO director shall notify the affected MWSBE or MWSBE applicant of the place and time of a hearing before the OBO director or his designee to consider an appeal requested under subsection (c) of this section, or a request for waiver of the classification under subsection (d) of this section, or both, as applicable, by United States certified mail, return receipt requested. The hearing shall be set not later than 30 days following receipt of the request, provided that the OBO director or his designee may in his discretion extend such date by a reasonable period for good and sufficient cause shown. Hearings for businesses that have both appealed under subsection (c) of this section and requested a waiver under subsection (d) of this section may be consolidated in a single hearing at the discretion of the OBO director or his designee.
- (f) The OBO director shall promulgate written procedures for the conduct of hearings. The OBO director or his designee shall hear each appeal or request for waiver and shall consider only the criteria set forth under subsections (c) and (d)(1) through (d)(4) of this section, as applicable, in determining whether to withdraw the classification of the affected business as an established business enterprise. The OBO director shall develop objective standards for evaluating each factor set forth under subsections (d)(1) through (d)(4) based upon recognized industry or governmental practices or standards. The burden shall be on the business to demonstrate by clear, convincing and cogent evidence either that a material error in classification was made or that the granting of a waiver is justified by at least two of the criteria set forth in subsections (d)(1) through (d)(4) of this section.
- (g) Notwithstanding any provision of this Code or of the rules or regulations of the office of business opportunity to the contrary, including any provision for mediation of a decision of the OBO director, the decision of the OBO director or his designee regarding appeal or waiver shall be final.

(Ord. No. 2013-428, § 10(Exh. A), 5-8-2013, eff. 7-1-2013)

Sec. 15-89. - Effect of classification; re-application.

- (a) Upon the expiration of one year following the notice of classification as an established business enterprise referenced in section 15-88(a) of this Code, and in the absence of any withdrawal of such classification by the OBO director, each certified MWSBE so classified shall be ineligible for future participation in any city contract as a MWSBE and its certification shall be withdrawn. No application for re-certification shall be granted absent the prior determination of the OBO director that the applicant does not meet or exceed the SBA size standards referenced in section 15-87(a) of this Code. Certified businesses whose evaluation results in classification as an established business enterprise shall timely file any re-certification application due prior to expiration of the one year extension of program eligibility referenced in this section, but the application shall not be granted unless and until the classification is withdrawn or waived.
- (b) Notwithstanding any provision of this Code or the rules or regulations of the office of business opportunity to the contrary, including any provision for mediation of a decision of the OBO director, any initial applicant for MWSBE certification who meets the criteria for an established business enterprise at the time of its application and is so classified shall be denied certification on that basis alone and shall have no recourse for the denial except through challenging the classification in the manner set forth in section 15-88 of this chapter. Any and all other matters pertaining to the eligibility of the applicant shall be abated and shall only be reinstated if the classification as an established business enterprise is withdrawn.
- (c) The office of business opportunity may continue to assist established business enterprises following ineligibility as follows:

- (1) Such businesses, if formerly certified by the city, may continue to be listed in any listing of MWSBE firms in a separate category of established MWSBE firms for the information of other private or public entities; and
 - (2) Such businesses, if formerly certified by the city, may receive information, counseling and referrals to other agencies supporting business enterprises from the office of business opportunity after their classification as established business enterprises.
- (d) No sooner than one year following the date of program ineligibility provided in subsection (a) of this section or the denial of certification provided in subsection (b) of this section, any established business enterprise may apply for reinstatement as a fully eligible, certified MWSBE or reinstatement of an application for certification abated under subsection (b) of this section, as applicable, upon demonstrating the existence of one or more of the following conditions:
- (1) That the subsequent history from the date of initial classification as an established business enterprise demonstrates that a size calculation as of the date of application for reinstatement would place the business below the SBA size standards for that category of business;
 - (2) That the established business enterprise has successfully obtained an SBA size determination from a federal agency authorized to make such a determination, or has prevailed in an SBA size protest under 13 CFR § 121.1001, et seq., as amended, including any judicial review thereof, establishing that the business does not meet or exceed the applicable SBA size standard;
 - (3) That the SBA size standards have been revised in such a manner that the subject business no longer meets or exceeds the size standard for its category based upon the most recent three-year average for receipts or 12 month average for employees, as applicable; or
 - (4) That the criteria listed in section 15-88(d) of this Code demonstrate the need to grant a waiver and withdraw the classification of the business as an established business enterprise.
- (e) Applications for reinstatement shall be on a form prescribed by the OBO director and shall be accompanied by relevant documentary evidence supporting the ground or grounds for reinstatement asserted, as requested by the OBO director.
- (f) Within 30 days following receipt of a completed application for reinstatement, the OBO director shall grant the application or deny the application and set the matter for hearing within 30 days of the date of mailing notice of such denial.
- (g) The burden on the business applying for reinstatement shall be to demonstrate the existence of one or more of the conditions set forth in subsections d(1) through d(4) of this section by clear, convincing and cogent evidence, to be evaluated by the director under hearing procedures consistent with the nature of the application and, to the extent applicable, with the provisions of subsections (c), (d), (e) and (f) of section 15-88 of this Code. In addition, a business seeking reinstatement under subsection (b)(4) of this section that has previously sought a waiver of classification as an established business enterprise pursuant to section 15-88(d) of this chapter must present evidence of a material and substantial change in circumstances not shown at the preceding hearing, and the OBO director or his designee shall disregard evidence that is repetitious or cumulative of the prior hearing on the matter.
- (h) The decision of the OBO director or his designee following a hearing on reinstatement shall be final, and any applicant denied reinstatement is to be notified in writing of the decision within ten days following the hearing. No business denied reinstatement may subsequently apply for reinstatement until the expiration of one year from the date of the denial.

1. **Prior to Award:**

The Bidder shall submit MWSBE documents in accordance with the requirements of Document 00410 – Bid Form Part A.

 - a. In accordance with the Code of Ordinances and the OBO Good Faith Efforts Policy (Attachment A), the Department shall approve an Apparent Low Bidder's MWSBE Participation Plan, Document 00470 (the "Bidder's Plan" or "Plan"), within three business days of the Bid Opening only if the Department representative determines that Bidder's Plan meets the advertised Contract Goal and is administratively complete.

- e. The Contractor shall:
 - (1) ensure that all MWSBE firms listed in the Plan are certified by the Office of Business Opportunity prior to bid date. Qualified, non-certified firms may obtain priority consideration for certification if no more than two firms are certified with the same capability as the non-certified firm.
 - (2) execute written contracts with all certified Subcontractors and Suppliers. - b. The Contractor shall complete and submit to OBO a deviation request if the Contractor reasonably believes that it will not achieve the Business Enterprise Program Participation Plan Percentage documented in the Plan. d. OBO shall approve a deviation request if:

- (1) for a reason beyond the Contractor's control, the Contractor is unable to use the certified MWSBE firm in the Plan to perform the specified work. In such cases, the Contractor shall use and document Good Faith Efforts to find a similarly qualified, certified MWSBE firm to perform such specified work; or
- (2) the Contractor reasonably believes that, due to a change of scope, execution of the work in accordance with the directions from the Contracting Department is unlikely to meet the terms of the Plan. F. ELIGIBILITY OF MWSBE FIRMS FOR SUBCONTRACTING

1. To ensure that the City's Business Enterprise Program benefits only those firms that are owned and controlled by a minority person(s), a woman (women), a person(s) with a disability, or a small business enterprise, the Office of Business Opportunity will certify the eligibility of MWSBE and PDBE Contractors, Subcontractors, and Suppliers. Contact the OBO Certification Division at 832-393-0600 for information regarding certification.
2. Firms must be certified by OBO at the time of bid in order to be counted towards meeting MWSBE goals. OBO maintains a Certified Minority, Women and Small Business Enterprises and Persons with Disabilities Business Enterprises Directory on the City's website. This Directory also lists federally-designated Disadvantaged Business Enterprises (DBEs).

G. DETERMINATION OF MWSBE PARTICIPATION

MWSBE participation shall be counted toward meeting the Contract Goals in

response to the following:

1. Contractor may count toward its Contract Goals only those MWSBE Subcontractors/ Suppliers performing a Commercially Useful Function.
 - a. **COMMERCIALLY USEFUL FUNCTION** means a discrete task or group of tasks, the responsibility for performance of which shall be discharged by the MWSBE firm by using its own forces or by actively supervising on-site the execution of the tasks by another entity for whose work the MWSBE firm is responsible. In determining whether a certified firm is performing a commercially useful function, factors including but not limited to the following shall be considered: (1) whether the firm has the skill and expertise to perform the work for which it is being utilized and possesses all necessary licenses; (2) whether the firm is in the business of performing, managing, or supervising the work for which it has been certified and is being utilized; and (3) whether it is performing a real and actual service that is a distinct and verifiable element of the work called for in a contract. Without limiting the generality of the foregoing, a MWSBE will not be considered to be performing a commercially useful function, if it subcontracts more than 50 percent of a contract being counted toward the applicable Contract Goals, unless such subcontracting in excess of 50 percent has been expressly approved by OBO either pre-bid or post award.
 - b. OBO shall approve a Plan Deviation Request if the Contractor demonstrates that the industry standard for the type of work involved is to subcontract over 50 percent of the work.
2. Once a firm is certified as a MWSBE firm, the total dollar value of the subcontract awarded to the MWSBE firm is counted toward the Contract Goals, counting only the work in which the MWSBE has performed a Commercially Useful Function. The use of one MWSBE certified firm to meet multiple goals (e.g. MBE, WBE, SBE goals) on a contract is prohibited, unless expressly approved by OBO. Safety and Participation goals do not count as a single goal concerning MWSBE/DBE requirements.
3. The dollar value of the work performed by a certified Prime Contractor may not be counted toward the MWSBE goal unless the certified Prime Contractor is a part of a joint venture. When the Contractor or Subcontractor is in a joint venture with one or more MWSBE firms, OBO shall determine the percent of participation resulting from such joint venture to be counted toward the Contract Goals. The City may count towards the Contractor's MWSBE contract goal that portion of the total value of the contract amount paid to an MWSBE joint venturer equal

to the distinct, clearly defined portion of the contract work performed by the MWSBE.

4. A MWSBE Supplier's participation will be counted towards the MWSBE goals if all of the following criteria are met. The MWSBE Supplier must:
 - (a) negotiate price;
 - (b) determine quality and quantity;
 - (c) order the materials;
 - (d) show that the invoice is in the certified firm's name;
 - (e) pay for the material itself;
 - (f) control delivery; and
 - (g) be certified to provide the supplies in the appropriate NAICS code.

If the listed criteria above are not met, only the entire amount of fees or commissions charged for assistance in the procurement of the supplies and materials, or fees or transportation charges for the delivery of supplies or materials required on a job site will be counted towards the MWSBE goal. To be counted, proof must be provided of the fees paid and the fees must be reasonable and not excessive as compared with fees customarily allowed for similar services. MWSBE Supplier participation may account for no more than 50% of the MWSBE participation plan.

5. The OBO Policy and Procedures Manual, as amended from time to time, shall apply to the Contract for other determinations regarding counting MWSBE participation not explicitly provided for in the Contract.

H. CONTRACTOR COMPLIANCE

To ensure compliance with MWSBE requirements, OBO and the Department will monitor Contractor's efforts regarding MWSBE Subcontractors/Suppliers during the performance of this Contract. This may be accomplished through the following: job site visits; reviewing of records and reports; and interviews of randomly selected personnel.

I. RECORDS AND REPORTS

1. In accordance with II.A of this Document, the Contractor shall submit an initial report outlining MWSBE participation 40 days after the Notice to Proceed date, and on or before the 15th day of each month thereafter until all MWSBE subcontracting or material supply activity is completed. Each report shall cover the preceding month's activity. The Contractor shall use the MWSBE Contract Compliance and Monitoring System (B2G Now) to meet this requirement.
2. Contractor shall maintain the following records for review upon request by OBO or the Department:

- a. Copies of executed Subcontractor agreements and purchase orders;
 - b. Documentation of payments and other transactions with MWSBE Subcontractors/ Suppliers; and
 - c. Appropriate explanations of any changes or replacements of MWSBE Subcontractors/Suppliers. All replacement MWSBE Subcontractors/Suppliers must be certified by OBO.
 - d. Any other records required by OBO or Contracting Department.
3. If a Participation Plan Percentage is not being met, the monthly report shall include a narrative description of the progress being made in MWSBE participation. If sufficient MWSBE Subcontractors or Suppliers to meet the Participation Plan Percentage are being utilized, they should be identified by name and the dollar amount paid to date for work performed or materials furnished by each MWSBE during the monthly period. Reports are required when no activity has occurred in a monthly period.
4. Contractor shall retain all such records for a period of four years following completion of the Work and shall be available at reasonable times and places for inspection by authorized representatives of the City including the City Controller.

IV. SANCTIONS:

A. SUSPENSION PERIOD AND WAIVER

Pursuant to Section 15-86 of the Code of Ordinances, OBO is authorized to suspend any Contractor who has failed to make Good Faith Efforts for a period of up to, but not to exceed, five years.

B. GUIDELINES FOR IMPOSITION OF SANCTIONS

1. General:

- a. OBO shall not impose any sanction except upon evidence of specific conduct on the part of a MWSBE or Contractor that is inconsistent with, or in direct contravention of, specific applicable requirements for Good Faith Efforts.
- b. Imposition and enforcement of suspensions shall be consistent with applicable state law.

2. Severity of Sanctions:

- a. In determining the length of any suspension, OBO shall consider the following factors:
 - (1) Whether the failure to comply with applicable requirements involved intentional conduct or, alternatively,

may be reasonably concluded to have resulted from a misunderstanding on the part of the Contractor or MWSBE of the duties imposed on them by Article V of Chapter 15 of the Code of Ordinances and these procedures;

- (2) The number of specific incidences of failure by Contractor or MWSBE to comply;
 - (3) Whether the Contractor or MWSBE has been previously suspended;
 - (4) Whether the Contractor or MWSBE has failed or refused to provide OBO with any information requested by OBO's Director or required to be submitted to OBO's Director pursuant to law or these procedures;
 - (5) Whether the Contractor or MWSBE has materially misrepresented any applicable facts in any filing or communication to OBO; and
 - (6) Whether any subsequent restructuring of the subject business or other action has been undertaken to cure the deficiencies in meeting applicable requirements.
- b. Suspensions may be for any length of time not to exceed five years. Suspensions in excess of one year shall be reserved for cases involving intentional or fraudulent misrepresentation or concealment of material facts, multiple acts in contravention of applicable requirements, cases where the Contractor or MWSBE has been previously suspended, or other similarly egregious conduct.

C. APPEALS

A decision to implement a suspension may be taken after notice and an opportunity for an informal conciliation conference with OBO and a hearing by the Contract Compliance Commission. Commission members shall not have participated in the actions or investigations giving rise to the suspension hearing.

D. NOTICE

1. Prior to imposing any suspension, OBO shall deliver written notice to the Contractor or MWSBE setting forth the grounds for the proposed suspension and setting a date, time, and place to appear for an informal conciliation conference with OBO, in addition to information regarding the appearance before the Contract Compliance Commission for a hearing on the matter.
2. Any notice required or permitted to be given hereunder to any Contractor or MWSBE may be given either by personal delivery or by certified United States mail, postage prepaid, return receipt requested, addressed to their

most recent address as specified in the records of the Office of Business Opportunity or in the Contract if no address is on file with the Office of Business Opportunity.

E. HEARING PROCEDURES

Proceedings before the Contract Compliance Commission shall be conducted in accordance with Section 15-23 of the Code of Ordinances. If the Commission, in a written decision, finds that a suspension is supported by the evidence presented, the Commission shall submit its recommendation to the Mayor and City Council.

ATTACHMENT A

City of Houston
Office of Business Opportunity
Good Faith Efforts Policy

General Policy.

Good Faith Efforts are steps taken to achieve an Contract Goal or other requirements which, by their scope, intensity and usefulness demonstrates the bidder's responsiveness to fulfill the business opportunity objective prior to the award of a contract, as well as the contractor's responsibility to put forth measures to meet or exceed the Contract Goal throughout the duration of the contract.

Good Faith Efforts are required to be made and demonstrated by an apparent successful bidder on goal oriented contracts or proposer on a regulated contract prior to award of a contract. Good Faith Efforts are required on professional services and construction contracts and on procurement of goods and non-professional service contracts with goals. If a bidder, when submitting a participation plan at the time of bid or proposal submission, anticipates it cannot or will not meet the Contract Goal prior to the award, the bidder must demonstrate to Office of Business Opportunity ("OBO") it has made Good Faith Efforts to meet the Contract Goal, to be eligible for the contract award.

Good Faith Efforts shall be evaluated on a case-by-case basis in making a determination whether a bidder or contractor is in compliance with this policy. The efforts employed by a bidder or contractor should be those that one could reasonably expect a bidder or contractor to take if the bidder were actively and aggressively attempting to obtain MWSBE participation sufficient to meet the Contract Goal. Efforts taken that are mere formalities or other perfunctory acts shall not be considered Good Faith Efforts to meet Contract Goals.

The factors provided herein are representative of the types of actions OBO will consider in determining whether the bidder or contractor made Good Faith Efforts to obtain MWSBE participation to meet the Contract Goal. The factors prescribed below are not intended to be a mandatory checklist, nor is it intended to be exhaustive or exclusive. OBO may consider other factors or types of efforts that may be relevant in appropriate cases.

If a contractor fails to submit Good Faith Efforts documentation as provided in this Policy, it waives the right to appeal OBO decisions related to this Policy. OBO will review all the efforts made by the contractor, including the quality and quantity of those efforts.

Pre-Award.

A bidder must submit a participation plan (Document 00470) to OBO at the time the bidder

submits the bid. If the participation by certified MWSBE subcontractors documented on the participation plan ("participation") is less than the Contract Goal, a bidder should submit a Record of Good Faith Efforts (Document 00471) with the bid. A bidder should also submit a request for a deviation (Document 00472) if the bidder, having used Good Faith Efforts, reasonably believes that it cannot meet the Contract Goal or a commercially useful deviation.

In making a determination that the bidder has made a good faith effort to meet the Contract Goals, OBO shall consider specific documentation¹ concerning the steps taken to obtain MWSBE participation, with a consideration of, by way of illustration and not limitation, whether the bidder demonstrated a genuine effort to comply with the following factors.

1. Attended any pre-bid or pre-proposal meetings scheduled by the City Department;
2. Followed up with MWSBEs that attended the pre-bid or pre-proposal meetings to discuss subcontracting and supplier opportunities and contacted MWSBEs listed in the City's online directory;
3. Conducted outreach with minority and women focused organizations and associations far in advance of solicitation due date (no less than 10 business days);
4. Identified and designated portions of the work to be performed by MWSBEs to increase the likelihood of meeting the Contract Goals (including where appropriate breaking down the contract into reasonably sized subcontracts to ensure participation);
5. Advertised subcontracting opportunities in news media focused towards minority and women persons far in advance of solicitation due date;
6. Provided MWSBEs with a point of contact that was knowledgeable about the project and possessed decision-making authority to answer questions from interested MWSBEs;
7. Provided a reasonable number of MWSBEs certified with timely written notices via email, mail, and/or fax and/or with documented contact regarding the subcontracting/supplier opportunities. A "reasonable number of MWSBEs" shall be based on the number of MWSBEs available in the directory;
8. Solicited the MWSBEs within a reasonable amount of time (no less than seven business days) before bid submission, as well as followed up with the MWSBEs solicited to determine if they were interested in submitting a bid or proposal or participating on a team.

¹ A list of common supporting documentation that may allow Contractors to support their good faith efforts can be found on the Office of Business Opportunity website at www.houstontx.gov/obo.

9. Provided interested MWSBEs certified to perform the solicited work with prompt access to the plans, specifications, scope of work and requirements of the contract;
10. Negotiated in good faith with interested MWSBEs, and not rejecting MWSBEs as unqualified without sound reasons based on a thorough investigation of their capabilities;
11. Entered into a formal contract, or signing enforceable letters of intent with MWSBEs;
12. Provided an explanation to any MWSBE whose bid or price quotation is rejected, unless another MWSBE is accepted for the same work, as follows:
 - a. Where price competitiveness is not the reason for rejection, a written rejection notice including the reason for rejection will be sent to the rejected MWSBE firm;
 - b. Where price competitiveness is the reason for rejection, a meeting must be held with the price-rejected MWSBE, if requested, to discuss the rejection;
13. Made efforts to assist interested MWSBEs in obtaining bonding, lines of credit, insurance required for the contract, and documenting MWSBE denied by bona fide surety agents;
14. Ensured that the conditions and requirements for subcontracts are commensurate with industry standards and would not cause an economic hardship on MWSBEs, such as unnecessary insurance or coupling bid bonds with retainage;
15. Incorporated efforts not attempted earlier or on previous bids that appear more likely to lead to attaining the Contract Goal. Past performance on similar contracts with similar scopes will also be taken in consideration when determining Good Faith Efforts. A bidder that continues to make same efforts without any significant change in the level of participation may not be making Good Faith Efforts.

Post-Award.

The contractor must sign the approved participation plan (Document 00470 or Document 00570) prior to starting work on the Project. A contractor should submit a request for deviation (Document 00572) from OBO if the contractor, having made Good Faith Efforts, reasonably believes that it will not achieve the Participation Plan Percentage documented in the approved participation plan. Unless OBO approves a deviation, a contractor must submit to OBO a Participation Summary (Document 00660) prior to City Council's consideration of any close-out, term extension, or change order. If participation is less than anticipated in the approved

participation plan, the contractor must submit a Record of Good Faith Efforts (Document 00571) along with the Participation Summary. A contractor that fails to submit a deviation request and Good Faith Efforts documentation waives the right to appeal OBO decisions related to this Policy.

If the contractor is awarded the contract and fails to achieve the established Participation Plan Percentage, the contractor must demonstrate to OBO its efforts to meet the Participation Plan Percentage and failure to do so based on circumstances that the contractor could not reasonably control. In determining whether the contractor made Good Faith Efforts to ensure full participation and achievement of the Participation Plan Percentage, OBO shall consider the following factors:

1. Whether the contractor designated an MWSBE liaison officer to administer the Contractor's MWSBE programs and to be responsible for maintenance of records of Good Faith Efforts.
2. Whether the contractor furnished prompt MWSBE Utilization Reports in a timely and accurate manner through the online Contract Monitoring System or via hard copy.
3. Whether the contractor responded to efforts to resolve disputes with MWSBEs, and genuinely attempted to resolve these issues.
4. Whether the contractor disclosed payment discrepancies timely and within the monthly reporting period;
5. Whether the contractor complied with the participation plan, unless the contractor received a deviation from the OBO Director and whether upon approval, the contractor made Good Faith Efforts to replace a removed MWSBE with another certified firm;
6. Whether the contractor furnished prompt written responses to written inquiries from the Director or any employee of OBO regarding the MWSBE's performance or information germane to the MWSBE's certification;
7. Whether the contractor ensured that at all times during the performance of any contract or subcontract the MWSBE firm is engaging in a commercially useful function as that term is defined in Chapter 15 of the City of Houston Code of Ordinances;

Contractors should make Good Faith Efforts to ensure that the Participation Plan Percentage remains substantially the same after the issuance of change orders. If a contractor cannot maintain substantially the same level of participation provided in the latest approved Participation Plan (Document 00470 or Document 00570) due to a change order, the contractor shall submit to the OBO Director and Contracting Department a Document 00571 (Post-Award Record of Good Faith Efforts) and Document 00572 (Post-Award Plan Deviation Request) in a timely manner that does not cause disruption to the project. In addition to other relevant factors, in evaluating whether Good Faith Efforts were made by the contractor to meet the Participation Plan Percentage despite change orders, the OBO Director shall consider the contractor's efforts to timely and efficiently deliver the project.

(See 24 CFR part 905.)

(d) *Other HUD assistance and other Federal assistance.* Recipients, contractors and subcontractors that receive HUD assistance, not listed in paragraph (a) of this section, or other Federal assistance, are encouraged to provide, to the greatest extent feasible, training, employment, and contracting opportunities generated by the expenditure of this assistance to low- and very low-income persons, and business concerns owned by low- and very low-income persons, or which employ low- and very low-income persons.

Metropolitan area means a metropolitan statistical area (MSA), as established by the Office of Management and Budget.

New hires mean full-time employees for permanent, temporary or seasonal employment opportunities.

Nonmetropolitan county means any county outside of a metropolitan area. *Other HUD programs* means HUD programs, other than HUD public and Indian housing programs, that provide housing and community development assistance for "section 3 covered projects," as defined in this section.

"Section 3 covered contracts" also do not include con- tracts for the purchase of supplies and

materials. However, whenever a contract for materials includes the installation of the materials, the contract constitutes a section 3 covered con- tract. For example, a contract for the purchase and installation of a furnace would be a section 3 covered contract because the contract is for work (i.e., the installation of the furnace) and thus is covered by section 3.

Section 3(b)(2) of the 1937 Act defines this term to mean families (including single per- sons) whose incomes do not exceed 80 per centum of the median income for the area, as determined by the Secretary, with adjustments for smaller and larger families, except that the Secretary may establish income ceilings higher or lower than 80 per centum of the median for the area on the basis of the Secretary's findings that such variations are necessary because of prevailing levels of construction costs or unusually high or low-income families; or

(ii) *A very low-income person*, as this term is defined in section 3(b)(2) of the 1937 Act (42 U.S.C. 1437a(b)(2)). § 135.7

such variations are necessary because of unusually high or low family incomes.

- (3) A person seeking the training and employment preference provided by section 3 bears the responsibility of providing evidence (if requested) that the person is eligible for the preference.

Section 8 assistance means assistance provided under section 8 of the 1937 Act (42 U.S.C. 1437f) pursuant to 24 CFR part 882, subpart G.

Service area means the geographical area in which the persons benefitting from the section 3 covered project reside. [59 FR 33880, June 30, 1994, as amended at 61 FR 5206, Feb. 9, 1996]

§ 135.7 Delegation of authority.

Except as may be otherwise provided in this part, the functions and responsibilities of the Secretary under section 3, and described in this part, are delegated to the Assistant Secretary for Fair Housing and Equal Opportunity. The Assistant Secretary is further authorized to redelegate functions and responsibilities to other employees of HUD; *provided however*, that the authority to issue rules and regulations under this part, which authority is delegated to the Assistant Secretary, may

24 CFR Subtitle B, Ch. I (4-1-03 Edition)

not be redelegated by the Assistant Secretary.

§ 135.9 Requirements applicable to HUD NOFAs for section 3 covered programs.

(a) *Certification of compliance with part 135.* All notices of funding availability (NOFAs) issued by HUD that announce the availability of funding covered by section 3 shall include a provision in the NOFA that notifies applicants that section 3 and the regulations in part

135 are applicable to funding awards made under the NOFA. Additionally the NOFA shall require as an application submission requirement (which may be specified in the NOFA or application kit) a certification by the applicant that the applicant will comply with the regulations in part 135. (For PHAs, this requirement will be met where a PHA Resolution in Support of the Application is submitted.) With respect to application evaluation, HUD will accept an applicant's certification unless there is evidence substantially challenging the certification.

(b) *Statement of purpose in NOFAs.*

(1) For competitively awarded assistance in which the grants are for activities administered by an HA, and those activities are anticipated to generate significant training, employment or contracting opportunities, the NOFA must include a statement that one of the purposes of the assistance is to give to the greatest extent feasible, and consistent with existing Federal, State and local laws and regulations, job training, employment, contracting and other economic opportunities to section 3 residents and section 3 business concerns.

(2) For competitively awarded assistance involving housing rehabilitation, construction or other public construction, where the amount awarded to the applicant may exceed \$200,000, the NOFA must include a statement that one of the purposes of the assistance is to give, to the greatest extent feasible, and consistent with existing Federal, State and local laws and regulations, job training, employment, contracting and other economic opportunities to section 3 residents and section 3 business concerns.

Office of Asst. Secy., Equal Opportunity, HUD

§135.11

(c) *Section 3 as NOFA evaluation criteria.*

Where not otherwise precluded by statute, in the evaluation of applications for the award of assistance, consideration shall be given to the extent to which an applicant has demonstrated that it will train and employ section 3 residents and contract with section 3 business concerns for economic opportunities generated in connection with the assisted project or activity. The evaluation criteria to be utilized, and the rating points to be assigned, will be specified in the NOFA.

§ 135.11 Other laws governing training, employment, and contracting.

Other laws and requirements that are applicable or may be applicable to the economic opportunities generated from the expenditure of section 3 covered assistance include, but are not necessarily limited to those listed in this section.

(a) *Procurement standards for States and local governments (24 CFR 85.36)*—(1) *General.* Nothing in this part 135 prescribes specific methods of procurement. However, neither section 3 nor the requirements of this part 135 supersede the general requirement of 24 CFR 85.36(c) that all procurement transactions be conducted in a competitive manner. Consistent with 24 CFR 85.36(c)(2), section 3 is a Federal statute that expressly encourages, to the maximum extent feasible, a geographic preference in the evaluation of bids or proposals.

(2) *Flexible Subsidy Program.* Multifamily project mortgagors in the Flexible Subsidy Program are not required to utilize the methods of procurement in 24 CFR 85.36(d), and are not permitted to utilize methods of procurement that would result in their award of a contract to a business concern that submits a bid higher than the lowest responsive bid. A multifamily project mortgagor, however, must ensure that, to the greatest extent feasible, the procurement practices it selects provide preference to section 3 business concerns.

(b) *Procurement standards for other recipients (OMB Circular No. A-110).* Nothing in this part prescribes specific methods of procurement for grants and other agreements with institutions of

higher education, hospitals, and other nonprofit organizations. Consistent with the requirements set forth in OMB Circular No. A-110, section 3 is a Federal statute that expressly encourages a geographic preference in the evaluation of bids or proposals.

(a) *Federal labor standards provisions.* Certain construction contracts are subject to compliance with the requirement to pay prevailing wages determined under Davis-Bacon Act (40 U.S.C. 276a—276a-7) and implementing U.S. Department of Labor regulations in 29 CFR part 5. Additionally, certain HUD-assisted rehabilitation and maintenance activities on public and Indian housing developments are subject to compliance with the requirement to pay prevailing wage rates, as determined or adopted by HUD, to laborers and mechanics employed in this work. Apprentices and trainees may be utilized on this work only to the extent permitted under either Department of Labor regulations at 29 CFR part 5 or for work subject to HUD-determined prevailing wage rates, HUD policies and guidelines. These requirements include adherence to the wage rates and ratios of apprentices or trainees to journeymen set out in “approved apprenticeship and training programs,” as described in paragraph (d) of this section.

(b) *Approved apprenticeship and trainee programs.* Certain apprenticeship and trainee programs have been approved by various Federal agencies. Approved apprenticeship and trainee programs include: an apprenticeship program approved by the Bureau of Apprenticeship and Training of the Department of Labor, or a State Apprenticeship Agency, or an on-the-job training program approved by the Bureau of Apprenticeship and Training, in accordance with the regulations at 29 CFR part 5; or a training program approved by HUD in accordance with HUD policies and guidelines, as applicable. Participation in an approved apprenticeship program does not, in and of itself, demonstrate compliance with the regulations of this part.

(c) *Compliance with Executive Order 11246.* Certain contractors covered by this part are subject to compliance with Executive Order 11246, as amended

§ 135.30

by Executive Order 12086, and the Department of Labor regulations issued pursuant thereto (41 CFR chapter 60) which provide that no person shall be discriminated against on the basis of race, color, religion, sex, or national origin in all phases of employment during the performance of Federal or Federally assisted construction contracts.

Subpart B—Economic Opportunities for Section 3 Residents and Section 3 Business Concerns

§ 135.30 Numerical goals for meeting the greatest extent feasible requirement.

(a) *General.* (1) Recipients and covered contractor may demonstrate compliance with the “greatest extent feasible” requirement of section 3 by meeting the numerical goals set forth in this section for providing training, employment, and contracting opportunities to section 3 residents and section 3 business concerns.

(2) The goals established in this section apply to the entire amount of section 3 covered assistance awarded to a recipient in any Federal Fiscal Year (FY), commencing with the first FY following the effective date of this rule.

(3) For recipients that do not engage in training, or hiring, but award contracts to contractors that will engage in training, hiring, and subcontracting, recipients must ensure that, to the greatest extent feasible, contractors will provide training, employment, and contracting opportunities to section 3 residents and section 3 business concerns.

(4) The numerical goals established in this section represent minimum numerical targets.

b. *Training and employment.* The numerical goals set forth in paragraph (b) of this section apply to new hires. The numerical goals reflect the aggregate hires. Efforts to employ section 3 residents, to the greatest extent feasible, should be made at all job levels.

(1) *Numerical goals for section 3 covered public and Indian housing programs.* Recipients of section 3 covered public and Indian housing assistance (as described in § 135.5) and their contractors and

24 CFR Subtitle B, Ch. I (4–1–03 Edition)

subcontractors may demonstrate compliance with this part by committing to employ section 3 residents as:

(i) 10 percent of the aggregate number of new hires for the one year period beginning in FY 1995;

(ii) 20 percent of the aggregate number of new hires for the one period beginning in FY 1996;

(iii) 30 percent of the aggregate number of new hires for one year period beginning in FY 1997 and continuing thereafter.

(2) *Numerical goals for other HUD programs*

covered by section 3. (i) Recipients of section 3 covered housing assistance provided under other HUD programs, and their contractors and subcontractors (unless the contract or sub-contract awards do not meet the threshold specified in § 135.3(a)(3)) may demonstrate compliance with this part by committing to employ section 3 residents as 10 percent of the aggregate number of new hires for each year over the duration of the section 3 project;

(ii) Where a managing general partner or management agent is affiliated, in a given metropolitan area, with recipients of section 3 covered housing assistance, for an aggregate of 500 or more units in any fiscal year, the managing partner or management agent may demonstrate compliance with this part by committing to employ section 3 residents as:

(A) 10 percent of the aggregate number of new hires for the one year period beginning in FY 1995;

(B) 20 percent of the aggregate number of new hires for the one year period beginning in FY 1996;

(C) 30 percent of the aggregate number of new hires for the one year period beginning in FY 1997, and continuing thereafter.

(3) Recipients of section 3 covered community development assistance, and their contractors and subcontractors (unless the contract or sub-contract awards do not meet the threshold specified in § 135.3(a)(3)) may demonstrate compliance with the requirements of this part by committing to employ section 3 residents as:

(i) 10 percent of the aggregate number of new hires for the one year period beginning in FY 1995;

Office of Asst. Secy., Equal Opportunity, HUD

§135.32

(ii) 20 percent of the aggregate number of new hires for the one year period beginning in FY 1996; and
 (iii) 30 percent of the aggregate number of new hires for the one year period beginning in FY 1997 and continuing thereafter.

(c) *Contracts.* Numerical goals set forth in paragraph (c) of this section apply to contracts awarded in connection with all section 3 covered projects and section 3 covered activities. Each recipient and contractor and subcontractor (unless the contract or sub-contract awards do not meet the threshold specified in § 135.3(a)(3)) may demonstrate compliance with the requirements of this part by committing to award to section 3 business concerns:

(1) At least 10 percent of the total dollar amount of all section 3 covered contracts for building trades work for maintenance, repair, modernization or development of public or Indian housing, or for building trades work arising in connection with housing rehabilitation, housing construction and other public construction; and

(2) At least three (3) percent of the total dollar amount of all other section 3 covered contracts.

(d) *Safe harbor and compliance determinations.*

(1) In the absence of evidence to the contrary, a recipient that meets the minimum numerical goals set forth in this section will be considered to have complied with the section 3 preference requirements.

(2) In evaluating compliance under subpart D of this part, a recipient that has not met the numerical goals set forth in this section has the burden of demonstrating why it was not feasible to meet the numerical goals set forth in this section. Such justification may include impediments encountered despite actions taken. A recipient or contractor also can indicate other economic opportunities, such as those listed in § 135.40, which were provided in its efforts to comply with section 3 and the requirements of this part.

§ 135.32 Responsibilities of the recipient.

Each recipient has the responsibility to comply with section 3 in its own operations, and ensure compliance in the

operations of its contractors and sub-contractors. This responsibility includes but may not be necessarily limited to:

(a) Implementing procedures designed to notify section 3 residents about training and employment opportunities generated by section 3 covered assistance and section 3 business concerns about contracting opportunities generated by section 3 covered assistance;

(b) Notifying potential contractors for section 3 covered projects of the requirements of this part, and incorporating the section 3 clause set forth in § 135.38 in all solicitations and contracts.

(c) Facilitating the training and employment of section 3 residents and the award of contracts to section 3 business concerns by undertaking activities such as described in the Appendix to this part, as appropriate, to reach the goals set forth in § 135.30. Recipients, at their own discretion, may establish reasonable numerical goals for the training and employment of section 3 residents and contract award to section 3 business concerns that exceed those specified in § 135.30;

(d) Assisting and actively cooperating with the Assistant Secretary in obtaining the compliance of contractors and subcontractors with the requirements of this part, and refraining from entering into any contract with any contractor where the recipient has notice or knowledge that the contractor has been found in violation of the regulations in 24 CFR part 135.

(e) Documenting actions taken to comply with the requirements of this part, the results of actions taken and impediments, if any.

(f) A State or county which distributes funds for section 3 covered assistance to units of local governments, to the greatest extent feasible, must attempt to reach the numerical goals set forth in § 135.30 regardless of the number of local governments receiving funds from the section 3 covered assistance which meet the thresholds for applicability set forth at § 135.3. The State or county must inform units of local government to whom funds are distributed of the requirements of this part; assist

§ 135.34

24 CFR Subtitle B, Ch. I (4-1-03 Edition)

local governments and their contractors in meeting the requirements and objectives of this part; and monitor the performance of local governments with respect to the objectives and requirements of this part.

§ 135.34 Preference for section 3 residents in training and employment opportunities.

(a) *Order of providing preference.* Recipients, contractors and subcontractors shall direct their efforts to provide, to the greatest extent feasible, training and employment opportunities generated from the expenditure of section 3 covered assistance to section 3 residents in the order of priority provided in paragraph (a) of this section.

(1) *Public and Indian housing programs.* In public and Indian housing programs, efforts shall be directed to provide training and employment opportunities to section 3 residents in the following order of priority:

- (i) Residents of the housing development or developments for which the section 3 covered assistance is expended (category 1 residents);
- (ii) Residents of other housing developments managed by the HA that is expending the section 3 covered housing assistance (category 2 residents);
- (iii) Participants in HUD Youthbuild programs being carried out in the metropolitan area (or nonmetropolitan county) in which the section 3 covered assistance is expended (category 3 residents);

(The ability to perform successfully under the terms and conditions of the proposed contract is required of all contractors and subcontractors subject to the procurement standards of 24 CFR 85.36 (see 24 CFR 85.36(b)(8)).) This

regulation requires consideration of, among other factors, the potential contractor's record in complying with public policy requirements. Section 3 compliance is a matter properly considered as part of this determination.

§ 135.38 Section 3 clause.

All section 3 covered contracts shall include the following clause (referred to as the section 3 clause):

A. The work to be performed under this contract is subject to the requirements of section 3 of the Housing and Urban Development Act of 1968, as amended, 12 U.S.C. 1701u (section 3). The purpose of section 3 is to ensure that employment and other economic opportunities generated by HUD assistance or HUD-assisted projects covered by section 3, shall, to the greatest extent feasible, be directed to low- and very low-income persons, particularly persons who are recipients of HUD assistance for housing.

B. The parties to this contract agree to comply with HUD's regulations in 24 CFR part 135, which implement section 3. As evidenced by their execution of this contract, the parties to this contract certify that they are under no contractual or other impediment that would prevent them from complying with the part 135 regulations.

C. The contractor agrees to send to each labor organization or representative of workers with which the contractor has a collective bargaining agreement or other understanding, if any, a notice advising the labor organization or workers' representative of the contractor's commitments under this section 3 clause, and will post copies of the notice in conspicuous places at the work site where both employees and applicants for training and employment positions can see the notice. The notice shall describe the section 3 preference, shall set forth minimum number and job titles subject to hire, availability of apprenticeship and training positions, the qualifications for each; and the name and location of the person(s) taking applications for each of the positions; and the anticipated date the work shall begin.

D. The contractor agrees to include this section 3 clause in every subcontract subject to compliance with regulations in 24 CFR

§ 135.40

24 CFR Subtitle B, Ch. I (4-1-03 Edition)

part 135, and agrees to take appropriate action, as provided in an applicable provision of the subcontract or in this section 3 clause, upon a finding that the subcontractor is in violation of the regulations in 24 CFR part 135. The contractor will not subcontract with any subcontractor where the contractor has notice or knowledge that the subcontractor has been found in violation of the regulations in 24 CFR part 135.

E. The contractor will certify that any vacant employment positions, including training positions, that are filled (1) after the contractor is selected but before the contract is executed, and (2) with persons other than those to whom the regulations of 24 CFR part 135 require employment opportunities to be directed, were not filled to circumvent the contractor's obligations under 24 CFR part 135.

F. Noncompliance with HUD's regulations in 24 CFR part 135 may result in sanctions, termination of this contract for default, and debarment or suspension from future HUD assisted contracts.

G. With respect to work performed in connection with section 3 covered Indian housing assistance, section 7(b) of the Indian Self-Determination and Education Assistance Act (25 U.S.C. 450e) also applies to the work to be performed under this contract. Section 7(b) requires that to the greatest extent feasible (i) preference and opportunities for training and employment shall be given to Indians, and (ii) preference in the award of contracts and subcontracts shall be given to Indian organizations and Indian-owned Economic Enterprises. Parties to this contract that are subject to the provisions of section 3 and section 7(b) agree to comply with section 3 to the maximum extent feasible, but not in derogation of compliance with section 7(b).

§ 135.40 Providing other economic opportunities.

(a) *General.* In accordance with the findings of the Congress, as stated in section 3, that other economic opportunities offer an effective means of empowering low-income persons, a recipient is encouraged to undertake efforts to provide to low-income persons economic opportunities other than training, employment, and contract awards, in connection with section 3 covered assistance.

(b) *Other training and employment related opportunities.* Other economic opportunities to train and employ section 3 residents include, but need not be limited to, use of "upward mobility", "bridge" and trainee positions to fill vacancies; hiring section 3 residents in

management and maintenance positions within other housing developments; and hiring section 3 residents in part-time positions.

(c) *Other business related economic opportunities.* (1) A recipient or contractor may provide economic opportunities to establish, stabilize or expand section 3 business concerns, including microenterprises. Such opportunities include, but are not limited to the formation of section 3 joint ventures, financial support for affiliating with franchise development, use of labor only contracts for building trades, purchase of supplies and materials from housing authority resident-owned businesses, purchase of materials and supplies from PHA resident-owned businesses and use of procedures under 24 CFR part 963 regarding HA contracts to HA resident-owned businesses. A recipient or contractor may employ these methods directly or may provide incentives to non-section 3 businesses to utilize such methods to provide other economic opportunities to low-income persons.

(2) A *section 3 joint venture* means an association of business concerns, one of which qualifies as a section 3 business concern, formed by written joint venture agreement to engage in and carry out a specific business venture for which purpose the business concerns combine their efforts, resources, and skills for joint profit, but not necessarily on a continuing or permanent basis for conducting business generally, and for which the section 3 business concern:

(i) Is responsible for a clearly defined portion of the work to be performed and holds management responsibilities in the joint venture; and

(ii) Performs at least 25 percent of the work and is contractually entitled to compensation proportionate to its work.

Subpart C [Reserved]

§ 135.70 General.

(a) *Purpose.* The purpose of this subpart is to establish the procedures for handling complaints alleging non-compliance with the regulations of this

Office of Asst. Secy., Equal Opportunity, HUD

§ 135.74

part, and the procedures governing the Assistant Secretary's review of a recipient's or contractor's compliance with the regulations in this part.

(b) *Definitions.* For purposes of this subpart:

(1) *Complaint* means an allegation of noncompliance with regulations of this part made in the form described in § 135.76(d).

(2) *Complainant* means the party which files a complaint with the Assistant Secretary alleging that a recipient or contractor has failed or refused to comply with the regulations in this part.

(3) *Noncompliance with section 3* means failure by a recipient or contractor to comply with the requirements of this part.

(4) *Respondent* means the recipient or contractor against which a complaint of noncompliance has been filed. The term "recipient" shall have the meaning set forth in § 135.7, which includes PHA and IHA.

§ 135.72 Cooperation in achieving compliance.

(a) The Assistant Secretary recognizes that the success of ensuring that section 3 residents and section 3 business concerns have the opportunity to apply for jobs and to bid for contracts generated by covered HUD financial assistance depends upon the cooperation and assistance of HUD recipients and their contractors and subcontractors. All recipients shall cooperate fully and promptly with the Assistant Secretary in section 3 compliance reviews, in investigations of allegations of noncompliance made under § 135.76, and with the distribution and collection of data and information that the Assistant Secretary may require in connection with achieving the economic objectives of section 3.

(b) The recipient shall refrain from entering into a contract with any contractor after notification to the recipient by HUD that the contractor has been found in violation of the regulations in this part. The provisions of 24 CFR part 24 apply to the employment, engagement of services, awarding of contracts or funding of any contractors or subcontractors during any period of debarment, suspension or otherwise ineligible status.

§ 135.74 Section 3 compliance review procedures.

(a) *Compliance reviews by Assistant Secretary.* The Assistant Secretary shall periodically conduct section 3 compliance reviews of selected recipients and contractors to determine whether these recipients are in compliance with the regulations in this part.

