## **Background**

In furtherance of the City of Houston's commitment to ensure the success of minority, women-owned, and small business enterprises (MWSBEs), the Office of Business Opportunity (OBO) is charged with creating a competitive and diverse business environment in the City of Houston by promoting the growth and success of these historically underutilized businesses, through their meaningful participation in the government procurement process. This progress is measured, in part, by monitoring the extent of these groups' participation on City contracts.

In compliance with Chapter 15, Article V of the City Code of Ordinances, this report details the progress city departments have made towards attaining the utilization goals established for the City's MWSBE program. In addition, for the purpose of reporting the awards to certified firms on all city-related contracts, this report includes the dollars amounts awarded to certified Disadvantaged Business Enterprises (DBE) who participate in United States Department of Transportation funded contracts (listed separately in Appendix C).

## **MWSBE Awards Summary**

In fiscal year 2020, the City of Houston awarded a total of \$3,567,703,298 to firms on construction, professional services, and goods & services agreements, with \$765,739,828 awarded to certified minority, women, and small, business enterprises (MWSBE) firms. Of that, \$182,785,046 were exempt contracts, \$391,004,410 were contracts with waivers, and \$344,741 were non-goal oriented contracts. Therefore the total dollar amount awarded on goal-oriented contracts only was \$2,993,569,102, of which \$741,732,397 was awarded to certified MWSBE firms, yielding an average utilization rate of 24.8 %

On analyzing participation of MWSBE firms on **goal-oriented** contracts by **ethnicity**, Hispanic-owned businesses received the largest share-\$189,612,261 or 25.6 % of the total amount awarded to certified firms. Black-owned businesses came in second, \$162,016,475 award or 21.8 % of dollars awarded. Other-owned firms came in third with \$142,776,996 or 19.2 %. Caucasian Women-owned firms were fourth with \$113,517,028 or 15.3 %. Asian-owned firms were fifth with \$100,591,595 or 13.6 %. Native American-owned firms were six with \$16,992,316 or 2.3 %. Awards to certified firms each on these contracts totaled 2547 with the following breakdown: Hispanic - 730, Black - 573, Asian - 534, Caucasian Women - 475, Non-minority Male - 131, Other - 59.

When analyzed by **industry**, MWSBE certified firms on **goal-oriented** construction contracts were awarded \$514,629,628, which is 27.9 % of the total amount of \$1,844,472,172 awarded in all city-related construction projects. \$153,762,737 or 35.3 % of all professional services contracts awarded citywide, totaling \$435,348,052, went to certified firms. A total of \$73,340,032 was awarded to certified firms on goods & services projects, which is 10.3 % of the \$713,748,878 awarded to all goods & services projects citywide.

## **Summary of Exempt and Contracts with Waivers**

As stated above, \$182,785,046 were contracts exempt from a goal for various reasons. The remaining \$391,004,410 include contracts that are subject for approval by OBO for a goal waiver due to sole source, non-divisibility, interlocal agreements, cooperative purchasing agreements, DIR, HGAC, no certified firms available, etc. Please see Appendix A for more details.

## **Certification Types**

**Minority Business Enterprise (MBE)** certification applies to firms owned and operated by minorities. MBE goals may be applied to any locally funded contract type.

**Women Business Enterprise (WBE)** certification applies to firms owned and operated by females. As of July 1, 2013, pursuant to amendments to Chapter 15, Article V of the City Code of Ordinances, WBEs have been reinstated on construction contracts, therefore, WBE goals are now applied to any locally funded contract types.

**Small Business Enterprise (SBE)** certification is race and gender neutral, and applies only to eligible firms in the construction industry. SBEs can be used, up to 4%, to meet contract specific subcontracting MWBE goals on construction related contracts.

**Persons with Disabilities Business Enterprise (PDBE)** certification applies to eligible firms owned and operated by a disabled veteran or individuals with an existing medically determined physical or mental impairment of a chronic or permanent character. PDBE utilization may be used to augment citywide goals set by City Council. Most PDBEs have multiple certification types. At the time that a contract is awarded, the prime contractor determines which certification type will be utilized. In most cases, PDBEs are utilized as an MBE or SBE.

**Disadvantaged Business Enterprise (DBE)** certification is a federal certification and applies to firms owned and operated by economically disadvantaged individuals. DBE goals apply only to U.S. Department of Transportation contracts that receive Federal financial assistance.

## **Goal Oriented Contracts**

There are three types of goal-oriented contract and non-contract projects: construction, professional services and purchase of goods & services. These projects are goal-oriented, which requires MWSBE utilization. The following are the types of goal-oriented contracts and their annual citywide goals set by City Council.

**Construction** contracts are related to construction projects above \$1M. The citywide goal for construction contracts is 34%.

**Professional Services** contracts (also known as Regulated contracts) require a professional license e.g. architect, engineer, attorney, or accountant etc. The citywide goal for professional services contracts is 24%.

**Goods & Services\*** contracts provide for the supply of goods and non-personal or nonprofessional services above \$100K. The citywide goal for goods & services contracts is 11%.

The following are subcategories under goods & services contracts. These are non-goal-oriented contract types and do not have citywide goals set by City Council. Note: the utilization of certified vendors on purchase orders and Pcards augments the citywide goal achievement percentage. Purchase orders and Pcard purchases are included in the "goods & services total" in this report.