(b) *Form of compliance review.* A section 3 compliance review shall consist of a comprehensive analysis and evaluation of the recipient's or contractor's compliance with the requirements and obligations imposed by the regulations of this part, including an analysis of the extent to which section 3 residents have been hired and section 3 business concerns have been awarded contracts as a result of the methods undertaken by the recipient to achieve the employment, contracting and other economic objectives of section 3.

(c) *Where compliance review reveals noncompliance with section 3 by recipient or contractor.* Where the section 3 compliance review reveals that a recipient or contractor has not complied with section 3, the Assistant Secretary shall notify the recipient or contractor of its specific deficiencies in compliance with the regulations of this part, and shall advise the recipient or contractor of the means by which these deficiencies may be corrected. HUD shall conduct a follow-up review with the recipient or contractor to ensure that action is being taken to correct the deficiencies.

(d) *Continuing noncompliance by recipient or contractor.* A continuing failure or refusal by the recipient or contractor to comply with the regulations in this part may result in the application of sanctions specified in the contract through which HUD assistance is provided, or the application of sanctions specified in the regulations governing the HUD program under which HUD financial assistance is provided. HUD will notify the recipient of any continuing failure or refusal by the contractor to comply with the regulations in this part for possible action under any procurement contract between the recipient and the contractor.

§ 135.76

24 CFR Subtitle B, Ch. I (4-1-03 Edition)

Debarment, suspension and limited denial of participation pursuant to HUD's regulations in 24 CFR part 24, where appropriate, may be applied to the recipient or the contractor.

(f) *Consideration of complaints during compliance review.* Complaints alleging noncompliance with section 3, as provided in § 135.76, may also be considered during any compliance review conducted to determine the recipient's conformance with regulations in this part.

(c) *Time of filing.* (1) A complaint must be received not later than 180 days from the date of the action or

omission upon which the complaint is based, unless the time for filing is extended by the Assistant Secretary for good cause shown.

(2) Where a complaint alleges noncompliance with section 3 and the regulations of this part that is continuing, as manifested in a number of incidents of noncompliance, the complaint will be timely if filed within 180 days of the last alleged occurrence of noncompliance.

(3) Where a complaint contains incomplete information, the Assistant Secretary shall request the needed information from the complainant. In the event this information is not furnished to the Assistant Secretary within sixty (60) days of the date of the request, the complaint may be closed.

(d) *Contents of complaint—*(1) *Written complaints.* Each complaint must be in writing, signed by the complainant, and include:

- (i) The complainant's name and address;
- (ii) The name and address of the respondent;
- (iii) A description of the acts or omissions by the respondent that is sufficient to inform the Assistant Secretary of the nature and date of the alleged noncompliance.

(iv) A complainant may provide information to be contained in a complaint by telephone to HUD or any HUD Field Office, and HUD will reduce the information provided by telephone to writing on the prescribed complaint form and send the form to the complainant for signature.

(2) *Amendment of complaint.* Complaints may be reasonably and fairly amended at any time. Such amendments may include, but are not limited to, amendments to cure technical defects or omissions, including failure to sign or affirm a complaint, to clarify or amplify the allegations in a complaint, or to join additional or substitute respondents. Except for the purposes of notifying respondents, amended complaints will be considered as having been made as of the original filing date.

(e) *Resolution of complaint by recipient.*

(1) Within ten (10) days of timely filing of a complaint that contains complete

§135.76

information (in accordance with paragraphs (c) and (d) of this section), the Assistant Secretary shall determine whether the complainant alleges an action or omission by a recipient or the recipient's contractor that if proven qualifies as noncompliance with section 3. If a determination is made that there is an allegation of noncompliance with section 3, the complaint shall be sent to the recipient for resolution.

(2) If the recipient believes that the complaint lacks merit, the recipient must notify the Assistant Secretary in writing of this recommendation with supporting reasons, within 30 days of the date of receipt of the complaint. The determination that a complaint lacks merit is reserved to the Assistant Secretary.

(3) If the recipient determines that there is merit to the complaint, the recipient will have sixty (60) days from the date of receipt of the complaint to resolve the matter with the complainant. At the expiration of the 60-day period, the recipient must notify the Assistant Secretary in writing whether a resolution of the complaint has been reached. If resolution has been reached, the notification must be signed by both the recipient and the complainant, and must summarize the terms of the resolution reached between the two parties.

(4) Any request for an extension of the 60-day period by the recipient must be submitted in writing to the Assistant Secretary, and must include a statement explaining the need for the extension.

(5) If the recipient is unable to resolve the complaint within the 60-day period (or more if extended by the Assistant Secretary), the complaint shall be referred to the Assistant Secretary for handling.

(f) *Informal resolution of complaint by Assistant Secretary*—(1) *Dismissal of complaint*. Upon receipt of the recipient's written recommendation that there is no merit to the complaint, or upon failure of the recipient and complainant to reach resolution, the Assistant Secretary shall review the complaint to determine whether it presents a valid allegation of noncompliance with section 3. The Assistant Secretary may conduct further investigation if deemed necessary. Where the com-

plaint fails to present a valid allegation of noncompliance with section 3, the Assistant Secretary will dismiss the complaint without further action. The Assistant Secretary shall notify the complainant of the dismissal of the complaint and the reasons for the dismissal.

(2) *Informal resolution*. Where the allegations in a complaint on their face, or as amplified by the statements of the complainant, present a valid allegation of noncompliance with section 3, the Assistant Secretary will attempt, through informal methods, to obtain a voluntary and just resolution of the complaint. Where attempts to resolve the complaint informally fail, the Assistant Secretary will impose a resolution on the recipient and complainant. Any resolution imposed by the Assistant Secretary will be in accordance with requirements and procedures concerning the imposition of sanctions or resolutions as set forth in the regulations governing the HUD program under which the section 3 covered assistance was provided.

(3) *Effective date of informal resolution*. The imposed resolution will become effective and binding at the expiration of 15 days following notification to recipient and complainant by certified mail of the imposed resolution, unless either party appeals the resolution before the expiration of the 15 days. Any appeal shall be in writing to the Secretary and shall include the basis for the appeal.

(g) *Sanctions*. Sanctions that may be imposed on recipients that fail to comply with the regulations of this part include debarment, suspension and limited denial of participation in HUD programs.

(h) *Investigation of complaint*. The Assistant Secretary reserves the right to investigate a complaint directly when, in the Assistant Secretary's discretion, the investigation would further the purposes of section 3 and this part.

(i) *Intimidatory or retaliatory acts prohibited*. No recipient or other person shall intimidate, threaten, coerce, or discriminate against any person or business because the person or business has made a complaint, testified, assisted or participated in any manner in an investigation, proceeding, or hearing under this part. The identity of

§ 135.90

complainants shall be kept confidential except to the extent necessary to carry out the purposes of this part, including the conduct of any investigation, hearing or judicial proceeding arising thereunder.

(j) *Judicial relief*: Nothing in this sub-part D precludes a section 3 resident or section 3 business concerning from exercising the right, which may otherwise be available, to seek redress directly through judicial procedures.

III. Examples of Procurement Procedures That Provide for Preference for Section 3 Business Concerns

This Section III provides specific procedures that may be followed by recipients and contractors (collectively, referred to as the "contracting party") for implementing the section 3 contracting preference for each of the competitive procurement methods authorized in 24 CFR 85.36(d).

(1) *Small Purchase Procedures.* For section 3 covered contracts aggregating no more than \$25,000, the methods set forth in this paragraph

24 CFR Subtitle B, Ch. I (4-1-03 Edition)

(1) or the more formal procedures set forth in paragraphs (2) and (3) of this Section III may be utilized.

(i) *Solicitation.* (A) Quotations may be solicited by telephone, letter or other informal procedure provided that the manner of solicitation provides for participation by a reasonable number of competitive sources. At the time of solicitation, the parties must be informed of:

- the section 3 covered contract to be awarded with sufficient specificity;
- the time within which quotations must be submitted; and
- the information that must be submitted with each quotation.

(B) If the method described in paragraph (i)(A) is utilized, there must be an attempt to obtain quotations from a minimum of three qualified sources in order to promote competition. Fewer than three quotations are acceptable when the contracting party has attempted, but has been unable, to obtain a sufficient number of competitive quotations. In unusual circumstances, the contracting party may accept the sole quotation received in response to a solicitation provided the price is reasonable. In all cases, the contracting party shall document the circumstances when it has been unable to obtain at least three quotations.

(ii) *Award.* (A) Where the section 3 covered contract is to be awarded based upon the lowest price, the contract shall be awarded to the qualified section 3 business concern with the lowest responsive quotation, if it is reasonable and no more than 10 percent higher than the quotation of the lowest responsive quotation from any qualified source. If no responsive quotation by a qualified section 3 business concern is within 10 percent of the lowest responsive quotation from any qualified source, the award shall be made to the source with the lowest quotation.

(B) Where the section 3 covered contract is to be awarded based on factors other than price, a request for quotations shall be issued by developing the particulars of the solicitation, including a rating system for the assignment of points to evaluate the merits of each quotation. The solicitation shall identify all factors to be considered, including price or cost. The rating system shall provide for a range of 15 to 25 percent of the total number of available rating points to be set aside for the provision of preference for section 3 business concerns. The purchase order shall be awarded to the responsible firm whose quotation is the most advantageous, considering price and all other factors specified in the rating system.

(2) *Procurement by sealed bids (Invitations for Bids).* Preference in the award of section 3 covered contracts that are awarded under a sealed bid (IFB) process may be provided as follows:

Office of Asst. Secy., Equal Opportunity, HUD

Pt. 146

(i) Bids shall be solicited from all businesses (section 3 business concerns, and non-section 3 business concerns). An award shall be made to the qualified section 3 business concern with the highest priority ranking and with the lowest responsive bid if that bid—

(A) is within the maximum total contract price established in the contracting party's budget for the specific project for which bids are being taken, and

(B) is not more than "X" higher than the total bid price of the lowest responsive bid from any responsible bidder. "X" is determined as follows:

	X=lesser
When the lowest responsive bid is less than \$100,000	10% of that bid or \$9,000.
When the lowest responsive bid is:	
At least \$100,000, but less than \$200,000	9% of that bid, or \$16,000.
At least \$200,000, but less than \$300,000	8% of that bid, or \$21,000.
At least \$300,000, but less than \$400,000	7% of that bid, or \$24,000.
At least \$400,000, but less than \$500,000	6% of that bid, or \$25,000.
At least \$500,000, but less than \$1 million	5% of that bid, or \$40,000.
At least \$1 million, but less than \$2 million	4% of that bid, or \$60,000.
At least \$2 million, but less than \$4 million	3% of that bid, or \$80,000.
At least \$4 million, but less than \$7 million	2% of that bid, or \$105,000.
\$7 million or more	1 1/2% of the lowest responsive bid, with no dollar limit.

(ii) If no responsive bid by a section 3 business concern meets the requirements of paragraph (2)(i) of this section, the contract shall be awarded to a responsible bidder with the lowest responsive bid.

(3) *Procurement under the competitive proposals method of procurement (Request for Proposals (RFP)).* (i) For contracts and sub-contracts awarded under the competitive proposals method of procurement (24 CFR 85.36(d)(3)), a Request for Proposals (RFP) shall identify all evaluation factors (and their relative importance) to be used to rate proposals.

(ii) One of the evaluation factors shall address both the preference for section 3 business concerns and the acceptability of the strategy for meeting the greatest extent feasible requirement (section 3 strategy), as disclosed in proposals submitted by all business concerns (section 3 and non-section 3 business concerns). This factor shall provide for a range of 15 to 25 percent of the total number of available points to be set aside for the evaluation of these two components.

(iii) The component of this evaluation factor designed to address the preference for section 3 business concerns must establish a preference for these business concerns in the order of priority ranking as described in 24 CFR 135.36.

(iv) With respect to the second component (the acceptability of the section 3 strategy), the RFP shall require the disclosure of the contractor's section 3 strategy to comply with the section 3 training and employment preference, or contracting preference, or both, if applicable. A determination of the contractor's responsibility will include the submission of an acceptable section 3 strategy. The contract award shall be made to the responsible firm (either section 3 or non-section 3 business concern) whose proposal is determined most advantageous, considering

price and all other factors specified in the RFP.

COMMUNITY DEVELOPMENT

TEXAS DEPARTMENT OF HOUSING AND COMMUNITY AFFAIRS

QUALIFIED ALLOCATION PLAN (QAP)

UNDERWRITING AND LOAN POLICY

Scope and Cost Review Guidelines

(a) General Provisions. The objective of the Scope and Cost Review Report (SCR) required for Rehabilitation Developments (excluding Reconstruction) and Adaptive Reuse Developments is to provide a self-contained report that provides a comprehensive description and evaluation of the current conditions of the Development and identifies a scope of work for the proposed repairs, replacements and improvements to an existing multifamily property or identifies a scope of work for the conversion of a non-multifamily property to multifamily use. The SCR author must evaluate the sufficiency of the Applicant's scope of work and provide an independent review of the Applicant's proposed costs. The report must be in sufficient detail for the Underwriter to fully understand all current conditions, scope of work and cost estimates. It is the responsibility of the Applicant to ensure that the scope of work and cost estimates submitted in the Application is provided to the author. The SCR must include a copy of the Development Cost Schedule submitted in the Application. The report must also include the following statement, "any person signing this Report acknowledges that the Department may publish the full report on the Department's website, release the report in response to a request for public information and make other use of the report as authorized by law."

(b) For Rehabilitation Developments, the SCR must include analysis in conformity with the ASTM "Standard Guide for Property Condition Assessments. Baseline Property Condition Assessment Process (ASTM Standard Designation: E 2018)" except as provided for in subsections (f) and (g) of this section.

(c) The SCR must include good quality color photographs of the subject Real Estate (front, rear, and side elevations, on-site amenities, interior of the structure). Photographs should be properly labeled. Photographs of the neighborhood, street scenes, and comparables should must be included.

(d) The SCR must also include discussion and analysis of:

(1) Description of Current Conditions. For both Rehabilitation and Adaptive Reuse, the SCR must contain a detailed description with good quality photographs of the current conditions of all major systems and components of the Development regardless of whether the system or component will be removed, repaired or replaced. For historic structures, the SCR must contain a description with photographs of each aspect of the building(s) that qualifies it as historic and must include a narrative explaining how the scope of work relates to maintaining the historic designation of the Development. Replacement or relocation of systems and components must be described;

(2) Description of Scope of Work. The SCR must provide a narrative of the consolidated scope of work either as a stand-alone section of the report or included with the description of the current conditions for each major system and components. Any New Construction must be described. Plans or drawings (that are in addition to any plans or drawings otherwise required by rule) and that relate to any part of the scope of work should be included, if available;

(3) Useful Life Estimates. For each system and component of the property the SCR must estimate its remaining useful life, citing the basis or the source from which such estimate is derived;

(4) Code Compliance. The SCR must document any known violations of any applicable federal, state, or local codes. In developing the cost estimates specified herein, it is the responsibility of the Applicant to ensure that

11/13/2020

the SCR adequately considers any and all applicable federal, state, and local laws and regulations which are applicable and govern any work. For Applications requesting Direct Loan funding from the Department, the SCR author must include a comparison between the local building code and the International Existing Building Code of the International Code Council.;

(5) Program Rules. The SCR must assess the extent to which any systems or components must be modified, repaired, or replaced in order to comply with any specific requirements of the housing program under which the Development is proposed to be financed, the Department's Uniform Physical Condition Standards, and any scoring criteria including amenities for which the Applicant may claim points; for Direct Loan Developments this includes, but is not limited to the requirements in the Lead-Based Paint Poisoning Prevention Act (42 USC §§4821-4846), the Residential Lead-Based Paint Hazard Reduction Act of 1992 (42 USC §§4851-4856), and implementing regulations, Title X of the 1992 Housing and Community Development Act at 24 CFR Part 35 (including subparts A, B, J, K, and R), and the Lead: Renovation, Repair, and Painting Program Final Rule and Response to Children with Environmental Intervention Blood Lead Levels (40 CFR Part 745);

(6) Accessibility Requirements. The SCR report must include an analysis of compliance with the Department's accessibility requirements pursuant to Chapter 1, Subchapter B and §11.101(b)(8) of this title (relating to Site and Development Requirements and Restrictions) and identify the specific items in the scope of work and costs needed to ensure that the Development will meet these requirements upon Rehabilitation (including conversion and Adaptive Reuse);

(7) Reconciliation of Scope of Work and Costs. The SCR report must include the Department's Scope and Cost Review Supplement (SCR Supplement) with the signature of the SCR author. The SCR Supplement must reconcile the scope of work and costs of the immediate physical needs identified by the SCR author with the Applicant's scope of work and costs. The costs presented on the SCR Supplement must be consistent with both the scope of work and immediate costs identified in the body of the SCR report and the Applicant's scope of work and costs as presented in the Application. Variations between the costs listed on the SCR Supplement and the costs listed in the body of the SCR report or on the Applicant's Development Cost Schedule must be reconciled in a narrative analysis from the SCR provider. The consolidated scope of work and costs shown on the SCR Supplement will be used by the Underwriter in the analysis to the extent adequately supported in the report; and

(8) Cost Estimates. The Development Cost Schedule and SCR Supplement must include all costs identified below:

(A) Immediately Necessary Repairs and Replacement. For all Rehabilitation developments, and Adaptive Reuse developments if applicable, immediately necessary repair and replacement should be identified for systems or components which are expected to have a remaining useful life of less than one year, which are found to be in violation of any applicable codes, which must be modified, repaired or replaced in order to satisfy program rules, or which are otherwise in a state of deferred maintenance or pose health and safety hazards. The SCR must provide a separate estimate of the costs associated with the repair, replacement, or maintenance of each system or component which is identified as being an immediate need, citing the basis or the source from which such cost estimate is derived.

(B) Proposed Repair, Replacement, or New Construction. If the development plan calls for additional scope of work above and beyond the immediate repair and replacement items described in subparagraph (A) of this paragraph, the additional scope of work must be evaluated and either the nature or source of obsolescence to be cured or improvement to the operations of the Property discussed. The SCR must provide a separate estimate of the costs associated with the additional scope of work, citing the basis or the source from which such cost estimate is derived.

(C) Reconciliation of Costs. The combined costs described in subparagraphs (A) and (B) of this paragraph should be consistent with the costs presented on the Applicant's Development Cost Schedule and the SCR Supplement.

11/13/2020

(D) Expected Repair and Replacement Over Time. The term during which the SCR should estimate the cost of expected repair and replacement over time must equal the lesser of 30 years or the longest term of any land use or regulatory restrictions which are, or will be, associated with the provision of housing on the Property. The SCR must estimate the periodic costs which are expected to arise for repairing or replacing each system or component or the property, based on the estimated remaining useful life of such system or component as described in paragraph (1) of this subsection adjusted for completion of repair and replacement immediately necessary and proposed as described in subparagraphs (A) and (B) of this paragraph. The SCR must include a separate table of the estimated long term costs which identifies in each line the individual component of the property being examined, and in each column the year during the term in which the costs are estimated to be incurred for a period and no less than 30 years. The estimated costs for future years should be given in both present dollar values and anticipated future dollar values assuming a reasonable inflation factor of not less than 2.5% per annum.

(e) Any costs not identified and discussed in sufficient detail in the SCR as part of subsection (d)(6), (d)(8)(A) and (d)(8)(B) of this section will not be included in the underwritten Total Development Cost in the Report.

(f) If a copy of such standards or a sample report have been provided for the Department's review, if such standards are widely used, and if all other criteria and requirements described in this section are satisfied, the Department will also accept copies of reports commissioned or required by the primary lender for a proposed transaction, which have been prepared in accordance with:

- (1) Fannie Mae's criteria for Physical Needs Assessments;
- (2) Federal Housing Administration's criteria for Project Capital Needs Assessments;
- (3) Freddie Mac's guidelines for Engineering and Property Condition Reports;
- (4) USDA guidelines for Capital Needs Assessment.

(g) The Department may consider for acceptance reports prepared according to other standards which are not specifically named in subsection (g) of this section, if a copy of such standards or a sample report have been provided for the Department's review, if such standards are widely used, and if all other criteria and requirements described in this section are satisfied.

(h) The SCR shall be conducted by a Third Party at the expense of the Applicant, and addressed to Texas Department of Housing and Community Affairs as the client. Copies of reports provided to the Department which were commissioned by other financial institutions should address Texas Department of Housing and Community Affairs as a co-recipient of the report, or letters from both the provider and the recipient of the report should be submitted extending reliance on the report to Texas Department of Housing and Community Affairs.

(i) The SCR report must include a statement that the individual and/or company preparing the SCR report will not materially benefit from the Development in any other way than receiving a fee for performing the SCR. Because of the Department's heavy reliance on the independent cost information, the provider must not be a Related Party to or an Affiliate of any other Development Team member. The SCR report must contain a statement indicating the report preparer has read and understood the requirements of this section.

APPENDIX 11
MULTIFAMILY RELOCATION REQUIREMENTS, INCLUDING RELATED FORMS

Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970

Regulation

Per HUD, activities and projects assisted by CDBG-DR are subject to the Uniform Relocation Assistance (URA), a federal law which provides important protections and assistance for people affected by the acquisition, rehabilitation, or demolition of real property for federally funded projects.

The URA was enacted by Congress to ensure people whose real property is acquired, or who move as a direct result of projects receiving federal funds, are treated fairly and equitably and receive assistance in moving from the property they occupy.

Activities and projects assisted by CDBG-DR are subject to the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, as amended, (42 U.S.C. 4601 *et seq.*) ("URA") and section 104(d) of the HCD Act (42 U.S.C. 5304(d)) (Section 104(d)). The implementing regulations for the URA are at 49 CFR part 24. The regulations for Section 104(d) are at 24 CFR part 42, subpart C. Programs and projects must adhere to

- **49 CFR Part 24** is the government-wide regulation that implements the URA.
- **HUD Handbook 1378** provides HUD policy and guidance on implementing the URA and 49 CFR Part 24 for HUD funded programs and projects.
- Housing and Community Development (HCDD) Policies and Procedures.

CDBG-DR Waiver(s)

One-for-One Replacement Housing, Relocation, and Real Property Acquisition Requirements. Activities and projects undertaken with CDBG-DR funds are subject to the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, as amended, (42 U.S.C. 4601 *et seq.*) ("URA") and section 104(d) of the HCD Act (42 U.S.C. 5304(d)) (section 104(d)). The implementing regulations for the URA are at 49 CFR part 24. The regulations for section 104(d) are at 24 CFR part 42, subpart C. For the purpose of promoting the availability of decent, safe, and sanitary housing, HUD is waiving the following URA and section 104(d) requirements with respect to the use of CDBG-DR funds.

The relocation assistance requirements at Section 104(d)(2)(A) of the Housing and Community Development Act and 24 CFR 42.350 are waived to the extent that they differ from the requirements of the URA and implementing regulations at 49 CFR Part 24, as modified by the notice for activities related to disaster recovery. Without this waiver, disparities exist in relocation assistance associated with activities typically funded by HUD and FEMA (e.g., buyouts and relocation). Both FEMA and CDBG funds are subject to the requirements of the URA; however, CDBG funds are subject to Section 104(d), while FEMA funds are not. The URA provides that a displaced person is eligible to receive a rental assistance payment that covers a period of 42 months. By contrast, Section 104(d) allows a lower-income displaced person to choose between the URA rental assistance payment and a rental assistance payment calculated over a period of 60 months. This waiver of the Section 104(d) requirements assures uniform and equitable treatment by setting the URA and its implementing regulations as the sole standard for relocation assistance under the federal register notice.

The HCDD's Residential Anti-displacement and Relocation Assistance Plan (RARAP) will be adhere to when direct or indirect permanent displacement of tenants occur. The following steps are required by subrecipients and developers to minimize the direct and indirect displacement of persons from their homes: Plan construction activities to allow tenants to remain in their units as long as possible, by rehabilitating empty units or buildings first; where feasible, give priority to rehabilitation of housing, as opposed to demolition, to avoid displacement; adopt policies to identify and mitigate displacement resulting from intensive public investment in neighborhoods; adopt tax assessment policies, such as deferred tax payment plans, to reduce impact of increasing property tax assessments on lower income owner-occupants or tenants in revitalizing areas; or target only those properties deemed essential to the need or success of the project.

Monitoring

If Relocation is triggered, periodic monitoring reviews will be conducted to inspect tenant files.

Record Keeping

If Relocation is triggered, relocation tenant files must be made available for periodic monitoring reviews. Tenant files and other related records must be maintained for a 3-years after construction completion.

2. Displace Persons

The renovation of the property is expected to take approximately () months and it is "NOT" anticipated that there will be any "displaced persons" who by definition are persons that must move from the property permanently. If it is determined that there are, the plan will be amended to address the special requirements particular to the tenants. These tenants would be given the Notice of Eligibility for Relocation Assistance (see example in Section F) which would inform them of their rights under URA.

B. RELOCATION DESTINATION

There have not been any new leases executed in the last () months in order to have units available to move tenants into. The Relocation Specialist will track the vacant units each month during renovation and submit tracking documentation to HCDD. A tenant transition plan will be

mapped out and submitted to HCDD. This plan will show which tenants will be moved and the new rehabbed units they will be moved to. (See Section F, 3)

If there are no available units onsite the tenant will be provided temporary housing in the development listed below. (Property name) will assure that all temporary housing provided is decent, safe, and sanitary on a non discriminating basis for families or individuals who may be moved offsite.

If it becomes necessary to house tenants in temporary units other than a subsidized housing complex, attempts will be made to find single family units. Rents paid by (your property name) will represent the difference in the tenants current TTP and any additional rent that the tenant must pay. (INSERT TABLE WHICH LISTS "DEVELOPMENTS AVAILABLE FOR RELOCATION HERE-Include name and address of property, contact information)

C. TEMPORARY RELOCATION OF TENANTS

1. Tenant Notice

In preparation for the relocations, () will conduct group meetings to notify the tenants of the plans for the complex. In addition to these group meetings, the tenants will also receive written notices of the overall renovation plans and notice of the plans for their relocation. Tenants will be notified that they should not move on their own or contact a mover because they would risk being held responsible for these cost and/or forfeit relocation benefits.

Each tenant will be given a packet of information that is included in Section F of this plan and it includes items mandated via URA. Every attempt will be made to keep the tenants informed and to answer any questions that they may have.

2. Moving Assistance

Moving services will be made available to the tenants. Each resident will be given the option of receiving packing assistance. If a resident prefers to pack their own personal possessions, they will be provided packing supplies. All residents will be provided written notices of their scheduled moving date and time in their 30 day notice. (See Section F, 4)

3. Utility Transfers

A letter will be sent to the utility providers of the property. It will explain the plans for the property renovation and for them to anticipate numerous requests for transfers within a short period of time. The tenant will be responsible for scheduling the transfer of their utilities and are expected to notify the relocation specialist of the date and time the transfer is scheduled. If there are any problems with any transfers the property will have the utilities turned on in the

properties name and the tenant will be given 10 days to resolve the issues with the utility company.

D. TENANT RELOCATION BENEFITS

1. Tenant Notice

Tenants will be given notice of what charges and deposits will be covered in the relocation and they will have to sign it and indicate that they understand that there are no other costs that will be covered.

2. Covered Cost

(Your property name) will pay for packing and moving costs that are scheduled by the relocation specialist. (Your property name) will also cover the cost of deposits or transfer fees for the utilities, any increase in rent of the off site temporary housing, if applicable; and telephone/cable at both the temporary unit and the return to the newly renovated unit. These costs will be paid directly to the providing agency and attached to the tenants unit and head of household. These costs will not be paid on behalf of anyone that moves prior to the coordination efforts of the Relocation Specialist or due to Eviction for Cause.

3. Advisory Services

(Your property name) will contact and interview each person who is affected by the project to discuss his/her needs, preferences, concerns, and to answer questions. (Your property name) will use the Site Occupant Record (Exhibit 8 of HCDD Relocation Policy) to record interview of each household. (Your property name) will also provide information about the project and any benefits the tenant may be eligible for; as applicable to the tenants' circumstances (49CFR 24.205(c)).

E. RELOCATION SERVICES

1. Transportation

Relocation of the tenants will be done in phases; the Relocation Specialist will be able to provide the necessary supportive services that may be required. If off site housing is used and there is a need, transportation will be provided to the tenant via taxi companies to tour the proposed unit.

2. Communication

Each tenant will be given written information outlining the process and will be given group and individual access to the Relocation Specialist. The tenants that may require special assistance due to a disability will be identified and will be provided assistance in a non-discriminatory manner.

3. Delinquent Utility Bills

If the tenants do not have the financial resources to pay delinquent utility bills that would hinder services being transferred to their temporary unit, the property will have the services temporarily placed under the property name. The tenant would have 10 business days after move-in, to resolve the issue with the respective utility company.

The purpose of this notice is to inform you that you will not be displaced in connection with the proposed project.

If the project application is approved and federal financial assistance provided, you may be required to move temporarily so that the rehabilitation can be completed. If you must move temporarily, suitable housing will be made available to you and you will be reimbursed for all reasonable out of pocket expenses, including moving costs and any increase in housing costs. You will need to continue to pay your rent and comply with all other lease terms and conditions.

Upon completion of the rehabilitation, you will be able to lease and occupy your present apartment or another suitable, decent, safe and sanitary apartment in the same building/complex under reasonable terms and conditions. *

If federal financial assistance is provided for the proposed project, you will be protected by a federal law known as the Uniform Relocation Assistance and Real Property Acquisition Policies Act (URA). One of the URA protections for persons temporarily relocated is that such relocations shall not extend beyond one year. If the temporary relocation lasts more than one year, you will be contacted and offered all permanent relocation assistance as a displaced person under the URA. This assistance would be in addition to any assistance you may receive in connection with temporary relocation and will not be reduced by the amount of any temporary relocation assistance previously provided. You will also have the right to appeal the agency's determination, if you feel that your application for assistance was not properly considered.

(NOTE: Pursuant to Public Law 105-117, aliens not lawfully present in the United States are not eligible for relocation assistance, unless such ineligibility would result in exceptional hardship to a qualifying spouse, parent, or child. All persons seeking relocation assistance will be required to certify that they are a United States citizen or national, or an alien lawfully present in the United States.)

This notice also serves to inform you of your potential rights as a displaced person under a federal law known as the Uniform Relocation Assistance and Real Property Acquisition Policies Act (URA). 2. This is a guideform. It should be revised to reflect the circumstances.
3. Optional paragraphs for displaced residents of public housing projects (may be modified based on the PHA's resident return policy):

"Even though you will be provided all of the assistance the URA requires for a permanent move, the Authority believes that every resident displaced from the site should have the right to reapply for occupancy once this project is complete. For this reason, after project completion, every resident who receives assistance as a "displaced person" will be contacted and offered an opportunity to reapply for occupancy in the newly-revitalized community. Furthermore, because you will be a former occupant who was "displaced" from the site, you will also receive a priority preference to return.

In the event the number of those who request to return and qualify for housing exceeds the number of units available, rating and ranking criteria will be used to identify those who will be offered a unit at the site until all available units are filled. If you do return, the Authority may help defray the costs of the return move. If you have Replacement Housing Payments not yet spent or obligated, you may be asked to forfeit these payments as a condition for returning to public housing, since this assistance will no longer be necessary to meet your housing needs. Such assistance, if not forfeited, must be considered as income and may affect your eligibility and rent."

It has been determined that you will be displaced by the project. Since you are being displaced in connection with this federally funded project, you will be eligible for relocation assistance and payments under the Uniform Relocation Assistance and Real Property Acquisition Policies Act (URA).

- This is your Notice of Eligibility for relocation assistance
- The effective date of your eligibility is _____. (Insert date of Initiation of Negotiations, see 49 CFR 24.1(a)(15) or applicable HUD program regulations)

(NOTE: Pursuant to Public Law 105-117, aliens not lawfully present in the United States are not eligible for relocation assistance, unless such ineligibility would result in exceptional hardship to a qualifying spouse, parent, or child. All persons seeking relocation assistance will be required to certify that they are a United States citizen or national, or an alien lawfully present in the United States.)

To carry out the project, it will be necessary for you to move. However, you do not need to move now. You will be provided written notice of the date by which you will be required to move. This date will be no less than 90 days from the date comparable replacement housing has been made available to you.

Enclosed is a brochure entitled, "Relocation Assistance to Tenants Displaced From Their Homes." Please read the brochure carefully. It explains your rights and provides additional information on eligibility for relocation payments and what you must do in order to receive these payments.

Exhibit 13

The relocation assistance to which you are entitled includes:

Relocation Advisory Services. Including counseling and other assistance to help you find another home and prepare to move.

Payment for Moving Expenses. You may choose: (1) a payment for your actual reasonable moving and related expenses, or (2) a fixed moving payment in the amount of \$_____ based on the URA Fixed Residential Moving Cost Schedule, or (3) a combination of both.

Replacement Housing Payment. You may be eligible for a replacement housing payment to rent or buy a replacement home. The payment is based on several factors including: (1) the monthly rent and cost of utility services for a comparable replacement dwelling, (2) the monthly rent and cost of utility services for your present home, and (3) for low-income persons, 30 percent of your average monthly gross household income. This payment is calculated on the difference in the old and new housing costs for a one-month period and multiplied by 42.

Listed below are three comparable replacement dwellings that you may wish to consider for your replacement home. If you would like, we can arrange transportation for you to inspect these and other replacement dwellings.

	Address	Rent & Utility Costs	Contact Info

2.	_____	_____	_____
3.	_____	_____	_____

We believe that the dwelling located at (address) is the most representative of your present home. The monthly rent and the estimated average monthly cost of utilities for this dwelling is \$_____ and it will be used to calculate your maximum replacement housing payment. Please contact us immediately if you believe this dwelling is not comparable to your current home. We can explain our basis for selecting this dwelling as most representative of your current home and discuss your concerns.

Based on the information you have provided about your income and the rent and utilities you now pay, you may be eligible for a maximum replacement housing payment of approximately \$_____ (42 x \$_____), if you rent the dwelling identified above as the most comparable to your current home or rent another dwelling of equal cost.

Exhibit 13

Replacement housing payments are not adjusted to reflect future rent increases or changes in income. This is the maximum amount that you would be eligible to receive. If you rent a decent, safe and sanitary home where the monthly rent and average estimated utility costs are less than the comparable dwelling, your replacement housing payment will be based on the actual cost of the dwelling. We will not base your payment on any dwelling that is not a comparable replacement home. All replacement housing payments must be paid in installments. Your payment will be paid in # installments.

Should you choose to purchase (rather than rent) a decent, safe and sanitary replacement home, you would be eligible for a downpayment assistance payment which is equal to your maximum replacement housing payment, \$ *. Let us know if you are interested in purchasing a replacement home and we will help you locate such housing.

Please note that all replacement housing must be inspected in order to ensure it is decent, safe and sanitary before any replacement housing payments are made.

If you have any questions about this letter and your eligibility for relocation assistance and payments, please contact (name) , (title) at (phone) , (address) before you make any moving plans. He/she will assist you with your move to a new home and help ensure that you preserve your eligibility for all relocation payments to which you may be entitled.

Remember, do not move or commit to the purchase or lease of a replacement home before we have a chance to further discuss your eligibility for relocation assistance. This letter is important to you and should be retained.

Sincerely,

INTRODUCTION

This document is intended to provide the Minimum Property Standards (MPS) for new construction, reconstruction, rehabilitation, and maintenance of multifamily housing facilities that receive federal assistance through the City of Houston Housing & Community Development Department as required by 24CFR §200.925. The primary objective of the Minimum Property Standards is to establish the criteria for the life, health and safety of the residents at the property.

Pursuant to 24CFR§92.251, housing that is constructed or rehabilitated with HOME or CDBG funds must meet all applicable local codes, ordinances, and rehabilitation standards, at the time of project completion. In the absence of a local code addressing new construction, reconstruction, or rehabilitation, HOME-assisted new construction or rehabilitation must meet, as applicable, International Building Code (IBC) or its appropriate sub code, and/or the Minimum Property Standards(MPS) in 24CFR§200.925 and §200.926. Housing must meet the accessibility requirements at 24CFR Part 8, which implements Section 504 of the Rehabilitation Act of 1973 (29U.S.C.§794) and covered multifamily dwellings, as defined at 24CFR§100.201, and must also meet the design and construction requirements at 24CFR §100.205, which implement the Fair Housing Act (42U.S.C.§3601-§3619).

The MPS supplement local building codes by requiring properties to meet minimum standards of workmanship, durability and performance of various components of the multifamily property during the period of affordability. These components would include doors, windows, gates, stairwells, wall coverings, kitchen cabinets, carpeting, etc. of the property that would be maintained in good and safe working condition that ensures the life, health and safety of the residents at the property.

To achieve this objective, the Housing & Community Development Department conducts an annual inspection of the property in accordance with the 24CFR§92.251(a) and all local codes, construction standards, and city ordinances. Findings identified during the inspection are required to be resolved by the property owner and management. All repairs, materials, and installations must be meet the aforementioned standards of quality and workmanship.

APPENDIX 14

City of Houston, Texas, Ordinance No. 2009-1043

AN ORDINANCE AMENDING CHAPTER 10 OF THE CODE OF ORDINANCES, HOUSTON, TEXAS, RELATING TO THE HABITABILITY OF MULTI-FAMILY RENTAL BUILDINGS; CONTAINING FINDINGS AND OTHER PROVISIONS RELATING TO THE FOREGOING SUBJECT; PROVIDING FOR SEVERABILITY; CONTAINING A SAVINGS CLAUSE; AND DECLARING AN EMERGENCY.

* * * * *

WHEREAS, the 81st Texas Legislature (Regular Session) passed House Bill 1819 ("HB 1819"), which bill became law on June 19, 2009; and

WHEREAS, HB 1819 added Section 214.219 ("Section 214.219") to the Texas Local Government Code; and

WHEREAS, Section 214.219 requires a municipality with a population of 1.7 million or more to "adopt an ordinance to establish minimum habitability standards for multi-family rental buildings, including requiring maintenance of proper operating conditions" and to "establish a program for the inspection of multi-family rental buildings to determine if the buildings meet the minimum required habitability standards"; and

WHEREAS, HB 1819 requires a municipality subject to Section 214.219 to enact the said ordinance and to establish the said program not later than December 31, 2010; and

WHEREAS, the City is a municipality subject to Section 214.219; and

WHEREAS, the City Council finds that Article V and Divisions 3 and 4 of Article IX of Chapter 10 of the Code of Ordinances, City of Houston, Texas (the "Code of Ordinances") constitute habitability standards for multi-family rental buildings, which standards should be supplemented and strengthened as provided herein; **NOW, THEREFORE**,

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF HOUSTON, TEXAS:

Section 1. That the findings contained in the preamble of this Ordinance are determined to be true and correct and are adopted as a part of this Ordinance.

Section 2. That Chapter 10 of the Code of Ordinances, Houston, Texas, is amended by adding a new Article IV that reads as follows:

"ARTICLE IV. HOUSTON MULTI-FAMILY HABITABILITY CODE

Sec. 10-151. Title; purpose; conflict with other municipal laws.

This article is, and may be cited as, the 'Houston Multi-Family Habitability Code.' One purpose of this Habitability Code is to comply with Section 214.219 of the Texas Local Government Code. The provisions of this Habitability Code are cumulative of all other laws and regulations of the city, as well as all applicable state and federal laws and regulations. In the event of a conflict between this Habitability Code and another law or regulation of the city, the provisions of this Habitability Code shall control.

Sec. 10-152. Definitions.

In addition to definitions appearing elsewhere in this article, the following words and phrases when used in this article shall have the meanings ascribed to them in this section, except where the context clearly indicates a different meaning:

Building official means the building official and all persons designated in writing by the building official to act on his or her behalf to construe and to enforce this article.

Habitability refers to the character of a multi-family rental building free of any condition constituting a material risk to the physical safety or health of the building's ordinary tenants. A multi-family rental building substantially free of such conditions is *habitable*.

Multi-family rental building or MFRB means a building that has three or more units. Only for the purposes of the Inspection Program established by this article, *multi-family rental building or MFRB* includes all MFRBs and all accessory buildings (such as a boiler room, laundry room, club house, or garage) on the same tract.

Owner means the current owner (or, collectively, the current owners) of the real property on which a multi-family rental building is located. For the purposes of this article, records available for public view at an official website maintained by the appraisal district in which the MFRB is located are presumed to be accurate with regard to the ownership of real property, but the presumption of ownership may be rebutted by documents properly recorded in the real property records of the county in which the MFRB is located.

Tract means the parcel or parcels of real property on which a

multi-family rental building is located.

Unit means one or more rooms rented for use as a permanent residence under a lease to one or more tenants, except that none of the following shall constitute a *unit*:

- (a) A room or rooms rented primarily for the purpose of receiving services regulated by a department or agency of the federal government or of the State of Texas (including, but not limited to, the Texas Department of State Health Services);
- (b) A room or rooms owned or operated by a public or private college or university accredited by a recognized accrediting agency within the meaning of Section 61.003, Texas Education Code;
- (c) An 'apartment' in a 'condominium' within the meaning of Chapter 81, Texas Property Code; or
- (d) A 'unit' in a 'condominium' within the meaning of Chapter 82, Texas Property Code.

Sec. 10-153. Construction of this Habitability Code.

This article shall not be construed to alter the terms of any lease or other agreement between an owner and a tenant relating to an MFRB, except that no provision of any such lease or other agreement shall be construed to excuse compliance with this article or with any other law or regulation of the city. It is not the purpose of this article to prescribe legal rights or liabilities as between an owner and a tenant.

Sec. 10-154. MFRB Registration.

- (a) The building official shall promulgate a form for the registration of MFRBs, which form shall require disclosure of:
 - (1) The physical address of the MFRB;
 - (2) The account number(s) assigned to the tract by the appraisal district in which the MFRB is located;
 - (3) The number of buildings on the tract;
 - (4) The number of units in each building on the tract;

- (5) A brief description of the intended use of each building on the tract (residential building, boiler room, laundry room, club house, garage, etc.);
- (6) The Project Number(s) appearing on the face of either the Certificate of Occupancy or the Life Safety Compliance Certificate issued by the city for each building on the tract; and
- (7) The name, mailing address, physical address, telephone number, and e-mail address (if available) of at least one owner of the MFRB.

(b) The form promulgated by the building official shall provide a physical address and a mailing address for filing completed MFRB Registration Forms. In addition, the building official shall establish a means by which MFRB Registration Forms may be completed and filed electronically.

(c) An owner of an MFRB shall register the MFRB by completing and filing an MFRB Registration Form with the building official.

(d) An owner of an MFRB shall post a hard copy of the current, completed MFRB Registration Form in or on the MFRB.

(e) If an MFRB was not in existence on January 1, 2010, the owner of the MFRB shall register the MFRB by completing and filing the MFRB Registration Form with the building official no later than 30 days after the MFRB receives a Certificate of Occupancy.

(f) Registration of an MFRB as required by this section shall constitute:

- (1) Registration of the MFRB under section 28-283 of the Code of Ordinances; and
- (2) Compliance with sections 250.003 and 250.004 of the Texas Local Government Code.

(g) No later than 30 days after an owner of an MFRB knows or reasonably should know that a statement on the MFRB Registration Form was incomplete or inaccurate when filed, or has become incomplete or inaccurate since filed, the owner must complete and file an amended MFRB Registration Form.

Sec. 10-155. Habitability standards.

In addition to the habitability standards established by article V and by divisions 3 and 4 of article IX of chapter 10 of this Code:

- (1) An owner of an MFRB violates this article if the MFRB does not comply with:
 - a. All applicable provisions of the Fire Code;
 - b. Sections L102 through L108 of appendix L of the Building Code (which provisions are part of the Building Code's 'Life Safety Appendix');
 - c. Sections 10-211 through 10-215 of this Code (which provisions pertain to the numbering of buildings);
 - d. Sections 43-18 through 43-20 and section 43-23 of this Code (which provisions pertain to swimming pools); and
 - e. Sections 92.153 through 92.162 of the Texas Property Code (which provisions pertain to security devices).
- (2) An owner of an MFRB at all times must post in or on the MFRB:
 - a. A valid Certificate of Occupancy or a valid Life Safety Compliance Certificate; and
 - b. A 'NOTICE TO ALL RESIDENTS' legibly typed or printed in a font 28 points or larger, in both English and Spanish, the substance of which Notice is as follows: 'IF ANY CONDITION of this building CREATES A HAZARD to human safety or health, REPORT THE CONDITION to the building's manager or owner. You also may report the condition to the City of Houston by calling the City's Service Helpline at 311.'
- (3) Any document required by this article to be posted in or on an MFRB must be posted either (a) as provided by the Building Code or (b) by posting an accurate copy of the document in a manner reasonably protected from weather and in a place conspicuous to ordinary tenants no more than five feet from each mailbox facility at which the United States Postal Service delivers mail to tenants or, if no such facility exists, in some

other place equally conspicuous to ordinary tenants of the MFRB.

Sec. 10-156. Powers and duties of building official.

(a) Except for applicable provisions of the Fire Code incorporated herein by reference, the building official has primary responsibility for the enforcement of this Habitability Code.

(b) With regard to MFRBs only, the terms 'director' and 'neighborhood protection official' as used in article V and in divisions 3 and 4 of article IX of chapter 10 of this Code refer to the building official.

(c) With regard to MFRBs only, the building official has powers and duties equal to and concurrent with the health officer for the enforcement of sections 43-18 through 43-20 and section 43-23 of this Code (which provisions pertain to swimming pools).

Sec. 10-157. MFRB Inspection Program.

(a) The building official shall inspect MFRBs pursuant to an inspection program (the 'Multi-Family Rental Building Inspection Program' or the 'MFRB Inspection Program'), as provided in this section.

(b) The building official shall promulgate a checklist (the 'Multi-Family Rental Building Checklist' or the 'MFRB Checklist') of criteria by which the building official shall determine the habitability of MFRBs.

(1) The MFRB Checklist shall have no force or effect until ninety days after copies of City of Houston Ordinance No. 2009-2009-1043¹ and the MFRB Checklist have been available for public view in the office of the city secretary and at a website maintained by the city.

(2) The building official may amend the MFRB Checklist; however, an amendment of the MFRB Checklist shall have no force or effect until ninety days after the MFRB Checklist has been available for public view in the office of the city secretary and at a website maintained by the city.

(c) No MFRB shall be inspected under the MFRB Inspection Program until at least forty-five days after the building official has mailed to

¹ The City Secretary shall insert the number of this Ordinance.

the owner a letter stating:

- (1) The first day of thirty consecutive days during which the building may be inspected under the MFRB Inspection Program;
 - (2) The physical address of the office of the city secretary and the internet address of the website at which copies of the MFRB Checklist are available for public view;
 - (3) The amount of the fee (the 'MFRB Inspection Fee') to be paid to the city prior to the first day of the said thirty consecutive days during which the building may be inspected; and
 - (4) The mailing and physical addresses at which the MFRB Inspection Fee may be paid.
- (d) The building official shall mail by first-class mail duplicate originals of the letter required by subsection (c) of this section to the owner of the MFRB at the respective addresses:
- (1) Of the owner, according to MFRB Registration Form filed with the building official, or, if the MFRB has not been registered with the building official, according to records available for public view at an official website maintained by the appraisal district in which the MFRB is located; and
 - (2) Of the MFRB.
- (e) No inspection of an MFRB under the MFRB Inspection Program shall be delayed solely because the owner did not receive or did not understand a letter prepared and sent as required by subsections (c) and (d) of this section.
- (f) Notwithstanding anything to the contrary in this article, no employee of the city inspecting an MFRB under the MFRB Inspection Program shall enter a unit without the written permission of a person who has a legal right to occupy the unit.

Sec. 10-158. Fees.

For the inspection of an MFRB under the MFRB Inspection Program the owner shall pay to the city the MFRB Inspection Fee, which fee shall be in the amount of either \$4.00 per unit or \$100.00 (total), whichever amount is greater, plus an administrative fee in the amount of \$10.00.

Sec. 10-159. Remedies.

An owner who violates, or whose MFRB is in violation of, any provision of this article shall be guilty of a misdemeanor punishable upon conviction by a fine of not less than \$500 nor more than \$2,000. Each violation, and each day that a violation continues, shall constitute and be punishable as a separate offense."

Section 3. That nothing in this Ordinance shall delay or otherwise hamper a timely inspection of a multi-family rental building ("MFRB") by the City in response and relating to credible complaints by tenants or other members of the public, such inspections ("reactive inspections"), although not part of the Multi-Family Residential Building Inspection Program ("MFRB Inspection Program") established by this Ordinance, being essential to the public welfare.

Section 4. That, except as otherwise provided by this Ordinance, an owner of an MFRB shall register the MFRB by filing a completed registration form (the "the MFRB Registration Form") with the building official no later than January 31, 2010.

Section 5. That the building official shall use appropriate public and non-public databases to compile a list (the "MFRB List") of the City's MFRBs in numerical order, according to the following priorities:

First, MFRBs not registered with the building official as required by this Ordinance;

Second, MFRBs whose owners have not obtained Certificates of Occupancy or Life Safety Compliance Certificates as required by the Building Code;

Third, MFRBs that were subjects of one or more citations issued during 2009 for violations of the Building Code; and

Fourth, all other MFRBs.

Within the four groups described immediately above, MFRBs shall be ordered in a manner reasonably consistent with their respective dates of construction, older MFRBs first. For the purposes of this Ordinance, the date of an MFRB's construction is the most recent of (a) the date of construction according to the registration required by this Ordinance, unless the building official reasonably concludes that such information is not reliable; or (b) the date of construction according to an official website maintained by the appraisal district in which the MFRB is located; or (c) the date on which the building official issued a Certificate of Occupancy or a Life Safety Compliance Certificate for the MFRB.

Section 6. That the MFRB List shall be available for public view in the office of the City Secretary and at a website maintained by the City at least forty-five days before the building official conducts an inspection pursuant to the MFRB Inspection Program. The office of the City Secretary and said website both shall provide a mailing address for the submission of additional buildings that members of the public believe should be included on the MFRB List. Any building so added to the MFRB List shall be assigned the next consecutive number. In addition:

- (1) A newly constructed or rehabilitated multi-family rental building shall be added to the MFRB List four years after the date on which a Certificate of Occupancy is issued for the building;
- (2) For the purposes of subsection (1) immediately above, a Life Safety Compliance Certificate is not a substitute for a Certificate of Occupancy;
- (3) The building official may add a building to, or delete a building from, the MFRB List as long as the addition or deletion is consistent with the purposes and requirements of this Ordinance; and
- (4) If the building official deletes a building from the MFRB List, the number to which the building had been assigned shall be marked "Deleted," and the building official shall make a reasonable effort to avoid reassigning numbers to buildings on the MFRB List.

Section 7. That the building official's enforcement of the MFRB Inspection Program shall include inspections conducted in the order the buildings appear on the MFRB List, except that, with regard to buildings to whose owners the building official properly has sent letters stating that the buildings will be inspected during the same thirty-day period, the building official may inspect the said buildings in any order during the said period.

Section 8. That, as soon as reasonably possible, the building official shall schedule for a reactive inspection any building added to the MFRB List after February 15, 2010, for which neither a Certificate of Occupancy nor a Life Safety Compliance Certificate has been issued.

Section 9. That, when all buildings on the MFRB List have been inspected under the MFRB Inspection Program, the building official shall reinspect the buildings in the order the buildings appear on the MFRB List, repeating the inspection cycle *ad infinitum*, except that the building official shall omit from the then-current reinspection cycle any building that during the preceding four years:

- (1) Has been inspected at least once pursuant to the MFRB Inspection Program;
- (2) Has not been the subject of a "notice of violation" within the meaning of the Building Code; and
- (3) Has not been the subject of a citation alleging a violation of the Building Code or of Division 3 or Division 4 of Article IX of Chapter 10 of the Code of Ordinances.

Section 10. That, if any provision, section, subsection, sentence, clause, or phrase of this Ordinance, or the application of same to any person or set of circumstances, is for any reason held to be unconstitutional, void, or invalid, the validity of the remaining portions of this Ordinance or their application to other persons or sets of circumstances shall not

be affected thereby, it being the intent of the City Council in adopting this Ordinance that no portion hereof or provision or regulation contained herein shall become inoperative or fail by reason of any unconstitutionality, voidness, or invalidity of any other portion hereof, and all provisions of this Ordinance are declared to be severable for that purpose.

Section 11. That there exists a public emergency requiring that this Ordinance be passed finally on the date of its introduction as requested in writing by the Mayor; therefore, this Ordinance shall be passed finally on such date and shall take effect at 12:01 a.m. on the ninetieth day next following the date of its passage and approval by the Mayor.

PASSED AND APPROVED this 4th day of November, 2009.

APPENDIX 15
CITY WORKFORCE PROTECTION MEASURES

Appendix 15

City Workforce Protection Measures

The City is committed to ensuring that the construction it finances protects workers on these projects by making sure they are safe, are compensated in accordance with applicable law and have access to pathways for sustainable careers in the construction industry. Contractors who work on developments financed under this NOFA will be required to implement certain policies designed to ensure every worker on the project is safe, receives appropriate pay, and has a path toward building a career in construction. All contractors of any tier that perform work on the development, unless otherwise specified, will be required to comply with the following workforce protection program and employment measures.

The City acknowledges many of these provisions may require additional costs. The department will consider award requests sufficient to cover additional costs associated with the new requirements. However, the City will still require the limitation of CDBG-DR awards to no greater than 50% of total development costs. The City reserves the right to revise the requirements of the workforce protection measures on an as-needed basis before and after issuance of CDBG-DR awards.

Pay or Play

In an effort to create a level playing field for competing contractors, the Pay or Play program (POP) mandates City Contractors to offer their employees a minimum level of health benefits or contribute a prescribed amount towards "Contractors Responsibility Fund" to defray the costs of providing health care to uninsured people in the Houston and Harris County area.

This program applies to contracts for services in which the total expenditure by the City, including contingencies, amendments, supplemental terms and/or change orders equals or exceeds \$100,000. This program also applies to subcontracts for services in which the total value of the subcontract, including contingencies, amendments, supplemental terms and/or change orders equal or exceeds \$200,000.

All project contractors (of any tier) must comply with the City's Pay or Play policies with regard to every Section 3 worker and apprentice-level worker that they employ for work on the project. Prior to the commencement of a covered contract, the contractor will declare its intent to comply with the Program and will submit a plan for compliance. Contractors will report to the City regarding the identity of covered subcontracts and covered employees working under subcontracts in the form and manner prescribed by the Administer (060).

Pay

If the contractor elects to comply by paying, the contractor will pay to the City \$1 for each regular hour of work performed by covered employees, including covered employees of covered subcontractors. All payments will be deposited into the City shall be deposited in the Contractor Responsibility Fund.

Play

If the contractor elects to comply by "playing", the contractor will provide documentary proof in a form acceptable to the Administrator that it provides the requisite level of health benefits

to each covered employee, and that covered employees of covered subcontractors are provided with health benefits. A contractor must contribute no less than \$150 per covered employee per month toward the total premium cost; and the covered employee may not contribute more than \$150 per month toward the premium. A contractor is deemed to have complied with this provision with respect to a covered employee who is not provided health benefits if the employee refuses the benefits and the employee's contribution to the premium is no more than \$40 per month. Program exceptions such as waivers and types of contracts that do not require participation can be found in Executive Order 1-7. For additional information regarding the City of Houston, Housing and Community Development Department compliance requirements you may visit: <http://vwww.houstontx.gov/housing/multifamilycompliance.html>

Workers' Compensation

The owner and general contractor will provide workers' compensation coverage provided with either project level policy or umbrella policy provided by the owner or GC HCDD will require that the owner and GC place signage onsite to properly inform workers of their benefits under this coverage. Developer must provide the Director of HCDD or his or her designee with evidence of worker's compensation coverage at the time of loan closing.

Awardees will be subject to these terms which will be included within the loan agreement.

Safety Training and Hourly Base Wage Rate

The owner and general contractor will be required to ensure that (1) all individuals performing project work, regardless of job designation or employment status, have received OSHA 10 certification and (2) at least one (1) on-site supervisor with OSHA 30 certification is present on the job site at all times that work is being performed.

In addition, any individual performing project work, regardless of job designation or employment status, will receive a minimum hourly wage of no less than the higher of (1) \$15.00 per hour or (2) the Federal prevailing wage.

If the applicant elects to include their statement on safety training, they will be required to certify within the HCDD contract they will employ contractors with adequate OSHA training. HCDD will require the construction contract with the general contractor include this provision as an addendum. HCDD will test compliance during onsite visits and payment applications.

If the applicant elects to include their statement on an hourly base wage rate, they will be required to certify within the HCDD contract they will comply with the Hourly base rate requirement of \$15.00 per hour for each worker. HCDD will require the construction contract with the general contractor include the Hourly Base Rate of \$15.00 requirement along with the applicable DBRA wage scale as an addendum. HCDD will test compliance during construction.

Awardees will be subject to these terms which will be included within the loan agreement.

Employment Training and Apprenticeships

HCDD expects project contractors to commit to the development of their craft workforce and invest in skills training linked to construction career paths. A minimum of 10% of all labor hours on each project must be performed by individuals enrolled in apprenticeship or craft training programs that are certified by the U.S. Department of Labor.

Owners will be required to certify within the HCDD contract they will employ contractors that adhere to the employment and apprenticeship policy. HCDD will require the construction contract with the general contractor include acknowledgement that 10% of all labor hours will be performed by apprentices enrolled in apprenticeship or craft training programs that are certified by the Department of Labor. HCDD will test compliance during construction. Awardees will be subject to these terms which will be included within the loan agreement.

Section 3

Awardees must, to the greatest extent feasible, employ Section 3 Residents (as defined in Title 24 CFR Part 135) for 30 percent (30%) of the aggregate number of new hires for each year over the duration of the project. At a minimum, awardees must, to the greatest extent feasible, ensure that 10 percent (10%) of all project work hours are performed by Section 3 Residents.

Awardees will be subject to these terms which will be included within the loan agreement.

Employment Classification

HCDD expects its awardees to hire responsible contractors who can reliably verify the proper employment classification of all individuals they engage to perform work on covered projects and provide verified reporting of wages owed and paid to employees and monthly certified payroll data to the City.

All Section 3 workers and apprentice-level workers must be directly employed by a project contractor. In addition, all self-employed workers will be subject to the same compensation standards and protections as other employees/contractors outlined in this policy.

Awardees will be subject to these terms which will be included within the loan agreement.

Davis Bacon and Related Acts (DBRA)/Labor Standards Provisions

All City financed developments require compliance with the Davis-Bacon Labor Standards no matter the use of HCDD's funds. Davis-Bacon and Related Acts require that prevailing wage rates be paid to all construction laborers regardless of job designation or employment status.

Compliance Plan

The Borrower and Owner will be required to submit a plan for implementing these measures. The plan is not required to have detailed procedure, but at minimum an acknowledgement that the applicant will inform general contractors that they and all subcontractors of any tier will be subject to these terms when solicited for the referenced development.

Capital One, National Association (together with its affiliates, "Capital One") is pleased to provide you with its proposal as outlined in the attached summary of terms and conditions (this letter together with the exhibits attached hereto, the "Proposal") to provide financing for your proposed development, Connect South (the "Development").

This Proposal contains an outline of suggested terms only, and it does not represent a commitment by Capital One or create any obligation whatsoever on Capital One's part. It is for discussion purposes only, and the outlined terms have not received final approval by the appropriate Capital One lending authorities. This Proposal replaces and voids any and all previous financing proposals by Capital One for the Development.

Based on the information you have provided, the Development appears feasible, and Capital One is willing to begin due diligence on the following terms.

The proposed terms and conditions below (including capitalized terms in **bold**) are supplemented by those set forth in Exhibit A hereto.

BORROWER: A formed or to-be-formed limited partnership or limited liability company will act as the **Borrower**.

TYPE and PURPOSE of LOANS: The **Construction Loan** is a non-revolving multiple-draw loan advanced to finance a portion of the **Property Improvements** and to bridge the LIHTC equity pay-ins or other subordinated financing. Closing of the **Construction Loan** will be subject to satisfaction of the conditions set forth in Exhibit B.

Advances under the **Construction Loan** will be made no more frequently than monthly, with the funding based upon the percentage-of-completion for actual work-in-place as approved by Capital One and its construction consultant. Retainage will be withheld on each advance and the terms of the construction contract between the Borrower and the Development's general contractor (the "General Contractor") must be acceptable to Capital One. **Retainage Terms** and **Subcontractor Buyout Requirements** with the General Contractor to be approved by Capital One. Funds will be deposited into the Borrower's construction account held by Capital One. If requested, funds may be wired from that account; however, scheduled wire charges may apply.

The **Permanent Loan** will be provided by the **Permanent Loan Lender**. Certain amounts outstanding under the Construction Loan will be repaid by Permanent Loan Lender, who will make a permanent loan in accordance with and subject to the conditions of the **Permanent Loan Take Out Commitment** at the end of the construction term (the "Conversion").

COLLATERAL; ETC.: First lien deed of trust/mortgage on the **Borrower's** interest in real property and improvements (whether fee simple or leasehold). Assignments and/or first lien security interest in rents and leases, general partner/managing member's interest, low income housing tax credits, construction contract, architect's contract, management contract, development agreement, social service contract, FF&E and all accounts including escrow, reserve, and operating accounts.

The **Construction Loan** will become due upon sale of, or refinance of any debt incurred in respect of, the Development property or **Property Improvements**.

AFFORDABILITY RESTRICTIONS: The Development will be affordable to tenants under the **Affordability Restrictions** and may include any **Operating Subsidies** awarded to the **Borrower**.

AMOUNT OF LOAN: The maximum amount of the **Construction Loan** (during the construction phase) shall be the lesser of:

- The **Construction Loan** amount set forth on Exhibit A, and
- Up to 80% of the sum of the value of the Development property including the as completed and stabilized value including rent restrictions, inclusive of property tax abatement (if applicable) and the value of the tax credits at the lesser of appraised value or the accepted purchase price.

LOAN FEE: The **Construction Loan Origination Fee** on the full amount of the **Construction Loan**. All such fees are due at the closing of the Construction Loan and are nonrefundable.

CONSTRUCTION LOAN INTEREST RATE and PAYMENTS: Rates quoted are predicated on the assumption that all operating accounts, construction accounts, reserve accounts and any other deposit accounts of the Borrower and the Development, including escrow accounts, will be maintained with Capital One for the entire period that the **Construction Loan** is outstanding. If circumstances are such that this cannot be achieved, pricing may vary.

For the **Construction Loan**, the rate will be determined using **Construction Loan Spread** plus an **Index** which will re-price monthly. In no instance shall the **Index** be less than the **Index Floor**. Indicative loan pricing for today's date can be found in Exhibit A. Although the **Index** is currently based on LIBOR, a substitute Index will be selected and implemented in the loan documentation accordance with the recommendations of the Alternate Rate Reference Committee of the Federal Reserve Board and the Federal Reserve Board of New York. For underwriting purposes, the interest reserve will be sized assuming a **Construction Minimum Rate**.

During construction, interest-only payments will be due monthly. Interest shall be calculated utilizing a 360-day basis for the actual number of days principal is outstanding.

CONSTRUCTION LOAN TERM and EXTENSION: The **Construction Loan Term** is inclusive of the **Construction Completion Date**, which shall not be extended more than 60 days due to force majeure and, in any event, shall not be extended beyond the placed-in-service date. Construction shall commence no later than 30 days following the **Anticipated Closing Date**.

If the construction period is extended, there will be an **Extension Fee** based on the amount of the **Construction Loan** extended, including unfunded amounts that will remain available after extension. An **Extension Period** may be authorized subject to satisfaction of conditions including, but not limited to:

- compliance with all placed-in-service requirements
- lien-free completion
- adequate interest reserve
- all scheduled equity due at that point having been funded and the **Construction Loan** repaid to an estimated amount of **\$6,700,000** [amount will be based on the final Construction Loan amount as determined and sized during underwriting less application of proceeds from any Investor equity installment scheduled to pay down the Construction Loan prior to Conversion net of any developer fee paid from the installment, if applicable]
- receipt of extension for all additional financing sources and permanent commitments, as necessary
- no event of default in any documents governing any credit facility, subordinate debt, grant, equity or other binding agreements governing the borrower, Development or guarantor
- **Extension Period Physical Occupancy**
- **Extension Debt Service Coverage Ratio**
- **Extension Fee** payment

Additional extension criteria may be added upon changes in the financing structure and/or receipt of the loan/equity documents for other lenders/financing partners. If the extension is exercised, the Borrower will pay any and all reasonable costs related to the extension, including cost for an updated appraisal, if required.

GUARANTIES: Capital One will have full recourse to the Borrower, as-well-as a payment and performance guaranty from (i) the general partner/managing member of the Borrower and (ii) each **Guarantor** listed on Exhibit A which shall be satisfactory to Capital One following due diligence (collectively, the "Guarantor Parties"). The Guarantor Parties may be subject to **Additional Covenants**. In addition, **Lien-Free Completion Guaranties** will be required from the Guarantor Parties listed on Exhibit A.

The Borrower and the Guarantor Parties will jointly and severally provide environmental indemnification which shall survive the Conversion.

EQUITY: Total LIHTC Contribution will come from the sale of tax credits. Equity terms must be acceptable to Capital One and are subject to credit approval.

Except for certain costs approved by Capital One to be paid at closing of the **Construction Loan** from the proceeds of equity, the equity investor shall deposit the equity contribution amount in an account of Borrower held at and controlled by Capital One. The funds in that account will be disbursed by Capital One to: (i) pay for approved budgeted items and/or applied to the **Construction Loan** in accordance with the loan documents, and (ii) pay down and/or repay the **Construction Loan** after construction completion to the amount of the Permanent Loan less the amount of any Additional Sources, if applicable. Capital One will have no obligation to make an advance of the **Construction Loan** unless and until Capital One has disbursed any installment of equity proceeds then on deposit with Capital One (as will be more particularly provided for in the applicable loan documents).

ADDITIONAL SOURCES OF FINANCING: For all **Additional Sources** included in the financing structure during the Construction Loan Term, Capital One must receive a commitment in form and substance satisfactory to Capital One as a condition to closing, and all amounts owing to the Additional Sources must remain subordinate on terms satisfactory to Capital One to the amounts outstanding under the **Construction Loan** until paid in full and terminated. There will be a **Servicing Fee** to administer the Additional Sources during construction. An intercreditor agreement may be required.

CASH DEVELOPER FEE: **Cash Developer Fee** payments will be subordinate to the **Construction Loan** and will be paid out in accordance with a schedule to be agreed during underwriting.

CONTINGENCIES: Capital One requires a minimum **Hard Cost Contingency** and **Soft Cost Contingency** within the budget. Should the applicable finance agencies not permit the such contingencies, then a portion of **Cash Developer Fee** will be escrowed at closing of the Construction Loan in the amount of such contingencies less what is included in the budget. The escrowed **Cash Developer Fee** will be released with the completion equity installment.

PAYMENT AND PERFORMANCE BONDS OR LETTERS OF CREDIT: The General Contractor will provide payment and performance bonds during construction, provided by a surety with at least an AM Best rating of "A" and acceptable to Capital One in its sole discretion. However, if the General Contractor is unable to provide bonds, or uses a surety company with a lower rating, Capital One is willing to consider a letter of credit in favor of Capital One for no less than 15% of the total amount stated under the construction contract from a highly-rated issuer acceptable to Capital One in its sole discretion.

THIRD-PARTIES: Third-party firms including, but not limited to, the General Contractor, property manager, consulting engineer, and environmental consultant are subject to Capital One's review and approval.

NET OPERATING INCOME: **Net Operating Income** will be treated as set forth on Exhibit A. All Net Operating Income will be held in a deposit account at Capital One.

EXPENSES and GOOD FAITH DEPOSIT: Underwriting, closing, and any other expenses must be reimbursed to Capital One whether or not the Construction Loan closes. Customary expenses include but are not limited to: appraisal, plan & cost review, flood search, legal fees or costs, insurance consultant review, and construction signage.

Please include the **Good Faith Deposit** when you return a countersigned copy of this Proposal to us. Within three weeks following the closing of the Construction Loan, the Good Faith Deposit (including any additional deposits) will be returned provided that Capital One has confirmed all third-party costs have been paid from the closing requisition. The Good Faith Deposit should not be included as a line item in the development budget. If for any reason the Construction Loan does not close, any third-party or legal costs billed to Capital One will be deducted from the Good Faith Deposit (including any additional deposits) and any remaining portion will be refunded. Additional deposits may be required for continued underwriting and legal document drafting if incurred costs and current cost and fee estimates exceed the Good Faith Deposit prior to final credit approval and closing.

The Affordability Period includes a twenty (20) year HUD required affordability period as set forth in 83 Fed. Reg. 5844 and 83 Fed. Reg. 40314 (the "HUD Affordability Requirements"), in addition to a supplemental twenty (20) year affordability period required by the City. While the Owner's obligation to comply with the HUD Affordability Requirements and related obligations shall end at the close of the initial twenty (20) year affordability period, the Owner shall be required to comply with the City Affordability Requirements for the forty (40) years, as maybe extended, in accordance with this Declaration.

b. City is defined in the preamble to this Declaration.

ARTICLE II

a. The Director has determined that the number of Designated Units for the Project covered by this Agreement shall consist of forty (40) units, being at least fifty-one percent (51%) of the seventy-seven (77) total residential units in the Project, the location of which may float during the Affordability Period.

b. With respect to the Designated Units, Owner shall comply with the following affordability requirements:

- (1) Each of the Designated Units shall be rented or be available for rent only to the City's LMI Persons, being those households whose gross income

does not exceed eighty percent (80%) of the Area Median Income ("AMI"), as determined by HUD.

- (2) Designated Units shall be rent restricted based upon the following criteria:
 - a. At least five percent (5%) of the total residential units or four of the Designated Units shall be restricted to households with gross incomes that do not exceed thirty percent (30%) of AMI.
 - b. At least ten percent (10%) of the total residential units or eight of the Designated Units shall be restricted to households with gross incomes that do not exceed fifty percent (50%) of AMI.
 - c. At least twenty-one percent (21%) of the total residential units or 16 of the Designated Units shall be restricted to households with gross incomes that do not exceed sixty percent (60%) of AMI.
 - d. At least sixteen percent (16%) of the total residential units or 12 of the Designated Units shall be restricted to households with gross incomes that do not exceed eighty percent (80%) of AMI. The rental amount for each Designated Unit shall not exceed the applicable maximum rental limitations published annually by HUD for the low-income housing tax credit program, adjusted for household and unit size and applicable to the City, as such rental limitation is further described at 26 U.S.C. §§ 42(g)(2)(A) and (B).
- (3) The location of the Designated Units shall "float" within the Project. No later than ninety (90) days prior to the initiation of rental activities at the Project, Owner shall contact the Director to establish a procedure for identifying the initial Designated Units to be occupied by qualified tenants and a procedure for identifying the floating Designated Units on a periodic basis thereafter.

c. The Owner will not refuse to lease a Designated Unit to a recipient of federal housing assistance or to the holder of a document evidencing participation in a tenant-based assistance program because of the status of the prospective tenant as a holder of such certificate of participation, rental voucher, or comparable tenant-based assistance document (unless such rental is in conflict with other applicable federal or state requirements).

ARTICLE IV

ADMINISTRATION

Section 4.1 Tenant Lease Requirements. The Owner shall enter into a lease agreement (substantially in the form approved by the Director) with each new or renewal tenant ("Tenant") of the Project's Designated Units. The term of each lease shall not be less than one (1) year unless the Owner and the Tenant mutually agree otherwise. No lease of any Designated Unit may contain any of the following provisions:

- a. An agreement by the Tenant to be sued, to admit guilt or to a judgment in favor of the Owner in a lawsuit brought in connection with the lease;
- b. An agreement by the Tenant that the Owner may take, hold, or sell personal property of household members without notice to the Tenant and a court decision on the rights of the parties. This provision does not apply to an agreement by the Tenant concerning disposition of personal property remaining in a housing unit in the Project after the Tenant has moved out of a unit. The Owner may dispose of this personal property in accordance with applicable state law;
- c. An agreement by the Tenant not to hold the Owner or the Owner's agents legally responsible for any action or failure to act, whether intentional or negligent;
- d. An agreement of the Tenant that the Owner may institute a lawsuit without notice to the Tenant;
- e. An agreement by Tenant that the Owner may evict the Tenant or household members without instituting a civil court proceeding in which the Tenant has the opportunity to present a defense, or prior to a court decision regarding the rights of the parties;
- f. An agreement by the Tenant to waive any right to a trial by jury;
- g. An agreement by the Tenant to waive the Tenant's right to appeal, or to otherwise challenge in court, a court decision in connection with the lease; or
- h. An agreement by the Tenant to pay attorney's fees or other legal costs even if the Tenant wins in a court proceeding by the Owner against the Tenant. The Tenant, however, may be obligated to pay costs if the Tenant loses.

Section 4.2 Limitations on Termination of Leases. NOTE

NOTE

\$11,900,000.00 _____, 2022

I. PROMISE TO REPAY.

FOR VALUE RECEIVED, My Connect Community, a Texas non-profit corporation ("Maker"), hereby agrees and promises to pay to the order of **THE CITY OF HOUSTON, TEXAS**, a home-rule city organized under the laws of the State of Texas ("Payee"), at City Hall Annex, 900 Bagby, City of Houston, Harris County, Texas 77002 or at any other place as the holder hereof may from time to time in writing designate, on the Maturity Date, in coin or currency, which at the time of payment shall constitute legal tender of the United States of America, the principal sum of ELEVEN MILLION NINE HUNDRED THOUSAND AND NO/100 DOLLARS (\$11,900,000.00), or so much thereof as may be advanced, together with interest on the principal balance from time to time remaining unpaid at the rates set forth below.

The loan ("Loan") evidenced by this Note is subject to the terms and conditions of that one certain Loan Agreement ("Loan Agreement") between Maker, Payee and Connect South Apts, LP ("Owner") of even date herewith. All capitalized terms used herein that are not defined herein shall have the same meaning as given in the Loan Agreement.

The proceeds of the Loan will be used to fund a loan from Maker to Owner ("Owner Loan") for the costs for the construction, repair, renovation and/or rehabilitation of certain improvements located on the property located at 6440 Hillcroft Street, Houston, Texas, 77011 ("Project") which houses or is to house low- or moderate-income persons. Funding for the City Loan is being provided to Payee pursuant to 2017 Community Development Block Grant Disaster Recovery program funds awarded by the United States Department of Housing and Urban Development through the Texas General Land Office ("GLO") and is subject to the terms and conditions of the GLO Contract (as defined in the Loan Agreement). The Loan is a community development activity undertaken by Payee and authorized under Chapter 373 or Chapter 374 of the Texas Local Government Code.

II. TERM.

The term of the Loan shall commence on the date of this Note (the "Closing Date") and shall mature upon the last day of the Affordability Period (as defined in the Loan Agreement) (the "Maturity Date"). This Note is secured by and entitled to the benefits of a Collateral Assignment of Note and Liens of even date herewith executed by Maker to Payee covering the Owner Loan and the Owner Loan Documents (as defined in the Loan Agreement), including the Leasehold Deed of Trust executed by Owner to Keith W. Bynam, Trustee, covering Owner's leasehold interest in the Project, and the Fee Deed of Trust executed by Borrower to Keith W. Bynam, Trustee, covering Borrower's fee interest in the Project, together with the buildings and other improvements now or hereafter erected thereon and the personal property attached to or used in connection therewith.

III. PAYMENTS.

No payment of principal or interest shall accrue or be payable under this Note during the Approved Construction Period except in the event of a Default (as hereinafter defined) during the Term of this Note. The Maturity Date is the date of expiration of the Affordability Period. On the Maturity Date, if no Default has occurred which remains uncured, the amount of any remaining deferred principal shall be deemed paid upon the Maturity Date.

Notwithstanding the forgoing, after the expiration of the Approved Construction Period until the Maturity Date, simple interest shall accrue at the rate of one percent (1.0%) per annum on the outstanding principal balance of this Note and Maker shall pay an annual installment equal to the lesser of (i) one percent (1%) annually on the outstanding balance of the Loan plus accrued unpaid interest, if any, or (ii)

fifty percent (50%) of Net Cash Flow (each, an "Annual Installment"). The first Annual Installment, or the non-payment thereof, shall be due on June 1, 2025, and an Annual Installment, or the non-payment thereof, shall be due on the fifteenth day of each April thereafter until the Maturity Date, and shall be accompanied by evidence acceptable to the Director documenting available Net Cash Flow or lack of available Net Cash Flow.

For purposes of this provision available Net Cash Flow shall mean net cash flow as defined as follows:

Net Cash Flow shall mean all income and revenues actually received by Owner from the lease of the Project Units and other improvements, and all other income and revenues actually received by Owner in connection with the Project, excluding and deducting therefrom all (1) Operating Expenses, including without limitation, any debt service payments related to the Senior Loan and the Subordinate Loan (but not any other subordinate loans except as provided in Item 13 below); (2) security, pet or cleaning deposits, if any; (3) payments from the Replacement Reserve or from Operating Reserves; (4) payments or reimbursements from insurers or other third parties and used or to be used for restoration, repair or remodeling of any of the Project Units or other improvements; (5) capital contributions, grants, proceeds of any permitted sale, transfer, exchange, refinancing or other disposition or encumbrance of all or a portion of the Project; (6) condemnation proceeds and awards in place of them; (7) tax reduction or abatement proceeds; (8) loan proceeds; (9) deposits made to operating reserves and to the replacement operating reserves; (10) payments of the deferred developer fee; (11) costs of residential services; (12) social services fees; and (13) any tax credit adjustments, any asset management fees due to either the Tax Credit Investor or a limited partner to the extent such fee is authorized under the Approved Final Operating Budget and loans from a partner of Owner related to the Project (to the extent that repayment of such loan (a) is not secured by the Project and (b) is made for the purposes of covering assumed tax liability, tax credit shortfalls and operating deficits under the Approved Final Operating Budget for the applicable year and not for the purposes of facilitating distributions to the partners of Owner).

IV. DEFAULT; ACCELERATION.

If a Default exists and is continuing beyond all applicable notice and cure periods, the entire debt represented by this Note, consisting of the outstanding principal balance and all accrued interest thereon, shall, at the option of the holder hereof, become immediately due and payable, and except as otherwise provided herein or in any of the other Loan Documents, without notice, presentment for payment, demand, notice of nonpayment, notice of intention to accelerate, acceleration, or other notices of any type which are specifically waived, time being of the essence hereof. Payee's rights under this paragraph shall be in addition to any other rights or remedies it may have under any of the Loan Documents, at law or in equity, to enforce Maker's obligations under the Loan Documents. At Payee's option during the continuance of any Default, interest shall accrue on the outstanding balance of this Note at a rate equal to the lower of the highest annual rate permitted by applicable law or ten percent (10%) per annum ("Default Rate"). This Note shall be non-recourse to the Maker. For purposes of this Note, the term "Default" shall mean a default in payment of the Note or a default under the terms of this Note, the Deed of Trust, the Loan Agreement, or any of the other Loan Documents that is continuing beyond the expiration of all applicable notice and cure periods. Should the terms of this paragraph IV conflict with the Intercreditor Agreement, the terms of the Intercreditor Agreement shall control in all respects.

V. PREPAYMENT/MODIFICATION.

THIS NOTE MAY NOT BE MODIFIED WITHOUT THE PRIOR WRITTEN CONSENT OF THE PAYEE, WHICH CONSENT MAY BE WITHHELD OR GRANTED IN THE SOLE DISCRETION OF THE PAYEE.

VI. APPLICATION OF PAYMENTS.

Each payment made on this Note shall be credited first to accrued, unpaid interest and the remainder to principal.

VII. WAIVER.

Maker hereby waives presentment for payment, protest and demand, notice of protest, demand and dishonor, and non-payment of this Note, and except as otherwise specified in any of the Loan Documents, waives notice of acceleration, and notice of intent to accelerate, and hereby consents that the holder hereof may extend the time of payment or otherwise modify the terms of payment of any part or the whole of the debt evidenced by this Note, at the request of any other person liable hereon, and such consent shall not alter nor diminish the liability of any person. The failure to exercise any remedy available to Payee shall not be deemed to be a waiver of any rights or remedies of Payee under this Note or under any of the other Loan Documents, or at law or in equity. No extension of the time for the payment of this Note or any installment due hereunder, made by agreement with any person now or hereafter liable for the payment of this Note, shall operate to release, discharge, modify, change or affect the original liability of Maker under this Note, either in whole or in part, unless Payee specifically, unequivocally and expressly agrees otherwise in writing. This Note may not be changed orally, but only by an agreement in writing signed by the party against whom enforcement of any waiver, change or modification is sought.

VIII. COSTS OF COLLECTION; ATTORNEYS' FEES.

Maker agrees to pay all costs of collection, including reasonable attorneys' fees, if the principal of this Note or any payment on the principal or interest hereon is not paid at the respective maturity and to pay all reasonable costs including, attorneys' fees and court costs, if it becomes necessary to protect the security hereof, whether suit be brought or not, if a Default exists.

IX. USURY LIMITATIONS.

No provision of the Loan Agreement, this Note, or any instrument securing payment of or relating to the indebtedness, shall require the payment or permit the collection of interest in excess of the maximum rate allowed by applicable law ("Maximum Rate"). If any excess of interest in such respect is herein or in any other instrument provided for, or shall be adjudicated to be so provided for herein or in any other instrument, the provisions of this paragraph shall govern and neither Maker nor any guarantor or endorser of this Note nor their respective heirs, personal representatives, successors, or assigns shall be obligated to pay such interest to the extent it is in excess of the Maximum Rate. Any fees or other sums that under applicable law are deemed to constitute interest shall be or other sums so deemed interest shall be amortized, prorated, allocated and spread in equal parts over the full stated term of the loan evidenced hereby.

If the maturity of this Note is accelerated for any reason before the Maturity Date, or in the event of any prepayment by Maker, or in any other event, earned interest may never exceed the Maximum Rate, computed from the date of disbursement of the Loan until payment, and any unearned interest otherwise payable hereunder that is in excess of the Maximum Rate shall be cancelled automatically as of the date of the acceleration, prepayment, or other event, and if previously paid, shall at the option of the holder of this Note be either refunded to Maker or credited on the principal of this Note, provided that, if the holder elects to credit the unearned interest on the principal of this Note, and such unearned interest exceeds the principal balance, the excess shall be refunded to Maker. Any interest computation under this Note and the Loan Agreement shall be at not more than the Maximum Rate upon the portion of the face amount hereof representing principal that remains unpaid from time to time, it being the intention of the parties hereto to conform strictly to the laws applicable to the loan evidenced by this Note and the Loan Agreement, and should it be held that interest payable under this Note and the Loan Agreement is in excess of the Maximum Rate, the interest chargeable hereunder shall be reduced to the maximum amount permitted by law.

X. LATE PAYMENTS

If a payment is not received within ten (10) days of the due date, a late payment fee of ten percent (10%) of the payment amount may be charged at Payee's option, except that no late payment fee shall be assessed on deferred interest payments.

XI. GOVERNING LAW AND VENUE

This Note is made in the State of Texas and shall be governed by and construed in accordance with the internal laws of the State of Texas, without regard to conflicts of laws principles. Venue for any disputes relating in any way to this Note shall lie exclusively in Harris County, Texas.

XII. SUCCESSORS

This Note shall be binding upon the parties hereto and their respective successors and assigns.

XIII. JURY WAIVER

MAKER AND PAYEE ACKNOWLEDGE THAT THE RIGHT TO TRIAL BY JURY IS A CONSTITUTIONAL ONE, BUT THAT IT MAY BE WAIVED, EACH PARTY, AFTER CONSULTING (OR HAVING HAD THE OPPORTUNITY TO CONSULT) WITH COUNSEL OF THEIR CHOICE, KNOWINGLY AND VOLUNTARILY, AND FOR THEIR MUTUAL BENEFIT, WAIVES ANY RIGHT TO TRIAL BY JURY IN THE EVENT OF LITIGATION REGARDING THE PERFORMANCE OR ENFORCEMENT OF, OR IN ANY WAY RELATED TO, THIS NOTE OR THE INDEBTEDNESS.

XIV. ENTIRE AGREEMENT

THIS WRITTEN LOAN AGREEMENT (AS DEFINED BY SECTION 26.02 OF THE TEXAS BUSINESS AND COMMERCE CODE) AND THE OTHER LOAN DOCUMENTS REPRESENT THE FINAL AGREEMENT BETWEEN THE PARTIES AND MAY NOT BE CONTRADICTED BY EVIDENCE OF PRIOR, CONTEMPORANEOUS OR SUBSEQUENT ORAL AGREEMENTS OF THE PARTIES. THERE ARE NO UNWRITTEN ORAL AGREEMENTS BETWEEN THE PARTIES.

XV. RECOURSE

This Note shall be non-recourse to its Maker.

XVI. BANKRUPTCY PREFERENCES

If at any time any payment received by Payee hereunder shall be deemed by a court of competent jurisdiction to have been a voidable preference or fraudulent conveyance under any Debtor Relief Law (as defined below), then the obligation to make such payment shall survive any cancellation or satisfaction of this Note or return thereof to Payee and shall not be discharged or satisfied with any prior payment thereof or cancellation of this Note, but shall remain a valid and binding obligation enforceable in accordance with the terms and provisions hereof, and such payment shall be immediately due and payable upon demand. For purposes of this Note, "**Debtor Relief Law**" shall mean Title 11 of the United States Code, as now or hereafter in effect, or any other applicable law, domestic or foreign, as now or hereafter in effect, relating to bankruptcy, insolvency, liquidation, receivership, reorganization, arrangement or composition, extension or adjustment of debts or similar laws affecting the rights of creditors.

G. All funds of Grantor that may be deposited with Beneficiary at any time and from time to time for any purpose, which funds shall be deemed to be part of the Personality for purposes hereof. In the event of a conflict between the terms and conditions of this instrument and the instrument under which Beneficiary holds any funds of Grantor, the terms and conditions of the latter instrument shall prevail.

H. Capitalized terms used above and elsewhere in this Deed of Trust (hereinafter defined) without definition have the meanings given them in the Loan Agreement between Grantor, Beneficiary and the City of Houston (the "**City**") ("**City Loan Agreement**").

C. Other Obligations. This Deed of Trust also secures Grantor's performance under the Restrictive Covenants (as defined below).

II.

**PAYMENT OF THE INDEBTEDNESS;
DEFAULT; ENFORCEMENT OF TRUST**

A. Payments. If the Indebtedness is fully paid in accordance with the terms of the Loan Documents, and if all of Grantor's covenants and agreements herein and in the Loan Agreement (including the incorporated provisions of the City Loan Agreement and the other Loan Documents are fully kept and performed, and if no Default then exists, then this conveyance shall thereupon become of no further force and effect and shall be released by Beneficiary or other holder(s) of the Indebtedness upon the written request and at the expense of Grantor, provided, however, this Deed of Trust will remain in place and outstanding until the expiration of the Affordability Period under the Loan Agreement (as same may be extended).

B. Enforcement. But if any Default (as defined in the Loan Agreement, and as such term is used in this Deed of Trust and the other Loan Documents, the term "Default" means the applicable Default has occurred and is continuing beyond the expiration of all applicable notice, grace, and cure periods) exists, the whole of the Indebtedness shall at the option of Beneficiary, without notice to Grantor or any other person, which notice is hereby waived, become immediately due and payable and thereupon, or at any time thereafter that the Indebtedness or any part thereof remains unpaid, it shall be the duty of the Trustee, or the Substitute Trustee, as hereinafter defined, at the request of Beneficiary, or the holder(s) of the Indebtedness, which request shall be presumed, to enforce this Deed of Trust and to sell as an entirety, or in parcels, by one sale or by several sales, held at one time or at different times, as the Trustee acting may elect (all rights to a marshaling of Grantor's assets, including Property, or to a sale in inverse order of alienation, being hereby expressly waived by Grantor), the Property in the county in which the Property, or a part of the Property to be sold, is situated (the "**County**") at such area at the courthouse or other location designated by the Commissioner's Court of the County as the area where sales are to take place, or if no area is designated, at the door of the County Courthouse, each sale to be made on the first Tuesday of a calendar month between the hours of 10:00 A.M. and 4:00 P.M. to the highest bidder for cash at public auction, after both posting or causing to be posted written or printed notice of the time (including the earliest time at which the sale will occur), place, and term of sale at the door of the Courthouse of the County and filing or causing to be filed a copy of the notice in the Office of the County Clerk of the County, for at least twenty-one (21) days preceding the day of sale, and to execute and to deliver to the purchaser(s) at each such sale proper conveyance(s) of the property interest sold, with general warranty of title binding upon Grantor and the successors and assigns of Grantor; or Beneficiary or other holder(s) of the Indebtedness may foreclose or cause to be foreclosed the lien of this Deed of Trust, in whole or in part, through judicial foreclosure or in any manner as may at any time be authorized under the statutes of the State of Texas. In addition, the holder(s) of the Indebtedness to which the power is related shall, at least twenty-one (21) days preceding the date of sale, serve written notice of the proposed sale by certified mail on each person obligated to pay the Indebtedness according to the records of the holder(s). Service of the notice shall be completed upon deposit of the notice, enclosed in a postpaid wrapper, properly addressed to each debtor at the most recent address as shown by the records of the holder(s) of the Indebtedness, in a post office or official depository under the care and custody of the United States Postal Service. The Affidavit of any person having knowledge of the facts to the effect that service was completed shall be prima facie evidence of the fact of service. No notice of the sale or sales other than that herein provided for need be given to Grantor or any other person or party, and any other notice is hereby waived. Beneficiary or other holder(s) of the Indebtedness shall have the right to become the purchaser at any sale to the same extent as any other party, being the highest bidder, and in lieu of paying cash may credit the amount of the bid upon the Indebtedness up to the full amount of the Indebtedness then unpaid.

C. Proceeds. The Trustee acting shall apply the proceeds arising from each sale pursuant to Section II(B) above, first, to pay all reasonable expenses of the sale actually incurred, second, to reimburse Beneficiary for any reasonable expenses incurred by Beneficiary in protecting, administering or operating the Property after the occurrence of the applicable Default and prior to the foreclosure sale and third, to the payment of the Indebtedness (including all principal, interest and reasonable attorneys' fees owing as part

of the Indebtedness). The proceeds of each sale paid to Beneficiary may be applied by Beneficiary on the Indebtedness in any order and manner as Beneficiary may elect. Any surplus funds from the foreclosure sale or sales hereunder shall be paid to Grantor or the person(s) lawfully entitled thereto.

III.

UNMATURED INDEBTEDNESS

If any Default exists, Beneficiary or other holder(s) thereof shall, in addition to any remedies available to Beneficiary at law or in equity, have the option to proceed with foreclosure in satisfaction of such item or items, either through the courts or by directing the Trustee, or the Substitute Trustee, as hereinafter provided for, to proceed as if under a foreclosure, conducting the sale as herein provided and without declaring the whole debt due, and if a sale is made because of such Default, the sale may be made subject to the unmatured part of the Indebtedness, but as to the unmatured part of the Indebtedness, this Deed of Trust shall remain in full force and effect just as though no sale had been made under the provisions of this paragraph. Several sales may be made hereunder without exhausting the right of sale for any unmatured part of the Indebtedness, it being the purpose hereof to provide for a foreclosure and sale of the Property, in whole or in part, for any matured portion of the Indebtedness without exhausting the power of foreclosure and the power to sell the Property, in whole or in part, for any other part of the Indebtedness subsequently maturing.