- **Purchase orders:** direct orders for various purchases made from vendors.
- **PCard purchases:** direct purchases from vendors using City of Houston purchasing cards

---

**Contracts with Waivers\*\*** are contracts that don't have a goal per Chapter 15, Article V, Section 15-83, these contracts must be reviewed and approved by the Office of Business Opportunity (OBO). The following reflect the most frequent circumstances under which OBO may approve a request to waive a contract goal:

- **Emergency Contracts** - A public or administrative emergency exists which requires the goods or services being procured to be provided with unusual immediacy.
- **Specialized Contract** - If goods and services being procured are specialized, technical or of a unique nature as to require the contracting department to select its contractor without application of a goal.
- **Economic Burden or Risk** - If requiring a goal would impose an unwarranted economic burden or risk on the City or unduly delay acquisition of the goods or services, or is not in the best interest of the City.
- **No MWSBEs available** – There are no MWSBEs available in the market to perform the work required in the contract or who possess the specialized license or certification required to do the work.
- **Interlocal Agreements/Cooperative Purchasing Agreements/DIR/HGAC** - These are agreements the City enters into with other governmental entities in the interest of cooperatively sharing resources for their mutual benefit.
- **Non Divisible** - The contract cannot be divided to include the use of subcontractors.
- **Sole Source** - Contracts awarded to meet a need that can only be supplied from a firm that provides specialized and/or unique products or services.
- **Direct shipment** - Contracts where the goods are directly shipped to the customer.

*\* As per the recommendation of Strategic Purchasing Division, 'Purchasing' Contracts will be referred to as 'Goods & Services'. The Report has been edited to reflect this change.*

*\*\*Departments are required to request a 0% goal from OBO, however, in some cases a department has requested a 0% goal directly from City Council.*

**Non-Goal-Oriented Contracts** – Construction contracts \$1,000,000 or less and Goods & Services contracts \$100,000 or less. These are contracts that do not require certified firms or a review from the Office of Business Opportunity.

Administration and Regulatory Affairs

Details by Department

7/1/2019-6/30/2020

The Administration and Regulatory Affairs Department (ARA) provides efficient and logical solutions to administrative and regulatory challenges. The department oversees Parking, Operations/3-1-1, Payroll, Administrative Services, BARC (the City's Animal Shelter and Adoption Facility), Transportation and Insurance Management.

In fiscal year 2020, ARA awarded \$15,491,625, of which \$1,308,193 was awarded to certified firms, accounting for 8.4 % utilization over all awards. However, from this amount, \$5,936,455 was either exempt from MWBE goals, granted a waiver, or non goal-oriented. From the remaining \$9,555,171, the department registered 9.7 % utilization by awarding a total of \$926,265 to certified firms.

**Historically Underutilized Businesses**

As stated in Administrative Policy 5-8 effective March 4, 2016, Bids must be solicited from at least two Historically Underutilized Businesses (HUBs) certified by the Office of Business Opportunity before any expenditure of more than \$3,000 but less than \$50,000 are made. This policy does not apply to Purchasing Cards (Pcard) transactions.

The following below reflects the awards to HUB for FY2020.

**FY2020 Awarded Contracts with DBE Certified Firms**

The United States Department of Transportation requires recipients who receive more than \$250,000 in federal funds to establish a Disadvantaged Business Enterprise Plan and set participation goals on all federally-assisted projects as well as setting a triennial goal. On October 23, 2013, the Houston City Council approved a DBE Triennial Goal for the Houston Airport System of 29% for the participation of Disadvantaged Business Enterprises and 3.7% goal for the race/gender neutral component on all Houston Airport System contracts; funded (wholly or in part) by the U.S. Department of Transportation. While this goal is effective October 1, 2013 through September 30, 2016, the effect of the higher goals will be fully realized over time.

In fiscal year 2020, DBE Certified Firms were utilized on a total of 7 contracts. The total amount awarded to these contracts was \$96,246,322. From that amount, DBE Certified firms were awarded \$8,798,682 for a combined participation of 9.1 %.

**FY2020 ACDBE Concessions**

**Airport Concessions Disadvantaged Business Enterprise Program**

The City of Houston (City) has established an Airport Concessions Disadvantaged Business Enterprise (ACDBE) Program in accordance with regulations of the U.S. Department of Transportation (DOT), 49 CFR, Part 23. The City owns and operates three commercial airports in the Houston Airport System. Of these three, George Bush Intercontinental Airport/Houston (IAH) and William P. Hobby Airport (HOU) are primary airports. The City has received federal funds authorized for airport development after January 1988 authorized under Title 49 of the United States Code. The City has signed airport grant assurances that it will comply with 49 CFR, Part 23.

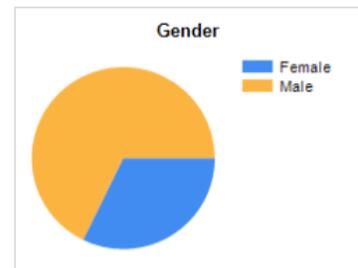

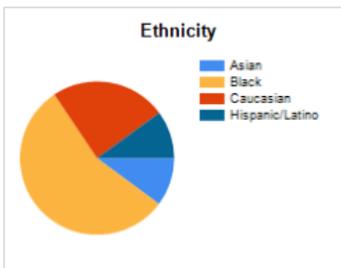

**ACDBE Triennial Goals**

The United States Department of Transportation requires recipients that receive more than \$250,000 in federal funds to establish an Airport Concession Disadvantaged Business Enterprise Plan and set Triennial Goals on projects that receive federal funds. The Houston Airport System receives Airport Improvement Program (AIP) Funds from the Federal Aviation Administration (FAA) in excess of this amount.