IV.

SUBSTITUTE TRUSTEE

In case of the resignation of the Trustee, or the inability (through death or otherwise), refusal or failure of the Trustee to act, or at the option of Beneficiary or the holder(s) of the Indebtedness for any other reason (which reason need not be stated), a substitute trustee ("**Substitute Trustee**") may be named, constituted and appointed by Beneficiary or the holder(s) of the Indebtedness, without other formality than an appointment and designation in writing; the appointment and designation shall be full evidence of the right and authority to make the same and of all facts therein recited; and this conveyance shall vest in the Substitute Trustee the title, power and duties herein conferred on the Trustee originally named herein and the conveyance of the Substitute Trustee to the purchaser(s) at any sale shall be equally valid and effective. The right to appoint a Substitute Trustee shall exist as often and whenever from any of said causes, the Trustee, original or Substitute, resigns, or cannot, will not, or does not act, or Beneficiary or the holder(s) of a majority of the Indebtedness desire to appoint a new Trustee. No bond shall ever be required of the Trustee, original or Substitute. The recitals in any conveyance made by the Trustee, original or Substitute, shall be accepted and construed in court and elsewhere as prima facie evidence and proof of the facts recited and no other proof shall be required as to the request by Beneficiary or the holder(s) of a majority of the Indebtedness to the Trustee to enforce this Deed of Trust, or as to the notice of or holding of the sale, or as to any particulars thereof, or as to the resignation of the Trustee, original or Substitute, or as to the inability, refusal or failure of the Trustee, original or Substitute, to act or as to the election of Beneficiary or the holder(s) of a majority of the Indebtedness to appoint a new Trustee, or as to appointment of a Substitute Trustee, and all prerequisites of the sale shall be presumed to have been performed; and each sale made under the powers herein granted shall be a perpetual bar against Grantor and the successors and assigns of Grantor.

V.

REPRESENTATIONS, WARRANTIES, COVENANTS AND AGREEMENTS OF GRANTOR

For the purpose of better securing to Beneficiary the payment of the Indebtedness, Grantor represents, warrants and covenants to Beneficiary as follows:

A. Title, Authority, and Performance under Leases. At the time of the execution and delivery of this Deed of Trust, Fee Owner is the sole and lawful owner of the Land in fee simple, and Grantor holds a leasehold estate in the Property by virtue of the Ground Lease, and Grantor has the authority to execute this Deed of Trust. The Property is free from all encumbrances and charges whatsoever except for the liens securing the Senior Note and the Permitted Encumbrances. No assignments or pledges are currently in effect with respect to any leases of or rentals or income from the Property except for assignments and/or pledges to Beneficiary and those expressly stated in **EXHIBIT B** and those securing the Senior Note, and until the Indebtedness is fully paid, at which time this Deed of Trust will be released. Grantor shall not make any additional assignment or pledge thereof without Beneficiary's prior written consent. In addition, Grantor warrants that (a) the Ground Lease is in full force and effect; (b) there is no existing Event of Default (as defined in the Ground Lease) and no event has occurred but for the passage of time or notice or both, would constitute an Event of Default; and (c) all rents and other sums due as of the date hereof under the Ground Lease have been paid in full.

B. Tax and Insurance Escrow. Unless Grantor is already required to maintain an escrow account with the Senior Lender upon written request by Beneficiary, Grantor agrees to deposit with Beneficiary on a monthly basis, or at other intervals as specified, a sum that shall be sufficient to pay taxes, assessments, charges, and insurance premiums as they become due, all as reasonably estimated by Beneficiary, which sum shall be held by Beneficiary (or by a banking institution selected by Beneficiary whose funds are insured by a federal agency or instrumentality) in trust to pay taxes, assessments, charges and premiums, but which shall not bear interest and may be commingled with other funds. If at any time the funds so held by (or on behalf of) Beneficiary are insufficient to pay any tax, assessment, charge or insurance premium, Grantor shall, upon receipt of notice, deposit with Beneficiary (or such banking institution), all additional funds as are necessary to remove the deficiency. If the Indebtedness is for any reason declared immediately due and payable, funds held by (or on behalf of) Beneficiary for payment of taxes, assessments, charges or premiums as herein provided may, at Beneficiary's election, be applied on the Indebtedness in any manner as Beneficiary so elects. In the event that Grantor is escrowing with Senior Lender (as defined below) a sum for payment of taxes, assessments, charges and insurance premiums and such amount is sufficient to fully discharge such taxes, assessments, charges and insurance premiums, Beneficiary agrees not to require an additional escrow deposit under this paragraph. In the event that Beneficiary does not require the escrow deposits described in the paragraph, Grantor shall provide Beneficiary with written evidence that (i) all applicable taxes and assessments have been paid at least thirty (30) days prior to delinquency and (ii) all insurance premiums have been paid thirty (30) days before the renewal date of the applicable policies. Grantor shall duly pay and discharge, or cause to be paid and discharged, all taxes, assessments, charges, and insurance premiums before they become past due.

C. Insurance. Grantor shall, prior to or concurrently with the execution of this Deed of Trust, deliver to Beneficiary all of the following insurance policies together with evidence of such other insurance coverage as required pursuant to the Loan Agreement, accompanied by paid premium receipts evidencing payment in full of the required premiums for at least the first full year of coverage:

- (i) fire insurance with extended coverage and standard Beneficiary and replacement cost endorsement for the full insurable value of the insurable portion of the Property, but in no event for an amount less than the amount of the Note (90% shall be acceptable co-insurance rates for fire insurance); and
- (ii) commercial general liability insurance in the amount of \$1,000,000.00 per occurrence and \$2,000,000.00 in the aggregate for a twelve (12) month policy period. Each renewal policy shall be delivered to Beneficiary not less than thirty (30) days before the termination of the prior policy and with each policy there shall be delivered to Beneficiary a receipt showing payment of the premium therefor.

Upon request, Grantor shall also carry additional insurance or additional reasonable amounts of insurance covering Grantor or the Property as Beneficiary shall reasonably require, insuring against such other insurable hazards which at the time are commonly insured against for property similar to the Property

located in the region where the Property is located and shall further comply with the insurance requirements of the Ground Lease.

If the Property or any part thereof has been or at any time during the term of this Deed of Trust or any extension or renewal thereof is designated as a flood-prone or flood-risk area pursuant to the Flood Disaster Protection Act of 1973 or the National Flood Insurance Reform Act of 1994, as each have been or may be amended, or any successor law, Grantor shall obtain flood insurance in such total amounts as Beneficiary may from time to time require and shall otherwise comply with the requirements of the National Flood Insurance Program as set forth in the Flood Disaster Protection Act of 1973 or the National Flood Insurance Reform Act of 1994, or any successor law.

All insurance required under this Deed of Trust and the Loan Agreement shall be fully paid for, non-assessable, and such policies shall contain such provisions, endorsements, and expiration dates as Beneficiary shall reasonably require. Such policies shall be issued by insurance companies authorized and licensed to transact business in the State of Texas with ratings acceptable to Beneficiary in its sole and absolute discretion and shall name Beneficiary as an additional insured.

D. Operations. Grantor will abstain from and not permit the commission of waste in or about the Property, will maintain the Property in good operating condition and repair at all times, ordinary wear and tear and insured casualty excepted, will not remove or demolish the buildings or other improvements now or hereafter constituting a part of the Property, or alter the design or structural character of any buildings or improvements unless Beneficiary shall first consent thereto in writing, which consent shall be granted or denied in Beneficiary's reasonable discretion, and will comply with the Ground Lease and all laws, ordinances, regulations, covenants, conditions and restrictions affecting the Property or the use thereof, which consent shall not be unreasonably withheld, delayed or conditioned. Grantor will not seek or acquiesce in a zoning reclassification of all or any portion of the Property or grant or consent to any easement, dedication, plat, or restriction (or allow any easement to become enforceable by prescription), or any amendment or modification thereof, covering all or any portion of the Property, without Beneficiary's prior written consent. Grantor will not, without the prior written consent of Beneficiary, permit any drilling or exploration for or extraction, removal, or production of, any Minerals from the surface or subsurface of the Land regardless of the depth thereof or the method of mining or extraction thereof.

E. Obligations Under Other Loan Documents. Grantor hereby agrees to comply with and perform all of its obligations under the other Loan Documents and agrees to be bound by the representations, warranties and covenants made by Grantor contained in the Loan Documents. All of representations, warranties and covenants contained in the other Loan Documents are hereby fully incorporated herein.

F. Obligations Under Ground Lease. (i) Grantor shall promptly and fully keep, observe, perform or cause to be kept, observed and performed all of the material terms, covenants, provisions and agreements imposed upon or assumed by Grantor under the Ground Lease including any amendments or supplements thereto, and Grantor shall not do or fail to do or permit or fail to permit to be done, any act or thing, the doing or omission of which will give Fee owner a right to terminate the Ground Lease. Subject to the terms and conditions of the Ground Lease, Grantor shall not under any circumstances materially modify, cancel, materially amend or terminate the Ground Lease, without Beneficiary's and the City's prior written consent, such consent not to be unreasonably withheld, and any attempted material modification, cancellation, material amendment or termination of the Ground Lease without such consent shall be void and of no force or effect whatsoever; (ii) If Grantor shall, in any manner, fail to comply with subsection (i) above, Grantor covenants and agrees that Beneficiary may (but shall not be obligated to) take, upon five (5) business days' written notice to Grantor (or upon lesser notice, or without notice, if Beneficiary reasonably deems that the same is required to protect its interest in the Property), any action that Beneficiary shall reasonably deem necessary or desirable to keep, observe and perform or cause to be kept, observed or performed any such terms, covenants, provisions or agreements and to enter upon the Property and take all action thereon as may be necessary therefor, or to prevent or cure any default by either Grantor in the performance of or compliance with any of such Grantor's covenants or obligations

under the Ground Lease. Grantor shall promptly deliver to Beneficiary a copy of any notice relating to an Event Default received under the Ground Lease and allow Beneficiary the right to cure such Event of Default for a period of sixty (60) days. Beneficiary may expend such sums of money as are reasonable and necessary for any such purposes, and the Grantor hereby covenants and agrees to pay to Beneficiary, immediately upon demand, all sums so reasonably expended by Beneficiary, together with interest thereon from the date of such payment at the Default Rate, and until so paid by the Grantor, all sums so reasonably expended by Beneficiary and the interest thereon shall be added to the obligations secured by the lien and legal operation and effect of this Deed of Trust.

G. Casualty and Condemnation Proceeds. Subject to the terms of the Loan Agreement, the Senior Loan Documents (as defined in the City Loan Agreement), and the Intercreditor Agreement (as defined below), in the event of any fire or other casualty to the Property or eminent domain proceedings resulting in condemnation of the Property or any part thereof, Grantor shall have the right to rebuild the Property, and to use all available insurance or condemnation proceeds therefor, provided that (a) such proceeds are sufficient to keep the Indebtedness in balance and rebuild the affected portion of the Property in a manner that provides adequate security to Beneficiary for repayment of the Indebtedness or if such proceeds are insufficient then Grantor shall have funded any deficiency, (b) Beneficiary shall have the right to approve plans and specifications for any major rebuilding and the right to approve disbursements of insurance or condemnation proceeds for rebuilding under a construction escrow or similar arrangement, and (c) no Default then exists under the Loan Documents that will not be cured by rebuilding the affected portion of the Property. If the casualty or condemnation affects only part of the Property and total rebuilding is infeasible, then proceeds may be used for partial rebuilding and partial repayment of the Indebtedness in a manner that provides adequate security to Beneficiary for repayment of the remaining balance of the Indebtedness.

H. Failure to Pay. All taxes and any assessments that are due and payable as the date of the Deed of Trust affecting the Property shall be paid and discharged in full prior to execution and delivery of this Deed of Trust, or as they subsequently become due and payable and prior to delinquency. If Grantor fails to pay any tax, assessment, charge or insurance premium required by the terms and conditions of this Deed of Trust, Beneficiary may, at its option, pay the same, or if Grantor fails to perform any of Grantor's covenants or agreements set forth in this Deed of Trust in accordance with the terms hereof, Beneficiary may, at its option, correct or cause to be corrected the same and pay any sums in connection therewith as Beneficiary shall determine to be necessary or advisable, and all taxes, assessments, charges, insurance premiums and sums paid by Beneficiary in connection with such matters (collectively, whether one or more, an "**Assessment**") shall be immediately repayable by Grantor to Beneficiary, together with interest on each amount at the default rate provided in the Note from the date the sum is paid by Beneficiary, until the same is refunded to Beneficiary and all such amounts and interest thereon, shall be secured hereby as part of the Indebtedness. Notwithstanding the foregoing and/or anything to the contrary set forth in the Loan Documents, Grantor shall have the right to object and protest to ad valorem taxes on the Property in good faith and with due diligence provided that (i) no Default exists under this Deed of Trust or any of the other Loan Documents, (ii) Grantor gives Beneficiary prior written notice of its intent to contest an Assessment; (iii) Grantor demonstrates to Beneficiary's reasonable satisfaction that (A) the Property will not be sold to satisfy the Assessment prior to the final determination of the legal proceedings, (B) Grantor has taken such actions as are required or permitted to accomplish a stay of any such sale, and (C) Grantor has either (1) furnished a bond or surety (satisfactory to Beneficiary in form and amount) sufficient to prevent a sale of the Property or (2) at Beneficiary's option, deposited one hundred fifty percent (150%) of the full amount necessary to pay any unpaid portion of any Assessment with Beneficiary; and (iv) such proceeding shall be permitted under any other instrument to which Grantor or the Property is subject (whether superior or inferior to this Deed of Trust).

I. Title Litigation. Subject to title insurance coverage, in case of any litigation involving the title to any part of the Property, or the validity of this Deed of Trust, Beneficiary may be represented in the litigation through attorneys of its own selection and Grantor shall, upon demand, promptly reimburse Beneficiary for all court costs and reasonable attorneys' fees incurred by Beneficiary in defending and/or protecting its rights in any litigation.

J. Default. Subject to applicable notice and cure provisions and the other terms of this Deed of Trust and the other Loan Documents, if a Default (as defined in the Loan Agreement) occurs and is continuing, the whole of the Indebtedness, at the option of Beneficiary, shall become immediately due and payable, without further notice or demand.

K. Tenancy at Sufferance. Following any sale of the Property, or any part thereof, under the provisions of this Deed of Trust, and to the extent permissible under applicable law, Grantor shall be obligated to immediately vacate the premises and prior to such vacation shall be a tenant at sufferance of the purchaser of the Property sold and shall be subject to eviction in an action of forcible detainer; provided, the provisions of this Subparagraph K shall be subject to any agreements made in writing by Beneficiary with reference to any existing and/or future leases; provided, further, to the extent permitted under applicable law, the purchaser at any foreclosure sale shall have the option to affirm any then-existing leases or tenancies or otherwise to succeed to the rights of Grantor thereunder.

L. Subrogation. To the extent that any of the Indebtedness represents funds utilized to satisfy any outstanding Indebtedness or obligations secured by liens, rights, or claims against the Property or any part thereof, Beneficiary shall be subrogated to any and all liens, rights, superior titles and equities owned or claimed by the holder of any outstanding indebtedness or obligation so satisfied, however remote, regardless of whether the liens, rights, superior titles and equities are assigned to Beneficiary or released by the holder(s) thereof.

M. Homestead Disclaimer. Grantor represents and covenants that the Property forms no part of any property owned, used, or claimed by Grantor as a business or residential homestead, or as exempt from forced sale under the laws of the State of Texas and disclaims and renounces all and every such claim thereto.

N. Additional Transfers and Encumbrances. Subject to the terms and conditions of the Loan Agreement and the City Loan Agreement, Beneficiary shall have the right to declare the Indebtedness secured hereby immediately due and payable in the event the Grantor sells, transfers, assigns, or conveys its interest, whether voluntarily or involuntarily, in the Property, or any part thereof, without the prior written consent of Beneficiary, such consent not to be unreasonably withheld, delayed or conditioned or in the event any junior or subordinate mortgage, lien, deed of trust, or other encumbrance is placed upon the Property without the prior written consent of Beneficiary, provided the foregoing shall not prohibit the removal of worn or obsolete Personalty that is replaced with new items of the same or similar quality or prohibit transfers that are permitted under the Loan Agreement or the City Loan Agreement. If Beneficiary consents to the sale, transfer, assignment, or conveyance of Grantor's interest in the Property, or any part thereof, and waives in writing its right to accelerate the Indebtedness secured hereby as provided in this Subparagraph N, Beneficiary may require that the transferee assume all the obligations of Grantor under this Deed of Trust, the Loan Agreement and the Note in a form reasonably acceptable to Beneficiary and its legal counsel. For purposes of this Subparagraph N, "transfer" of the Property includes any direct or indirect transfer of any beneficial ownership in Grantor after satisfaction of all requirements for such transfer including the consent of the City, if required for such transfer.

O. No Reliance on Beneficiary. Grantor is experienced in the ownership and operation of properties similar to the Property, and Beneficiary is relying solely upon Grantor's expertise and business plan in connection with the construction of the Improvements and ownership and operation of the Property. Grantor is not relying on Beneficiary's expertise or business acumen in connection with the Property or in connection with the construction of the Improvements.

P. No Litigation. Except as disclosed in writing to Beneficiary, there are no (i) causes of action, suits, or legal proceedings, at law or in equity, before any Governmental Authority (as defined in the City Loan Agreement) or arbitrator pending or threatened against or affecting Grantor, any guarantor, or involving the Property, (ii) outstanding or unpaid judgments against the Grantor or the Property, or (iii) defaults by Grantor with respect to any order, writ, injunction, decree, or demand of any Governmental Authority or arbitrator.

Q. Payment for Labor and Materials. Grantor will timely pay all bills for labor, materials, and specifically fabricated materials incurred in connection with the Property (which shall be deemed an Assessment on the Property) and never permit to exist in respect of the Property or any part thereof any unbonded lien or security interest, even though inferior to the liens and security interests hereof, for any such bill, and in any event never permit to be created or exist in respect of the Property or any part thereof any other or additional lien or security interest on a parity with, superior, or inferior to any of the liens or security interests hereof, except for the Permitted Encumbrances and the liens and security interests securing the Senior Note. In the event that Grantor becomes aware that such lien has been recorded against the Property, Grantor shall have such lien released within thirty (30) days. If Grantor fails to pay or bond around any bills for labor, materials, and specifically fabricated materials incurred in connection with the Property, Beneficiary shall have the rights set forth in Section V.H for Grantor's failure to pay any Assessment, as well as the other rights and remedies provided under this Deed of Trust.

R. Tax on Deed of Trust. At any time any law shall be enacted imposing or authorizing the imposition of any tax upon this Deed of Trust, or upon any rights, titles, liens, or security interests created hereby, or upon the Indebtedness or any part thereof, Grantor will pay when due all such taxes, provided that if such law as enacted makes it unlawful for Grantor to pay such tax, Grantor shall not pay nor be obligated to pay such tax.

S. ERISA. If and to the extent that Grantor is obligated under any plan governed by or subject to the Employee Retirement Income Security Act, as amended ("**ERISA**"), Grantor shall fully discharge and satisfy all of its obligations and funding requirements under such plan, ERISA and the Internal Revenue Code, as amended ("**IRC**"). Furthermore, Grantor shall comply in all material respects with any and all applicable provisions of ERISA and the IRC and will not incur or permit to exist any unfunded liabilities to the Pension Benefit Guaranty Corporation or to such plan under ERISA or the IRC.

T. Disclosures. If at any time Grantor shall become aware of the existence or occurrence of any financial or economic conditions or natural disasters which are likely to have a material adverse effect on the Property or Grantor's financial condition, Grantor shall promptly notify Beneficiary of the existence or occurrence thereof and of Grantor's opinion as to what effect such may have on the Property or Grantor. Grantor shall also give prompt notice to Beneficiary of (i) any litigation or dispute, threatened or pending against or affecting Grantor, the Property or any guarantor which is likely to have a material adverse effect on the Property or the financial condition or business of any of the aforementioned parties, (ii) any Default, (iii) any default by Grantor continuing beyond all applicable notice and cure periods, or any acceleration of any indebtedness owed by Grantor under any loan document to which Grantor is a party, and (iv) any change in the character of Grantor's business as it exists on the date hereof.

VI.

CAPTIONS

The captions contained in this Deed of Trust are for convenience only and shall not be taken into account in determining the meaning of any provision of this Deed of Trust.

VII.

ASSIGNMENT OF LEASES

As further security for the payment of the Indebtedness, and subject to the rights of senior lienholders, including, without limitation, the Senior Lender, Grantor hereby assigns to Beneficiary, its successors and assigns, all leases, whether now in existence or hereafter created, covering all or any portion of the Property (including its interest in the Ground Lease) together with all rents to become due under each such lease, subject, however, to any prior assignment in connection with senior indebtedness. For so long as no Default exists, Grantor may collect the rents, but not more than one (1) month in advance,

in the ordinary course of business, unless otherwise provided by the express terms of the leases and approved by Beneficiary. In the event of any Default and at any and all times during the continuance thereof, in addition to all other rights and remedies of Beneficiary, Beneficiary shall have the exclusive right and power (but not the obligation) to enter upon and take possession of the Property or any part thereof, to rent or re-rent the same, either in the name of Beneficiary or Grantor, to receive all rents, revenues, profits, or other income from the Property and to apply all amounts received first, to the costs and expenses incurred by Beneficiary in protecting and operating the Property and next, to the payment of the Indebtedness in any manner and in any order of priority as Beneficiary shall determine. This action by Beneficiary shall not operate as a waiver of the Default, or as an affirmation of any lease or of the rights of any tenant of title to that part of the Property covered by the lease or held by the tenant, should the Property, or any part thereof, be acquired by Beneficiary or other purchaser at a foreclosure sale. The right of Beneficiary to receive all rents, revenues, profits, or other income from the Property during the continuance of any Default shall be applicable whether Beneficiary has entered upon or taken possession of the Property, or has otherwise attempted to exercise its rights hereunder and if any rents, revenues, profits, or other income are paid to or received by Grantor, Grantor shall immediately pay the same to Beneficiary, without the necessity of any request or demand therefor. Grantor agrees at any time and from time to time until the Indebtedness is paid in full (or deemed paid in full) to execute and to deliver any additional assignments of leases and/or rents, security agreements and other instruments as Beneficiary shall from time to time reasonably require; provided such instruments do not increase Grantor's obligations or decrease Grantor's rights under the Loan Documents and the City Loan Documents. The substance, form, execution and delivery of additional assignments of leases and/or rents, security agreements and other instruments shall be reasonably satisfactory to Beneficiary.

VIII.

PERSONALTY

This Deed of Trust covers and includes, without limitation, Grantor's interest in the Personality hereinabove described.

IX.

USE OF PERSONALTY

Grantor represents that all Personality is property for business use and is not consumer goods. Grantor further covenants that there are and shall be no conditional sales contracts that cover any of the Personality.

X.

SECURITY INTEREST IN PERSONALTY

Without limiting any of the provisions of this Deed of Trust, Grantor, as referred to in this Article X as "**Debtor**," expressly does the following:

A. Grant. Debtor hereby grants unto Beneficiary and its successors and assigns, described herein as Secured Party, and referred to in this Section X as "**Secured Party**", a security interest in Debtor's interest in the Personality (subject to the Permitted Encumbrances and the security interests and rights granted to Senior Lender).

B. UCC Remedies. Debtor agrees, in addition to any other remedies granted in this Deed of Trust to Secured Party or the Trustee, that Secured Party may, during the existence of any Default, proceed under Chapter 9 of the Texas Uniform Commercial Code (the "**UCC**") as to all or any part of the Personality

and shall have and may exercise with respect to the Personalty all the rights, remedies and powers of a Secured Party under the UCC, including, without limitation, the right and power to sell at public or private sale or sales, or otherwise to dispose of, to lease, or to utilize the Personalty and any part or parts thereof, in any manner authorized or permitted under the UCC after default by a debtor and to apply the proceeds thereof toward payment of any reasonable costs, expenses and attorneys' fees and legal expenses thereby incurred by Secured Party and toward the payment of Debtor's obligations, including the Note and all other Indebtedness described in this Deed of Trust in any order or manner as Secured Party may elect. Among the rights of Secured Party during the existence of a Default, and without limitation, Secured Party shall have the right to take possession of the Personalty and to enter upon any premises where same may be situated for this purpose without being deemed guilty of trespass and without liability for damages thereby occasioned and to take any action deemed necessary or appropriate or desirable by Secured Party, at its option and in its discretion, to repair, refurbish or otherwise prepare the Personalty for sale, lease, or other use or disposition as herein authorized. Debtor agrees that if any notice of sale required under the UCC is mailed, postage prepaid, to Debtor at the address shown herein at least ten (10) days before the time of the sale or disposition, the notice shall be deemed reasonable and shall fully satisfy any requirement for giving of the notice.

If a Default exists, and to the extent it may lawfully do so and without limiting any rights and/or privileges herein granted to Secured Party, Debtor agrees that Secured Party and/or the above Trustee and any Substitute Trustee, may dispose of any or all of the Personalty at the same time and place and after giving the same notice provided for in this Deed of Trust in connection with a nonjudicial foreclosure sale under the terms and conditions set forth in this Deed of Trust. In this connection, Debtor agrees that the sale may be conducted by the Trustee or the Substitute Trustee; that the sale of the Land and Improvements described in this Deed of Trust and the Personalty or any part thereof, may be sold separately and/or together; and that if the Land and Improvements described herein and the Personalty or any part thereof, are sold together, the Secured Party will not be obligated to allocate the consideration received as between the Land and Improvements and the Personalty.

C. Possession. Debtor hereby grants to Secured Party the right, at its option during the existence of a Default to transfer at any time to itself or to its nominee the Personalty, or any part thereof and to receive the monies, income, proceeds or benefits attributable or accruing thereto and to hold the same as security for Debtor's obligations or to apply it on the principal and interest or other amounts owing on any of Debtor's obligations, whether or not then due, in any order or manner as Secured Party may elect. All rights with respect to marshalling of assets of Debtor, including with respect to the Personalty, or to a sale in inverse order of alienation, are hereby waived.

D. Authority. Debtor hereby covenants, stipulates and agrees that all recitals in any instrument of assignment or any other instrument executed by Secured Party incident to the sale, transfer, assignment, lease or other disposition or utilization of the Personalty or any part thereof hereunder shall be prima facie evidence of the matters stated therein and all prerequisites of the sale or other action taken by Secured Party or of any fact, condition or thing incident thereto shall be rebuttably presumed to have been performed or to have occurred.

E. Assembly and Expenses. Debtor hereby covenants and agrees that Secured Party, during the existence of a Default, may require Debtor to assemble the Personalty and to make it available to Secured Party at a place to be designated by Secured Party that is reasonably convenient to both parties. All reasonable expenses of retaking, holding, preparing for sale, lease, or other use or disposition, selling, leasing or otherwise using or disposing of the Personalty and the like that are incurred or paid by Secured Party as authorized or permitted hereunder, including also all attorneys' fees, legal expenses and costs, shall be added to the Indebtedness and Debtor shall be liable therefor.

F. Financing Statement. A carbon, photographic, or other reproduction of this Deed of Trust may be filed as a Financing Statement under the UCC between Debtor and Secured Party whose addresses are set forth below. Except for the security interest granted hereby in the Personalty, the security interests and rights in the Personalty granted to Senior Lender, or otherwise expressly stated in **EXHIBIT**

B hereto, Debtor is owner and holder of the Personalty free of any other adverse claim, security interest or encumbrance, and Debtor will defend the Personalty against all claims and demands of any person at any time claiming the same or any interest therein. Debtor has not heretofore signed any financing statement and no financing statement signed by Debtor is now on file in any public office except those statements, true and correct copies of which have been delivered to the Secured Party or in connection with the Senior Note (as defined below). So long as any amount remains unpaid on any Indebtedness described in this Deed of Trust, Debtor will not execute and there will not be filed in any public office any financing statement or statements affecting the Personalty other than financing statements in favor of the Senior Lender or Secured Party hereunder, unless the prior written specific consent and approval of Secured Party shall have first been obtained. Debtor authorizes Secured Party to file, in the jurisdiction where this authorization will be given effect, a financing statement signed only by Secured Party covering the Personalty and at the request of Secured Party, Debtor will join Secured Party in executing one or more financing statements, pursuant to the UCC in form reasonably satisfactory to Secured Party and will pay the cost of filing the same or filing or recording this Deed of Trust as a financing statement, in all public offices at any time and from time to time whenever filing or recording of any financing statement or of this Deed of Trust is deemed by Secured Party to be necessary or desirable.

ENVIRONMENTAL MATTERS

A. Compliance with Laws. Grantor hereby represents, warrants, covenants and agrees to and with Beneficiary that:

- (i) Grantor will not and will not permit any tenant or occupant of the Property to, generate, store, handle or otherwise deal with hazardous or toxic substances in, on, about or under the Property; and
- (ii) Grantor has not at any time engaged in or permitted, nor, to the best of Grantor's knowledge after reasonable and prudent inquiry, which has consisted of the Phase I report previously delivered to Beneficiary, has any current or former tenant, occupant or owner of the Property, or any portion thereof, engaged in or permitted any generation, storage, handling, dumping, discharge, disposal, spillage or leakage of any hazardous or toxic substances, at, on, or about the Property, or any portion thereof, that would violate applicable environmental laws and regulations or other applicable laws or the City's Minimum Property Standards as set forth in the City Loan Agreement, except as disclosed on the Phase I report previously delivered to Beneficiary.

Notwithstanding the foregoing, Grantor shall be permitted to have such chemicals, materials and supplies on the Property which are normally used in connection with the prudent operation, use, maintenance and ownership of a multi-family unit apartment complex and which are used in compliance with environmental laws.

B. Indemnification. GRANTOR HEREBY AGREES TO INDEMNIFY, PROTECT, DEFEND (WITH COUNSEL REASONABLY APPROVED BY BENEFICIARY) AND TO HOLD BENEFICIARY, ITS AGENTS, MEMBERS, OFFICERS, REPRESENTATIVES AND ITS EMPLOYEES FREE AND HARMLESS FROM AND AGAINST ANY AND ALL CLAIMS, ACTIONS, ADMINISTRATIVE PROCEEDINGS, JUDGMENTS, DAMAGES, PUNITIVE DAMAGES, PENALTIES, FINES, COSTS, LIABILITIES (INCLUDING SUMS PAID IN SETTLEMENT OF CLAIMS), INTEREST OR LOSSES, INCLUDING REASONABLE ATTORNEYS', CONSULTANTS' AND EXPERTS' FEES AND EXPENSES, OF ANY KIND OR NATURE (COLLECTIVELY, THE "COSTS") THAT ARISE DIRECTLY OR INDIRECTLY, FROM OR IN CONNECTION WITH THE PRESENCE, SUSPECTED PRESENCE, RELEASE OR SUSPECTED RELEASE (A "RELEASE") OF ANY HAZARDOUS OR TOXIC SUBSTANCE, FROM, ON, ABOUT, UNDER OR WITHIN THE PROPERTY, OR ANY PORTION THEREOF WHICH OCCURS DURING OR PRIOR TO SUCH TIME AS GRANTOR OWNS THE PROPERTY. NOTWITHSTANDING THE FOREGOING TO THE CONTRARY, GRANTOR'S LIABILITY HEREUNDER, SUBJECT TO THE DE MINIMIS PROVISIONS OF ARTICLE XIII(A)(ii) ABOVE, SHALL NOT INCLUDE ANY LOSS ARISING OUT OF THE GROSS NEGLIGENCE OR WILLFUL MISCONDUCT OF BENEFICIARY OR ANY EMPLOYEE, AGENT OR REPRESENTATIVE OF BENEFICIARY OR RELEASE OF HAZARDOUS OR TOXIC SUBSTANCES BY BENEFICIARY OR ANY EMPLOYEE, AGENT OR REPRESENTATIVE OF BENEFICIARY AFTER BENEFICIARY HAS TAKEN POSSESSION OF THE PROPERTY.

C. Remediation. If any investigation or monitoring of site conditions, or any cleanup, containment, restoration, removal or other remedial work (collectively, the "**Remedial Work**") is required under any applicable federal, state or local law or regulation, by any judicial order, or by any governmental entity, or in order to comply with any agreements affecting the Property because of, or in connection with any release of hazardous or toxic substances, Grantor shall perform, or cause to be performed, the Remedial Work in compliance with such law, regulation, order or agreement. All Remedial Work shall be performed by one or more contractors selected by Grantor and approved in advance, in writing, by Beneficiary and under the supervision of a consulting engineer selected by Grantor and approved in advance, in writing, by Beneficiary. All costs of any Remedial Work shall be paid by Grantor, including, without limitation, the reasonable charges of contractor(s) and/or the consulting engineer and Beneficiary's reasonable attorneys' fees and costs incurred in connection with the monitoring or review of any Remedial Work. If Grantor shall fail to timely commence or cause to be timely commenced, or fail to diligently prosecute to completion, any Remedial Work, then Beneficiary may, but shall not be required to, cause such Remedial Work to be performed and all costs and expenses thereof, or incurred in connection therewith, shall be "**Costs**" within the meaning of Subparagraph B above. D. Survival. Notwithstanding anything to the contrary contained herein, or in the Note or Loan Agreement, the obligations of Grantor under this Paragraph XIII shall survive any assumption of the Indebtedness by a successor to Grantor (whether or not the assumption has been approved or disapproved, or whether or not Grantor was released from liability on the Indebtedness), foreclosure of this Deed of Trust (or transfer of the Property in lieu of foreclosure) and release or termination of this Deed of Trust.

XIV.

MISCELLANEOUS

A. No Waiver. No delay by Beneficiary in exercising any right, option or remedy hereunder, or otherwise afforded by law, shall operate as a waiver thereof or preclude the exercise thereof during the continuance of any Default.

B. Cumulative Remedy. All rights and remedies of Beneficiary under this Deed of Trust and any and all other instruments evidencing or securing the Indebtedness, are cumulative and concurrent and may be exercised singularly, successively, or concurrently.

C. No Release. The granting to Grantor or to any other person or party of any extension(s) of time for payment of all or any part of the Indebtedness or the performance of any covenant or agreement contained herein, or the taking of other or additional security for the payment of the whole or any part of the Indebtedness, or the releasing of any part of the security at any time held in connection with the Indebtedness, shall not in any way release Grantor or any other person or party obligated for the payment of the Indebtedness, or release or impair this Deed of Trust or any other security held in connection with the Indebtedness, except to the extent of the person, party or property expressly released in writing by Beneficiary.

D. Severability. If any provision in this Deed of Trust is invalid or unenforceable in whole or in part, this Deed of Trust shall in all other respects remain in full force and effect.

E. Successors and Assigns. All of the provisions hereof shall apply to, inure to the benefit of, and be binding upon Beneficiary and Grantor and their respective successors and assigns (provided the foregoing shall not be construed as consent to any transfer by Grantor of the Property that is not permitted under the Loan Documents).

F. Further Assurances and Corrections. From time to time, at the request of Beneficiary, Grantor will (i) promptly correct any defect, error, or omission which may be discovered in the contents of this Deed of Trust or in any other Loan Document or in the execution or acknowledgment thereof; (ii) execute, acknowledge, deliver, record and/or file such further instruments (including, without limitation, further deeds of trust, security agreements, financing statements, continuation statements and assignments of rents or leases) and perform such further acts and provide such further assurances as may be necessary, desirable, or proper, in Beneficiary's reasonable opinion, to carry out more effectively the purposes of this Deed of Trust and the Loan Documents and to subject to the liens and security interests hereof and thereof any property intended by the terms hereof or thereof to be covered hereby or thereby, including without limitation, any renewals, additions, substitutions, replacements, or appurtenances to the Property; (iii) execute, acknowledge, deliver, procure, file, and/or record any document or instrument (including without limitation, any financing statement) deemed advisable by Beneficiary to protect the liens and the security interests herein granted against the rights or interests of third persons; and (iv) pay all reasonable costs connected with any of the foregoing.

G. Choice of Law. This Deed of Trust shall be performable and enforced in Harris County, Texas, and shall be construed in accordance with the laws of the State of Texas from time to time in effect except to the extent preempted by the United States federal law. Venue shall be appropriate in Harris County, as applicable.

H. Usury. In no event shall any provision of this Deed of Trust, the Note, the Loan Agreement or any other instrument evidencing or securing the Indebtedness ever obligate Grantor to pay interest on the Note secured hereby at a rate greater than that permitted by law, or obligate Grantor to pay any taxes, assessments, charges, insurance premiums, or other amounts to the extent that the payments constitute interest under applicable law and when added to the interest payable on the Note secured hereby, would be held to constitute the payment by Grantor of interest at a rate greater than that permitted by law; and this provision shall control over any provision to the contrary.

It is expressly stipulated and agreed to be the intent of Grantor and Beneficiary at all times to comply strictly with the applicable Texas law governing the maximum rate or amount of interest payable on

the Note or the Indebtedness or applicable United States federal law to the extent that it permits Beneficiary to contract for, charge, take, reserve or receive a greater amount of interest than under Texas law ("Highest Lawful Rate"). If the applicable law is ever judicially interpreted so as to render usurious any amount (i) contracted for, charged, taken, reserved or received pursuant to the Note, any of the other Loan Documents or any other communication or writing by or between Grantor and Beneficiary related to the transaction or transactions that are the subject matter of the Loan Documents, (ii) contracted for, charged or received by reason of Beneficiary's exercise of the option to accelerate the maturity of the Note and/or the Indebtedness, or (iii) Grantor will have paid or Beneficiary will have received by reason of any voluntary prepayment by Grantor of the Note and/or the Indebtedness, then it is Grantor's and Beneficiary's express intent that all amounts charged in excess of the Highest Lawful Rate shall be automatically cancelled, ab initio, and all amounts in excess of the Highest Lawful Rate theretofore collected by Beneficiary shall be credited on the principal balance of the Note and/or the Indebtedness (or, if the Note and all Indebtedness have been or would thereby be paid in full, refunded to Grantor), and the provisions of the Note and the other Loan Documents immediately be deemed reformed and the amounts thereafter collectible hereunder and thereunder reduced, without the necessity of the execution of any new document, so as to comply with the applicable law, but so as to permit the recovery of the fullest amount otherwise called for hereunder and thereunder. Grantor hereby agrees that as a condition precedent to any claim seeking usury penalties against Beneficiary, Grantor will provide written notice to Beneficiary, advising Beneficiary in reasonable detail of the nature and amount of the violation, and Beneficiary shall have sixty (60) days after receipt of such notice in which to correct such usury violation, if any, by either refunding such excess interest to Grantor, or crediting such excess interest against the Note and/or the Indebtedness then owing by Grantor to Beneficiary. All sums contracted for, charged or received by Beneficiary for the use, forbearance or detention of any debt evidenced by the Note and/or the Indebtedness shall, to the extent permitted by applicable law, be amortized or spread, using the actuarial method, throughout the stated term of the Note and/or the Indebtedness (including any and all renewal and extension periods) until payment in full so that the rate or amount of interest on account of the Note and/or the Indebtedness does not exceed the Highest Lawful Rate from time to time in effect and applicable to the Note and/or the Indebtedness for so long as debt is outstanding. In no event shall the provisions of Chapter 346 of the Texas Finance Code (which regulates certain revolving credit loan accounts and revolving triparty accounts) apply to the Note and/or the Indebtedness. Notwithstanding anything to the contrary contained herein or in any of the other Loan Documents, it is not the intention of Beneficiary to accelerate the maturity of any interest that has not accrued at the time of such acceleration or to collect unearned interest at the time of such acceleration.

I. Covenants Run with the Land. All obligations contained in this Deed of Trust and the other Loan Documents are intended by Grantor, Beneficiary and Trustee to be, and shall be construed as, covenants running with the Property until the lien of this Deed of Trust has been fully released by Beneficiary.

J. JURY WAIVER. GRANTOR AND BENEFICIARY ACKNOWLEDGE THAT THE RIGHT TO TRIAL BY JURY IS A CONSTITUTIONAL ONE, BUT THAT IT MAY BE WAIVED, EACH PARTY, AFTER CONSULTING (OR HAVING HAD THE OPPORTUNITY TO CONSULT) WITH COUNSEL OF THEIR CHOICE, KNOWINGLY AND VOLUNTARILY, AND FOR THEIR MUTUAL BENEFIT, WAIVES ANY RIGHT TO TRIAL BY JURY IN THE EVENT OF LITIGATION REGARDING THE PERFORMANCE OR ENFORCEMENT OF, OR IN ANY WAY RELATED TO, THE NOTE, THE INDEBTEDNESS OR THIS DEED OF TRUST.

K. Entire Agreement. THIS DEED OF TRUST, TOGETHER WITH THE NOTE AND LOAN AGREEMENT, THE OTHER LOAN DOCUMENTS, AND THE RESTRICTIVE COVENANTS CONSTITUTE A WRITTEN LOAN AGREEMENT AS DEFINED IN SECTION 26.02 OF THE TEXAS BUSINESS AND COMMERCE CODE. THIS WRITTEN LOAN AGREEMENT CONSTITUTES THE FINAL AGREEMENT BETWEEN THE PARTIES AND MAY NOT BE CONTRADICTED BY EVIDENCE OF PRIOR, CONTEMPORANEOUS OR SUBSEQUENT ORAL AGREEMENTS OF THE PARTIES. THERE ARE NO UNWRITTEN ORAL AGREEMENTS BETWEEN THE PARTIES.

L. Subordination. It is the intent of Beneficiary and Grantor that the indebtedness evidenced by the Note shall be subordinate in right of payment to the prior payment in full of the indebtedness evidenced by a Construction Loan Note in the maximum principal amount of up to ELEVEN MILLION EIGHT HUNDRED THOUSAND NINETY-ONE SEVEN HUNDRED FIFTY-EIGHT AND NO/100 DOLLARS (\$11,891,758.00) (the "**Senior Note**") to be issued by Grantor and payable to Senior Lender, or order, to the extent and in the manner provided in the certain Intercreditor Agreement and upon closing the Permanent Senior Loan, the Permanent Subordination Agreement (as defined in the Intercreditor Agreement). This Deed of Trust and all of the other Loan Documents (excluding the Restrictive Covenants) are and shall be subject and subordinate in all respects to the liens, terms, covenants and conditions of the Senior Mortgage (as defined in the City Loan Agreement) to the extent set forth in the Intercreditor Agreement and Permanent Subordination Agreement, respectively (collectively, the "**Senior Loan Subordination**"). The rights and remedies of the Beneficiary and each subsequent holder of the Note and this Deed of Trust are subject to the restrictions and limitations set forth in the Senior Loan Subordination. Each subsequent holder of this Deed of Trust shall be deemed, by virtue of such holder's acquisition of the Note, to have agreed to perform and observe all of the terms, covenants and conditions to be performed or observed by Beneficiary under the Senior Loan Subordination.

M. Extended Low Income Housing Commitment. Pursuant to the terms of that Collateral Assignment of Note and Liens dated of even date herewith executed by Beneficiary for the benefit of the City (the "**Collateral Assignment**"), the City agreed that the liens securing the City Loan and evidenced by this Deed of Trust and collaterally assigned to the City pursuant to the Collateral Assignment shall be subordinate to any extended low income housing commitment (as such term is defined in Section 42(h)(6)(B) of the Internal Revenue Code)(the "**Extended Use Agreement**") recorded against the Land; provided that such Extended Use Agreement, by terms, must terminate upon foreclosure under this Deed of Trust or upon a transfer of the Land by instrument in lieu of foreclosure, in accordance with Section 42(h)(6)(E) of the Internal Revenue Code. The City's Restrictive Covenants shall not be subordinate to any extended low income housing commitment as such term is defined in the Extended Use Agreement.

N. Non-Merger. It is the express intention of the parties hereto that in the event of foreclosure of this Deed of Trust, the leasehold estate so foreclosed shall not effect a merger with any liens (other than this Deed of Trust) in the Property held by the purchaser or any other estate in land in the Property held by the purchaser or any other party at foreclosure with the leasehold estate so acquired.

C. Other Obligations. This Deed of Trust also secures Grantor's performance under the Restrictive Covenants (as defined below).

II.

**PAYMENT OF THE INDEBTEDNESS;
DEFAULT; ENFORCEMENT OF TRUST**

A. Payments. If the Indebtedness is fully paid in accordance with the terms of the City Loan Documents, and if all of Grantor's covenants and agreements herein and in the Loan Agreement (including the incorporated provisions of the City Loan Agreement and the other Loan Documents are fully kept and performed, and if no Default then exists, then this conveyance shall thereupon become of no further force and effect and shall be released by Beneficiary or other holder(s) of the Indebtedness upon the written request and at the expense of Grantor, provided, however, this Deed of Trust will remain in place and outstanding until the expiration of the Affordability Period under the Loan Agreement (as same may be extended).

B. Enforcement. But if any Default (as defined in the Loan Agreement, and as such term is used in this Deed of Trust and the other Loan Documents, the term "Default" means the applicable Default has occurred and is continuing beyond the expiration of all applicable notice, grace, and cure periods) exists, the whole of the Indebtedness shall at the option of Beneficiary, without notice to Grantor or any other person, which notice is hereby waived, become immediately due and payable and thereupon, or at any time thereafter that the Indebtedness or any part thereof remains unpaid, it shall be the duty of the Trustee, or the Substitute Trustee, as hereinafter defined, at the request of Beneficiary, or the holder(s) of the Indebtedness, which request shall be presumed, to enforce this Deed of Trust and to sell as an entirety, or in parcels, by one sale or by several sales, held at one time or at different times, as the Trustee acting may elect (all rights to a marshaling of Grantor's assets, including Property, or to a sale in inverse order of alienation, being hereby expressly waived by Grantor), the Property in the county in which the Property, or a part of the Property to be sold, is situated (the "**County**") at such area at the courthouse or other location designated by the Commissioner's Court of the County as the area where sales are to take place, or if no area is designated, at the door of the County Courthouse, each sale to be made on the first Tuesday of a calendar month between the hours of 10:00 A.M. and 4:00 P.M. to the highest bidder for cash at public auction, after both posting or causing to be posted written or printed notice of the time (including the earliest time at which the sale will occur), place, and term of sale at the door of the Courthouse of the County and filing or causing to be filed a copy of the notice in the Office of the County Clerk of the County, for at least twenty-one (21) days preceding the day of sale, and to execute and to deliver to the purchaser(s) at each such sale proper conveyance(s) of the property interest sold, with general warranty of title binding upon Grantor and the successors and assigns of Grantor; or Beneficiary or other holder(s) of the Indebtedness may foreclose or cause to be foreclosed the Lien of this Deed of Trust, in whole or in part, through judicial foreclosure or in any manner as may at any time be authorized under the statutes of the State of Texas. In addition, the holder(s) of the Indebtedness to which the power is related shall, at least twenty-one (21) days preceding the date of sale, serve written notice of the proposed sale by certified mail on each person obligated to pay the Indebtedness according to the records of the holder(s). Service of the notice shall be completed upon deposit of the notice, enclosed in a postpaid wrapper, properly addressed to each debtor at the most recent address as shown by the records of the holder(s) of the Indebtedness, in a post office or official depository under the care and custody of the United States Postal Service. No notice of the sale or sales other than that herein provided for need be given to Grantor or any other person or party, and any other notice is hereby waived. Beneficiary or other holder(s) of the Indebtedness shall have the right to become the purchaser at any sale to the same extent as any other party, being the highest bidder, and in lieu of paying cash may credit the amount of the bid upon the Indebtedness up to the full amount of the Indebtedness then unpaid.

C. Proceeds. The Trustee acting shall apply the proceeds arising from each sale pursuant to Section II(B) above, first, to pay all reasonable expenses of the sale actually incurred, second, to reimburse Beneficiary for any reasonable expenses incurred by Beneficiary in protecting, administering or operating the Property after the occurrence of the applicable Default and prior to the foreclosure sale and third, to the payment of the Indebtedness (including all principal, interest and reasonable attorneys' fees owing as part

of the Indebtedness). The proceeds of each sale paid to Beneficiary may be applied by Beneficiary on the Indebtedness in any order and manner as Beneficiary may elect. Any surplus funds from the foreclosure sale or sales hereunder shall be paid to Grantor or the person(s) lawfully entitled thereto.

III.

UNMATURED INDEBTEDNESS

If any Default exists, Beneficiary or other holder(s) thereof shall, in addition to any remedies available to Beneficiary at law or in equity, have the option to proceed with foreclosure in satisfaction of such item or items, either through the courts or by directing the Trustee, or the Substitute Trustee, as hereinafter provided for, to proceed as if under a foreclosure, conducting the sale as herein provided and without declaring the whole debt due, and if a sale is made because of such Default, the sale may be made subject to the unmatured part of the Indebtedness, but as to the unmatured part of the Indebtedness, this Deed of Trust shall remain in full force and effect just as though no sale had been made under the provisions of this paragraph. Several sales may be made hereunder without exhausting the right of sale for any unmatured part of the Indebtedness, it being the purpose hereof to provide for a foreclosure and sale of the Property, in whole or in part, for any matured portion of the Indebtedness without exhausting the power of foreclosure and the power to sell the Property, in whole or in part, for any other part of the Indebtedness subsequently maturing.

IV.

SUBSTITUTE TRUSTEE

In case of the resignation of the Trustee, or the inability (through death or otherwise), refusal or failure of the Trustee to act, or at the option of Beneficiary or the holder(s) of the Indebtedness for any other reason (which reason need not be stated), a substitute trustee ("**Substitute Trustee**") may be named, constituted and appointed by Beneficiary or the holder(s) of the Indebtedness, without other formality than an appointment and designation in writing; the appointment and designation shall be full evidence of the right and authority to make the same and of all facts therein recited; and this conveyance shall vest in the Substitute Trustee the title, power and duties herein conferred on the Trustee originally named herein and the conveyance of the Substitute Trustee to the purchaser(s) at any sale shall be equally valid and effective. The right to appoint a Substitute Trustee shall exist as often and whenever from any of said causes, the Trustee, original or Substitute, resigns, or cannot, will not, or does not act, or Beneficiary or the holder(s) of a majority of the Indebtedness desire to appoint a new Trustee. No bond shall ever be required of the Trustee, original or Substitute. The recitals in any conveyance made by the Trustee, original or Substitute, shall be accepted and construed in court and elsewhere as prima facie evidence and proof of the facts recited and no other proof shall be required as to the request by Beneficiary or the holder(s) of a majority of the Indebtedness to the Trustee to enforce this Deed of Trust, or as to the notice of or holding of the sale, or as to any particulars thereof, or as to the resignation of the Trustee, original or Substitute, or as to the inability, refusal or failure of the Trustee, original or Substitute, to act or as to the election of Beneficiary or the holder(s) of a majority of the Indebtedness to appoint a new Trustee, or as to appointment of a Substitute Trustee, and all prerequisites of the sale shall be presumed to have been performed; and each sale made under the powers herein granted shall be a perpetual bar against Grantor and the successors and assigns of Grantor.

V.

REPRESENTATIONS, WARRANTIES, COVENANTS AND AGREEMENTS OF GRANTOR

For the purpose of better securing to Beneficiary the payment of the Indebtedness, Grantor represents, warrants and covenants to Beneficiary as follows:

A. Title, Authority, and Performance under Leases. At the time of the execution and delivery of this Deed of Trust, Grantor is the sole and lawful owner of the Land in fee simple, and Grantor has the authority to execute this Deed of Trust. The Property is free from all encumbrances and charges whatsoever except for the liens securing the Senior Note and the Permitted Encumbrances. No assignments or pledges are currently in effect with respect to any leases of or rentals or income from the Property except for assignments and/or pledges to Beneficiary and those expressly stated in **EXHIBIT B** and those securing the Senior Note, and until the Indebtedness is fully paid, at which time this Deed of Trust will be released. Grantor shall not make any additional assignment or pledge thereof without Beneficiary's prior written consent.

B. Tax and Insurance Escrow. Unless Grantor is already required to maintain an escrow account with the Senior Lender upon written request by Beneficiary, Grantor agrees to deposit with Beneficiary on a monthly basis, or at other intervals as specified, a sum that shall be sufficient to pay taxes, assessments, charges, and insurance premiums as they become due, all as reasonably estimated by Beneficiary, which sum shall be held by Beneficiary (or by a banking institution selected by Beneficiary whose funds are insured by a federal agency or instrumentality) in trust to pay taxes, assessments, charges and premiums, but which shall not bear interest and may be commingled with other funds. If at any time the funds so held by (or on behalf of) Beneficiary are insufficient to pay any tax, assessment, charge or insurance premium, Grantor shall, upon receipt of notice, deposit with Beneficiary (or such banking institution), all additional funds as are necessary to remove the deficiency. If the Indebtedness is for any reason declared immediately due and payable, funds held by (or on behalf of) Beneficiary for payment of taxes, assessments, charges or premiums as herein provided may, at Beneficiary's election, be applied on the Indebtedness in any manner as Beneficiary so elects. In the event that Grantor is escrowing with Senior Lender (as defined below) a sum for payment of taxes, assessments, charges and insurance premiums and such amount is sufficient to fully discharge such taxes, assessments, charges and insurance premiums, Beneficiary agrees not to require an additional escrow deposit under this paragraph. In the event that Beneficiary does not require the escrow deposits described in the paragraph, Grantor shall provide Beneficiary with written evidence that (i) all applicable taxes and assessments have been paid at least thirty (30) days prior to delinquency and (ii) all insurance premiums have been paid thirty (30) days before the renewal date of the applicable policies. Grantor shall duly pay and discharge, or cause to be paid and discharged, all taxes, assessments, charges, and insurance premiums before they become past due.

C. Insurance. Grantor shall, prior to or concurrently with the execution of this Deed of Trust, deliver to Beneficiary all of the following insurance policies together with evidence of such other insurance coverage as required pursuant to the Loan Agreement, accompanied by paid premium receipts evidencing payment in full of the required premiums for at least the first full year of coverage:

- (i) fire insurance with extended coverage and standard Beneficiary and replacement cost endorsement for the full insurable value of the insurable portion of the Property, but in no event for an amount less than the amount of the Note (90% shall be acceptable co-insurance rates for fire insurance); and
- (ii) commercial general liability insurance in the amount of \$1,000,000.00 per occurrence and \$2,000,000.00 in the aggregate for a twelve (12) month policy period. Each renewal policy shall be delivered to Beneficiary not less than thirty (30) days before the termination of the prior policy and with each policy there shall be delivered to Beneficiary a receipt showing payment of the premium therefor.

Upon request, Grantor shall also carry additional insurance or additional reasonable amounts of insurance covering Grantor or the Property as Beneficiary shall reasonably require, insuring against such other insurable hazards which at the time are commonly insured against for property similar to the Property located in the region where the Property is located.

If the Property or any part thereof has been or at any time during the term of this Deed of Trust or any extension or renewal thereof is designated as a flood-prone or flood-risk area pursuant to the Flood

Disaster Protection Act of 1973 or the National Flood Insurance Reform Act of 1994, as each have been or may be amended, or any successor law, Grantor shall obtain flood insurance in such total amounts as Beneficiary may from time to time require and shall otherwise comply with the requirements of the National Flood Insurance Program as set forth in the Flood Disaster Protection Act of 1973 or the National Flood Insurance Reform Act of 1994, or any successor law.

All insurance required under this Deed of Trust and the Loan Agreement shall be fully paid for, non-assessable, and such policies shall contain such provisions, endorsements, and expiration dates as Beneficiary shall reasonably require. Such policies shall be issued by insurance companies authorized and licensed to transact business in the State of Texas with ratings acceptable to Beneficiary in its sole and absolute discretion and shall name Beneficiary as an additional insured.

D. Operations. Grantor will abstain from and not permit the commission of waste in or about the Property, will maintain the Property in good operating condition and repair at all times, ordinary wear and tear and insured casualty excepted, will not remove or demolish the buildings or other improvements now or hereafter constituting a part of the Property, or alter the design or structural character of any buildings or improvements unless Beneficiary shall first consent thereto in writing, which consent shall be granted or denied in Beneficiary's reasonable discretion, and will comply with all laws, ordinances, regulations, covenants, conditions and restrictions affecting the Property or the use thereof, which consent shall not be unreasonably withheld, delayed or conditioned. Grantor will not seek or acquiesce in a zoning reclassification of all or any portion of the Property or grant or consent to any easement, dedication, plat, or restriction (or allow any easement to become enforceable by prescription), or any amendment or modification thereof, covering all or any portion of the Property, without Beneficiary's prior written consent. Grantor will not, without the prior written consent of Beneficiary, permit any drilling or exploration for or extraction, removal, or production of, any Minerals from the surface or subsurface of the Land regardless of the depth thereof or the method of mining or extraction thereof.

E. Obligations Under Other Loan Documents. Grantor hereby agrees to comply with and perform all of its obligations under the other Loan Documents and agrees to be bound by the representations, warranties and covenants made by Grantor contained in the Loan Documents. All of representations, warranties and covenants contained in the other Loan Documents are hereby fully incorporated herein.

F. Casualty and Condemnation Proceeds. Subject to the terms of the Loan Agreement, the Senior Loan Documents (as defined in the City Loan Agreement), and the Intercreditor Agreement (as defined below), in the event of any fire or other casualty to the Property or eminent domain proceedings resulting in condemnation of the Property or any part thereof, Grantor shall have the right to rebuild the Property, and to use all available insurance or condemnation proceeds therefor, provided that (a) such proceeds are sufficient to keep the Indebtedness in balance and rebuild the affected portion of the Property in a manner that provides adequate security to Beneficiary for repayment of the Indebtedness or if such proceeds are insufficient then Grantor shall have funded any deficiency, (b) Beneficiary shall have the right to approve plans and specifications for any major rebuilding and the right to approve disbursements of insurance or condemnation proceeds for rebuilding under a construction escrow or similar arrangement, and (c) no Default then exists under the Loan Documents that will not be cured by rebuilding the affected portion of the Property. If the casualty or condemnation affects only part of the Property and total rebuilding is infeasible, then proceeds may be used for partial rebuilding and partial repayment of the Indebtedness in a manner that provides adequate security to Beneficiary for repayment of the remaining balance of the Indebtedness.

G. Failure to Pay. All taxes and any assessments that are due and payable as the date of the Deed of Trust affecting the Property shall be paid and discharged in full prior to execution and delivery of this Deed of Trust, or as they subsequently become due and payable and prior to delinquency. If Grantor fails to pay any tax, assessment, charge or insurance premium required by the terms and conditions of this Deed of Trust, Beneficiary may, at its option, pay the same, or if Grantor fails to perform any of Grantor's covenants or agreements set forth in this Deed of Trust in accordance with the terms hereof, Beneficiary may, at its option, correct or cause to be corrected the same and pay any sums in connection therewith as

Beneficiary shall determine to be necessary or advisable, and all taxes, assessments, charges, insurance premiums and sums paid by Beneficiary in connection with such matters (collectively, whether one or more, an "**Assessment**") shall be immediately repayable by Grantor to Beneficiary, together with interest on each amount at the default rate provided in the Note from the date the sum is paid by Beneficiary, until the same is refunded to Beneficiary and all such amounts and interest thereon, shall be secured hereby as part of the Indebtedness. Notwithstanding the foregoing and/or anything to the contrary set forth in the Loan Documents, Grantor shall have the right to object and protest to ad valorem taxes on the Property in good faith and with due diligence provided that (i) no Default exists under this Deed of Trust or any of the other Loan Documents, (ii) Grantor gives Beneficiary prior written notice of its intent to contest an Assessment; (iii) Grantor demonstrates to Beneficiary's reasonable satisfaction that (A) the Property will not be sold to satisfy the Assessment prior to the final determination of the legal proceedings, (B) Grantor has taken such actions as are required or permitted to accomplish a stay of any such sale, and (C) Grantor has either (1) furnished a bond or surety (satisfactory to Beneficiary in form and amount) sufficient to prevent a sale of the Property or (2) at Beneficiary's option, deposited one hundred fifty percent (150%) of the full amount necessary to pay any unpaid portion of any Assessment with Beneficiary; and (iv) such proceeding shall be permitted under any other instrument to which Grantor or the Property is subject (whether superior or inferior to this Deed of Trust).

H. Title Litigation. Subject to title insurance coverage, in case of any litigation involving the title to any part of the Property, or the validity of this Deed of Trust, Beneficiary may be represented in the litigation through attorneys of its own selection and Grantor shall, upon demand, promptly reimburse Beneficiary for all court costs and reasonable attorneys' fees incurred by Beneficiary in defending and/or protecting its rights in any litigation.

I. Default. Subject to applicable notice and cure provisions and the other terms of this Deed of Trust and the other Loan Documents, if a Default (as defined in the Loan Agreement) occurs and is continuing, the whole of the Indebtedness, at the option of Beneficiary, shall become immediately due and payable, without further notice or demand.

J. Tenancy at Sufferance. Following any sale of the Property, or any part thereof, under the provisions of this Deed of Trust, and to the extent permissible under applicable law, Grantor shall be obligated to immediately vacate the premises and prior to such vacation shall be a tenant at sufferance of the purchaser of the Property sold and shall be subject to eviction in an action of forcible detainer; provided, the provisions of this Subparagraph J shall be subject to any agreements made in writing by Beneficiary with reference to any existing and/or future leases; provided, further, to the extent permitted under applicable law, the purchaser at any foreclosure sale shall have the option to affirm any then-existing leases or tenancies or otherwise to succeed to the rights of Grantor thereunder.

K. Subrogation. To the extent that any of the Indebtedness represents funds utilized to satisfy any outstanding Indebtedness or obligations secured by liens, rights, or claims against the Property or any part thereof, Beneficiary shall be subrogated to any and all liens, rights, superior titles and equities owned or claimed by the holder of any outstanding indebtedness or obligation so satisfied, however remote, regardless of whether the liens, rights, superior titles and equities are assigned to Beneficiary or released by the holder(s) thereof.

L. Homestead Disclaimer. Grantor represents and covenants that the Property forms no part of any property owned, used, or claimed by Grantor as a business or residential homestead, or as exempt from forced sale under the laws of the State of Texas and disclaims and renounces all and every such claim thereto.

M. Additional Transfers and Encumbrances. Subject to the terms and conditions of the Loan Agreement and the City Loan Agreement, Beneficiary shall have the right to declare the Indebtedness secured hereby immediately due and payable in the event the Grantor sells, transfers, assigns, or conveys its interest, whether voluntarily or involuntarily, in the Property, or any part thereof, without the prior written consent of Beneficiary, such consent not to be unreasonably withheld, delayed or conditioned or in the

event any junior or subordinate mortgage, lien, deed of trust, or other encumbrance is placed upon the Property without the prior written consent of Beneficiary, provided the foregoing shall not prohibit the removal of worn or obsolete Personalty that is replaced with new items of the same or similar quality or prohibit transfers that are permitted under the Loan Agreement or the City Loan Agreement. If Beneficiary consents to the sale, transfer, assignment, or conveyance of Grantor's interest in the Property, or any part thereof, and waives in writing its right to accelerate the Indebtedness secured hereby as provided in this Subparagraph M, Beneficiary may require that the transferee assume all the obligations of Grantor under this Deed of Trust, the Loan Agreement and the Note in a form reasonably acceptable to Beneficiary and its legal counsel. For purposes of this Subparagraph M, "transfer" of the Property includes any direct or indirect transfer of any beneficial ownership in Grantor after satisfaction of all requirements for such transfer including the consent of the City, if required for such transfer.

N. No Reliance on Beneficiary. Grantor is experienced in the ownership and operation of properties similar to the Property, and Beneficiary is relying solely upon Grantor's expertise and business plan in connection with the construction of the Improvements and ownership and operation of the Property. Grantor is not relying on Beneficiary's expertise or business acumen in connection with the Property or in connection with the construction of the Improvements.

O. No Litigation. Except as disclosed in writing to Beneficiary, there are no (i) causes of action, suits, or legal proceedings, at law or in equity, before any Governmental Authority (as defined in the City Loan Agreement) or arbitrator pending or threatened against or affecting Grantor, any guarantor, or involving the Property, (ii) outstanding or unpaid judgments against the Grantor or the Property, or (iii) defaults by Grantor with respect to any order, writ, injunction, decree, or demand of any Governmental Authority or arbitrator.

P. Payment for Labor and Materials. Grantor will timely pay all bills for labor, materials, and specifically fabricated materials incurred in connection with the Property (which shall be deemed an Assessment on the Property) and never permit to exist in respect of the Property or any part thereof any unbonded lien or security interest, even though inferior to the liens and security interests hereof, for any such bill, and in any event never permit to be created or exist in respect of the Property or any part thereof any other or additional lien or security interest on a parity with, superior, or inferior to any of the liens or security interests hereof, except for the Permitted Encumbrances and the liens securing the Senior Note. In the event that Grantor becomes aware that such lien has been recorded against the Property, Grantor shall have such lien released within thirty (30) days. If Grantor fails to pay or bond around any bills for labor, materials, and specifically fabricated materials incurred in connection with the Property, Beneficiary shall have the rights set forth in Section V.G for Grantor's failure to pay any Assessment, as well as the other rights and remedies provided under this Deed of Trust. .

Q. Tax on Deed of Trust. At any time any law shall be enacted imposing or authorizing the imposition of any tax upon this Deed of Trust, or upon any rights, titles, liens, or security interests created hereby, or upon the Indebtedness or any part thereof, Grantor will pay when due all such taxes, provided that if such law as enacted makes it unlawful for Grantor to pay such tax, Grantor shall not pay nor be obligated to pay such tax.

R. ERISA. If and to the extent that Grantor is obligated under any plan governed by or subject to the Employee Retirement Income Security Act, as amended ("**ERISA**"), Grantor shall fully discharge and satisfy all of its obligations and funding requirements under such plan, ERISA and the Internal Revenue Code, as amended ("**IRC**"). Furthermore, Grantor shall comply in all material respects with any and all applicable provisions of ERISA and the IRC and will not incur or permit to exist any unfunded liabilities to the Pension Benefit Guaranty Corporation or to such plan under ERISA or the IRC.

S. Disclosures. If at any time Grantor shall become aware of the existence or occurrence of any financial or economic conditions or natural disasters which are likely to have a material adverse effect on the Property or Grantor's financial condition, Grantor shall promptly notify Beneficiary of the existence or occurrence thereof and of Grantor's opinion as to what effect such may have on the Property or Grantor.

Grantor shall also give prompt notice to Beneficiary of (i) any litigation or dispute, threatened or pending against or affecting Grantor, the Property or any guarantor which is likely to have a material adverse effect on the Property or the financial condition or business of any of the aforementioned parties, (ii) any Default, (iii) any default by Grantor continuing beyond all applicable notice and cure periods, or any acceleration of any indebtedness owed by Grantor under any contract to which Grantor is a party, and (iv) any change in the character of Grantor's business as it exists on the date hereof.

CAPTIONS

The captions contained in this Deed of Trust are for convenience only and shall not be taken into account in determining the meaning of any provision of this Deed of Trust.

VII.

ASSIGNMENT OF LEASES

As further security for the payment of the Indebtedness, and subject to the rights of senior lienholders, , including, without limitation, the Senior Lender, Grantor hereby assigns to Beneficiary, its successors and assigns, all leases, whether now in existence or hereafter created, covering all or any portion of the Property (including its interest in the Ground Lease) together with all rents to become due under each such lease, subject, however, to any prior assignment in connection with senior indebtedness. For so long as no Default exists, Grantor may collect the rents, but not more than one (1) month in advance, in the ordinary course of business, unless otherwise provided by the express terms of the leases and approved by Beneficiary. In the event of any Default and at any and all times during the continuance thereof, in addition to all other rights and remedies of Beneficiary, Beneficiary shall have the exclusive right and power (but not the obligation) to enter upon and take possession of the Property or any part thereof, to rent or re-rent the same, either in the name of Beneficiary or Grantor, to receive all rents, revenues, profits, or other income from the Property and to apply all amounts received first, to the costs and expenses incurred by Beneficiary in protecting and operating the Property and next, to the payment of the Indebtedness in any manner and in any order of priority as Beneficiary shall determine. This action by Beneficiary shall not operate as a waiver of the Default, or as an affirmation of any lease or of the rights of any tenant of title to that part of the Property covered by the lease or held by the tenant, should the Property, or any part thereof, be acquired by Beneficiary or other purchaser at a foreclosure sale. The right of Beneficiary to receive all rents, revenues, profits, or other income from the Property during the continuance of any Default shall be applicable whether Beneficiary has entered upon or taken possession of the Property, or has otherwise attempted to exercise its rights hereunder and if any rents, revenues, profits, or other income are paid to or received by Grantor, Grantor shall immediately pay the same to Beneficiary, without the necessity of any request or demand therefor. Grantor agrees at any time and from time to time until the Indebtedness is paid in full (or deemed paid in full) to execute and to deliver any additional assignments of leases and/or rents, security agreements and other instruments as Beneficiary shall from time to time reasonably require; provided such instruments do not increase Grantor's obligations or decrease Grantor's rights under the Loan Documents and the City Loan Documents. The substance, form, execution and delivery of additional assignments of leases and/or rents, security agreements and other instruments shall be reasonably satisfactory to Beneficiary.

VIII.

PERSONALTY

This Deed of Trust covers and includes, without limitation, Grantor's interest in the Personality hereinabove described.

IX.

10

USE OF PERSONALTY

Grantor represents that all Personalty is property for business use and is not consumer goods. Grantor further covenants that there are and shall be no conditional sales contracts that cover any of the Personalty.

X.

SECURITY INTEREST IN PERSONALTY

Without limiting any of the provisions of this Deed of Trust, Grantor, as referred to in this Article X as "**Debtor**," expressly does the following:

A. Grant. Debtor hereby grants unto Beneficiary and its successors and assigns, described herein as Secured Party, and referred to in this Article X as "**Secured Party**", a security interest in Debtor's interest in the Personalty (subject to the Permitted Encumbrances and the security interests and rights granted to Senior Lender).

B. UCC Remedies. Debtor agrees, in addition to any other remedies granted in this Deed of Trust to Secured Party or the Trustee, that Secured Party may, during the existence of any Default, proceed under Chapter 9 of the Texas Uniform Commercial Code (the "**UCC**") as to all or any part of the Personalty and shall have and may exercise with respect to the Personalty all the rights, remedies and powers of a Secured Party under the UCC, including, without limitation, the right and power to sell at public or private sale or sales, or otherwise to dispose of, to lease, or to utilize the Personalty and any part or parts thereof, in any manner authorized or permitted under the UCC after default by a debtor and to apply the proceeds thereof toward payment of any reasonable costs, expenses and attorneys' fees and legal expenses thereby incurred by Secured Party and toward the payment of Debtor's obligations, including the Note and all other Indebtedness described in this Deed of Trust in any order or manner as Secured Party may elect. Among the rights of Secured Party during the existence of a Default, and without limitation, Secured Party shall have the right to take possession of the Personalty and to enter upon any premises where same may be situated for this purpose without being deemed guilty of trespass and without liability for damages thereby occasioned and to take any action deemed necessary or appropriate or desirable by Secured Party, at its option and in its discretion, to repair, refurbish or otherwise prepare the Personalty for sale, lease, or other use or disposition as herein authorized. Debtor agrees that if any notice of sale required under the UCC is mailed, postage prepaid, to Debtor at the address shown herein at least ten (10) days before the time of the sale or disposition, the notice shall be deemed reasonable and shall fully satisfy any requirement for giving of the notice.

If a Default exists, and to the extent it may lawfully do so and without limiting any rights and/or privileges herein granted to Secured Party, Debtor agrees that Secured Party and/or the above Trustee and any Substitute Trustee, may dispose of any or all of the Personalty at the same time and place and after giving the same notice provided for in this Deed of Trust in connection with a nonjudicial foreclosure sale under the terms and conditions set forth in this Deed of Trust. In this connection, Debtor agrees that the sale may be conducted by the Trustee or the Substitute Trustee; that the sale of the Land and Improvements described in this Deed of Trust and the Personalty or any part thereof, may be sold separately and/or together; and that if the Land and Improvements described herein and the Personalty or any part thereof, are sold together, the Secured Party will not be obligated to allocate the consideration received as between the Land and Improvements and the Personalty.

C. Possession. Debtor hereby grants to Secured Party the right, at its option during the existence of a Default to transfer at any time to itself or to its nominee the Personalty, or any part thereof and to receive the monies, income, proceeds or benefits attributable or accruing thereto and to hold the same as security for Debtor's obligations or to apply it on the principal and interest or other amounts owing on any of Debtor's obligations, whether or not then due, in any order or manner as Secured Party may

elect. All rights with respect to marshalling of assets of Debtor, including with respect to the Personality, or to a sale in inverse order of alienation, are hereby waived.

D. Authority. Debtor hereby covenants, stipulates and agrees that all recitals in any instrument of assignment or any other instrument executed by Secured Party incident to the sale, transfer, assignment, lease or other disposition or utilization of the Personality or any part thereof hereunder shall be prima facie evidence of the matters stated therein and all prerequisites of the sale or other action taken by Secured Party or of any fact, condition or thing incident thereto shall be rebuttably presumed to have been performed or to have occurred.

E. Assembly and Expenses. Debtor hereby covenants and agrees that Secured Party, during the existence of a Default, may require Debtor to assemble the Personality and to make it available to Secured Party at a place to be designated by Secured Party that is reasonably convenient to both parties. All reasonable expenses of retaking, holding, preparing for sale, lease, or other use or disposition, selling, leasing or otherwise using or disposing of the Personality and the like that are incurred or paid by Secured Party as authorized or permitted hereunder, including also all attorneys' fees, legal expenses and costs, shall be added to the Indebtedness and Debtor shall be liable therefor.

F. Financing Statement. A carbon, photographic, or other reproduction of this Deed of Trust may be filed as a Financing Statement under the UCC between Debtor and Secured Party whose addresses are set forth below. Except for the security interest granted hereby in the Personality, the security interests and rights in the Personality granted to Senior Lender or otherwise expressly stated in **EXHIBIT B** hereto, Debtor is owner and holder of the Personality free of any adverse claim, security interest or encumbrance, and Debtor will defend the Personality against all claims and demands of any person at any time claiming the same or any interest therein. Debtor has not heretofore signed any financing statement and no financing statement signed by Debtor is now on file in any public office except those statements, true and correct copies of which have been delivered to the Secured Party or in connection with the Senior Note (as defined below). So long as any amount remains unpaid on any Indebtedness described in this Deed of Trust, Debtor will not execute and there will not be filed in any public office any financing statement or statements affecting the Personality other than financing statements in favor of the Senior Lender or Secured Party hereunder, unless the prior written specific consent and approval of Secured Party shall have first been obtained. Debtor authorizes Secured Party to file, in the jurisdiction where this authorization will be given effect, a financing statement signed only by Secured Party covering the Personality and at the request of Secured Party, Debtor will join Secured Party in executing one or more financing statements, pursuant to the UCC in form reasonably satisfactory to Secured Party and will pay the cost of filing the same or filing or recording this Deed of Trust as a financing statement, in all public offices at any time and from time to time whenever filing or recording of any financing statement or of this Deed of Trust is deemed by Secured Party to be necessary or desirable.

ENVIRONMENTAL MATTERS

A. Compliance with Laws. Grantor hereby represents, warrants, covenants and agrees to and with Beneficiary that:

- (i) Grantor will not and will not permit any tenant or occupant of the Property to, generate, store, handle or otherwise deal with hazardous or toxic substances in, on, about or under the Property; and
- (ii) Grantor has not at any time engaged in or permitted, nor, to the best of Grantor's knowledge after reasonable and prudent inquiry, which has consisted of the Phase I report previously delivered to Beneficiary, has any current or former tenant, occupant or owner of the Property, or any portion thereof, engaged in or permitted any generation, storage, handling, dumping, discharge, disposal, spillage or leakage of any hazardous or toxic substances, at, on, or about the Property, or any portion thereof, that would violate applicable environmental laws and regulations or other applicable laws or the City's Minimum Property Standards as set forth in the City Loan Agreement, except as disclosed on the Phase I report previously delivered to Beneficiary.

Notwithstanding the foregoing, Grantor shall be permitted to have such chemicals, materials and supplies on the Property which are normally used in connection with the prudent operation, use, maintenance and ownership of a multi-family unit apartment complex and which are used in compliance with environmental laws.

B. Indemnification. **GRANTOR HEREBY AGREES TO INDEMNIFY, PROTECT, DEFEND (WITH COUNSEL REASONABLY APPROVED BY BENEFICIARY) AND TO HOLD BENEFICIARY, ITS AGENTS, MEMBERS, OFFICERS, REPRESENTATIVES AND ITS EMPLOYEES FREE AND HARMLESS FROM AND AGAINST ANY AND ALL CLAIMS, ACTIONS, ADMINISTRATIVE PROCEEDINGS, JUDGMENTS, DAMAGES, PUNITIVE DAMAGES, PENALTIES, FINES, COSTS, LIABILITIES (INCLUDING SUMS PAID IN SETTLEMENT OF CLAIMS), INTEREST OR LOSSES, INCLUDING REASONABLE ATTORNEYS', CONSULTANTS' AND EXPERTS' FEES AND EXPENSES, OF ANY KIND OR NATURE (COLLECTIVELY, THE "COSTS") THAT ARISE DIRECTLY OR INDIRECTLY, FROM OR IN CONNECTION WITH THE PRESENCE, SUSPECTED PRESENCE, RELEASE OR SUSPECTED RELEASE (A "RELEASE") OF ANY HAZARDOUS OR TOXIC SUBSTANCE, FROM, ON, ABOUT, UNDER OR WITHIN THE PROPERTY, OR ANY PORTION THEREOF WHICH OCCURS DURING OR PRIOR TO SUCH TIME AS GRANTOR OWNS THE PROPERTY. NOTWITHSTANDING THE FOREGOING TO THE CONTRARY, GRANTOR'S LIABILITY HEREUNDER, SUBJECT TO THE DE MINIMIS PROVISIONS OF ARTICLE XIII(A)(ii) ABOVE, SHALL NOT INCLUDE ANY LOSS ARISING OUT OF THE GROSS NEGLIGENCE OR WILLFUL MISCONDUCT OF BENEFICIARY OR ANY EMPLOYEE, AGENT OR REPRESENTATIVE OF BENEFICIARY OR RELEASE OF HAZARDOUS OR TOXIC SUBSTANCES BY BENEFICIARY OR ANY EMPLOYEE, AGENT OR REPRESENTATIVE OF BENEFICIARY AFTER BENEFICIARY HAS TAKEN POSSESSION OF THE PROPERTY.**

C. Remediation. If any investigation or monitoring of site conditions, or any cleanup, containment, restoration, removal or other remedial work (collectively, the "**Remedial Work**") is required under any applicable federal, state or local law or regulation, by any judicial order, or by any governmental entity, or in order to comply with any agreements affecting the Property because of, or in connection with any release of hazardous or toxic substances, Grantor shall perform, or cause to be performed, the Remedial Work in compliance with such law, regulation, order or agreement. All Remedial Work shall be performed by one or more contractors selected by Grantor and approved in advance, in writing, by Beneficiary and under the supervision of a consulting engineer selected by Grantor and approved in

advance, in writing, by Beneficiary. All costs of any Remedial Work shall be paid by Grantor, including, without limitation, the reasonable charges of contractor(s) and/or the consulting engineer and Beneficiary's reasonable attorneys' fees and costs incurred in connection with the monitoring or review of any Remedial Work. If Grantor shall fail to timely commence or cause to be timely commenced, or fail to diligently prosecute to completion, any Remedial Work, then Beneficiary may, but shall not be required to, cause such Remedial Work to be performed and all costs and expenses thereof, or incurred in connection therewith, shall be "**Costs**" within the meaning of Subparagraph B above. All costs shall be due and payable upon demand therefor by Beneficiary, together with interest thereon at the Default Rate provided in the Note from the date such costs are paid by Beneficiary, until the same are refunded to Beneficiary and all such costs and the interest thereon shall be secured hereby.

D. Survival. Notwithstanding anything to the contrary contained herein, or in the Note or Loan Agreement, the obligations of Grantor under this Paragraph XIII shall survive any assumption of the Indebtedness by a successor to Grantor (whether or not the assumption has been approved or disapproved, or whether or not Grantor was released from liability on the Indebtedness), foreclosure of this Deed of Trust (or transfer of the Property in lieu of foreclosure) and release or termination of this Deed of Trust.

XIV.

MISCELLANEOUS

A. No Waiver. No delay by Beneficiary in exercising any right, option or remedy hereunder, or otherwise afforded by law, shall operate as a waiver thereof or preclude the exercise thereof during the continuance of any Default.

B. Cumulative Remedy. All rights and remedies of Beneficiary under this Deed of Trust and any and all other instruments evidencing or securing the Indebtedness, are cumulative and concurrent and may be exercised singularly, successively, or concurrently.

C. No Release. The granting to Grantor or to any other person or party of any extension(s) of time for payment of all or any part of the Indebtedness or the performance of any covenant or agreement contained herein, or the taking of other or additional security for the payment of the whole or any part of the Indebtedness, or the releasing of any part of the security at any time held in connection with the Indebtedness, shall not in any way release Grantor or any other person or party obligated for the payment of the Indebtedness, or release or impair this Deed of Trust or any other security held in connection with the Indebtedness, except to the extent of the person, party or property expressly released in writing by Beneficiary.

D. Severability. If any provision in this Deed of Trust is invalid or unenforceable in whole or in part, this Deed of Trust shall in all other respects remain in full force and effect.

E. Successors and Assigns. All of the provisions hereof shall apply to, inure to the benefit of, and be binding upon Beneficiary and Grantor and their respective successors and assigns (provided the foregoing shall not be construed as consent to any transfer by Grantor of the Property that is not permitted under the Loan Documents).

F. Further Assurances and Corrections. From time to time, at the request of Beneficiary, Grantor will (i) promptly correct any defect, error, or omission which may be discovered in the contents of this Deed of Trust or in any other Loan Document or in the execution or acknowledgment thereof; (ii) execute, acknowledge, deliver, record and/or file such further instruments (including, without limitation, further deeds of trust, security agreements, financing statements, continuation statements and assignments of rents or leases) and perform such further acts and provide such further assurances as may be necessary, desirable, or proper, in Beneficiary's reasonable opinion, to carry out more effectively the purposes of this Deed of Trust and the Loan Documents and to subject to the liens and security interests hereof and thereof

any property intended by the terms hereof or thereof to be covered hereby or thereby, including without limitation, any renewals, additions, substitutions, replacements, or appurtenances to the Property; (iii) execute, acknowledge, deliver, procure, file, and/or record any document or instrument (including without limitation, any financing statement) deemed advisable by Beneficiary to protect the liens and the security interests herein granted against the rights or interests of third persons; and (iv) pay all reasonable costs connected with any of the foregoing.

G. Choice of Law. This Deed of Trust shall be performable and enforced in Harris County, Texas, and shall be construed in accordance with the laws of the State of Texas from time to time in effect except to the extent preempted by the United States federal law. Venue shall be appropriate in Harris County, as applicable.

H. Usury. In no event shall any provision of this Deed of Trust, the Note, the Loan Agreement or any other instrument evidencing or securing the Indebtedness ever obligate Grantor to pay interest on the Note secured hereby at a rate greater than that permitted by law, or obligate Grantor to pay any taxes, assessments, charges, insurance premiums, or other amounts to the extent that the payments constitute interest under applicable law and when added to the interest payable on the Note secured hereby, would be held to constitute the payment by Grantor of interest at a rate greater than that permitted by law; and this provision shall control over any provision to the contrary.

It is expressly stipulated and agreed to be the intent of Grantor and Beneficiary at all times to comply strictly with the applicable Texas law governing the maximum rate or amount of interest payable on the Note or the Indebtedness or applicable United States federal law to the extent that it permits Beneficiary to contract for, charge, take, reserve or receive a greater amount of interest than under Texas law ("Highest Lawful Rate"). If the applicable law is ever judicially interpreted so as to render usurious any amount (i) contracted for, charged, taken, reserved or received pursuant to the Note, any of the other Loan Documents or any other communication or writing by or between Grantor and Beneficiary related to the transaction or transactions that are the subject matter of the Loan Documents, (ii) contracted for, charged or received by reason of Beneficiary's exercise of the option to accelerate the maturity of the Note and/or the Indebtedness, or (iii) Grantor will have paid or Beneficiary will have received by reason of any voluntary prepayment by Grantor of the Note and/or the Indebtedness, then it is Grantor's and Beneficiary's express intent that all amounts charged in excess of the Highest Lawful Rate shall be automatically cancelled, ab initio, and all amounts in excess of the Highest Lawful Rate theretofore collected by Beneficiary shall be credited on the principal balance of the Note and/or the Indebtedness (or, if the Note and all Indebtedness have been or would thereby be paid in full, refunded to Grantor), and the provisions of the Note and the other Loan Documents immediately be deemed reformed and the amounts thereafter collectible hereunder and thereunder reduced, without the necessity of the execution of any new document, so as to comply with the applicable law, but so as to permit the recovery of the fullest amount otherwise called for hereunder and thereunder. Grantor hereby agrees that as a condition precedent to any claim seeking usury penalties against Beneficiary, Grantor will provide written notice to Beneficiary, advising Beneficiary in reasonable detail of the nature and amount of the violation, and Beneficiary shall have sixty (60) days after receipt of such notice in which to correct such usury violation, if any, by either refunding such excess interest to Grantor, or crediting such excess interest against the Note and/or the Indebtedness then owing by Grantor to Beneficiary. All sums contracted for, charged or received by Beneficiary for the use, forbearance or detention of any debt evidenced by the Note and/or the Indebtedness shall, to the extent permitted by applicable law, be amortized or spread, using the actuarial method, throughout the stated term of the Note and/or the Indebtedness (including any and all renewal and extension periods) until payment in full so that the rate or amount of interest on account of the Note and/or the Indebtedness does not exceed the Highest Lawful Rate from time to time in effect and applicable to the Note and/or the Indebtedness for so long as debt is outstanding. In no event shall the provisions of Chapter 346 of the Texas Finance Code (which regulates certain revolving credit loan accounts and revolving triparty accounts) apply to the Note and/or the Indebtedness. Notwithstanding anything to the contrary contained herein or in any of the other Loan Documents, it is not the intention of Beneficiary to accelerate the maturity of any interest that has not accrued at the time of such acceleration or to collect unearned interest at the time of such acceleration.

I. Covenants Run with the Land. All obligations contained in this Deed of Trust and the other Loan Documents are intended by Grantor, Beneficiary and Trustee to be, and shall be construed as, covenants running with the Property until the lien of this Deed of Trust has been fully released by Beneficiary.

J. JURY WAIVER. GRANTOR AND BENEFICIARY ACKNOWLEDGE THAT THE RIGHT TO TRIAL BY JURY IS A CONSTITUTIONAL ONE, BUT THAT IT MAY BE WAIVED, EACH PARTY, AFTER CONSULTING (OR HAVING HAD THE OPPORTUNITY TO CONSULT) WITH COUNSEL OF THEIR CHOICE, KNOWINGLY AND VOLUNTARILY, AND FOR THEIR MUTUAL BENEFIT, WAIVES ANY RIGHT TO TRIAL BY JURY IN THE EVENT OF LITIGATION REGARDING THE PERFORMANCE OR ENFORCEMENT OF, OR IN ANY WAY RELATED TO, THIS NOTE, THE INDEBTEDNESS OR THIS DEED OF TRUST.

K. Entire Agreement. THIS DEED OF TRUST, TOGETHER WITH THE NOTE AND LOAN AGREEMENT, THE OTHER LOAN DOCUMENTS, AND THE RESTRICTIVE COVENANTS CONSTITUTE A WRITTEN LOAN AGREEMENT AS DEFINED IN SECTION 26.02 OF THE TEXAS BUSINESS AND COMMERCE CODE. THIS WRITTEN LOAN AGREEMENT CONSTITUTES THE FINAL AGREEMENT BETWEEN THE PARTIES AND MAY NOT BE CONTRADICTED BY EVIDENCE OF PRIOR, CONTEMPORANEOUS OR SUBSEQUENT ORAL AGREEMENTS OF THE PARTIES. THERE ARE NO UNWRITTEN ORAL AGREEMENTS BETWEEN THE PARTIES.

L. Subordination. It is the intent of Beneficiary and Grantor that the indebtedness evidenced by the Note shall be subordinate in right of payment to the prior payment in full of the indebtedness evidenced by a Construction Loan Note in the maximum principal amount of up to \$11,891,758.00 AND NO/100 DOLLARS (\$4,500,000.00) (the "**Senior Note**") to be issued by Grantor and payable to Senior Lender, or order, to the extent and in the manner provided in the certain Intercreditor Agreement and upon closing the Permanent Senior Loan, the subordination agreement in substantially the form of Exhibit C attached to the Intercreditor Agreement (the "**Permanent Subordination Agreement**"). This Deed of Trust and all of the other Loan Documents (excluding the Restrictive Covenants) are and shall be subject and subordinate in all respects to the liens, terms, covenants and conditions of the Senior Mortgage to the extent set forth in the Intercreditor Agreement and Permanent Subordination Agreement, respectively (collectively, the "**Senior Loan Subordination**"). The rights and remedies of the Beneficiary and each subsequent holder of the Note and this Deed of Trust are subject to the restrictions and limitations set forth in the Senior Loan Subordination. Each subsequent holder of this Deed of Trust shall be deemed, by virtue of such holder's acquisition of the Note, to have agreed to perform and observe all of the terms, covenants and conditions to be performed or observed by Beneficiary under the Senior Loan Subordination.

M. Extended Low Income Housing Commitment. Pursuant to the terms of that Collateral Assignment of Note and Liens dated of even date herewith executed by Beneficiary for the benefit of the City (the "**Collateral Assignment**"), the City agreed that the liens securing the City Loan and evidenced by this Deed of Trust and collaterally assigned to the City pursuant to the Collateral Assignment shall be subordinate to any extended low income housing commitment (as such term is defined in Section 42(h)(6)(B) of the Internal Revenue Code) (the "**Extended Use Agreement**") recorded against the Land; provided that such Extended Use Agreement, by terms, must terminate upon foreclosure under this Deed of Trust or upon a transfer of the Land by instrument in lieu of foreclosure, in accordance with Section 42(h)(6)(E) of the Internal Revenue Code. The City's Restrictive Covenants shall not be subordinate to any extended low income housing commitment as such term is defined in the Extended Use Agreement.

NOTE

\$11,900,000.00

_____, 2021

I. PROMISE TO REPAY.

FOR VALUE RECEIVED, Connect South Apts, LP, a Texas limited partnership ("Maker"), hereby agrees and promises to pay to the order of **My Connect Community**, a Texas nonprofit corporation ("Payee"), at 6700 Bellaire Boulevard, Houston, Texas 77074, Attn: Anne Whitlock, Executive Director, or at any other place as the holder hereof may from time to time in writing designate, on the times hereinafter provided, in coin or currency, which at the time of payment shall constitute legal tender of the United States of America, the principal sum of ELEVEN MILLION NINE HUNDRED THOUSAND AND NO/100 DOLLARS (\$11,900,000.00) or so much thereof as may be advanced, together with interest thereon at the rate of ONE percent (1.0%) per annum as further delineated below.

The loan ("Loan") evidenced by this Note is subject to the terms and conditions of that one certain Loan Agreement (Borrower/Owner) ("Owner Loan Agreement") between Maker and Payee of even date herewith which incorporates the terms and conditions of a Loan Agreement between the City of Houston ("City"), Maker and Payee dated _____, 2022 ("City Loan Agreement"). All capitalized terms used but not defined in this Note have the same meanings as assigned to such terms in the Owner Loan Agreement.

II. TERM.

The term of the Loan shall commence on the date of this Note ("Closing Date") and shall mature on the last day of the Affordability Period as defined in the City Loan Agreement (the "Maturity Date"). This Note is secured by and entitled to the benefits of a Leasehold Deed of Trust, Security Agreement and Financing Statement of even date herewith ("Deed of Trust") executed by Maker to Keith W. Bynam, Trustee, covering Maker's leasehold interest in the Property (as defined in the Deed of Trust).

III. PAYMENTS.

The unpaid principal balance of the Note together with accrued interest thereon shall be due and payable on the Maturity Date. Upon the event of a Default that remains uncured beyond any applicable cure period, the Payee may declare the outstanding deferred principal balance to be immediately due and payable, without notice or opportunity to cure except as provided in the Loan Documents (as defined in the City Loan Agreement) or other legal requirements. Until Project Completion, no interest will accrue on the Loan. Following the Project Completion, the outstanding principal balance of this Note shall accrue interest at the rate of one percent (1%) per annum.

Following the expiration of the Approved Construction Period and continuing until the Maturity Date, simple interest shall accrue at the rate of one percent (1.0%) per annum on the outstanding principal balance of this Note and Maker shall pay an annual installment equal to the lesser of (i) one percent (1%) annually on the outstanding balance of the Loan, plus accrued unpaid interest, if any, or (ii) fifty percent (50%) of Net Cash Flow (each, an "Annual Installment"). The first Annual Installment, or the non-payment thereof, shall be due on June 1, 2025, and an Annual Installment, or the non-payment thereof, shall be due on the first day of each June thereafter until the Maturity Date, and shall be accompanied by evidence acceptable to the Director documenting available Net Cash Flow or lack of available Net Cash Flow.

For purposes of this provision Net Cash Flow as defined as follows:

Net Cash Flow shall mean all income and revenues actually received by Owner from the lease of the Project Units and other improvements, and all other income and revenues

actually received by Owner in connection with the Project, excluding and deducting therefrom all (1) Operating Expenses, including without limitation any debt service payments related to the Senior Loan and the Subordinate Loan (but not any other subordinate loans except as set forth in Item 13 below); (2) security, pet or cleaning deposits, if any; (3) payments from the Replacement Reserve or from Operating Reserves; (4) payments or reimbursements from insurers or other third parties and used or to be used for restoration, repair or remodeling of any of the Project Units or other improvements; (5) capital contributions, grants, proceeds of any permitted sale, transfer, exchange, refinancing or other disposition or encumbrance of all or a portion of the Project; (6) condemnation proceeds and awards in place of them; (7) tax reduction or abatement proceeds; (8) loan proceeds; (9) deposits made to operating reserves and to the replacement operating reserves; (10) payments of the deferred developer fee; (11) costs of residential services; (12) social services fees; and (13) any tax credit adjustments, any asset management fees due to either the Tax Credit Investor or a limited partner to the extent such fee is authorized under the Approved Final Operating Budget and loans from a partner of Owner related to the Project (to the extent that repayment of such loan (a) is not secured by the Project and (b) is made for the purposes of covering assumed tax liability, tax credit shortfalls and operating deficits under the Approved Final Operating Budget for the applicable year and not for the purposes of facilitating distributions to the partners of Owner).

IV. DEFAULT; ACCELERATION.

If a Default exists and is continuing beyond the expiration of all applicable notice and cure periods, the entire debt represented by this Note, consisting of the outstanding principal balance and all accrued interest thereon, shall, at the option of the holder hereof, become immediately due and payable, and except as otherwise provided herein or in any of the other Loan Documents, without notice, presentment for payment, demand, notice of nonpayment, notice of intention to accelerate, acceleration, or other notices of any type which are specifically waived, time being of the essence hereof. Payee's rights under this paragraph shall be in addition to any other rights or remedies it may have under the Owner Loan Agreement and any other loan documents executed in connection therewith that evidence, govern and/or secure the Loan ("Loan Documents"), at law or in equity, to enforce Maker's obligations under the Loan Documents. At Payee's option during the continuance of any Default, interest shall accrue on the outstanding balance of this Note at a rate equal to the lower of six percent (6%) per annum or the highest annual rate permitted by applicable law ("Default Rate"). For purposes of this Note, the term "Default" shall mean a default in payment of the Note or under the terms of this Note, the Deed of Trust, the Owner Loan Agreement, the City Loan Agreement or any other Loan Document securing or evidencing the Loan that is continuing past the expiration of all applicable notice and cure periods. Should the terms of this paragraph IV conflict with the Intercreditor Agreement (as such term is Defined in the City Loan Agreement), the terms of the Intercreditor Agreement shall control in all respects.

V. PREPAYMENT/MODIFICATION.

THIS NOTE MAY NOT BE MODIFIED WITHOUT THE PRIOR WRITTEN CONSENT OF THE PAYEE, WHICH CONSENT MAY BE WITHHELD OR GRANTED IN THE SOLE DISCRETION OF THE PAYEE.

VI. APPLICATION OF PAYMENTS.

Each payment made on this Note shall be credited first to accrued, unpaid interest and the remainder to principal.

VII. WAIVER.

Maker hereby waives presentment for payment, protest and demand, notice of protest, demand and dishonor, and non-payment of this Note, and except as otherwise specified in any of the Loan Documents, waives notice of acceleration, and notice of intent to accelerate, and hereby consents that the holder hereof may extend the time of payment or otherwise modify the terms of payment of any part or the whole of the debt evidenced by this Note, at the request of any other person liable hereon, and such consent shall not alter nor diminish the liability of any person. The failure to exercise any remedy available to Payee shall not be deemed to be a waiver of any rights or remedies of Payee under this Note or under any of the other Loan Documents, or at law or in equity. No extension of the time for the payment of this Note or any installment due hereunder, made by agreement with any person now or hereafter liable for the payment of this Note, shall operate to release, discharge, modify, change or affect the original liability of Maker under this Note, either in whole or in part, unless Payee specifically, unequivocally and expressly agrees otherwise in writing. This Note may not be changed orally, but only by an agreement in writing signed by the party against whom enforcement of any waiver, change or modification is sought.

VIII. COSTS OF COLLECTION; ATTORNEYS' FEES.

Maker agrees to pay all costs of collection, including reasonable attorneys' fees, if the principal of this Note or any payment on the principal or interest hereon is not paid at the respective maturity and to pay all reasonable costs including, attorneys' fees and court costs, if it becomes necessary to protect the security hereof, whether suit be brought or not, if a Default exists.

IX. USURY LIMITATIONS.

No provision of the Owner Loan Agreement, this Note, or any of the other Loan Documents, shall require the payment or permit the collection of interest in excess of the maximum rate permitted by applicable law (the "Maximum Rate"). If any excess of interest in such respect is herein or in any other instrument provided for, or shall be adjudicated to be so provided for herein or in any other instrument, the provisions of this paragraph shall govern and neither Maker nor any guarantor or endorser of this Note nor their respective heirs, personal representatives, successors, or assigns shall be obligated to pay such interest to the extent it is in excess of the Maximum Rate. Any fees or other sums that under applicable law are deemed to constitute interest shall be or other sums so deemed interest shall be amortized, prorated, allocated and spread in equal parts over the full stated term of the loan evidenced hereby.

If the maturity of this Note is accelerated for any reason before the Maturity Date, or in the event of any prepayment by Maker, or in any other event, earned interest may never exceed the Maximum Rate, computed from the date of disbursement of the Loan until payment, and any unearned interest otherwise payable hereunder that is in excess of the Maximum Rate shall be cancelled automatically as of the date of the acceleration, prepayment, or other event, and if previously paid, shall at the option of the holder of this Note be either refunded to Maker or credited on the principal of this Note, provided that, if the holder elects to credit the unearned interest on the principal of this Note, and such unearned interest exceeds the principal balance, the excess shall be refunded to Maker. Any interest computation under this Note and the Owner Loan Agreement shall be at not more than the Maximum Rate upon the portion of the face amount hereof representing principal that remains unpaid from time to time, it being the intention of the parties hereto to conform strictly to the laws applicable to the loan evidenced by this Note and the Owner Loan Agreement, and should it be held that interest payable under this Note and the Owner Loan Agreement is in excess of the Maximum Rate, the interest chargeable hereunder shall be reduced to the maximum amount permitted by law.

X. RESERVED**XI. GOVERNING LAW AND VENUE**

This Note is made in the State of Texas and shall be governed by and construed in accordance with the internal laws of the State of Texas, without regard to conflicts of laws principles. Venue for any disputes relating in any way to this Note shall lie exclusively in Harris County, Texas

XII. SUCCESSORS

This Note shall be binding upon the parties hereto and their respective successors and assigns.

XIII. JURY WAIVER

MAKER AND PAYEE ACKNOWLEDGE THAT THE RIGHT TO TRIAL BY JURY IS A CONSTITUTIONAL ONE, BUT THAT IT MAY BE WAIVED, EACH PARTY, AFTER CONSULTING (OR HAVING HAD THE OPPORTUNITY TO CONSULT) WITH COUNSEL OF THEIR CHOICE, KNOWINGLY AND VOLUNTARILY, AND FOR THEIR MUTUAL BENEFIT, WAIVES ANY RIGHT TO TRIAL BY JURY IN THE EVENT OF LITIGATION REGARDING THE PERFORMANCE OR ENFORCEMENT OF, OR IN ANY WAY RELATED TO, THIS NOTE OR THE INDEBTEDNESS.

XIV. ENTIRE AGREEMENT

THIS WRITTEN LOAN AGREEMENT (AS DEFINED BY SECTION 26.02 OF THE TEXAS BUSINESS AND COMMERCE CODE) AND THE OTHER LOAN DOCUMENTS REPRESENT THE FINAL AGREEMENT BETWEEN THE PARTIES AND MAY NOT BE CONTRADICTED BY EVIDENCE OF PRIOR, CONTEMPORANEOUS OR SUBSEQUENT ORAL AGREEMENTS OF THE PARTIES. THERE ARE NO UNWRITTEN ORAL AGREEMENTS BETWEEN THE PARTIES.

XV. BANKRUPTCY PREFERENCES

If at any time any payment received by Payee hereunder shall be deemed by a court of competent jurisdiction to have been a voidable preference or fraudulent conveyance under any Debtor Relief Law (as defined below), then the obligation to make such payment shall survive any cancellation or satisfaction of this Note or return thereof to Payee and shall not be discharged or satisfied with any prior payment thereof or cancellation of this Note, but shall remain a valid and binding obligation enforceable in accordance with the terms and provisions hereof, and such payment shall be immediately due and payable upon demand. For purposes of this Note, "**Debtor Relief Law**" shall mean Title 11 of the United States Code, as now or hereafter in effect, or any other applicable law, domestic or foreign, as now or hereafter in effect, relating to bankruptcy, insolvency, liquidation, receivership, reorganization, arrangement or composition, extension or adjustment of debts or similar laws affecting the rights of creditors.

THAT My Community Connect, a Texas nonprofit corporation ("**Assignor**"), to be effective as of _____, 2022, has collaterally TRANSFERRED AND ASSIGNED and by these presents does hereby collaterally TRANSFER AND ASSIGN unto CITY OF HOUSTON ("**Assignee**") a security interest (the "**Security Interest**") in all right, title and interest of Assignor in and to (a) the Promissory Note listed on Exhibit A attached hereto (the "**Collateral Note**"), (b) that Leasehold Deed of Trust, Security Agreement and Financing Statement dated of even date herewith executed by Connect South Apts, LP ("**Owner**"), for the benefit of Assignor (the "**Deed of Trust**", and all documents and instruments securing, governing or evidencing the loan evidenced by the Collateral Note, collectively, the "**Collateral Loan Documents**"), and (c) all of the liens and security interests granted to Assignor in the Collateral Loan Documents or otherwise securing the Collateral Note (collectively, the "**Collateral Liens**"); and, further, Assignor hereby collaterally TRANSFERS AND ASSIGNS unto Assignee a security interest in all of the rights, privileges, securities, equities, powers, benefits, claims, priorities, demands, titles, or interests now owned or held by Assignor in and to the Collateral Note, the Collateral Loan Documents, and the Collateral Liens.

This Collateral Assignment is made to secure performance of Assignor's obligations under and pursuant to that certain Loan Agreement (the "**Loan Agreement**") dated _____, 2022 between Assignor, Assignee and Owner, including, without limitation, all renewals, replacements, rearrangements, substitutions, restatements, and extensions now or hereafter executed in connection therewith.

Assignor represents and warrants to Assignee that (A) Assignor is the sole legal and equitable owner and holder of the Collateral Note and the indebtedness evidenced thereby, (B) Assignor has not assigned, mortgaged, pledged, hypothecated or otherwise transferred its right, title or interest in and to the Collateral Note, any indebtedness evidenced thereby, the Collateral Loan Documents or any of the Collateral Liens to any party other than Assignee, (C) the Collateral Note is in all respects current and in good standing and is not overdue or subject to any credits or offsets, (D) neither the maker of the Collateral Note, nor any surety or guarantor of the Collateral Note, has raised any counterclaim, defense, allowance, adjustments, dispute, objection, or complaint regarding their respective liability on any of the Collateral Note or under any Collateral Loan Document, (E) the Collateral Note and the Collateral Loan Documents have not been amended, altered, or modified since the date of the execution thereof, (F) no default, or event which with notice, lapse of time, or both would constitute a default, under the Collateral Note or the Collateral Loan Documents has occurred, and (G) Assignor has the full right and authority to sell, assign, pledge, mortgage, hypothecate, transfer and grant a security interest in the Collateral Note, the Collateral Loan Documents, and the Collateral Liens.

When a Default exists under and as defined in the Loan Agreement, Assignee shall, in addition to the rights and remedies provided for (i) in the Loan Agreement, (ii) in the Loan Documents (as defined in the Loan Agreement), (iii) in the Collateral Note, (iv) any of the Collateral Loan Documents, and (v) at law

or in equity, have the right to sell the Collateral Note in any manner afforded to Assignee under the laws of the State of Texas including the exercise of all rights of a secured creditor under the UCC as defined below. The proceeds of the sale shall be applied toward the payment of all sums due and unpaid pursuant to the Loan Agreement.

The requirement of notice to Assignor of the time and place of any public sale of the Collateral Note, or of the time after which any private sale or any other intended disposition thereof is to be made, shall be met if such notice is mailed, postage prepaid, to Assignor at the following address:

By accepting delivery of this Collateral Assignment, Assignee agrees that the Collateral Liens, including those evidenced by the Deed of Trust, are and shall be subordinate to any extended low income housing commitment (as such term is defined in Section 42(h)(6)(B) of the Internal Revenue Code, as amended (the "**Extended Use Agreement**") recorded against the Land (as defined in the Deed of Trust); provided that such Extended Use Agreement, by its terms, must terminate upon foreclosure under the Deed of Trust or upon a transfer of the Land by instrument in lieu of foreclosure, in accordance with Section 42(h)(6)(E) of the Internal Revenue Code. The Restrictive Covenants dated of even date hereof executed by Owner for the benefit of the City shall not be subordinate to any extended low income housing commitment as such term is defined in the Extended Use Agreement.

THIS COLLATERAL ASSIGNMENT CONSTITUTES THE ENTIRE AGREEMENT WITH RESPECT TO THE SUBJECT HEREOF AND SHALL SUPERSEDE ANY PRIOR AGREEMENT BETWEEN THE PARTIES, WHETHER WRITTEN OR ORAL, RELATING TO THE SUBJECT HEREOF. FURTHERMORE, IN THIS REGARD, THIS AGREEMENT AND THE OTHER WRITTEN LOAN DOCUMENTS REPRESENT, COLLECTIVELY, THE FINAL AGREEMENT AMONG THE PARTIES THERETO AND MAY NOT BE CONTRADICTED BY EVIDENCE OF PRIOR, CONTEMPORANEOUS, OR SUBSEQUENT ORAL AGREEMENT OF SUCH PARTIES. THERE ARE NO UNWRITTEN ORAL AGREEMENTS BETWEEN THE PARTIES.

Construction Completion Guaranty

CONSTRUCTION COMPLETION GUARANTY

This Construction Completion Guaranty ("**Guaranty**") is made to be effective as of _____, 2022, by the undersigned, **BRINSHORE DEVELOPMENT, L.L.C.**, an Illinois limited liability company (whether one or more, collectively, jointly and severally, hereinafter referred to as "**Guarantor**"), in favor of the **CITY OF HOUSTON, TEXAS**, a home-rule city organized under the laws of the State of Texas ("**City**"), and is a guarantee of certain obligations of **My Connect Community**, a Texas nonprofit corporation ("**Borrower**"), and **Connect South Apts, LP**, a Texas limited partnership ("**Owner**") (Borrower and Owner sometimes herein collectively referred to as "**Third Parties**").

R E C I T A L S:

WHEREAS, Third Parties have requested that the City enter into a certain Loan Agreement ("**Agreement**") of substantially even date herewith, by and between Borrower, Owner and the City, pursuant to which the City is being requested to lend to Borrower an amount not to exceed ELEVEN MILLION NINE HUNDRED THOUSAND AND NO/100 DOLLARS (\$11,900,000.00) ("**Loan**") to pay for eligible costs in connection with the development of a 77-unit apartment complex (collectively, the "**Improvements**") upon certain real property leased by Owner and located in Harris County, Texas ("**Premises**") (the Premises and the Improvements are hereinafter referred collectively to from time to time as, the "**Project**");

WHEREAS, Borrower's obligations to the City are evidenced by a certain Note executed by Borrower ("**Note**") of even date herewith and are secured, in part, by (i) a Fee Deed of Trust Security Agreement and Financing Statement executed by My Connect Community, a Texas non-profit for the benefit of the City covering the Project; and (ii) a certain Collateral Assignment of Note and Liens executed by Borrower assigning Borrower's right, title and interest in and to a loan made by Borrower to Owner in the maximum principal amount of the Loan, together with a Leasehold Deed of Trust, Security Agreement and Financing Statement (collectively with the Fee Deed of Trust, the "**Deed of Trust**") covering the Project, and all of the documents evidencing, securing, guaranteeing or governing the Loan, are sometimes referred to collectively as the "**Loan Documents**"; and

WHEREAS, the City is unwilling to enter into the Agreement and to make the Loan unless Guarantor delivers this Guaranty to the City.

NOW, THEREFORE, in consideration of the foregoing and in order to induce the City to enter into the Agreement and to make the Loan to Borrower subject to the terms and conditions of the Agreement, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, and further acknowledging that the City intends to rely on the guaranty of Guarantor hereunder, the City and Guarantor hereby agree as follows:

1. **DEFINITIONS AND INTERPRETATIONS.** As used herein, the following capitalized terms shall have the following meanings:

"**Borrower**" shall mean Borrower and its successors and assigns.

"**Completion Date**" shall mean the date on which the Director executes the Certificate of Completion (as defined in the Agreement) and that the Guaranteed Obligations have been satisfied in full.

"Guarantor" shall mean and refer to each and all of the undersigned parties signing this Guaranty as Guarantor; and the liability of said parties for the performance of the covenants, duties and obligations of Guarantor hereunder shall be joint and several.

"Owner" shall mean Owner and its successors and assigns.

"Third Parties" shall mean Third Parties, as defined in the opening paragraph of this Guaranty, and their respective successors and assigns.

Capitalized words and phrases that are used herein and not defined herein shall have the meaning ascribed to them in the Agreement. Any defined term used in the plural shall refer to all members of the relevant class, and any defined term used in the singular shall refer to any of the members of the relevant class. Any defined term used herein that is a document, instrument, drawing, survey, map, plan, technical description or other writing, and any other reference herein to a writing, shall include the original of such writing and any and all amendments, supplements, modifications, renewals, extensions, restatements, reinstatements, rearrangements, enlargements, or replacements of or to the same from time to time.

2. **OBLIGATIONS GUARANTEED.** In consideration of the City entering into the Agreement and agreeing to make the Loan, and upon the terms and provisions hereof, Guarantor hereby irrevocably, jointly and severally, absolutely and unconditionally warrants and guarantees to the City the payment and performance of the following (the **"Guaranteed Obligations"**), when due, whether by their terms, by acceleration, or otherwise: (a) that Third Parties shall cause construction of the Project to be completed on or before the Completion Date, which shall be twenty-four (24) months after the Closing of the Loan (subject to extensions for Force Majeure not to exceed sixty (60) days) or (ii) the expiration date of the GLO Contract (as defined in the Agreement) and construction shall be commenced within 30 days after Closing, with time being of the essence for both deadlines; (b) that Third Parties shall cause the Project to be constructed and completed in accordance with the Loan Documents and all requirements of any governmental authority without material deviation unless approved by the City, in writing, or specifically permitted by applicable provisions of the Agreement; (c) that Third Parties shall cause the Project to be constructed and completed free and clear of all liens (except for liens that have been bonded as provided in the Loan Documents) other than those in favor of the Borrower (as collaterally assigned to City), Senior Lender, or as otherwise specifically permitted under the terms of the Deed of Trust; (d) that Owner shall strictly comply with the environmental covenants, representations and warranties contained in the Deed of Trust and (e) that Third Parties shall cause all costs of constructing the Project, including, but not limited to, all debt service and all operating deficits, to be paid when due, including without limitation, all costs in excess of those set forth in the Approved Final Project Budget (as defined in the Agreement) whether resulting from: (i) change orders; (ii) delays in obtaining any approvals from any governmental authority that are required for the construction, use, or occupancy of the Project (collectively, the **"Approvals"**); or (iii) otherwise. Guarantor further guarantees the payment and performance of the Guaranteed Obligations whether or not the same arise during or after the time that Owner is the owner of the Premises, whether subsequent owners of the Premises acquire the Premises by voluntary or involuntary means, by foreclosure or deed in lieu of foreclosure, or otherwise and notwithstanding that other persons or entities (each a **"person"** or a **"Person"**) may be the subsequent owners of the Premises.

3. **CONSIDERATION.** Guarantor acknowledges that Guarantor has made this Guaranty to induce the City to make advances to Borrower of the Loan and that the City is making such advances to Borrower in reliance upon this Guaranty and would not make such advances without the appropriate execution and delivery of this Guaranty.

Guarantor represents and warrants to the City that Guarantor has a financial interest in Third Parties and will receive substantial economic benefit by reason of the City extending the Loan to Borrower, provided, however, that Guarantor's liability hereunder shall not be affected or impaired by such Guarantor's disposition or loss of its financial interest in Third Parties or by reason of the City's refusal in accordance with the terms of the Loan Documents to make Loan advances to Borrower.

4. **OBLIGATIONS OF GUARANTOR UPON DEFAULT.** If a Default exists that is a failure by any party to pay or to perform any part of the Guaranteed Obligations when due, Guarantor shall, within ten (10) business days after written demand of the City to Guarantor (a) cure such failure to pay and/or commence to perform diligently, continuously and in good faith the applicable part of the Guaranteed Obligations and complete same in the time frames required under the Loan Documents; (b) diligently procure completion of the Project at Guarantor's sole cost and expense and in the time frames required under the Loan Documents; (c) fully pay and discharge all claims, including for labor performed and material and services furnished in connection with the construction of the Project, subject to the provisions of the Loan Documents, including the right thereunder to contest or bond such claims; and (d) pay the City (x) all reasonable attorneys' fees and other costs the City incurs in enforcing the performance or the payment of the Guaranteed Obligations, with interest at the Default Rate (as defined in the Note), and/or (y) any and all sums the City has advanced to satisfy portions of the Guaranteed Obligations pursuant to the Agreement. The City agrees that: (i) in the event that and so long as Guarantor is not in default of the terms, conditions, provisions, and obligations hereunder beyond all applicable notice, grace, and cure periods; (ii) in the event that and so long as Guarantor is timely paying or performing the Guaranteed Obligations as required herein based on the written request of the City and without the requirement of any legal proceeding to enforce the same; and (iii) after Guarantor commences and diligently and continuously continues, in good faith, to pay or perform the applicable portion of the Guaranteed Obligations after written request of the City and Guarantor has provided the City with evidence satisfactory to the City that such Guaranteed Obligations are being timely performed, lien-free (or bonded around) and in strict accordance with the Loan Documents, there is no further uncured Default by Third Parties under the Agreement or the other Loan Documents or uncured failure by Guarantor in payment or performance of the Guaranteed Obligations hereunder, the City shall continue to advance any Loan funds then available pursuant to the provisions of the Agreement as if no Default had occurred and shall not institute foreclosure proceedings under the Deed of Trust or charge interest at the rate under the Note during the period after which Guarantor first pays or performs the applicable portion of the Guaranteed Obligations (which portion is sufficient to the City to evidence that the Guaranteed Obligations will be timely completed in strict accordance with the Loan Documents) after written request of the City and prior to the date that one of the conditions described in items (i), (ii), and (iii) is no longer met. It is expressly understood and agreed that the City may institute such foreclosure proceedings and/or charge interest at the Default Rate under the Note, notwithstanding Guarantor's compliance and timely performance hereunder, should any Default exist that is not cured promptly after: (a) receipt by Guarantor of notice thereof, or (b) a demand by the City to Guarantor pursuant to this Section 4. **ANYTHING IN THIS GUARANTY TO THE CONTRARY NOTWITHSTANDING, GUARANTOR FURTHER AGREES TO INDEMNIFY AND HOLD HARMLESS THE CITY AGAINST ANY LOSS, DAMAGE, COST OR EXPENSE (INCLUDING WITHOUT LIMITATION, REASONABLE ATTORNEYS' FEES AND COSTS) THAT THE CITY MAY SUFFER OR INCUR BY REASON OF THE BREACH OR FAILURE OF GUARANTOR'S UNDERTAKINGS AND AGREEMENTS PURSUANT TO THIS GUARANTY.**

5. **TERMINATION.** The obligations of Guarantor hereunder shall terminate on the Completion Date as defined herein.

6. **CONTINUING GUARANTY.** This is a continuing Guaranty, and shall apply to and cover all of the Guaranteed Obligations and all renewals and extensions thereof until the termination date of Guarantor's obligations hereunder as established pursuant to Section 5 hereof

7. **INDEPENDENT OBLIGATION; BANKRUPTCY OF BORROWER OR OWNER.** The Guaranteed Obligations of Guarantor hereunder are independent of the obligations of Third Parties, or any other person; and the City may enforce any of the City's rights hereunder independently of any other right or remedy that the City may at any time hold with respect to the Guaranteed Obligations or any security or other guaranty therefor. Without limiting the generality of the foregoing, the City may bring a separate action against Guarantor without first proceeding against Third Parties, any other guarantor or any other person, or any security held by the City, and regardless of whether Third Parties or any other guarantor or any other Person is joined in any such action. The City's rights hereunder shall not be exhausted by any action taken by the City until all Guaranteed Obligations have been fully paid and performed or until the Guaranteed Obligations hereunder terminate pursuant to Section 5 hereof.

The liability of Guarantor hereunder shall be reinstated and revived, and the rights of the City shall continue, with respect to any amount at any time paid on account of the Guaranteed Obligations that shall thereafter be required to be restored or returned by the City upon the bankruptcy, insolvency, or reorganization of Third Parties, any other guarantor or any other person liable for the Guaranteed Obligations, or otherwise, all as though such amount had not been paid. In any bankruptcy or other proceeding in which the filing of claims is required by law, Guarantor shall file all claims which Guarantor may have against Borrower and/or Owner relating to any indebtedness of Borrower and/or Owner to Guarantor and shall assign to the City all rights of Guarantor thereunder. If Guarantor does not file any such claim, the City, as attorney-in-fact for Guarantor, is hereby authorized to do so in the name of Guarantor or, in the City's sole discretion, to assign the claim to a nominee and to cause proof of claim to be filed in the name of the City's nominee. The foregoing power of attorney is coupled with an interest and cannot be revoked. The City or its nominee shall have the right, in its reasonable discretion, to accept or reject any plan proposed in such proceeding and to take any other action which a party filing a claim is entitled to do. In all such cases, whether in administration, bankruptcy or otherwise, the person or persons authorized to pay such claim shall pay to the City the amount payable on such claim and, to the full extent necessary for that purpose, Guarantor hereby assigns to the City all of Guarantor's rights to any such payments or distributions; provided, however, Guarantor's obligations hereunder shall not be satisfied except to the extent that the City receives cash by reason of any such payment or distribution. If the City receives anything hereunder other than cash, the same shall be held as collateral for amounts due under this Guaranty. If all or any portion of the Guaranteed Obligations are paid or performed, the Guaranteed Obligations hereunder shall continue and shall remain in full force and effect in the event that all or any part of such payment or performance is avoided or recovered directly or indirectly from the City as a preference, fraudulent transfer or otherwise under the Bankruptcy Code or other similar laws, irrespective of (a) any notice of revocation given by Guarantor prior to such avoidance or recovery, or (b) full payment and performance of all of the indebtedness and obligations evidenced and secured by the Loan Documents.

8. **WAIVER.** Except as otherwise provided in this Guaranty and/or the other Loan Documents, Guarantor hereby waives: (a) any defense based upon any legal disability or other defense of Borrower, any other guarantor or other person, or by reason of the cessation or limitation of the liability of Borrower or Owner from any cause other than full payment and performance of those obligations of Borrower or Owner which are Guaranteed Obligations; (b) any defense based upon any lack of authority of the officers, directors, partners, managers,

members or agents acting or purporting to act on behalf of Borrower, Owner or any principal of Borrower or Owner or any defect in the formation of Borrower or Owner or any principal of Borrower or Owner; (c) any defense based upon the application by Borrower of the proceeds of the Loan for purposes other than the purposes represented by Borrower to the City or intended or understood by the City or Guarantor; (d) any and all rights and defenses arising out of an election of remedies by the City, even though that election of remedies has destroyed Guarantor's rights of subrogation or reimbursement against the principal; (e) any defense based upon the City's failure to disclose to Guarantor any information concerning Borrower's financial condition or any other circumstances bearing on Borrower's ability to pay and perform its obligations under the Note or any of the other Loan Documents or upon the failure of any other principals of Borrower to guaranty the Loan; (f) any defense based upon any statute or rule of law which provides that the obligation of a surety must be neither larger in amount nor in any other respects more burdensome than that of a principal; (g) any defense based upon the City's election, in any proceeding instituted under the Federal Bankruptcy Code, of the application of Section 1111(b)(2) of the Federal Bankruptcy Code or any successor statute; (h) any defense based upon any borrowing or any grant of a security interest under Section 364 of the Federal Bankruptcy Code; (i) any right of subrogation, any right to enforce any remedy which the City may have against Borrower or Owner and any right to participate in, or benefit from, any security for the Note or the other Loan Documents now or hereafter held by the City; (j) presentment, demand, protest and notice of any kind including notice of acceptance of this Guaranty; (k) the benefit of any statute of limitations affecting the liability of Guarantor hereunder or the enforcement hereof; (l) any right to require the City to institute suit or exhaust remedies against Borrower or others liable for any of such indebtedness, to enforce the City's rights against any collateral which shall have been given to secure the Loan, to enforce the City's rights against any other guarantors of such indebtedness, to join Borrower or any others liable on such indebtedness in any action seeking to enforce this Guaranty, to resort to any other means of obtaining payment of such indebtedness; (m) notices of disbursement of Loan proceeds, acceptance hereof, proof of non-payment, default under any Loan Document, notices and demands of any kind (it being Guarantor's and the City's intent that Guarantor shall not be considered a "debtor" in accordance with Section 9.102 of the Texas Business and Commerce Code, as now existing or hereafter amended); (n) the invalidity, illegality or unenforceability of all or any portion of the indebtedness guaranteed hereby or any of the Loan Documents for any reason whatsoever, including that interest on such indebtedness violates applicable usury laws, that Borrower or others liable for all or a portion thereof have valid defenses, claims or offsets to all or a portion of such indebtedness, or that the Note or other Loan Documents have been forged or otherwise are irregular or not genuine or authentic (it being agreed that Guarantor shall remain liable under this Guaranty regardless of whether Borrower or any other person shall be found not liable for repayment of all or a portion of such indebtedness); (o) notice of any advances made or credit extended to Borrower on the faith of this Guaranty and of the execution and delivery by Third Parties of any documents evidencing, securing, or pertaining to the Guaranteed Obligations; (p) notice of, and the right to consent to, the City's assignment of the benefits of this Guaranty; and (q) any and all benefits that might otherwise be available to Guarantor under applicable law. Guarantor further waives any and all rights and defenses that Guarantor may have because Borrower's debt is secured by real property; this means, among other things, that: (1) the City may collect from Guarantor without first foreclosing on any real or personal property collateral pledged by Borrower or Owner; (2) if the City forecloses on any real property collateral pledged by Borrower or Owner, then (A) the amount of the debt may be reduced only by the price for which that collateral is sold at the foreclosure sale, even if the collateral is worth more than the sale price, and (B) the City may collect from Guarantor even if the City, by foreclosing on the real property collateral, has destroyed any right Guarantor may have to collect from Borrower or Owner. The foregoing sentence is an unconditional and irrevocable waiver of any rights and defenses Guarantor may have because Borrower's debt is secured by real property. These rights and defenses being waived by Guarantor include, but are

not limited to, any rights or defenses based upon deficiency limitation, anti-deficiency, redemption or other similar rights. Without limiting the generality of the foregoing or any other provision hereof, Guarantor further expressly waives to the extent permitted by law any and all rights and defenses, including without limitation, any rights of subrogation, reimbursement, indemnification and contribution, and which might otherwise be available to Guarantor under Texas Property Code §§ 51.003, 51.004 and 51.005 or otherwise.

In addition, Guarantor agrees that the performance of any act or any payment which tolls any statute of limitations applicable to the Loan Documents shall similarly operate to toll the statute of limitations applicable to Guarantor's liability hereunder. Finally, Guarantor waives any rights and defenses it may have under Section 17.001 of the Texas Civil Practice & Remedies Code, Rule 31 of the Texas Rules of Civil Procedure, and Article 9 of the Texas Uniform Commercial Code.

9. **GUARANTY UNIMPAIRED BY SUBSEQUENT EVENTS.** Except as otherwise provided herein, Guarantor hereby expressly waives the right to receive notice of, to consent to, or receive any additional consideration on account of any of the following, and Guarantor hereby agrees that its obligations under this Guaranty shall not be released, diminished, impaired, reduced, or otherwise affected by the occurrence of any of the following events (or the fact that any of such events have occurred):

- (a) The amendment, renewal, extension, restatement, or assignment of any part or all of the Guaranteed Obligations or any of the plans and specifications, the Loan Documents, or other documents evidencing, securing, or pertaining thereto, or any other forbearance or agreement by the City to accept a deferred payment or performance of any Guaranteed Obligations; and
- (b) The cancellation of any part of the Guaranteed Obligations or the release of Borrower, Guarantor, or any other Person from liability for all or any part of the Guaranteed Obligations; it being acknowledged and agreed by Guarantor that Guarantor may be required to pay or perform the Guaranteed Obligations in full without the assistance or support of any other party, and no Guarantor has been induced to enter into this Guaranty on the basis of any contemplation, belief, understanding, or agreement that any other party shall at all times be liable to pay or perform the Guaranteed Obligations or that the City shall look to other parties to pay or perform the Guaranteed Obligations.

10. **AUTHORITY TO MODIFY GUARANTEED OBLIGATIONS.** Guarantor authorizes the City at any time and from time to time without notice and without affecting the liability of Guarantor hereunder, to: (a) alter the terms of all or any part of the Guaranteed Obligations and any security and guaranties therefor, including without limitation modification of times for payment and rates of interest; (b) accept new or additional instruments, documents, agreements, security, or guaranties in connection with all or any part of the Guaranteed Obligations; (c) accept partial payments on the Guaranteed Obligations; (d) waive, release, reconvey, terminate, abandon, subordinate, exchange, substitute, transfer, compound, compromise, liquidate, and enforce all or any part of the Guaranteed Obligations and any security or guaranties therefor, and apply any such security and direct the order or manner of sale thereof (and bid and purchase at any such sale), as the City, in the City's sole discretion, may determine; (e) release Borrower or Owner, any Guarantor, and/or any other Person from any personal liability with respect to all or any part of the Guaranteed Obligations; and (f) assign this Guaranty in whole or in part to a person or entity that becomes the holder or owner of the Note.

11. **SUBORDINATION.** Guarantor subordinates all present and future indebtedness owing by Borrower and Owner or, during the existence of a Default, by any other guarantor of the Loan, to Guarantor to the obligations at any time owing by Borrower and Owner to the City under the Note and the other Loan Documents. Guarantor assigns all such indebtedness to the City as security for this Guaranty, the Note and the other Loan Documents. Guarantor agrees to make no claim for such indebtedness until all obligations of Borrower or Owner under the Note and the other Loan Documents have been fully discharged. Guarantor further agrees not to assign all or any part of such indebtedness unless the City is given prior notice and such assignment is expressly made subject to the terms of this Guaranty. If the City so requests, (a) all instruments evidencing such indebtedness shall be duly endorsed and delivered to the City, (b) all security for such indebtedness shall be duly assigned and delivered to the City, (c) such indebtedness shall be enforced, collected and held by Guarantor as trustee for the City and shall be paid over to the City on account of the Loan but without reducing or affecting in any manner the liability of Guarantor under the other provisions of this Guaranty, and (d) Guarantor shall execute, file and record such documents and instruments and take such other action as the City deems necessary or appropriate to perfect, preserve and enforce the City's rights in and to such indebtedness and any security therefor. If Guarantor fails to take such action, the City, as attorney-in-fact for Guarantor, is hereby authorized to do so in the name of Guarantor. The foregoing power of attorney is coupled with an interest and cannot be revoked.

12. **MISCELLANEOUS PROVISIONS.**

- (a) **Costs of Enforcement.** If the City incurs any reasonable attorney's fees or costs in enforcing or defending any provisions of this Guaranty and is the prevailing party with respect to the same or incurs any costs in collecting any amounts due hereunder, with or without the hiring of an attorney or the filing of any legal action or proceeding, Guarantor shall pay to the City, promptly upon demand, all such costs and the amount of all reasonable attorneys' fees incurred. Guarantor also agrees to pay interest at the Default Rate on the amount of any other payment it is required to make hereunder that it fails to make when due.
- (b) **Binding Effect.** This Guaranty and all the terms, provisions, and conditions hereof shall be binding upon Guarantor and Guarantor's heirs, legal representatives, successors, and assigns, and this Guaranty shall inure to the benefit of the City and its successors and assigns and all subsequent holders of the Guaranteed Obligations.
- (c) **Governing Law.** This Guaranty shall be governed by, and construed in accordance with, the laws of the State of Texas.

J. The purpose of this Agreement, among other things, is: (i) to set forth the relative priorities of funding the Borrower's equity and each Funder's component of the total Project costs; and (ii) to set forth procedures to be followed in the event of the occurrence of an event of default under the various agreements of the Borrower with the Funders.

AGREEMENT:

NOW, THEREFORE, for a good and valuable consideration, including the mutual promises of the Parties contained herein, the Parties agree as follows:

SECTION 1. LOAN AND GRANT

1.1 Notice of Assignment. Each Funder shall give the other Parties written notice of any assignment of any of their respective servicing and loan administration rights in connection with their Funding Documents as soon as reasonably practical following the effective date of any such assignment. The Funders each consent to the collateral assignment of the City Subloan, Junior Deeds of Trust and related loan documents by Subordinate Lender to City. No consent is required for the Senior Lender to assign the servicing and loan administration rights in Senior Loan.

1.2 Consent. Subject to the terms and provisions of this Agreement, Senior Lender hereby consent to the execution, delivery and performance of the City Loan Documents and the recording of the Junior Deeds of Trust and other liens securing same in the Official Records of Harris County, Texas.

SECTION 2. AFFORDABILITY RESTRICTIONS

2.1 Priority of Affordability Restrictions. As required by the terms of the City Loan, the Borrower and Owner have also executed the Restrictive Covenants dated as of the Effective Date, which imposes certain land use restrictions on the Property (the "City Restrictions"). The Borrower and the Texas Department of Housing and Community Affairs intend to enter into a Land Use Restriction Agreement, which will impose certain restrictions on the Property ("LIHTC Restrictions"). The City Restrictions and the LIHTC Restrictions are collectively referred to as the "Affordability Restrictions". The Parties expressly consent to the Affordability Restrictions and stipulate, acknowledge, and agree that, the City Restrictions and the LIHTC Restrictions shall have equal priority to one another.

SECTION 3. SECURITY DOCUMENTS.

3.1 Subordination to Affordability Restrictions. The Affordability Restrictions shall at all times be superior to all of the deeds of trust on the Project (including, without limitation, all deeds of trust described herein) and all other liens, security interests, assignments, and pledges (collectively, "Security Documents") now or hereafter given to secure the Sources, as applicable. The Affordability Restrictions shall encumber and bind the fee estate. The Junior Deeds of Trust securing the Junior Loans and the Senior Deeds of Trust are expressly subordinate to the Affordability Restrictions. Notwithstanding anything herein to the contrary, in the event of the foreclosure of any of the Security Documents, the City Restrictions shall remain in full force and effect with respect to the Property (subject to the terms thereof), but the LIHTC Restrictions shall terminate in accordance with the terms of the LIHTC Restrictions.

3.2 Priority of Security Documents. Notwithstanding the dates of execution, order of recording or other apparent priority of the Security Documents securing the City Loan, and the Security Documents securing the City Subloan, the City and Subordinate Lender expressly stipulate, acknowledge and agree that the Security Documents securing the City Loan and City Subloan shall at all times be subordinate to the Security Documents securing the Senior Loan and the Security Documents shall have the following priority relative to each other, regardless of the frequency or manner of renewal, extension, change or alteration thereof:

(a) First Priority: Senior Deeds of Trust which encumbers the fee and leasehold interest in the Property;

(b) Second Priority: Junior Deeds of Trust which encumbers the Property, subject to and in accordance with the TDHCA Subordination Agreement.

3.3 No Modifications. The City and Subordinate Lender may from time-to-time enter into modifications, renewals, extensions, and replacements of the loans evidencing the City Loan Documents without the further consent of Senior Lender so long as such agreements recite that they are, and shall be at all times, subject to the terms of this Agreement and so long as those agreements do not increase the principal amount or the amount of the periodic installments due under the City Loan Documents or increase the interest rate. Unless and until all of the Senior Loan secured by the Project is fully paid and satisfied and the obligations of Senior Lender to make any further loans or advances under the Senior Loan have ceased and terminated, the City and Subordinate Lender will not, without the consent of the Senior Lender, take any additional collateral for the City Loan or the City Subloan Loan. Senior Lender shall not amend the Senior Loan Documents without the prior written consent of the Director of the City's Housing and Community Development Department, with any administrative consents (as opposed to consents required from the City Council) not to be unreasonably withheld, if such amendment will have the effect of (i) increasing the principal amount of the Senior Loan or any amounts payable to the Senior Lender or Construction Lender, except that amounts advanced by Senior Lender relating to the construction, development, operation and/or protection, preservation, and maintenance of the Project or protecting its lien, including repairs, taxes, insurance, and legal fees and other expenses of collection or defense of Senior Lender's lien or the security therefor in accordance with the Senior Loan Documents shall not require consent (however notice will be provided), (ii) increasing the rate of interest of the Senior Loan, other than default interest and late charges, (iii) shortening the maturity of the Senior Loan, or (iv) increasing or decreasing the monthly payments or escrows for taxes, insurance, and other reserves on the Senior Loan except as may necessary to cover actual increases in the costs of taxes and insurance. Senior Lender may otherwise amend the Senior Loan Documents without the City's prior written consent. Notwithstanding the foregoing, however, in no event shall any such modification be made, and the City shall be obligated to consent to any modification, that amends or terminates the Affordability Restrictions, other than a modification that extends the period during which the Affordability Restrictions encumber the Property.

Any provision in the Senior Loan Documents that purports to secure "other indebtedness" that is unrelated to the Senior Loan and the Property shall be ineffective as against the City and the Subordinate Lender and their Security Documents, and the Security Documents of the City and the Subordinate Lender shall have priority over any such "other indebtedness."

3.4 Collateral. Each of the items referenced above constituting collateral together with all equipment, accounts, general intangibles, fixtures and other personal property used or acquitted for use, on or in connection with the use or operation of the Project) being referred to collectively as the "Collateral."

3.5 Secured Parties. The Funders are sometimes called the "Secured Parties" in this Agreement.

3.6 Actions by Subordinate Lender under the City Subloan. Subordinate Lender shall have no authority to declare any defaults or exercise any remedies under the City Subloan without the express consent of the City to whom the applicable subloan has been collaterally assigned.

SECTION 4. PROCEDURES FOR DISBURSEMENT REQUESTS AND FUNDING.

4.1 Applications for Payments.

(a) Funding under the Funding Documents will be in accordance with the requirements of and for the items allowed under each Funder's Funding Documents. Unless otherwise agreed, the Borrower shall submit its applications for payment (each an "**Application for Payment**") no more frequently than once in any thirty (30) day period.

(b) The City (subject to the terms and conditions of the City Loan Documents), Borrower and Subordinate Lender, agree that the advances and funding for the acquisition of the Property and the construction of the Project using proceeds from the Junior Loans shall occur in accordance with a draw schedule approved by the City and for items set forth on the final construction budget approved by the Borrower, the City and the Senior Lender (the "**Final Construction Budget**"). Other than any initial acquisition costs paid at the financial closing, the City funding for construction draws approved by the City (the "**City Loan Proceeds**") shall be paid by the City into an account controlled by the Senior Lender located at the Senior Lender and held in the name of Borrower (the "**Construction Account**"). It is acknowledged and agreed that once the City Loan Proceeds are advanced by the City into the Construction Account, such funds may be drawn for costs of the Project approved by Senior Lender.

(c) The Borrower represents and warrants to the Funders, as of the Effective Date and as of the date of each Application for Payment, that neither the Borrower nor the Project is in breach of or in default under any of the Funding Documents.

(d) The Borrower agrees that the Funders may share information that each Funder may acquire with respect to the Borrower and/or the Property, and consents

to the transfer of such information, whether financial or otherwise, between them, without having to obtain the Borrower's consent.

4.2 Inspections. As of the Effective Date, the City and the Senior Lender will engage an inspector, acceptable to them (the "Inspector"), to inspect the progress of construction of the Project and verify the completion of the work covered by the Application for Payment in accordance with the final plans approved by all Parties (together with any change orders approved by the City and the Senior Lender in accordance with their respective Funding Documents). The Inspector shall furnish its report to all City and the Senior Lender at their addresses provided for notice below after receipt of an Application for Payment.

4.3 Objections. Upon receipt of the Inspector's report, if any Funder objects to an item or a portion thereof included in the Application for Payment or the Inspector's report, such Funder shall make reasonable efforts to notify the drawing party and all other Funders within **FIVE (5) BUSINESS DAYS** after receipt of the Inspector's report. Upon the giving of notice of such objection from any Funder, the Funders shall be relieved of any obligation (but shall have the right) to make a disbursement for the item or portion thereof contained in the Application for Payment until such time as the drawing party has cured the objection to the reasonable satisfaction of the Funders. Notwithstanding the foregoing or anything else to the contrary herein, advances shall in any event be subject to compliance with each Funder's Funding Documents.

4.4 Funding Sequence. Funding under the Funding Documents shall occur in the following order, or in combination, subject to each Funder's Funding Documents and requirements:

(a) Subject to the terms and provisions of the Senior Loan Agreement, Senior Lender shall first advance proceeds of the Senior Loan for origination or similar loan fees associated with the Senior Loan and attorneys' fee associated with the Senior Loan to the extent budgeted and covered by the Senior Loan;

(b) City shall advance City Loan Proceeds for approved Property acquisition costs at the financial closing and deposit the remainder of City Loan Proceeds into the Construction Account, subject to the requirements of the City Loan Documents;

(c) Senior Lender, on behalf of the City in accordance with Section 4.1 hereof, shall fund draw requests for costs of the Project contained in the Final Construction Budget and approved by Senior Lender from City Loan proceeds held in the Construction Account (net 10% retainage); and

(d) After the City Loan proceeds deposited into the Construction Account are fully funded pursuant to (c) above, and after the funding of all Borrower equity which is to be funded prior to completion as set forth in the Senior Loan Agreement and the full funding of the TDHCA Loan (net of required retainages), subject to the terms and conditions of the Senior Loan Agreement, Senior Lender will then advance under the Senior Loan for monthly draw requests made in accordance with the terms of the Senior

Loan Agreement until the Senior Loan is fully advanced (net of required retainage). Notwithstanding the foregoing the parties acknowledge that the Senior Loan Agreement provides for certain instances when the Senior Lender may agree to fund portions of the Senior Loan before the funding of the City Loan, Borrower's equity, and the the TDHCA Loan. Further, notwithstanding anything herein to the contrary, any deposits made to satisfy balancing requirements in the Senior Loan Agreement will in any event be used before any other sources for funding monthly draw requests (such sources include the Senior Loan, the City Loan, Borrower's equity, and the TDHCA Loan).

Notwithstanding the foregoing funding order, the parties acknowledge that the Senior Loan has an unfunded interest reserve which will be drawn upon monthly as provided for in the Senior Loan Agreement to pay interest as it accrues on the Senior Loan.

The purpose of this Section is to designate funding order and not to create funding obligations between Senior Lender and City. The obligations of the City and the Senior Lender to fund are subject to the terms and conditions of their respective Loan Agreements.

4.5 Approvals. Except as provided herein, none of the City or Subordinate Lenders shall be required to obtain approval from any other Party prior to funding of any amounts under the City Loan Documents.

SECTION 5. DEFAULTS AND REMEDIES

5.1 Notice of Default. Upon the occurrence of a default by the Borrower under any of the Funding Documents, which default remains uncured in excess of ten (10) days after the provision of notice thereof, if notice of that default is given to Borrower under the terms of a Funding Document, Funder agrees to give written notice thereof to the other Funders at the same time as the giving of any written notice of default to the Borrower if the Funder elects to declare such default.

5.2 Funders' Opportunity to Cure. With respect to any monetary default under any Funding Documents, each Funder shall have the right (but not an obligation) to cure any such default during the period that is the longer of (i) thirty (30) days from the date such notice of default is given to the Funders; or (ii) five (5) days after the expiration of any cure period provided to the Borrower under any applicable Funding Documents. With respect to any non-monetary default by the Borrower under any Funding Documents, each Funder shall have the right (but not an obligation) to cure any such default during the period that is the longer of (i) sixty (60) days from the date such notice of default is given to such Funder; or (ii) five (5) days after the expiration of any cure period provided to the Borrower under any applicable Funding Documents. Senior Lender agrees that it will not accelerate the Senior Loan, or exercise any remedies under the Senior Loan Documents unless the other Funders fail to cure such defaults prior to the expiration of the cure periods stated herein, and if any portion of the Senior Loan has previously been or is thereafter accelerated, Senior Lender agrees to reinstate the Senior Loan in accordance with its original terms, upon the cure of the defaults under the Senior Loan Documents within such cure period. The failure of any Funder to provide any notice to

another Funder shall not affect the validity of such notice or any obligation of the Borrower to any Funder and shall not affect the relative priorities between the Senior Loan and the Junior Loans as set forth herein. Borrower covenant and agree to forward to City, within three (3) business days of their receipt thereof, a copy of any notice of a default under the Senior Loan that Borrower receive from the Senior Lender.

5.3 Notice of Acceleration. Each Funder agrees that it will provide any notice of intention to accelerate obligations owed by the Borrower to the other Funders at the same time that such notice is given to the Borrower. 5.5 The City shall have the right, but not the obligation, in lieu of curing any default under the Senior Loan Documents to purchase the Senior Loan by paying the outstanding principal amount thereof, plus all accrued and unpaid interest thereon, together with reasonable unreimbursed expenses incurred by the Senior Lender in connection therewith (including actual attorneys' fees) in exchange for an assignment of the Senior Loan and the Senior Loan Documents (including any title policies to the extent allowed by applicable law) and an endorsement of the note evidencing the Senior Loan on forms reasonably acceptable to the City and the Senior Lender. Such transfer shall be without recourse or warranty by the Senior Lender, and the City shall release the Senior Lender from all claims and other liabilities in connection with the Senior Loan.

5.6 The occurrence of a default or event of default after applicable notice and cure periods under the Senior Loan Documents shall cause a default or event of default under the City Loan Documents, and the occurrence of a default or event of default under the City Loan Documents shall cause a default or an event of default under the Senior Loan Documents.

5.7 If done in accordance with the terms of Sections 5.1-5.3, the exercise by the City of any of its rights in and to the collateral for the City Loan, including, without limitation, (i) a foreclosure sale of the Property to the City, or any affiliate of the City, (ii) a conveyance to the City, or any affiliate of the City pursuant to a deed-in-lieu of foreclosure, or (iii) a sale of the Property by the City, or any affiliate of the City, following a conveyance of the Property by foreclosure or deed-in-lieu of foreclosure, shall not constitute a default

Senior Lender may pursue all rights and remedies available to it under the Senior Loan Documents at law, or in equity, regardless of any Enforcement Action Notice or Enforcement Action (as such terms are hereinafter defined) by the City or Subordinate Lender, except as otherwise provided by applicable law or this Agreement. At any time or from time to time and any number of times, without notice to the City or Subordinate Lender, (a) the time for payment of the Senior Loan may be extended or the Senior Loan may be renewed in whole or in part; (b) the time for the Borrower's performance of or compliance with any covenant or agreement contained in the Senior Loan Documents, whether presently existing or hereinafter entered into, may be extended or such performance or compliance may be waived; (c) the maturity of the Senior Loan may be accelerated as provided in the Senior Loan Documents; (d) any Senior Loan Document may be extended or consolidated by Senior Lender and the Borrower; and (e) any security for the Senior Loan may be modified, exchanged, surrendered or otherwise dealt with or additional security may be pledged or mortgaged for the Senior Loan. If, after the occurrence of a default under the Senior Loan, Senior Lender acquires title to any of the Project pursuant to a mortgage foreclosure conducted in accordance with applicable law, the lien, operation, and effect of the Junior Deeds of Trust automatically shall terminate with respect to such Project upon Senior Lender's acquisition of title, but the Affordability Restrictions shall remain in place for the term of the applicable Affordability Restrictions. As used in this section, "**Enforcement Action**" means any exercise of any of remedies under the Junior Deeds of Trust, or any of the other City Loan Documents, including, without limitation, any of the following: (i) the acceleration of all or any part of the Junior Loans, (ii) the commencement of any judicial or non-judicial action of proceeding to enforce any obligation of the Borrower under any of the City Loan Documents, collect any monies payable to the Borrower or have a receiver appointed to collect any monies payable to the Borrower, or foreclose the lien(s) created by the Junior Deeds of Trust, (iii) the filing or joining in the filing of any involuntary Bankruptcy Proceeding against the Borrower or any person or entity which owns a direct or indirect interest in the Borrower, (iv) the advertising of or commencement of any foreclosure or trustee's sale proceedings, (v) the exercise of any power of sale, (vi) the acceptance of a deed or assignment in lieu of foreclosure or sale, (vii) the collecting of rents, (viii) the obtaining of or seeking of the appointment of a receiver, (ix) the seeking of default interest, (x) the taking of possession or control of any of the Property, (xi) the commencement of any suit or other legal, administrative, or arbitration proceeding based upon the notes evidencing the Junior Loans or any other of the City Loan Documents, (xii) the exercising of any banker's lien or rights of set-off or recoupment, or (xiii) the taking of any other enforcement action against

the Borrower or any other party liable for any of the Junior Loans or obligated under any of the City Loan Documents, or the Property, and (ii) "*Enforcement Action Notice*" means a written notice from the City or Subordinate Lender to Senior Lender, given following a default under the Junior Loans and the expiration of any notice or cure periods provided for such default in the City Loan Documents, setting forth in reasonable detail the Enforcement Action proposed to be taken.

6.16 Insurance. Junior Lender agrees that all original policies of insurance required pursuant to the Senior Deeds of Trust shall be held by Senior Lender. The preceding sentence shall not preclude Junior Lender from requiring that it be named as a loss payee, as its interest may appear, under all policies of property damage insurance maintained by the Borrower with respect to the Property, provided such action does not affect the priority of payment of the proceeds of property damage insurance under the Senior Deeds of Trust, or that it be named as an additional insured under all policies of liability insurance maintained by the Borrower with respect to the Property.

6.17 WAIVER OF TRIAL BY JURY. TO THE MAXIMUM EXTENT PERMITTED UNDER APPLICABLE LAW, EACH OF THE PARTIES HERETO (A) COVENANTS AND AGREES NOT TO ELECT A TRIAL BY JURY WITH RESPECT TO ANY ISSUE ARISING OUT OF THIS AGREEMENT OR THE RELATIONSHIP BETWEEN THE PARTIES THAT IS TRIABLE OF RIGHT BY A JURY AND (B) WAIVES ANY RIGHT TO TRIAL BY JURY WITH RESPECT TO SUCH ISSUE TO THE EXTENT THAT ANY SUCH RIGHT EXISTS NOW OR IN THE FUTURE. THIS WAIVER OF RIGHT TO TRIAL BY JURY IS SEPARATELY GIVEN BY EACH PARTY, KNOWINGLY AND VOLUNTARILY WITH THE BENEFIT OF COMPETENT LEGAL COUNSEL.

6.18 Notice. All notices, demands, certificates, or other communications hereunder shall be in writing and shall be deemed sufficiently given or served for all purposes when delivered personally, when sent by certified or registered mail, postage prepaid, return receipt requested or by private courier service, in each case, with the proper address as indicated below; provided that any such notices, demands, certificates, or other communications shall be deemed effective only upon receipt. Each party may, by written notice given to the other parties, designate any other address or addresses to which notices, certificates or other communications to them shall be sent as contemplated by this Agreement. Until otherwise so provided by the respective parties, all notices, certificates and communications to each of them shall be addressed as follows:

2. Subordinate Lender's Representations and Warranties.

- (a) Subordinate Lender represents and warrants that each of the following is true as of the date of this Agreement:
 - (i) Subordinate Lender is now the owner and holder of the Subordinate Loan Documents.
 - (ii) No Subordinate Mortgage Default has occurred and is continuing.
 - (iii) The current unpaid principal balance of the Subordinate Indebtedness is \$_____.
 - (iv) No scheduled payments under the Subordinate Note have been prepaid.
- (b) Without the prior written consent of Senior Lender, Subordinate Lender will not do any of the following:
 - (i) Pledge, assign, transfer, convey, or sell any interest in the Subordinate Indebtedness or any of the Subordinate Loan Documents.
 - (ii) Take any action which has the effect of increasing the Subordinate Indebtedness, except to cure a Senior Mortgage Default as contemplated under Section 5(a) of this Agreement.
 - (iii) Accept any prepayment of the Subordinate Indebtedness.

3. Terms of Subordination.

- (a) **Agreement to Subordinate.** The Subordinate Indebtedness is and will at all times, except as provided in Section 3(f) hereof, continue to be subject and subordinate in right of payment to the prior payment in full of the Senior Indebtedness. Each of the Subordinate Loan Documents is, and will at all times remain, subject and subordinate in all respects to the liens, terms, covenants, conditions, operations, and effects of each of the Senior Loan Documents.

- (b) **Subordination of Subrogation Rights.** If Subordinate Lender, by indemnification, subrogation or otherwise, acquires any Lien on any of the Mortgaged Property, then that Lien will be fully subject and subordinate to the receipt by Senior Lender of payment in full of the Senior Indebtedness, and to the Senior Loan Documents, to the same extent as the Subordinate Indebtedness and the Subordinate Loan Documents are subordinate pursuant to this Agreement.
- (c) **Payments Before Senior Loan Default** [**Soft Subordinate Debt**]. Until the occurrence of a Senior Mortgage Default, Subordinate Lender will be entitled to retain for its own account all payments of the principal of and interest on the Subordinate Indebtedness pursuant to the Subordinate Loan Documents; provided that Subordinate Lender expressly agrees that it will not accept any such payment that is made more than 10 days in advance of its due date [**PROVISION FOR SOFT DEBT**]; and provided further that Subordinate Lender will not accept any payment in an amount that exceeds 75% of then available Surplus Cash].
- (d) **Payments After Senior Loan Default or Bankruptcy.**
- (i) Immediately upon Subordinate Lender's receipt of Notice or actual knowledge of a Senior Mortgage Default, Subordinate Lender will not accept any payments of the Subordinate Indebtedness, and the provisions of Section 3(d) of this Agreement will apply.
 - (ii) If Subordinate Lender receives any of the following, whether voluntarily or by action of law, after a Senior Mortgage Default of which Subordinate Lender has actual knowledge (or is deemed to have actual knowledge as provided in Section 4(c)) or has been given Notice, such will be received and held in trust for Senior Lender:
 - (A) Any payment, property, or asset of any kind or in any form in connection with the Subordinate Indebtedness.
 - (B) Any proceeds from any Enforcement Action.
 - (C) Any payment, property, or asset in or in connection with any Bankruptcy Proceeding.
 - (iii) Subordinate Lender will promptly remit, in kind and properly endorsed as necessary, all such payments, properties, and assets described in Section 3(d)(ii) to Senior Lender. Senior Lender will apply any payment, asset, or property so received from Subordinate Lender to the Senior Indebtedness in such order, amount (with respect to any asset or property other than immediately available funds), and manner as Senior Lender determines in its sole and absolute discretion.

- (e) **Bankruptcy.** Without the prior written consent of Senior Lender, Subordinate Lender will not commence, or join with any other creditor in commencing, any Bankruptcy Proceeding. In the event of a Bankruptcy Proceeding, Subordinate Lender will not vote affirmatively in favor of any plan of reorganization or liquidation unless Senior Lender has also voted affirmatively in favor of such plan.
- (f) **Priority of Regulatory Agreement.** Senior Lender and Subordinate Lender hereby agree that, notwithstanding anything to the contrary set forth elsewhere herein, the Subordinate Lender will be entitled to seek specific performance to enforce covenants and agreements of the Borrower relating to maintenance, tenant lease provisions, income, rent or affordability restrictions contained in the Regulatory Agreement and, following a foreclosure under the Senior Mortgage, or the acceptance by Senior Lender of a deed to the Mortgaged Property in lieu of such a foreclosure (each, a "Foreclosure Action"), the Regulatory Agreement shall survive and the successor owner of the Mortgaged Property shall acquire the Mortgaged Property subject to all of the terms and conditions of the Regulatory Agreement, except as otherwise expressly provided below:
1. No successor owner shall be obligated under the Regulatory Agreement to make any payment under, or to otherwise comply with, any of the other Subordinate Loan Documents;
 2. The Foreclosure Action and the transfer of the Mortgaged Property pursuant to the Foreclosure Action will not violate the limitations on transfers in the Regulatory Agreement or require the approval of the Subordinate Lender. Neither the successor owner initially acquiring title to the Mortgaged Property as a result of a Foreclosure Action, nor its immediate successor in interest, shall be subject to any of the limitations upon creation of indebtedness nor creation of any lien securing indebtedness set forth in the Regulatory Agreement; provided that any subsequent mortgagee or lienholder with respect to such indebtedness shall agree that in the event of foreclosure or deed in lieu of foreclosure, the transferee under such foreclosure agrees that it will take subject to the Regulatory Agreement; and provided further that all other subsequent encumbrances shall be subject to Subordinate Lender's approval under the Regulatory Agreement. Any sale, assignment or transfer of the Mortgaged Property following a transfer pursuant to a Foreclosure Action shall be subject to Subordinate Lender's rights under the Regulatory Agreement to approve such transfer, except that Subordinate Lender agrees that its decision to approve any such sale, assignment or other transfer will be based solely upon whether the proposed transferee is qualified to manage and operate affordable housing projects similar to the Mortgaged Property, and the Subordinate Lender will not unreasonably withhold, delay or condition its consent to any such proposed transfer;

3. No successor owner would be obligated to pay, or otherwise have any liability for or in connection with, any claim by Subordinate Lender for liquidated damages, for indemnification or for damages in connection with any breach of any term or provision of the Regulatory Agreement first occurring prior to the date upon which such successor owner acquired title to the Mortgaged Property;
4. No successor owner shall be required to cure any default under the Regulatory Agreement first occurring prior to the date upon which such successor owner acquired title to the Mortgaged Property, except that each successor owner shall be required to cure continuing defaults under the Regulatory Agreement related to the Mortgaged Property; provided further, however, that each such successor owner shall have 120 days after the date upon which it acquires title to the Mortgaged Property to cure such continuing defaults, or, if any such continuing default is not reasonably susceptible to a cure by such owner within such period, to commence curing such default (and in such latter case, such owner shall thereafter continuously and diligently pursue the cure of such default to completion);
5. All reserve requirements imposed by the Regulatory Agreement shall, after any Foreclosure Action, be deemed satisfied so long as comparable reserves are established and held by the applicable successor owner's lenders; and
6. The Subordinate Lender, after a Foreclosure Action, shall not unreasonably withhold, delay or condition any consent or approval contemplated by the Regulatory Agreement.

4. **Default Under Subordinate Loan Documents.**

(a) **Notice of Subordinate Loan Default and Cure Rights.**

- (i) Subordinate Lender will deliver to Senior Lender a copy of each Notice delivered by Subordinate Lender pursuant to the Subordinate Loan Documents within 5 Business Days of sending such Notice to Borrower. Neither giving nor failing to give a Notice to Senior Lender pursuant to this Section 4(a) will affect the validity of any Notice given by Subordinate Lender to Borrower.
- (ii) For a period of 90 days following delivery to Senior Lender of an Enforcement Action Notice, Senior Lender will have the right, but not the obligation, to cure any Subordinate Mortgage Default. However, if such Subordinate Mortgage Default is a non-monetary default and is not capable of being cured within such 90-day period and Senior Lender has commenced and is diligently pursuing such cure to completion, Senior Lender will have such additional period of time as may be required to cure

such Subordinate Mortgage Default or until such time, if ever, as Senior Lender takes either of the following actions:

- (A) Discontinues its pursuit of any cure.
- (B) Delivers to Subordinate Lender Senior Lender's written consent to the Enforcement Action described in the Enforcement Action Notice.
- (iii) Senior Lender will not be subrogated to the rights of Subordinate Lender under the Subordinate Loan Documents as a result of Senior Lender having cured any Subordinate Mortgage Default.
- (iv) Subordinate Lender acknowledges that all amounts advanced or expended by Senior Lender in accordance with the Senior Loan Documents or to cure a Subordinate Mortgage Default will be added to and become a part of the Senior Indebtedness and will be secured by the lien of the Senior Mortgage.

(b) **Subordinate Lender's Exercise of Remedies After Notice to Senior Lender.**

- (i) In the event of a Subordinate Mortgage Default, Subordinate Lender will not commence any Enforcement Action until 90 days after Subordinate Lender has delivered to Senior Lender an Enforcement Action Notice. During such 90-day period or such longer period as provided in Section 4(a), Subordinate Lender will be entitled to seek specific performance to enforce covenants and agreements of Borrower relating to income, rent, or affordability restrictions contained in the Regulatory Agreement, subject to Senior Lender's right to cure a Subordinate Mortgage Default set forth in Section 4(a).
- (ii) Subordinate Lender may not commence any other Enforcement Action, including any foreclosure action under the Subordinate Loan Documents, until the earlier of:
 - (A) The expiration of such 90-day period or such longer period as provided in Section 4(a).
 - (B) The delivery by Senior Lender to Subordinate Lender of Senior Lender's written consent to such Enforcement Action by Subordinate Lender.
- (iii) Subordinate Lender acknowledges that Senior Lender may grant or refuse consent to Subordinate Lender's Enforcement Action in Senior Lender's sole and absolute discretion. At the expiration of such 90-day period or such longer period as provided in Section 4(a) and, subject to Senior Lender's

right to cure set forth in Section 4(a), Subordinate Lender may commence any Enforcement Action.

- (iv) Senior Lender may pursue all rights and remedies available to it under the Senior Loan Documents, at law, or in equity, regardless of any Enforcement Action Notice or Enforcement Action by Subordinate Lender. No action or failure to act on the part of Senior Lender in the event of a Subordinate Mortgage Default or commencement of an Enforcement Action will constitute a waiver on the part of Senior Lender of any provision of the Senior Loan Documents or this Agreement.
- (c) Cross Default. Subordinate Lender acknowledges that a Subordinate Mortgage Default constitutes a Senior Mortgage Default. Accordingly, upon the occurrence of a Subordinate Mortgage Default, Subordinate Lender will be deemed to have actual knowledge of a Senior Mortgage Default. If Subordinate Lender notifies Senior Lender in writing that any Subordinate Loan Default of which Senior Lender has received Notice has been cured or waived, as determined by Subordinate Lender in its sole discretion, then provided that Senior Lender has not conducted a sale of the Mortgaged Property pursuant to its rights under the Senior Loan Documents, any Senior Loan Default under the Senior Loan Documents arising solely from such Subordinate Loan Default will be deemed cured, and the Senior Loan will be reinstated.

5. **Default Under Senior Loan Documents.**

(a) **Notice of Senior Loan Default and Cure Rights.**

- (i) Senior Lender will deliver to Subordinate Lender a copy of any Notice sent by Senior Lender to Borrower of a Senior Mortgage Default within 5 Business Days of sending such Notice to Borrower. Failure of Senior Lender to send Notice to Subordinate Lender will not prevent the exercise of Senior Lender's rights and remedies under the Senior Loan Documents.
- (ii) Subordinate Lender will have the right, but not the obligation, to cure any monetary Senior Mortgage Default within 30 days following the date of such Notice. During such 30-day period Senior Lender will be entitled to continue to pursue its remedies under the Senior Loan Documents.
- (iii) Subordinate Lender may, within 90 days after the date of the Notice, cure a non-monetary Senior Mortgage Default if during such 90-day period, Subordinate Lender keeps current all payments required under the Senior Loan Documents. If such a non-monetary Senior Mortgage Default creates an unacceptable level of risk relative to the Mortgaged Property, or Senior Lender's secured position relative to the Mortgaged Property, as determined by Senior Lender in its sole discretion, then during such 90-day period Senior Lender may exercise all available rights and remedies to protect and preserve

the Mortgaged Property and the Rents, revenues and other proceeds from the Mortgaged Property.

- (iv) All amounts paid by Subordinate Lender to Senior Lender to cure a Senior Mortgage Default will be deemed to have been advanced by Subordinate Lender pursuant to, and will be secured by the lien of, the Subordinate Mortgage. Notwithstanding anything in this Section 5(a) to the contrary, Subordinate Lender's right to cure any Senior Mortgage Default will terminate immediately upon the occurrence of any Bankruptcy Proceeding.

(b) **Release of Mortgaged Property.**

- (i) Subordinate Lender consents to and authorizes any future release by Senior Lender of all or any portion of the Mortgaged Property from the lien, operation, and effect of the Senior Loan Documents. Subordinate Lender waives to the fullest extent permitted by law, all equitable or other rights it may have in connection with the release of all or any portion of the Mortgaged Property, including any right to require Senior Lender to do any of the following:
 - (A) To conduct a separate sale of any portion of the Mortgaged Property.
 - (B) To exhaust its remedies against all or any portion of the Mortgaged Property or any combination of portions of the Mortgaged Property or any other collateral for the Senior Indebtedness.
 - (C) To proceed against Borrower, any other party that may be liable for any of the Senior Indebtedness (including any general partner of Borrower if Borrower is a partnership), all or any portion of the Mortgaged Property or combination of portions of the Mortgaged Property or any other collateral, before proceeding against all or such portions or combination of portions of the Mortgaged Property as Senior Lender determines. **[ADD FOR CALIFORNIA TRANSACTIONS:** Subordinate Lender waives to the fullest extent permitted by law any and all benefits under California Civil Code Sections 2845, 2849 and 2850.]
- (ii) Subordinate Lender consents to and authorizes, at the option of Senior Lender, the sale, either separately or together, of all or any portion of the Mortgaged Property. Subordinate Lender acknowledges that without Notice to Subordinate Lender and without affecting any of the provisions of this Agreement, Senior Lender may do any of the following:
 - (A) Extend the time for or waive any payment or performance under the Senior Loan Documents.

(B) Modify or amend in any respect any provision of the Senior Loan Documents.

(C) Modify, exchange, surrender, release, and otherwise deal with any additional collateral for the Senior Indebtedness.

6. **Conflicts.** If there is any conflict or inconsistency between the terms of the Subordinate Loan Documents and the terms of this Agreement, then the terms of this Agreement will control. Borrower acknowledges that the terms and provisions of this Agreement will not, and will not be deemed to do any of the following:

- (a) Extend Borrower's time to cure any Senior Loan Default or Subordinate Loan Default.
- (b) Give Borrower the right to receive notice of any Senior Loan Default or Subordinate Loan Default, other than that, if any, provided, respectively under the Senior Loan Documents of the Subordinate Loan Documents.
- (c) Create any other right or benefit for Borrower as against Senior Lender or Subordinate Lender.

7. **Rights and Obligations of Subordinate Lender Under the Subordinate Loan Documents and of Senior Lender under the Senior Loan Documents.**

(a) Insurance.

- (i) All requirements pertaining to insurance under the Subordinate Loan Documents (including requirements relating to amounts and types of coverages, deductibles and special endorsements) will be deemed satisfied if Borrower complies with the insurance requirements under the Senior Loan Documents and of Senior Lender.
- (ii) All original policies of insurance required pursuant to the Senior Loan Documents will be held by Senior Lender.
- (iii) Nothing in this Section 7(a) will preclude Subordinate Lender from requiring that it be named as a mortgagee and loss payee, as its interest may appear, under all policies of property damage insurance maintained by Borrower with respect to the Mortgaged Property, provided such action does not affect the priority of payment of Loss Proceeds, or that Subordinate Lender be named as an additional insured under all policies of liability insurance maintained by Borrower with respect to the Mortgaged Property.

(b) Condemnation or Casualty.

In the event of a Condemnation or a Casualty, the following provisions will apply:

- (i) The rights of Subordinate Lender (under the Subordinate Loan Documents or otherwise) to participate in any proceeding or action relating to a Condemnation or a Casualty, or to participate or join in any settlement of, or to adjust, any claims resulting from a Condemnation or a Casualty, will be and remain subordinate in all respects to Senior Lender's rights under the Senior Loan Documents, and Subordinate Lender will be bound by any settlement or adjustment of a claim resulting from a Condemnation or a Casualty made by Senior Lender.
- (ii) All Loss Proceeds will be applied either to payment of the costs and expenses of Restoration or to payment on account of the Senior Indebtedness, as and in the manner determined by Senior Lender in its sole discretion; provided however, Senior Lender agrees to consult with Subordinate Lender in determining the application of Casualty proceeds. In the event of any disagreement between Senior Lender and Subordinate Lender over the application of Casualty proceeds, the decision of Senior Lender, in its sole discretion, will prevail.
- (iii) If Senior Lender holds Loss Proceeds, or monitors the disbursement of Loss Proceeds, Subordinate Lender will not do so. Nothing contained in this Agreement will be deemed to require Senior Lender to act for or on behalf of Subordinate Lender in connection with any Restoration or to hold or monitor any Loss Proceeds in trust for or otherwise on behalf of Subordinate Lender, and all or any Loss Proceeds may be commingled with any funds of Senior Lender.
- (iv) If Senior Lender elects to apply Loss Proceeds to payment on account of the Senior Indebtedness, and if the application of such Loss Proceeds results in the payment in full of the entire Senior Indebtedness, any remaining Loss Proceeds held by Senior Lender will be paid to Subordinate Lender unless another party has asserted a claim to the remaining Loss Proceeds.
- (c) Modification of Subordinate Loan Documents. Subordinate Lender agrees that, until the principal of, interest on and all other amounts payable under the Senior Loan Documents have been paid in full, it will not, without the prior written consent of Senior Lender, increase the amount of the Subordinate Loan, increase the required payments due under the Subordinate Loan, decrease the term of the Subordinate Loan, increase the interest rate on the Subordinate Loan, or otherwise amend the Subordinate Loan terms in a manner that creates an adverse effect upon Senior Lender under the Senior Loan Documents. If Subordinate Lender either (i) amends the Subordinate Loan Documents in the manner set forth above or (ii) assigns the Subordinate Loan without Senior Lender's consent then such amendment or assignment will be void ab initio and of no effect whatsoever.

- (d) Modification of Senior Loan Documents. Senior Lender may amend, waive, postpone, extend, renew, replace, reduce or otherwise modify any provisions of the Senior Loan Documents without the necessity of obtaining the consent of or providing Notice to Subordinate Lender, and without affecting any of the provisions of this Agreement. Notwithstanding the foregoing, Senior Lender may not modify any provision of the Senior Loan Documents that increases the Senior Indebtedness, except for increases in the Senior Indebtedness that result from advances made by Senior Lender to protect the security or lien priority of Senior Lender under the Senior Loan Documents or to cure defaults under the Subordinate Loan Documents.
 - (e) Commercial or Retail Leases. If requested, Subordinate Lender will enter into attornment and non-disturbance agreements with all tenants under commercial or retail Leases, if any, to whom Senior Lender has granted attornment and non-disturbance, on the same terms and conditions given by Senior Lender.
 - (f) Consent Rights. Whenever the Subordinate Loan Documents give Subordinate Lender approval or consent rights with respect to any matter **except release or modification of the Regulatory Agreement**, and a right of approval or consent for the same or substantially the same matter is also granted to Senior Lender pursuant to the Senior Loan Documents or otherwise, Senior Lender's approval or consent or failure to approve or consent will be binding on Subordinate Lender. None of the other provisions of Section 7 are intended to be in any way in limitation of the provisions of this Section 7(f).
 - (g) Escrows. Except as provided in this Section 7(g), and regardless of any contrary provision in the Subordinate Loan Documents, Subordinate Lender will not collect any escrows for any cost or expense related to the Mortgaged Property or for any portion of the Subordinate Indebtedness. However, if Senior Lender is not collecting escrow payments for one or more Impositions, Subordinate Lender may collect escrow payments for such Impositions; provided that all payments so collected by Subordinate Lender will be held in trust by Subordinate Lender to be applied only to the payment of such Impositions.
 - (h) Certification. Within 10 days after request by Senior Lender, Subordinate Lender will furnish Senior Lender with a statement, duly acknowledged and certified setting forth the then-current amount and terms of the Subordinate Indebtedness, confirming that there exists no default under the Subordinate Loan Documents (or describing any default that does exist), and certifying to such other information with respect to the Subordinate Indebtedness as Senior Lender may request.
8. **Refinancing.** Subordinate Lender agrees that its agreement to subordinate under this Agreement will extend to any new mortgage debt which is for the purpose of refinancing all or any part of the Senior Indebtedness (including reasonable and necessary costs associated with the closing and/or the refinancing, and any reasonable increase in proceeds for rehabilitation in the context of a preservation transaction). All terms and covenants of

this Agreement will inure to the benefit of any holder of any such refinanced debt, and all references to the Senior Loan Documents and Senior Lender will mean, respectively, the refinance loan documents and the holder of such refinanced debt.

9. **Governmental Powers.** Nothing in this Agreement is intended, nor will it be construed, to in any way limit the exercise by Subordinate Lender of its governmental powers (including police, regulatory and taxing powers) with respect to Borrower or the Mortgaged Property to the same extent as if it were not a party to this Agreement or the transactions contemplated by this Agreement.

10. **Notices.**

- (a) Any Notice required or permitted to be given pursuant to this Agreement will be in writing and will be deemed to have been duly and sufficiently given if (i) personally delivered with proof of delivery (any Notice so delivered will be deemed to have been received at the time so delivered), or (ii) sent by a national overnight courier service (such as FedEx) designating earliest available delivery (any Notice so delivered will be deemed to have been received on the next Business Day following receipt by the courier), or (iii) sent by United States registered or certified mail, return receipt requested, postage prepaid, at a post office regularly maintained by the United States Postal Service (any Notice so sent will be deemed to have been received on the date of delivery as confirmed by the return receipt), addressed to the respective parties as follows:

Neither party will refuse or reject delivery of any Notice given in accordance with this Section 10.

11. **Miscellaneous Provisions.**

- (a) Assignments/Successors. This Agreement will be binding upon and will inure to the benefit of the respective legal successors and permitted assigns of the parties to

this Agreement. No other party will be entitled to any benefits under this Agreement, whether as a third-party beneficiary or otherwise. This Agreement may be assigned at any time by Senior Lender to any subsequent holder of the Senior Note.

- (b) No Partnership or Joint Venture. Nothing in this Agreement or in any of the Senior Loan Documents or Subordinate Loan Documents will be deemed to constitute Senior Lender as a joint venturer or partner of Subordinate Lender.

(c) If to Borrower:

4. Notice of Default.

(a) If a default occurs in the payment of any of the Loans, the affected Lender shall give the other Lender written notice of such default. Said notice shall be mailed to the Lender in the manner and to the addresses specified in Section 3 of this Agreement and within thirty (30) days of the occurrence of such default.

(b) This notice of default is a separate notice from the declaration of default described in Section 2(a).

(c) If the default is cured after the written notice of default is given under this Section, the affected Lender shall give the other Lender written notice of such cure in the same manner as the written notice of default was given.

5. Cross Default. Any default by Borrower under a Lender's Loan and any related Loan Documents shall automatically create a default under the other Lender's Loan and related Loan Documents.

6. Consultation Among Lenders.

(a) In the event of a default by Borrower, the Lenders agree to discuss that event of default and the consequences the event of default may have on Borrower.

(b) Lenders will also consult with each other before either one takes any of the actions described in Section 2.

(c) Lenders will consult with each other before either one makes an advance for the preservation or protection of the Property or for Collection expenses. In addition, Lenders will comply with the requirements of Section 12.

(d) Any discussion or consultation between both Lenders under this Agreement will involve authorized officials of the Lenders and may occur in a face-to-face meeting, by telephone or by a video conference. The discussions and consultations will be confirmed in writing prior to any action being taken. The written confirmation may be in the form of a letter, memorandum or email.

7. Remedies. In the event of a default under a Lender's Loan Documents, the other Lender may, at its option upon consultation and upon providing notice to the other Lender:

(a) Cure any non-monetary default and provide evidence of such cure to the Lender;

(b) Cure any monetary default and pay the amount of the Borrower's delinquent payments to the Lender; or

(c) Pay the defaulting Loan in full following an acceleration of the Loan.

8. Sale, Transfer and Purchase of Loan. In the event Lender elects to sell, transfer or otherwise dispose of the Loan and Loan Documents and after providing notice to the other Lender of this intended action and upon consultation with each other, as required by this Agreement, the other Lender may, at its option, purchase or payoff said Loan in accordance with the following:

(a) The other Lender shall have the first and prior right to purchase or pay off the Loan and Loan Documents.

(b) The other Lender will advise Lender of its election in writing within thirty (30) calendar days following the receipt of the notice of the Lender's intended action or notice of default.

(c) Within ten (10) calendar days of receipt of the other Lender's election, Lender will provide the other Lender with Loan information in accordance with Section 14 of this Agreement.

(d) Within thirty (30) calendar days of receipt of the complete Loan information, the other Lender may purchase or payoff said Loan in full.

(e) When the Loan is purchased, the selling Lender will endorse its note to the other Lender, without recourse, assign its Loan Documents to the other Lender, and deliver the endorsed note and assignment to the other Lender at the address identified in Section 3 of this Agreement.

(f) When the Loan is paid in full, Lender will mark its note or other evidence of the Loan "paid in full", file a release of its lien of record and deliver the note and the recorded release to the other Lender at the address identified in Section 3 of this Agreement.

(g) If Lender fails to adhere to the requirements in this Section 8 to exercise its rights under to purchase or pay off the Loan, the other Lender is released from all obligations under this Section 8.

9. Sharing of Collections.

(a) Each Lender agrees that, notwithstanding the order of attachment, filing, recording or other perfection, or the non-perfection of or the priority of, any liens securing either of the Lenders' Loans, and notwithstanding any provision of any of the Loan Documents to the contrary, any Collections received by either Lender upon the foreclosure of the Property shall be shared on a parity prorated basis according to the advanced comparative outstanding balances due to City Lender and to TDHCA Lender from Borrower and as determined in the Formula for Proportionate Sharing provided in Section 10.

(b) All Collections, if any, will be divided using the Formula for Proportionate Sharing provided in Section 10 after the payment of any advances as provided in Section 12.

10. Formula for Proportionate Sharing; Division and Delivery. Subject to the payment of advances as provided in Section 12, all Collections to be divided between City Lender and TDHCA Lender pursuant to this Agreement will be divided using the City Lender's and the TDHCA Lender's respective percentage multiplier.

(a) The City Lender's and the TDHCA Lender's respective percentage multiplier is computed as follows:

- (1) (1) For the City Lender's percentage multiplier, the numerator is the amount then owing under the City Lender's Loan and the denominator is the sum of the amount then owing under both the City Lender's Loan and the TDHCA Lender's Loan, and
- (2) For the TDHCA Lender's percentage multiplier, the numerator is the amount then owing under the TDHCA Lender's Loan and the denominator is the sum of the amount then owing under both the City Lender's Loan and the TDHCA Lender's Loan.

The respective multipliers will be rounded up to the nearest tenth of a point. The sum of the City Lender's percentage multiplier and the TDHCA Lender's percentage multiplier should total 100%.

(b) Following receipt by a Lender of a Collection, the Lenders' respective percentage multipliers shall be determined as of the date the Collection is to be divided.

(1) The total amount of the Collection to be divided will be multiplied by each Lender's respective percentage multiplier. The respective products of those calculations will then be delivered to each respective Lender to be applied to that Lender's Loans.

(2) Division and delivery will occur within 30 calendar days of receipt of a Collection by either Lender. Provided, however, the Lender receiving the Collection to be divided may ask the other Lender for additional time to divide and deliver the Collection but any such request for additional time will be made within the 30-calendar-day period.

(3) When a share of a Collection is delivered to a Lender under this section, the share of the Collection being delivered will be accompanied by an accounting prepared by the Lender which received, divided and delivered the Collection. The accounting will identify the Collection and its source, show how the respective percentage multipliers were calculated and how the respective shares of the Collection received were computed.

11. Receipt of Monies in Excess of Proportionate Share.

(a) Except as otherwise provided in this Section, each Lender agrees not to demand, sue for, take or receive, directly or indirectly, in cash or other property or in any other manner, any Collection in excess of the Lender's pro-rata share of Collections as determined in accordance with this Agreement.

(b) Any Collection received by a Lender contrary to the provisions herein shall be received in trust for the benefit of the other Lender, shall be segregated from other funds and property held by the Lender and shall be delivered to the other Lender within 30 calendar days of receipt by the Lender who is holding such Collection in trust under this provision. Provided, however, the Lender receiving the Collection to be segregated and delivered may ask the other Lender for additional time to deliver the Collection but any such request for additional time will be made within the 30-calendar-day period.

(c) Monies received by a Lender by way of offset or setoff are exempt from the requirements of this Section and will not be shared with the other Lender.

12. Advances.

(a) If the Loan Documents secure the repayment of future advances, Lender will make no advances for any purpose without the prior written consent of the other Lender.

(b) Notwithstanding the formula for apportioning Collections between the Lenders as contained in Section 10 of this Agreement, advances made by the City Lender or TDHCA Lender for the mutual benefit or protection of both Lenders, which are agreed to by both Lenders as provided in Section 12(a) and which are charged to Borrower's account shall be paid first before the apportionment of funds between City Lender and Lender. Such advances may include advances to protect or preserve the Property, to pay ad valorem taxes or Property insurance, and to pay Collection and/or foreclosure expenses (such as attorney fees, advertising and sale costs, lien searches and title examinations and Property appraisal fees).

(c) For all advances made by a Lender which will be paid first as provided in Section 12(b), the Lender will provide an accounting to the other Lender. The accounting will include an itemized list of each advance made, the date of the advance, the purpose of the advance, and the payee of the advance and the supporting documentation including the invoice or billing for the charge and the Lender's payment of that advance item.

13. Foreclosure and Disposition of Property. In the event a Lender elects to sell, transfer or otherwise dispose of the Property and after providing notice to the other Lender of this intended action and after consultation as required by Sections 2 and 6 of this Agreement, Lender shall comply with the following:

(a) If a Lender elects to initiate a judicial foreclosure proceeding against the Property under a court judgment, Lender will name the other Lender as a defendant in the judicial action and allege that Lenders share a lien priority on all collateral proceeds on the Property and other Collateral pursuant to this Agreement.

(1) Proceeds received from the sale or disposition of the Collateral (including the Property) shall be shared by Lenders in accordance with the Formula for Proportionate Sharing provided in Section 10 of this Agreement after the payment of any advances as provided in Section 12.

(2) Sale proceeds in excess of court costs, advances, sale expenses and the respective unpaid balances of all Loans are excess sale proceeds for the purposes of this Section 13(a) and not a Collection. Excess sale proceeds shall be disbursed in accordance with the judgment or order of the court.

(b) If TDHCA Lender elects to foreclose its superior lien and initiate a non-judicial foreclosure proceeding against the Property under a power of sale conferred by a deed of trust pursuant to Section 51.002 of the Texas Property Code lien as a superior lien on the Property-

- (1) (1) The proceeds of the foreclosure sale received from a third party buyer shall be shared by Lenders in accordance with the Formula for Proportionate Sharing provided in Section 10 of this Agreement after the payment of any advances under Section 12.
- (2) (2) TDHCA Lender will not be required to bid more than the amount owed on the TDHCA Lender Loan or Loans which are secured by the TDHCA Lender's senior lien being foreclosed.
- (3) (3) Sale proceeds in excess of advances, sale expenses and the respective unpaid balances of all Loans are excess sale proceeds for the purposes of this Section 13(b). Said excess sale proceeds shall be disbursed in accordance with the provisions of the deed of trust which was foreclosed and in accordance with Texas law.
- (4) (4) City Lender's subordinate lien will be extinguished by the foreclosure sale in accordance with Texas law.
- (5) (5) If the foreclosing TDHCA Lender obtains title to the Property at the foreclosure sale, TDHCA Lender will take title to the Property free and clear of City Lender's subordinate lien and all subordinate liens will be extinguished.
- (6) (6) Upon any subsequent sale of the Property to a third party buyer and after Lenders have mutually agreed in writing to the sale price, the proceeds of the sale shall be shared by Lenders in accordance with the Formula for Proportionate Sharing provided in Section 10 of this Agreement (after the payment of any advances under Section 12).

(c) If City Lender elects to foreclose its subordinate lien and initiate a non-judicial foreclosure proceeding against the Property under a power of sale conferred by a deed of trust pursuant to Section 51.002 of the Texas Property Code lien as a subordinate lien on the Property-

(1) Title to the Property, upon foreclosure of the City Lender's subordinate lien, will be taken subject to the TDHCA Lender's senior lien.

(2) The TDHCA Lender's senior lien will not be extinguished by the foreclosure.

(3) If the foreclosing City Lender obtains title to the Property at the foreclosure sale, City Lender will take title to the Property subject to the TDHCA Lender's senior lien.

(4) Upon any subsequent sale of the Property by City Lender to a third party buyer, and after Lenders have mutually agreed in writing to the sale price, the proceeds of the sale shall be shared by Lenders in accordance with the Formula for Proportionate Sharing provided in Section 10 of this Agreement (after the payment of any advances under Section 12) and the TDHCA Lender's senior lien shall be released.

(d) No Lender may accept a voluntary conveyance of the Property or a deed in lieu of foreclosure for the Property without the prior written consent of the other Lender.

14. Request for Loan Information. Upon written request by a Lender and within ten (10) calendar days of receipt of the request, the other Lender will provide the requesting Lender with the following information:

(a) current unpaid balance of the Loan and an itemized description of each component of the unpaid balance including unpaid principal, accrued interest and advances, fees and charges, if any;

(b) the amount of the delinquency, if any, on the Loan;

(c) amortization schedule for payments on the Loan;

(d) information as to the status of insurance and/or ad valorem taxes;

(e) copies of any current insurance policies covering the Property; and

(f) information pertaining to Borrower's defaults under the Loan and/or Loan Documents.

15. No Detriment. Lenders agree that the lien position of City Lender shall be subordinate to the lien position of the TDHCA Lender prior to the initiation of a foreclosure action; however, neither the City Lender nor the TDHCA Lender shall have the right to

foreclose or otherwise enforce its interest and security to the detriment or exclusion of the other.

16. Servicing. No Lender shall perform any servicing function on behalf of another Lender with respect to another Lender's Loan unless the parties enter into an express written Agreement providing for the performance of such servicing functions.

17. Term; Binding Effect. This Agreement shall remain in full force and effect until the Loans have been paid in full, and shall be binding on each party's successors and assigns.

18. Conflicts between Loan Documents and this Agreement. If there are any conflicts between the provisions in this Agreement and the Loan Documents regarding the identity of the Loans secured by the Loan Documents, any provision for making advances or the disposition or distribution of Collections, the provisions of this Agreement shall control. However, subject to the foregoing sentence, nothing in this Agreement shall otherwise supersede or override any other provision contained in the Lenders' Loan Documents.

19. Conflicts between Subordination Agreement and this Agreement. If there are any conflicts between the provisions in this Agreement and the provisions in the Subordination Agreement, this Agreement shall control.

20. Termination. This Agreement will terminate when the Loan or Loans of either Lender are paid in full.

ASSIGNMENT OF PROPERTY MANAGEMENT AGREEMENT

ASSIGNMENT OF PROPERTY MANAGEMENT AGREEMENT

THIS ASSIGNMENT OF PROPERTY MANAGEMENT AGREEMENT (this "**Assignment**") is made as of _____, 2022 by and among My Connect Community, a Texas nonprofit corporation ("**Borrower**"), Connect South Apts, LP, a Texas limited partnership ("**Owner**"), and Alpha Barnes Real Estate Services, LLC, a Texas limited liability agreement, having an address at 12720 Hillcrest Road, Suite 400, Dallas, Texas 75230 Attention: Hugh Cobb ("**Manager**").

Capitalized terms utilized herein which are not defined herein shall have the meaning specified in the Loan Agreement, as defined below.

R E C I T A L S

A. Owner is the owner of a leasehold interest in the real property located at 6440 Hillcroft Street, Houston, Harris County, Texas, 77011 ("**Project**") and is making certain improvements to the Project.

B. Manager is the property manager of the Project pursuant to that certain Management Agreement dated as of _____ 2022 between Owner and Manager (as from time to time amended in accordance with the terms thereof and hereof, the "**Management Agreement**").

C. Owner has requested that the City of Houston, Texas ("**City**") make a \$11,900,000.00 loan ("**Loan**") to Borrower to be used by Borrower to make a loan to Owner to provide funds for the development of the Project.

D. The Loan will be (i) advanced pursuant to the terms of a certain Loan Agreement dated as of the date hereof between City, Borrower and Owner (as the same may be amended from time to time, the "**Loan Agreement**"); and (ii) secured by a Collateral Assignment of Note and Liens ("**Collateral Assignment**") executed by Borrower assigning Borrower's right, title and interest in and to a loan made by Borrower to Owner, in the principal amount of the \$11,900,000.00, together with a Fee Deed of Trust, Security Agreement and Financing Statement and Leasehold Deed of Trust, Security Agreement and Financing Statement (collectively, "**Deed of Trust**") covering the Project.

E. City has required, as a condition to making the Loan and as additional security for the obligations of Borrower under the Loan, (i) that Owner assign to City all of Owner's right, title and interest in and to the Management Agreement; (ii) that Owner and Manager subordinate, to the extent herein provided, their respective right, title and interest in and to the Management Agreement to the liens and security interests securing performance of the Loan; and (iii) that Owner and Manager agree to the terms, covenants and conditions contained herein.

NOW, THEREFORE, in consideration of the mutual promises contained herein, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto agree as follows:

1. **Terms.** Terms defined in the Loan Agreement have the same meanings when used herein unless otherwise defined herein or the context hereof otherwise requires.

2. **Assignment.** Subject to the terms and conditions hereof, to further secure the performance of the obligations under the Loan Agreement and documents executed in connection with and are evidencing, governing, and/or securing the Loan ("**Loan Documents**"), Owner hereby collaterally grants, transfers and assigns to City all of Owner's right, title and interest in, to and under the Management Agreement together with all right, power and authority of Owner to alter, modify or change

the terms of the Management Agreement or to surrender, cancel or terminate the same, and Manager consents to such assignment pursuant to and in accordance with the agreements set forth herein. So long as no Default exists under the Loan Agreement or any of the Loan Documents, Owner shall have the license to perform under and receive performance under the Management Agreement. Neither this Assignment nor any action taken by City under or pursuant to this Assignment shall be deemed to impose any obligation or liability upon City to Manager under or with respect to the Management Agreement or any covenants of Owner thereunder; except that from and after the date upon which City (a) agrees in writing to assume performance of Owner's obligations under the terms of the Management Agreement, or (b) acquires title to the Project by foreclosure or otherwise, Manager shall be entitled to the management fees and other sums provided in the Management Agreement which are due and payable after acquisition of the Project by City so long as Manager is performing its duties thereunder.

3. **Representations and Warranties.** Owner and Manager hereby represent and warrant to City that as of the date hereof (a) the only agreement affecting the management of the Project (as more particularly set forth in the Management Agreement) is the Management Agreement, (b) the Management Agreement constitutes the full agreement between Owner and Manager, and there are no amendments thereto, (c) the Management Agreement is in full force and effect, and (c) neither Owner nor Manager is in default under the Management Agreement, and no event has occurred which, with the giving of notice and/or the passage of time would constitute a default thereunder. Owner represents and warrants that but for this Assignment and the other Loan Documents and pursuant to the Senior Loan Documents (as defined by the Loan Agreement), Owner has not transferred, assigned or encumbered, in whole or in part, the Management Agreement or any of Owner's rights or interests thereunder. Owner further represents that, other than as provided in the immediately preceding sentence, Owner has not performed any act or executed any instrument which might prevent or limit City from proceeding under any of the terms and conditions hereof.

4. **Covenants.**

(a) Owner, at its sole cost and expense, shall fully perform every obligation under the Management Agreement by Owner to be performed, and shall enforce or secure the performance of every obligation of the Management Agreement by Manager to be performed for or on behalf of Owner (unless in Owner's good faith, prudent business judgment, it would not be in the best interest of the Project to do so and such obligation is not material). Owner shall not waive or release Manager from Manager's material obligations to be performed under the Management Agreement. Owner shall not enter into any agreement other than the Management Agreement for the management of the Project. Except as provided above, Owner will not transfer, assign or encumber, in whole or in part, the Management Agreement or any of Owner's rights or interests thereunder. Any violation of any of such covenants on the part of Owner without the prior written consent of City shall constitute a Default entitling City to exercise the remedies available to it hereunder and under the Loan Documents; provided, however, that this Assignment is subject to the notice and cure periods described in the Loan Agreement that are to be provided to Owner, which are incorporated herein by reference.

(b) Owner and Manager shall not modify or amend, in any material respect, or terminate, the Management Agreement without City's prior written consent (not to be unreasonably withheld); *provided*, however, that in the event City is given written notice of Owner's default and opportunity to cure in accordance with the first sentence of Section 5 below and such default is not cured by Owner or City within the applicable time period, Manager shall be permitted (subject to the third sentence of Section 7) to terminate the Management Agreement in accordance with the provisions thereof.

(c) Owner and Manager hereby agree that notwithstanding any provision to the contrary set forth herein or in the Management Agreement, Manager shall not receive any management fee in excess of five percent (5.0%) of gross annual income at any time.

(d) At Owner's sole cost and expense, Owner shall appear in and defend any action or proceeding connected with the Management Agreement and shall pay all necessary costs and expenses of City, including reasonable attorneys' fees, in any such action or proceeding in which City may appear.

5. **Default by Owner Under Management Agreement.** In the event of any material default by Owner under the Management Agreement, Manager shall give City written notice of such default, and City shall be permitted an opportunity (not less than forty-five (45) days from receipt of said notice) to cure such default by Owner, during which time Manager shall have no right to terminate the Management Agreement; *provided*, however, that City shall in no event be required to effect any such cure, and any cure by City shall not release Owner or Manager from any of its obligations under the Management Agreement. City shall have the right to appear in and defend any action or proceeding purporting to affect the Project or the rights and powers of City hereunder. Owner agrees to protect, defend, indemnify and hold City harmless from and against any and all losses, damages, claims, liabilities, costs, and expenses (including, but not limited to, reasonable attorneys' fees) incurred in connection with any such actions or measures taken by City or otherwise incurred in the exercise of any other rights or remedies of City under this Assignment. Owner agrees that all sums so expended by City in curing any default by Owner, or in appearing in or defending any action or proceeding, or in taking any other action permitted hereby, in each case together with interest thereon at the Default Rate (as defined in the Loan Agreement) shall be payable by Owner upon demand and shall be added to any obligations owing by Borrower under the Loan Agreement and shall be secured by the Deed of Trust, Collateral Assignment and any other security held for the Loan.

6. **No Duty to Perform; Indemnity.** City shall not be obligated to perform or discharge, nor does it hereby undertake to perform or discharge, any obligation, duty or liability under the Management Agreement, or under or by reason of this Assignment, and Owner shall and does hereby indemnify and hold City harmless against and from any and all liability, loss or damage arising or occurring prior to foreclosure which City may or might incur under the Management Agreement or under or by reason of this Assignment and of and from any and all claims and demands whatsoever which may be asserted against it by reason of any alleged obligations or undertakings on its part to perform or discharge any of the terms, covenants or agreements contained in the Management Agreement, except as a result of or in connection with the gross negligence or willful misconduct of City. Should City incur any such liability, loss or damage under the Management Agreement or under or by reason of this Assignment, or in the defense of any such claims or demands, except as a result of or in connection with the gross negligence or willful misconduct of City, the amount thereof, including costs, expenses and reasonable attorneys' fees, shall be secured by the Loan Documents, and Owner shall reimburse City therefor immediately upon demand, and upon the failure of Owner to do so, same shall constitute a Default and City may, upon thirty (30) days notice to Owner, if the amounts properly due and owing to City have not been paid, exercise the remedies available to it under the Loan Documents.

7. **Subordination.** Manager hereby subordinates any and all right, title and interest it may now or in the future have in the Management Agreement and/or to receive payment of any management or other fees set forth therein to the liens and security interests securing the obligations under the Loan Agreement; *provided*, however, that unless a Default exists, Owner shall be entitled to pay, and Manager shall be entitled to receive, the management fee in accordance with the terms of the Management Agreement. Further, Manager agrees that any and all liens, rights, and interest owned, claimed, or held by it, in and to the Project, are and shall be in all respects subordinate to the lien and security interest created by the Deed of Trust and Collateral Assignment. In the event of any sale of the Project pursuant to foreclosure of the Deed of Trust, or a deed in lieu of foreclosure, Manager agrees that it will not exercise any rights it may have to terminate the Management Agreement by reason of such sale. Notwithstanding the foregoing, Manager agrees that such foreclosure or deed in lieu of foreclosure shall operate to cut off, extinguish, and otherwise terminate all liens that Manager, and those claiming by, through, or under Manager, may now or hereafter have in and to the Project, and Manager agrees that City or any purchaser at a foreclosure sale under Deed of Trust lien may terminate the Management Agreement upon foreclosure or at any time thereafter.

8. **Default.** Upon the occurrence and continuation of a Default under and as defined in the Loan Agreement or other Loan Documents or the occurrence of a default on the part of Owner hereunder or under the Management Agreement which remains uncured after the expiration of all applicable notice, and cure periods under the Loan Documents, then, without regard for the adequacy of the security for the Loan, City shall have the right (but not the obligation) to: (a) take possession of the Project and exercise and enjoy all right, title and interest of Owner under the Management Agreement; (b) whether or not possession of the Project is taken, to receive all funds, issues, and profits under the Management Agreement (other than management fee payable to and earned by Manager in accordance with the terms and provisions thereof) and apply the same, less costs and expenses of taking possession of the Project, operation and collection, including reasonable attorneys' fees, upon any obligations due under the Loan Documents whether or not then due and in such order as City may determine; (c) enforce or terminate (with or without cause) the Management Agreement; (d) require Owner to install substitute management acceptable to City; and (e) do any acts which City deems proper to protect the Project or City's security interest therein or lien thereon, and thereupon and without further notice to Owner, Owner shall not have any further rights under the Management Agreement which would conflict with, impair, or interfere with any rights of City hereunder. Neither City's entering upon and taking possession of the Project nor the exercise of any of the aforesaid remedies shall cure or waive any such default on the part of Owner or waive, modify or affect any notice of default under the Loan Agreement or invalidate any act done pursuant to such notice. Any exercise by City of the right to terminate the Management Agreement shall be without liability to City for payment of any fees, charges or otherwise, notwithstanding any provisions in the Management Agreement to the contrary. After any such termination, City shall have the right to replace Manager with a manager selected by City in its sole discretion. Upon any termination of the Management Agreement, whether or not pursuant to this section, Manager agrees to deliver copies of all records, files, financial statements, and any other documents pertaining to management, construction, design and operation of the Project which are in the possession or under the control of Manager to Owner excluding, however, documents pertaining solely to the operation systems or procedures owned by Manager.

9. **Notice by City.** A notice in writing by City to Manager advising Manager that a Default exists and requesting that all future performance under the Management Agreement be made to City (or its agent), shall be construed by Manager as conclusive authority to Manager that such performance is to be made to City (or its agent) and Manager shall be fully protected in making such performance to City; and Owner hereby irrevocably constitutes and appoints City the attorney-in-fact and agent of Owner for the purpose of endorsing the consent of Owner on any such notice (such appointment only to be effective when a Default exists under and as defined in the Loan Agreement). The foregoing power is coupled with an interest and shall survive the liquidation, bankruptcy or insolvency of Owner.

10. **Attornment by Manager.** Manager hereby agrees that in the event of notification to Manager by City that City has acquired possession of the Project or obtained the appointment of a receiver for same, Manager shall, at City's request, attorn to City as owner thereunder; *provided*, however, that in no event shall City be liable for, or be obligated to cure, any default of Owner occurring prior to the date of such notification.

11. **No Limitations.** Owner and Manager agree that (a) nothing in this Assignment shall be construed to limit or restrict in any way the rights and powers granted to City under any of the Loan Documents, and (b) an action to foreclose may be commenced, notwithstanding that Owner continues in possession of the Project, both real and personal, herein referred to, and continues to collect the rents, issues and profits thereof.

12. **No Waiver.** This Assignment can be extended, modified or amended only in writing executed by Manager and Owner and consented to by the City, and none of the rights or benefits of City can be waived permanently except in a written document executed by City. City's rights, powers, privileges and remedies under or in connection with this Assignment are cumulative and not exclusive and shall not be waived, precluded or limited by any failure or delay in the exercise thereof or by the parties exercise thereof or by any course of dealing between Manager and/or Owner and City. No notice

to or demand on Manager or Owner in any case shall entitle Manager or Owner to any other or further notice or demand in similar or other circumstances or constitute a waiver of the right of City to any other or further action in any circumstances without notice or demand.

13. **Counterparts.** This Assignment and any amendments, waivers, consents or supplements hereto or in connection herewith may be executed, including by transmission of facsimile, in any number of counterparts and by different parties hereto in separate counterparts, each of which when so executed and delivered shall be deemed an original, but all of such counterparts together shall constitute but one and the same instrument; signature pages may be detached from multiple separate counterparts and attached to a single counterpart so that all signature pages are physically attached to the same document. In the event this Assignment or any amendment, waiver, consent or supplement shall have been executed by transmission of facsimile, any party may request that the parties thereto execute original documents for record purposes, but no failure of any party to do so shall invalidate or in any other way affect the validity of such document. This Assignment shall become effective upon the execution of a counterpart hereof by each of the parties hereto and receipt by the parties of written or telephonic notification of such execution and authorization of delivery thereof.

14. **Descriptive Headings; Recitals.** The descriptive headings used in this Assignment are for convenience only and shall not be deemed to affect the meaning or construction of any provision hereof. The Recitals set forth at the beginning of this Assignment are hereby incorporated into the substantive provisions of this Assignment.

15. **Notices.** Any notice, report, demand or other instrument authorized or required to be given or furnished hereunder shall be given in conformity with the terms and conditions of the Loan Agreement and to the parties hereto at the addresses set forth above or in the Loan Agreement, as applicable.

16. **Benefit of Agreement.** This Assignment shall be binding upon each party hereto and its successors and assigns, and shall inure to the benefit of Owner, Borrower, City, and Manager and their respective successors and/or assigns, except the rights and remedies of Owner, Borrower, City, and Manager under this Assignment (except pursuant to Section 7 above) shall not inure to the benefit of (a) any purchaser of the Project at a foreclosure sale, (b) any Person taking title to the Project by deed in lieu of foreclosure, or (c) any successor or assign of any Person described in clauses (a) and (b) above, except that Owner's, Borrower's, City's, and Manager's rights shall inure to the benefit of the parties described in clauses (a), (b) and (c) hereof if such parties are City (including, for these purposes, its successors and assigns as holder of the Loan Documents), and any participant's or any of City's (or such successors, assigns, beneficiaries or participant's) affiliates or nominees.

17. **Inconsistencies.** In the event of any inconsistency between the terms and conditions hereof and the terms of the Management Agreement, the terms and conditions set forth herein shall govern.

18. **Severability.** In the event that any of the covenants, agreements, terms or provisions contained herein shall be invalid, illegal or unenforceable in any respect, the validity of the remaining covenants, agreements, terms and provisions contained herein shall be in no way affected, prejudiced or disturbed thereby.

REPRESENTATIONS AND WARRANTIES

Except as set forth in the Environmental Report, Indemnitor unconditionally represents and warrants to Lender as follows:

(a) The Property does not contain any Hazardous Substances, and the Property is not subject to any Hazardous Substances Contamination.

(d) Neither Indemnitor nor, to the best knowledge of Indemnitor, any other person, including, but not limited, to any predecessor owner, tenant, licensee, occupant, user, or operator of all or any portion of the Property, has ever undertaken, caused, permitted, authorized, or suffered the presence, use, manufacture, handling, generation, transportation, storage, treatment, discharge, release, burial, or

Indemnitor unconditionally covenants that and agrees with Lender as follows:

(a) Indemnitor will not use, generate, manufacture, produce, store, release, discharge, treat, or dispose of on, under, from or about the Property or transport to or from the Property any Hazardous Substances or allow any other person or entity to do so. Notwithstanding the foregoing or anything to the contrary set forth in this Environmental Indemnity Agreement, reasonable quantities of Hazardous Substances as are customarily used in the construction, habitation, maintenance and/or operation of an apartment project, properly used and/or stored, shall be permitted (collectively, the "**Permitted Substances**").

(b) Indemnitor will keep and maintain the Property in compliance with, and shall not cause or permit the Property to be in violation of, any Environmental Law.

(c) Indemnitor will establish and maintain, at Indemnitor's sole expense, a system to assure and monitor continued compliance with Environmental Laws and the exclusion of Hazardous Substances from the Property, by any and all owners or operators, including tenants, of the Property, which system shall include annual reviews of such compliance by employees or agents of Indemnitor who are

familiar with the requirements of the Environmental Laws and, at the request of Lender at such time as Lender makes a reasonable determination that a Hazardous Substances Contamination has occurred at the Property, a detailed review of such compliance of the environmental condition of the Property (the "**New Environmental Report**") in scope satisfactory to Lender by an environmental consulting firm approved in advance by Lender; provided, however, that if any New Environmental Report indicates any violation of any Environmental Laws or a need for remedial work ("**Remedial Work**"), such system shall include at the request of Lender a detailed review of the status of such violation (a "**Supplemental Report**") by such environmental consultant. Indemnitor shall furnish a New Environmental Report or such Supplemental Report to the Lender within sixty (60) days after Lender so requests, together with such additional information as Lender may reasonably request.

(d) Indemnitor will give prompt written notices to Lender of: (i) any proceeding or inquiry by any governmental or nongovernmental entity or person with respect to the presence of any Hazardous Substances on, under, from or about the Property, the migration thereof from or to other property, the disposal, storage, or treatment of any Hazardous Substances generated or used on, under or about the Property, (ii) all claims made or threatened by any third party against Indemnitor or the Property or any other owner or operator, including a tenant, of the Property relating to any loss or injury resulting from any Hazardous Substances, and (iii) Indemnitor's discovery of any occurrence or condition on any real property adjoining or in the vicinity of the Property that could cause the Property or any part thereof to be subject to any investigation or cleanup of the Property pursuant to any Environmental Laws.

(e) Indemnitor will permit Lender to join and participate in, as a party if it so elects, any legal proceedings or actions initiated with respect to the Property in connection with any Environmental Laws or Hazardous Substances, and Indemnitor shall pay all attorneys' fees incurred by Lender in connection therewith.

(f) In the event that any Remedial Work is reasonably necessary or desirable, Indemnitor shall commence and thereafter diligently prosecute to completion all such Remedial Work within thirty (30) days after written demand by Lender for performance thereof (or such shorter period of time as may be required under any Environmental Laws). All Remedial Work shall be performed by contractors approved in advance by Lender, and under the supervision of a consulting engineer approved by Lender. All costs and expenses of such Remedial Work shall be paid by Indemnitor including, without limitation, Lender's reasonable attorneys' fees and costs incurred in connection with monitoring or review of such Remedial Work. Article VIII.

LENDER'S RIGHT TO REMOVE HAZARDOUS MATERIALS

Lender shall have the right but not the obligation, without in any way limiting Lender's other rights and remedies under the Loan Documents, to enter onto the Property or to take such other actions as it deems necessary or advisable to clean up, remove, resolve or minimize the impact of, or otherwise deal with, any Hazardous Substances or Hazardous Substances Contamination on the Property following receipt of any notice from any person or entity asserting the existence of any Hazardous Substances or Hazardous Substances Contamination pertaining to the Property or any part thereof which, if true, could result in an order, notice, suit, imposition of a lien on the Property or other action and/or which, in Lender's reasonable opinion, could jeopardize Lender's security under the Loan Documents; provided, however, Lender shall have no right to proceed with any of the rights granted to it in this paragraph until Lender has provided Indemnitor with written notice of Lender's intent to take any of the actions described in this paragraph and Indemnitor fails to commence within thirty (30) days following Indemnitor's receipt of such notice and diligently proceeds thereafter to complete all action necessary to clean-up, remove or resolve any of the foregoing. Payment by Lender shall not be a condition precedent to the obligations of Indemnitor under this Environmental Indemnity Agreement.

Any notice, communication, request or other documents or demand permitted or required hereunder shall be in writing and given in accordance with the provisions of the Loan Documents.

THIS ENVIRONMENTAL INDEMNITY AGREEMENT SHALL BE GOVERNED BY THE LAWS OF THE STATE OF TEXAS APPLICABLE TO CONTRACTS MADE AND TO BE PERFORMED IN TEXAS PROVIDED, HOWEVER, THAT EITHER FEDERAL LAW OR, TO THE EXTENT FEDERAL LAW DOES NOT APPLY, THE LAW OF THE SITUS OF THE PROPERTY SHALL BE APPLIED TO DETERMINE THE COMPLIANCE OF THE PROPERTY WITH ENVIRONMENTAL LAWS. PROVIDED FURTHER, THAT THE LAWS OF THE STATE IN WHICH THE PROPERTY IS LOCATED SHALL APPLY TO THE CREATION, PERFECTION, AND PRIORITY OF LIENS AND SECURITY INTERESTS AND TO ANY FORECLOSURE, TRUSTEE'S SALE, APPOINTMENT OF RECEIVER OR OTHER REMEDY WITH RESPECT TO THE PROPERTY. ANY PROCEDURES PROVIDED HEREIN FOR SUCH REMEDIES SHALL BE MODIFIED BY AND REPLACED WITH, WHERE INCONSISTENT WITH OR REQUIRED BY, ANY PROCEDURES OR REQUIREMENTS OF THE LAWS OF THE STATE IN WHICH THE PROPERTY IS LOCATED.

ANY LEGAL ACTION TO INTERPRET OR ENFORCE ANY TERM OR CONDITION OF THIS ENVIRONMENTAL INDEMNITY AGREEMENT SHALL BE BROUGHT AND MAINTAINED ONLY IN THE TEXAS STATE COURTS SITUATED IN THE CITY OF HOUSTON AND COUNTY OF HARRIS, TEXAS. BY EXECUTING THIS ENVIRONMENTAL INDEMNITY AGREEMENT, INDEMNITOR EXPRESSLY (A) CONSENTS AND SUBMITS TO THE PERSONAL JURISDICTION OF SUCH TEXAS AND FEDERAL COURTS, (B) WAIVES, TO THE FULLEST EXTENT PERMITTED BY LAW, ANY CLAIM OR DEFENSE THAT HARRIS COUNTY, TEXAS IS NOT A PROPER OR CONVENIENT VENUE OR FORUM, AND (C) CONSENTS TO THE SERVICE OF PROCESS IN ANY MANNER AUTHORIZED BY TEXAS LAW. ANY FINAL JUDGMENT ENTERED IN AN ACTION BROUGHT HEREUNDER SHALL BE CONCLUSIVE AND BINDING UPON THE PARTIES HERETO.

Indemnitor waives any acceptance of this Environmental Indemnity Agreement by Lender.

The failure of any party to enforce any right or remedy hereunder, or to promptly enforce any such right or remedy, shall not constitute a waiver thereof nor give rise to any estoppel against such party, nor excuse any of the parties from their obligations hereunder. Any waiver of such right or remedy must be in writing and signed by the party to be bound. This Environmental Indemnity Agreement is subject to enforcement at law and/or equity, including actions for damages and/or specific performance.

Time is of the essence in the performance of the terms, conditions and covenants herein contained.

This Environmental Indemnity Agreement shall be deemed to be continuing in nature and shall remain in full force and effect and shall survive any exercise of any remedy by Lender under the Loan Documents, including foreclosure of the liens of the Loan Documents (or deed in lieu thereof), even if, as part of such foreclosure or deed in lieu of foreclosure, the Loan amount is satisfied in full.

PERFORMANCE BOND

THAT WE, Pavilion Construction, Inc., as Primary Subcontractor, (the "Contractor"), and the other subscriber hereto, _____, as Surety, do hereby acknowledge ourselves to be held and firmly bound to the City of Houston (the "City"), a municipal corporation, and Connect South Apartments, LP, a Texas limited partnership (individually, "Owner" and collectively with the City, the "Obligees"), in the penal sum of \$_____ for the payment of which sum, well and truly to be made to Obligees, their successors and assigns, Contractor and Surety do bind themselves, their heirs, executors, administrators, successors and assigns, jointly and severally.

THE CONDITIONS OF THIS OBLIGATION ARE SUCH THAT:

WHEREAS, the Contractor has on or about this day executed a Contract in writing with Owner for the construction of a 77-unit apartment complex located at 6430 and 6440 Hillcroft Street, Houston, Harris County, Texas, all of such work to be done as set out in full in said Contract documents therein referred to and adopted by the City Council, all of which are made a part of this instrument as fully and completely as if set out in full herein.

NOW THEREFORE, if the said Contractor shall faithfully and strictly perform the Contract in all its terms, provisions, and stipulations in accordance with its true meaning and effect, and in accordance with the Contract documents referred to therein and shall comply strictly with each and every provision of the Contract and with this Bond, then this obligation shall become null and void and shall have no further force and effect; otherwise the same is to remain in full force and effect. Should the Contractor fail to faithfully and strictly perform the Contract in all its terms, including but not limited to the indemnifications thereunder, the Surety shall be liable for all damages, losses, expenses and liabilities that Obligees may suffer in consequence thereof, as more fully set forth herein.

It is further understood and agreed that the Surety does hereby relieve the Obligees or their representatives from the exercise of any diligence whatever in securing compliance on the part of the Contractor with the terms of the Contract, and the Surety agrees that it shall be bound to take notice of and shall be held to have knowledge of all acts or omissions of the Contractor in all matters pertaining to the Contract. The Surety understands and agrees that the provision in the Contract that Owner will retain certain amounts due the Contractor until the expiration of 30 days from the acceptance of the Work is intended for the Obligor's benefit, and the Obligees will have the right to pay or withhold such retained amounts or any other amount owing under the Contract without changing or affecting the liability of the Surety hereon in any degree.

It is further expressly agreed by Surety that the Obligees or their representatives are at liberty at any time, without notice to the Surety, to make any change in the Contract documents and in the Work to be done thereunder, as provided in the Contract, and in the terms and conditions thereof, or to make any change in, addition to, or deduction from the Work to be done thereunder; and that such changes, if made, shall not in any way vitiate the obligation in this Bond and undertaking or release the Surety therefrom.

It is further expressly agreed and understood that the Contractor and Surety will fully indemnify and save harmless the Obligees from any liability, loss, cost, expense, or damage arising out of Contractor's performance of the Contract.

If the Obligor/s gives Surety notice of Contractor's default, Surety shall, within 45 days, take one of the following actions:

1. Arrange for Contractor, with consent of the Obligees, to perform and complete the Contract; or

2. Take over and assume completion of the Contract itself, through its agents or through independent contractors, and become entitled to the payment of the balance of the Contract Price.

If the Surety fails to take either of the actions set out above, it shall be deemed to have waived its right to perform and complete the Contract and receive payment of the balance of the Contract Price and the Obligees shall be entitled to enforce any remedies available at law, including but not limited to completing the Contract itself and recovering any cost in excess of the Original Contract Price from the Surety.

This Bond and all obligations created hereunder shall be performable in Harris County, Texas.

Notices required or permitted hereunder shall be in writing and shall be deemed delivered when actually received or, if earlier, on the third day following deposit in a United States Postal Service post office or receptacle, with proper postage affixed (certified mail, return receipt requested), addressed to the respective other party at the address prescribed in the Contract documents, or at such other address as the receiving party may hereafter prescribe by written notice to the sending party.

IN WITNESS WHEREOF, the said Contractor and Surety have signed and sealed this instrument on the respective dates written below their signatures and have attached current Power of Attorney.

Owner Loan Agreement (Borrower/Owner)

Owner Loan Agreement
(My Connect Community/Connect South Apts, LP)

This Owner Loan Agreement ("**Owner Loan Agreement**") is made and entered into the ____ day of _____, 2022 by and between My Connect Community, a Texas nonprofit corporation ("**Lender**"), and Connect South Apts, LP, a Texas limited partnership ("**Borrower**"), for the purposes and consideration hereinafter set forth.

WHEREAS, Lender has agreed to make a loan ("**Borrower Loan**") to Borrower in the original principal sum of \$11,900,000.00 as evidenced by a note executed by Borrower in favor of Lender ("**Borrower Note**") of even date herewith and secured by a Leasehold Deed of Trust against the property described therein ("**Property**") and located on the Land, more particularly described in Exhibit A attached hereto;

WHEREAS, Borrower and Lender desire to enter into this Owner Loan Agreement to set forth certain terms and conditions of the Borrower Loan to supplement the provisions of the other documents executed in connection with, and evidencing or securing, the Borrower Loan ("**Loan Documents**").

NOW THEREFORE, for and in consideration of the Borrower Loan and the mutual covenants contained herein, the parties agree as follows:

1. Terms of Borrower Loan. The terms of the Borrower Loan are as follows:
 - (a) Borrower Note. Borrower's obligation to repay Lender is evidenced by a promissory note of even date herewith, payable to Lender in the original principal amount of \$11,900,000.00.
 - (b) Purpose. The purpose of the loan is to finance the acquisition and construction of a multifamily affordable housing development.
 - (c) Term. The term of the Borrower Loan shall commence on the date of Closing (as defined in the Loan Agreement by and between the City of Houston ("**City**"), Lender, and Borrower (the "**Agreement**")), and shall mature on the Maturity Date (as defined in the Borrower Note).
 - (d) Interest. The Loan shall bear interest in accordance with the terms of the Borrower Note and shall be payable as set out in the Borrower Note and the Agreement.
2. City Loan and Agreement. The Borrower, Lender and the City of Houston have entered into the Agreement with respect to a \$11,900,000.00 loan ("**City Loan**") from the City to Lender, the proceeds of which are funding the Borrower Loan. This Owner Loan Agreement, the Borrower Note and all of the other Loan Documents executed in connection with and securing, evidencing, or governing the Borrower Loan (including, without limitation, the Leasehold Deed of Trust securing the Borrower Loan) have been collaterally assigned to the City to secure the City Loan pursuant to that Collateral Assignment of Note and Liens dated of even date herewith, executed by Lender (the "**Collateral Assignment**"). The covenants, obligations, requirements, representations and warranties made by Borrower as "Owner" under the Agreement, to the extent applicable to Borrower or the Property, or to the ability of the Parties to perform their obligations related to the Property and the Agreement, are incorporated into and made a part of this Owner Loan Agreement and shall additionally constitute covenants, obligations, requirements, representations and warranties of Borrower to Lender and the City, as a third party beneficiary of this Owner Loan Agreement and as a collateral assignee of the Loan Documents. Borrower, the Borrower Loan and the Property shall be subject to all terms and conditions of the Agreement. Borrower specifically assumes and agrees to perform all of the covenants, obligations, and requirements to be performed by Borrower as "Owner" set forth in the Agreement for the benefit of the City and confirms the representations and warranties of Borrower as "Owner" thereunder for the benefit of the City and as a condition

of the Agreement and this Owner Loan Agreement. In the event of a conflict between the terms and conditions of this Owner Loan Agreement and the Agreement, the terms and conditions of the Agreement shall control. All capitalized terms not defined herein shall have the definition provided to them in the Agreement.

3. Funding.

(a) No Liability for Interruption of Funding. In the event that the City ceases funding the City Loan to Lender in accordance with the Agreement, Lender may cease funding the Borrower Loan to the Borrower without obligation to the Borrower and without being liable to the Borrower for any damages Borrower may incur as a result of such cessation in funding; provided, however, Lender agrees to deliver to Borrower reasonably satisfactory documentation evidencing City's decision to cease funding, and Lender agrees to use reasonable efforts to resolve any City concerns.

(b) Deemed Funding under City Loan. Disbursements under the City Loan will be by check or wire by the City made payable to Lender, Borrower or the entity which has provided the services entitled to be funded under the Agreement and this Owner Loan Agreement. The entire amount of any funding provided by the City to Lender under the City Loan shall be used by Lender to immediately fund the Borrower Loan and shall be deemed to be funding of the Borrower Loan.

4. Borrower's Representations and Warranties.

Borrower hereby each represents, warrants and agrees for the benefit of the City and the Lender that as of the date hereof and continuing during the entire term of this Owner Loan Agreement, and for so long as the City shall have any commitment or obligation to make any disbursements of the City Loan, and during the Affordability Period as follows:

(a) Ownership of Property. Upon the Closing Date of the City Loan, Borrower will thereafter hold a leasehold interest in and to the Property and shall provide the Director of the City's Housing and Community Development Department ("**Director**") with a copy of the Ground Lease. Borrower has disclosed to the Director's satisfaction and Director hereby acknowledges and approves that Borrower acquired the leasehold interest in the Property from Lender; or a director, officer, employee, partner, company, entity, or individual of, related to or affiliated with Lender.

(b) Information Submitted True and Correct. The information contained in or submitted in connection with Lender's application to the City for the City Loan, as amended by further information provided and disclosed to the City, is true and correct.

(c) Taxes and Assessments. There are no delinquent taxes, assessments, or other impositions on the Property, or if there are any delinquent taxes, assessments, or other impositions on the Property, same will be paid prior to or simultaneously with Closing of the City Loan. The Property has not been subject to any special (reduced) real estate appraisal, or abatement, exemption or deferral of ad valorem taxes (other than statutorily permitted challenges as to the amount) in the five (5) years preceding the date of Borrower's acquisition of the leasehold interest under the Ground Lease, unless Borrower has an effective agreement providing that another party is liable for all liability, accruing prior to Borrower's acquisition of the Property for ad valorem taxes owing as a result of an change or revocation of such special (reduced) real estate appraisal, or abatement, exemption or deferral of ad valorem taxes.

(d) Financial Capacity. The financial representations made by Lender to the City and by Borrower to Lender or the City concerning Lender's and Borrower's financial condition are true and correct in all material respects and, upon the Closing of the City Loan and the Borrower Loan, Lender and Borrower have the financial capacity to carry out their respective obligations under this Owner Loan Agreement, the Loan Documents, the Agreement and related documentation. If any material negative change in either Lender's

or Borrower's financial condition occurs, Lender and Borrower shall report such change to the City within five (5) business days.

(e) Authorization. All action on the part of Borrower necessary to authorize the transactions contemplated by this Owner Loan Agreement and the Agreement has been taken, and upon execution of this Owner Loan Agreement and the Agreement, this Owner Loan Agreement shall constitute the binding and enforceable obligation of Borrower which shall be enforceable by the Lender and City in accordance with their terms. In addition, all of the covenants, obligations, and requirements set forth herein to be assumed by Borrower and the representations and warranties made hereunder by Borrower shall constitute the binding and enforceable covenants, obligations and requirements and representations and warranties of Borrower which shall be enforceable by the Lender and City in accordance with their terms.

(f) Mechanics' and Materialmen's Liens. As of the Closing Date, there are no existing or threatened mechanics' and materialmen's liens against the Property, and the Borrower does not know of any reason such liens may be filed or threatened against the Project. As of the date of disbursement of City Loan funds, no work will have been performed on or materials incorporated into the Project by Borrower, Lender or Borrower's or Lender's contractors or subcontractors that could result in the imposition of a lien against the Project. No work shall commence on the Project prior to the disbursement of City Loan funds.

(g) Approved Final Construction Budget Contents. The Approved Final Construction Budget specifies (a) a listing of all costs necessary to (i) complete the Work on the Project and (ii) reach a 90% occupancy level, and (b) the sources of funding which will be used to complete the Work and reach 90% occupancy.

(h) Expertise. Borrower has engaged competent persons and firms for the purpose of constructing, leasing and managing the Project.

(i) Legal Existence. Borrower is a limited partnership duly created, validly existing and in good standing under the laws of the State of Texas.

(j) Access. Access by vehicles to the Project for the full utilization of the Project for its intended purposes either (a) exists over paved roadways dedicated to the public and accepted by the appropriate governmental authority, or (b) the necessary rights-of-way for such roadways have been acquired by the appropriate governmental authority and all necessary steps have been taken by Borrower and/or such governmental authority to assure the construction and installation of such roadways.

(k) Use of Project. During the Affordability Period, that portion of the Project specified in Section 6.8 of the Agreement shall be used solely for the purpose of housing LMI Persons in accordance with Section 6.8 thereof, and for no other purpose.

(l) No Religious Affiliation. Borrower is not a religious organization and no portion of the proceeds of the City Loan will be used to construct or acquire housing to be owned, operated or used by a religious organization.

(m) Compliance with Federal, State, and Local Laws and Regulations. Borrower shall construct, lease and operate the Project in accordance with all applicable law including, without limitation, the Model Energy Code, the Americans with Disabilities Act of 1990 and the Architectural Barriers Act of 1968.

5. Default under this Agreement. The Lender may declare a default ("**Default**") under this Owner Loan Agreement or any one or more of the Loan Documents upon the occurrence and during the continuation beyond the expiration of all applicable notice, grace, and cure periods of any one or more of the following circumstances:

(a) Monetary Default. If Borrower fails to pay when due any portion of the sums owing under the Borrower Note, this Owner Loan Agreement and/or any of the Loan

Documents and such failure continues for ten (10) business days after written notice thereof from the Lender or any holder of the Borrower Loan;

(b) Non-Monetary Default. If Borrower fails, refuses or neglects to perform fully and timely any obligation or breaches any covenant, condition, representation or warranty under this Owner Loan Agreement or any other Borrower Loan Document and such failure continues for thirty (30) days following written notice from Lender to Borrower, or, if the failure is not susceptible to cure within said 30-day period, such greater period of time (not to exceed sixty (60) days) as is necessary to cure such failure provided Borrower commences to cure such failure within said 30-day period and diligently works to cure such failure, provided however, that in the event that any such cure periods would cause a material violation to occur under applicable law or cause a recapture of any tax credits the notice and cure period shall be reduced to a length of time that would not cause a material violation of applicable law or cause such a recapture;

(c) Default under Agreement by Borrower. Notwithstanding the foregoing, a "Default" under the Agreement by Borrower shall immediately constitute a Default by Borrower under this Owner Loan Agreement. Notwithstanding the provisions of Subparagraphs 5(a) and 5(b) above, in the event of a conflict between the available notice and cure periods under the Agreement and this Owner Loan Agreement, the Agreement shall control, and upon the occurrence of a Default under the Agreement, no further notice and/or cure periods shall be available under this Owner Loan Agreement for such event and such event shall immediately be deemed a Default by Borrower under this Owner Loan Agreement.

6. Notice and Cure Rights. Notwithstanding anything to the contrary contained in the Loan Documents, Lender hereby agrees that any cure of any default or Default made or tendered by a Tax Credit Investor shall be deemed to be a cure by Borrower and shall be accepted or rejected on the same basis as if made or tendered by Borrower. Copies of all notices which are sent to Borrower or any other party under the terms of the Loan Documents shall also be sent to:

7. Lender's Remedies. If a Default exists under this Owner Loan Agreement, Lender shall be entitled to exercise all rights and remedies available under the Loan Documents, without further notice or opportunity to cure by Borrower except as may be required by applicable law or the other Loan Documents. Notwithstanding the foregoing, or anything else to the contrary set forth in the Loan Documents, during such time as the Collateral Assignment remains in effect, if a Default exists hereunder or under any of the other Loan Documents, Lender agrees that it will not accelerate the Borrower Loan, commence foreclosure proceedings with respect to the Property, collect rents, appoint (or seek the appointment of) a receiver or institute any other collection or enforcement action.

8. Amendments and Waivers. Borrower and Lender acknowledge and agree that the terms and provisions of this Owner Loan Agreement and the Loan Documents may not be amended and no waivers of any provisions of this Owner Loan Agreement or any Loan Document shall be effective without the prior written consent of the City as the collateral assignee of Lender. In addition, any prepayment of the Borrower Note shall require the prior written consent of the City as the collateral assignee of the Lender.

9. Limit to Indemnification. Notwithstanding anything to the contrary set forth in any of the Loan Documents, no indemnity obligation set forth in any Loan Document shall extend to or be enforceable against any limited partner of Borrower including any Tax Credit Investor in its capacity as a limited partner of Borrower (but not otherwise).

10. Amendments to Organizational Documents. Except as otherwise provided in the Agreement, Borrower shall not have the right to amend its organizational documents in any material respect without the City's prior written approval.

11. Removal of Borrower's General Partner (if any). Notwithstanding anything to the contrary contained in the Loan Documents but subject to the requirements of the Agreement, if Borrower is a limited partnership, the removal and/or replacement of Borrower's general partner for cause in accordance with the terms of Borrower's partnership agreement shall not require Lender's consent, constitute a default under the Loan Documents or accelerate the maturity of the Loan, but shall be subject to the terms and conditions of the Agreement.

12. Transfer of Borrower's Partnership Interest. Notwithstanding anything to the contrary contained in this Loan Documents but subject to the requirements of the Agreement, if Borrower is a limited partnership, Lender's consent shall not be required (and it shall be expressly permitted and not be deemed a Default under any of the Loan Documents), in connection with:

(a) The transfers and/or assignments permitted by Section 10.1.12, 10.1.15 and 10.1.16 of the Agreement;

13. Insurance. Borrower shall, prior to or concurrently with the closing of the Borrower's Loan, deliver to Lender and City insurance policies evidencing the insurance coverages and requirements set forth in Section 6.25 and Appendix 2 of the Agreement and which policies shall name Lender and the City as additional insureds thereunder. In the event of a conflict between the insurance requirements of the Deed of Trust and the Agreement, the Agreement will control.

14. Miscellaneous.
